Issue Date: July 18, 2019

Effective Date: July 18, 2019

On July 15, 2019, Summit Natural Gas of Missouri, Inc. filed an application seeking a waiver of Commission Rule 4 CSR 240-3.235 and Rule 4 CSR 240-3.275, which require companies to submit a depreciation study, database, and property unit catalog no less often than every 5 years.

In its application, Summit requests this waiver of a depreciation study be applied until July 1, 2029. Summit also requests to be allowed to file and maintain general rate cases during this time period. Summit's application includes a request for waiver of the 60-day notice requirement of Rule 4 CSR 240-4.017(1).

Because Summit's application is relevant to its potential request for a rate increase, the Commission will afford an opportunity for intervention from those who might seek to intervene in the company's rate case.

The Commission will also direct that the Staff of the Commission file a response to Summit's application.
