**NOTICE OF CORRECTED TESTIMONY PAGES**

COMES NOW The Empire District Electric Company (“Empire”) and submits this Notice of Corrected Testimony Pages. In this regard, Empire respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. On March 5, 2019, Empire’s surrebuttal testimony was filed herein, including the surrebuttal testimony of David Holmes (EFIS Doc. 65), in Public and Highly Confidential versions.

2. Empire discovered that certain pages (p. 12-14) did not contain certain intended information. The corrected versions of those pages corresponding to both the Public and Highly Confidential versions of the testimony are provided with this Notice. These pages replace p. 12-14 in both the Public and Highly Confidential versions of David Holmes’ Surrebuttal Testimony. Empire further notes that nothing contained in the provided p. 12-14 (to include those pages corresponding to the Highly Confidential version of the Holmes testimony) is Highly Confidential. Thus, both sets are intentionally filed as public documents.

3. A redline version of the corrected pages was provided to the parties on March 8, 2019.

WHEREFORE, Empire submits this Notice and requests such relief as is just and proper

under the circumstances.
