**File No. EO-2019-0320**

**ORDER GRANTING APPLICATION TO INTERVENE**

Issue Date: May 29, 2019

Effective Date: May 29, 2019

On April 15, 2019, Union Electric Company, d/b/a Ameren Missouri filed its 2018 Renewable Energy Standard Compliance Report and 2019-2021 Renewable Energy Standard Compliance Plan, as required by Commission Rule 4 CSR 240-20.100(8). Parts of that plan were filed as confidential under the Commission's confidential information rule, 4 CSR 240-2.135. A provision of that rule, 4 CSR 240-2.135(6), allows confidential information to be disclosed to the attorney of record for a party to a case, as well as to subject-matter experts for those parties.

On May 17, 2019, the Renew Missouri Advocates d/b/a Renew Missouri applied to intervene. The Commission shortened the time for responses to the application to intervene to May 21, 2019. The Commission received no responses.

Commission Rule 4 CSR 240-20.100(8) requires Ameren Missouri to file its Renewable Energy Standard Compliance Report and Renewable Energy Standard Compliance Plan. The rule states that any allegation of failure to comply with the Renewable Energy Standard shall be filed as a complaint. As a result, this is not a contested case. If not for the need to keep certain information confidential, there would be no need for any party to intervene in this file. Granting party status to the proposed intervenor is the best way to control disclosure of the confidential information filed by

Ameren Missouri. For that reason, the Commission finds that allowing Renew Missouri to intervene will serve the public interest. Therefore, in accordance with Commission rule 4 CSR 240-2.075(3), the Commission will grant the application to intervene.

**THE COMMISSION ORDERS THAT:**

1. The Application to Intervene of the Renew Missouri Advocates d/b/a Renew Missouri is granted.
2. This order shall be effective when issued.
