Application to change service provider.

To whom this may concern. The complainant wishes to withdraw and file this motion to dismiss his complaint for a change of supplier.

At this time, it would not be beneficial for the Complainant to file any further pleadings, along with the Respondent Ameren Missouri or the Commission.

The Complainant has filed suit against the Commission for a battery of actions in resulting in performance, in which will be presented to the Cole County Courts.

Complainant believes that an outcome will be decided in lawsuits filed against the Commission in Cole County, Missouri.

It would be a conflict of interest for the Complainant and the Commission to make any orders or propose any orders outside of a dismissal of the Complaint, as there is currently outside litigation filed, in which will address these issues.
