AFFIDAVIT OF KARI SALSMAN

STATE OF MISSOURI)
) ss:
COUNTY OF COLE)

Kari Salsman, employee of the Missouri Public Service Commission, being of lawful age and after being duly sworn, states:

1. My name is Kari Salsman. I am an employee in the Telecommunications department at the Missouri Public Service Commission.
2. I placed a call to the number provided on Aristotle Unified Communications, LLC's website to request service on December 18, 2023. The Aristotle representative asked me for the address for new service. I stated I was in Missouri and as I paused to provide an address the Aristotle representative interjected, stating they don't service Missouri. I responded, questioning that they didn't provide internet service in Missouri and the representative stated no, that they do not provide service in Missouri but may in a few months.
3. The representative did not pursue the call any further. I thanked him and the call was ended. The representative never asked what town or county I was needing service in to check availability or to offer a call back at a later time if service came available. It was simply that they did not provide service in Missouri but may in a few months.
4. I hereby swear and affirm that my statements contained herein are true and correct to the best of my knowledge and belief.

KARI SALSMAN

Subscribed and affirmed before me this 8th day of January, 2024.
