Clause of Union Electric Company d/b/a)

File No. ER-2011-0321

ORDER FURTHER SUSPENDING TRUE-UP TIMELINE

Issue Date: May 23, 2011

Effective Date: May 23, 2011

On April 1, 2011, Union Electric Company d/b/a Ameren Missouri submitted an application to the Commission containing its second fuel adjustment clause true-up filing, as it is required to do by Commission Rules 4 CSR 240-3.161 and 240-20.090. One of the issues in Ameren Missouri's second true-up filing is pending before the Commission in file number ER-2010-0274, the case established to consider Ameren Missouri's first true-up filing. Since this case cannot be resolved until that earlier case is decided, the Commission initially suspended the true-up timeline for this case until June 30 to match the timeline of the earlier case. Subsequently, the Commission extended the timeline for resolution of ER-2010-0274 until July 14. So that the timelines for the two cases will continue to match, the Commission will extend the timeline for this case to July 14.

THE COMMISSION ORDERS THAT:

1. Pursuant to Commission rule 4 CSR 240-20.090(5)(D), the timeline of the second true-up is suspended from June 30, 2011, until July 14, 2011.
2. This order shall become effective immediately upon issuance.
