Re: Tariff No. 200001185

GT-2001-2

Dear Mr. Roberts:

UtiliCorp United has filed two requests for approval of tariff sheets 36, 43, 44 and 44.1 from the Missouri Public Service gas tariff. One filing relates to a summer PGA gas cost adjustment, and the second is an experimental aggregation service. We have learned that Commission rules prohibit such contemporaneous filings.

To eliminate this conflict, we respectfully withdraw the filing that would have created an experimental aggregation service. We intend to re-file this tariff after the July 18 effective date for the PGA filing. We apologize for any inconvenience caused by this oversight.

Very truly yours,

Robert J. Amor
