LOCAL EXCHANGE SERVICE	NOV 10 1996
<b>MISSOURI Public Service Commission</b>	
Missouri School Discount Program	
1.	A discount from standard monthly rates for local exchange business service may be allowed in connection with service furnished through the Missouri School Discount Program, pursuant to the Video Instructional Development and Educational Opportunity Program, as enacted by the Missouri State Legislature.
2.	Upon the customer's request, a discount of twenty percent (20%) from standard monthly access line rates may be allowed to educational institutions within the Company's certified area, as determined in Paragraph 3, following.
3.	An educational institution shall be defined either as an accredited public school, or an accredited private school which is tax exempt pursuant to 26 U.S.C. § 501(c)(3). Persons operating home schools, as defined in § 167.031 RSMo, shall not be eligible for this school discount program. Private schools must be accredited by either the Missouri Chapter of the National Federation of Non-Public Schools Accrediting Association, Independent Schools Association of the Central States, North Central Association of Colleges and Schools, and/or the University of Missouri-Columbia. Public Schools must be accredited by the Department of Elementary and Secondary Education for the State of Missouri and/or the North Central Association of Colleges and Schools.
4.	The qualifying discount will be permitted only on the local exchange access line. All other features, ancillary services or options, relative to the particular service, shall continue to be billed at the appropriate tariffed rates.
5.	The qualifying discount will be permitted only where the predominant use is providing educational and instructional programs and for the educational institutions' administrative use. The discount is not allowed to residential complexes associated with the institution.
6.	In addition to meeting the qualification specified in Paragraph 3 preceding, an eligible customer must sign an affidavit certifying that the qualification is met. The affidavit will be retained on file with the Company.
7.	The customer should request to receive the discount on all subsequent additions of eligible services which are ordered. There will be no additional affidavits required.
8.	The following local exchange services are eligible for a discount under this program: -Flat Rate, business one-party service.

**MO. PUBLIC SERVICE COMM**

1. Discounts on the intrastate services offered through this tariff will be available to eligible schools and libraries. A school or library will be eligible to participate in the discount program if it receives funds from the Federal Universal Service Fund.
2. The level of discount available will mirror the discount percentage level available to the school or library through the Federal Universal Service Fund program. The discount will be applied against the intrastate service rate otherwise applicable under this tariff. The discount only applies to the extent funds are available to the eligible school or library, through the Federal Universal Service Fund.
