Please provide a list of any and all mobile home parks or recreational vehicle (RV) parks that are currently being regulated by the Missouri Public Service Commission.

**Response**

Upon information and belief, the PSC regulates many utilities that have mobile home parks (MHPs) and RV parks within their service areas. The Commission's database does not have an identifier to show whether it is serving a MHP, or what portion of the customers are a MHP, etc. Staff has knowledge of one system that serves only one MHP, 188 North Summit, LLC. Response provided by Carolyn Kerr (carolyn.kerr@psc.mo.gov).
