

EC-2024-0145

Brett Felber, Lisa Lambert

VS

Ameren Missouri

To whom this may concern. Both the complainants wish to file their motion to dismiss their complaint against Ameren Missouri.

Due to this matter involving civil litigation in Cole County Courts, the complainants believe any issues that have raised will be addressed in the lawsuit filed against the Commission and Ameren Missouri.

In addition, it would be a conflict for the Complainant, Commission or Ameren to make any pleadings or additional filings while there is litigation involved in this matter.
