UNDERWRITING AGREEMENT

January 18, 2024

To the Underwriters named in Schedule I hereto

Ladies and Gentlemen:

1. Introduction. Empire District Bondco, LLC, a Delaware limited liability company (the “Issuer”), proposes to issue and sell \$305,490,000 aggregate principal amount of its Securitized Utility Tariff Bonds, Series 2024-A (the “Bonds”), identified in Schedule I hereto. The Issuer and The Empire District Electric Company d/b/a Liberty, a Kansas corporation and the Issuer’s direct parent (“Liberty”), hereby confirm their agreement with the several Underwriters (as defined below) as set forth herein.

The term “Underwriters” as used in this Underwriting Agreement (the “Underwriting Agreement”) shall be deemed to mean the entities named in Schedule I hereto.

2. Description of the Bonds. The Bonds will be issued pursuant to an indenture to be dated as of January 30, 2024, as supplemented by a series supplement thereto (as so supplemented, the “Indenture”), between the Issuer and The Bank of New York Mellon Trust Company, National Association, as indenture trustee (the “Indenture Trustee”) and as securities intermediary (the “Securities Intermediary”). The Bonds will be senior secured obligations of the Issuer and will be supported by securitized utility tariff property (as more fully described in the irrevocable amended report and order issued by the Missouri Public Service Commission (the “MPSC”), File No. EO-2022-0040 and File No. EO-2022-0193, on September 22, 2022, which became effective on October 2, 2022 (the “Financing Order”) relating to the Bonds, “Securitized Utility Tariff Property”), to be sold to the Issuer by Liberty pursuant to the Securitized Utility Tariff Property Purchase and Sale Agreement, to be dated on or about January 30, 2024, between Liberty and the Issuer (the “Sale Agreement”). The Securitized Utility Tariff Property securing the Bonds will be serviced pursuant to the Securitized Utility Tariff Property Servicing Agreement, to be dated on or about January 30, 2024, between Liberty, as servicer, and the Issuer, as owner of the Securitized Utility Tariff Property sold to it pursuant to the Sale Agreement (the “Servicing Agreement”).

3. Representations and Warranties of the Issuer. The Issuer represents and warrants to the several Underwriters that:

(a) The Bonds have been registered on Form SF-1 pursuant to guidance from the Securities and Exchange Commission (the “Commission”) and in accordance with such guidance the Issuer and the Bonds meet the requirements for the use of Form SF-1 under the Securities Act of 1933, as amended (the “Securities Act”). The Issuer, in its capacity as co-registrant and issuing entity with respect to the Bonds, and Liberty, in its capacity as co-registrant and as sponsor for the Issuer, have prepared and filed with the Commission a registration statement on such form on September 29, 2023 (Registration No. 333-274815 and 333-274815-01), as amended by Amendment No. 1 thereto filed January 5, 2024 including a prospectus (the “Registration Statement”), for registration under the Securities Act of up to \$305,490,000 aggregate principal amount of the Bonds. The Registration Statement has been declared effective by the Commission and no stop order suspending such effectiveness has been issued under the Securities Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Issuer, threatened by the Commission. References herein to the term “Registration Statement” shall be deemed to refer to the Registration Statement, including any amendment thereto, and any information in a prospectus as amended or supplemented as of the Effective Date (as defined below), deemed or retroactively deemed to be a part thereof pursuant to Rule 430A under the Securities Act (“Rule 430A”) that has not been superseded or modified. “Registration Statement” without reference to a time means the Registration Statement as of the Applicable Time (as defined below), which the parties agree is the time of the first contract of sale (as used in Rule 159 under the Securities Act) for the Bonds, and shall be considered the “Effective Date” of the Registration Statement relating to the Bonds. Information contained in a form of prospectus (as amended or supplemented as of the Effective Date) that is deemed retroactively to be a part of the Registration Statement pursuant to Rule 430A shall be considered to be included in the Registration Statement as of the time specified in Rule 430A. The final prospectus relating to the Bonds, as filed with the Commission pursuant to Rule 424(b) under the Securities Act, is referred to herein as the “Final Prospectus”; and the most recent preliminary prospectus that omitted information to be included upon pricing in a form of prospectus filed with the Commission pursuant to Rule 424(b) under the Securities Act and that was used after the initial effectiveness of the Registration Statement and prior to the Applicable Time is referred to herein as the “Pricing Prospectus”. The Pricing Prospectus, the Issuer Free Writing Prospectuses (as defined below) identified in Section B of Schedule III, together with the InTex File (as defined below), are referred to herein as the “Pricing Package”.

(b) At the time the Registration Statement initially became effective, at the time of each amendment (whether by post-effective amendment, incorporated report or form of prospectus) and on the Effective Date relating to the Bonds, the Registration Statement fully complied, and the Final Prospectus, both as of its date and at the Closing Date, and the Indenture, at the Closing Date, will fully comply in all material respects with the applicable provisions of the Securities Act and the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”), respectively, and, in each case, the applicable instructions, rules and regulations of the Commission thereunder; the Registration Statement, at each of the aforementioned dates, did not and will not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading; the Final Prospectus, both as of its date and at the Closing Date, will not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that the foregoing representations and warranties in this paragraph (b) shall not apply to statements or omissions made in reliance upon and in conformity with any Underwriter Information as defined in Section 11(a) below or to any statements in or omissions from any Statements of Eligibility on Form T-1 (or amendments thereto) of the Indenture Trustee under the Indenture filed as exhibits to the Registration Statement or to any statements or omissions made in the Registration Statement or the Final Prospectus relating to The Depository Trust Company’s (“DTC”) Book-Entry System that are based solely on information contained in published reports of the DTC.

(c) As of the Applicable Time, as of its date and on the date of its filing, the Pricing Prospectus did not and does not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (except that the principal amount of the Bonds, the tranches, the initial principal balances, the scheduled final payment dates, the final maturity dates, the expected average lives and related sensitivity data, proceeds to the Issuer, underwriters' allocation for each tranche, selling concession, reallowance, discounts, issuance date, the expected amortization schedule and the expected sinking fund schedule described in the Pricing Prospectus were subject to completion or change based on market conditions and the interest rate, price to the public and underwriting discounts and commissions for each tranche as well as certain other information dependent on the foregoing and other pricing related information was not included in the Pricing Prospectus). The Pricing Package, at the Applicable Time, did not, and at all subsequent times, through the completion of the offer and the sale of the Bonds on the Closing Date will not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The two preceding sentences do not apply to statements in or omissions from the Pricing Prospectus, the Pricing Term Sheet (as defined below) or any other Issuer Free Writing Prospectus based upon and in conformity with any Underwriter Information. "Issuer Free Writing Prospectus" means any "issuer free writing prospectus," as defined in Rule 433(h) under the Securities Act, relating to the Bonds, in the form filed or required to be filed with the Commission or, if not required to be filed, in the form retained in the Issuer's records pursuant to Rule 433(g) under the Securities Act. References to the term "Free Writing Prospectus" shall mean a free writing prospectus, as defined in Rule 405 under the Securities Act. "InTex File" means the files available at the InTex deal titled XEMDB24A concerning the characteristics of the Bonds or Securitized Utility Tariff Property. References to the term "Applicable Time" mean 1:50 PM, Eastern Time, on the date hereof, except that if, subsequent to such Applicable Time, the Issuer, Liberty and the Underwriters have determined that the information contained in the Pricing Prospectus or any Issuer Free Writing Prospectus issued prior to such Applicable Time included an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading and the Issuer, Liberty and the Underwriters have agreed to terminate the old purchase contracts and have entered into new purchase contracts with purchasers of the Bonds, then "Applicable Time" will refer to the first of such times when such new purchase contracts are entered into. The Issuer represents, warrants and agrees that it has treated and agrees that it will treat each of the free writing prospectuses listed on Schedule III hereto as an Issuer Free Writing Prospectus, and that each such Issuer Free Writing Prospectus has fully complied and will fully comply with the applicable requirements of Rules 164 and 433 under the Securities Act, including timely Commission filing where required, legending and record keeping.

(d) Each Issuer Free Writing Prospectus as of its issue date and at all subsequent times through the completion of the offer and sale of the Bonds on the Closing Date or until any earlier date that the Issuer or Liberty notified or notifies the Underwriters as described in the next sentence, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information then contained in the Registration Statement. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development the result of which is that such Issuer Free Writing Prospectus conflicts or would conflict with the information then contained in the Registration Statement or includes or would include an untrue statement of a material fact or, when considered together with the Pricing Prospectus, omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, (i) Liberty or the Issuer has promptly notified or will promptly notify the Underwriters and (ii) Liberty or the Issuer has promptly amended or will promptly amend or supplement such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission. The foregoing two sentences do not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with any Underwriter Information.

(e) The Issuer has been duly formed and is validly existing as a limited liability company in good standing under the Delaware Limited Liability Company Act, as amended, with full limited liability company power and authority to execute, deliver and perform its obligations under this Underwriting Agreement, the Bonds, the Sale Agreement, the Servicing Agreement, the Indenture, the amended and restated limited liability company agreement of the Issuer, dated as of January 17, 2024 (the "LLC Agreement"), the administration agreement to be dated the Closing Date between the Issuer and Liberty (the "Administration Agreement") and the other agreements and instruments contemplated by the Pricing Prospectus (collectively, the "Issuer Documents") and to own its properties and conduct its business as described in the Registration Statement and the Pricing Prospectus; the Issuer has been duly qualified to do business as a foreign limited liability company and is in good standing under the laws of each jurisdiction in which it owns or leases properties or conducts any business so as to require such qualification, except where failure to so qualify or to be in good standing would not have a material adverse effect on the business, properties, management, financial position, results of operations or prospects of the Issuer or Liberty, respectively, taken as a whole or on the performance by Liberty or the Issuer, respectively, of its obligations under any Issuer Document to which the Issuer or Liberty, respectively, is a party (a "Material Adverse Effect"); the Issuer has conducted and will conduct no business in the future that would be inconsistent with the description of the Issuer's business set forth in the Pricing Prospectus. The Issuer is not a party to or bound by any agreement or instrument other than the Issuer Documents and other agreements or instruments incidental to its formation and the Rating Agency Letters (as defined below). The Issuer has no material liabilities or obligations other than those arising out of the transactions contemplated by the Issuer Documents and as described in the Pricing Prospectus. Liberty is the beneficial owner of all of the limited liability company interests of the Issuer. Based on current law, the Issuer is not classified as an association taxable as a corporation for United States federal income tax purposes.

(f) The issuance and sale of the Bonds by the Issuer, the purchase of the Securitized Utility Tariff Property by the Issuer from Liberty and the consummation of the transactions herein contemplated by the Issuer, and the fulfillment of the terms hereof on the part of the Issuer to be fulfilled will not conflict with or result in a violation, or default under (i) the Issuer's certificate of formation or the LLC Agreement (collectively, the "Issuer Charter Documents"), (ii) any indenture or other agreement, obligation, condition, covenant or instrument to which the Issuer is a party, or (iii) any statute, law, rule, regulation, judgment, order or decree applicable to the Issuer of any court, regulatory body, administrative agency, governmental body, arbitrator or other authority having jurisdiction over the Issuer or any of its properties.

(g) This Underwriting Agreement has been duly authorized, executed and delivered by the Issuer, which has the necessary limited liability company power and authority to execute, deliver and perform its obligations under this Underwriting Agreement.

(h) The Issuer (i) is not in violation of the Issuer Charter Documents, (ii) is not in default, and no event has occurred which, with notice or lapse of time or both, would constitute such a default, in the due performance or observance of any term, covenant or condition contained in any indenture, mortgage, deed of trust or other agreement, or instrument to which it is a party or by which it is bound or to which its property is subject or (iii) is not in violation of any statute, law, rule, regulation, judgment, order or decree of any court, regulatory body, administrative agency, governmental body, arbitrator or other authority having jurisdiction over it or any of its properties, as applicable (except, in the case of clauses (ii) and (iii), for such violations or defaults as would not, individually or in the aggregate, have a Material Adverse Effect.

(i) The Indenture has been duly authorized by the Issuer, and, on the Closing Date, will have been duly executed and delivered by the Issuer and when executed and delivered by the Indenture Trustee will be a valid and binding instrument, enforceable against the Issuer in accordance with its terms, except as enforcement thereof may be limited (i) by laws and principles of equity affecting the enforcement of creditors' rights, including, without limitation, bankruptcy, reorganization, insolvency arrangement, fraudulent conveyance, moratorium, receivership, assignment for the benefit of creditors laws, and (ii) the applicable regulatory requirements (including the approval of the MPSC (collectively, the "Enforceability Exceptions"). On the Closing Date, the Indenture will (i) comply as to form in all material respects with the requirements of the Trust Indenture Act and (ii) conform in all material respects to the description thereof in the Pricing Prospectus and Final Prospectus.

(j) The Bonds have been duly authorized by the Issuer for issuance and sale to the Underwriters pursuant to this Underwriting Agreement and, when executed by the Issuer and authenticated by the Indenture Trustee in accordance with the Indenture and delivered to the Underwriters against payment therefor in accordance with the terms of this Underwriting Agreement, will constitute valid and binding obligations of the Issuer entitled to the benefits of the Indenture and enforceable against the Issuer in accordance with their terms, except as the enforceability thereof may be limited by the Enforceability Exceptions, and the Bonds conform in all material respects to the description thereof in the Pricing Prospectus and Final Prospectus. The Issuer has all requisite limited liability company power and authority to issue, sell and deliver the Bonds in accordance with and upon the terms and conditions set forth in this Underwriting Agreement and in the Pricing Prospectus and Final Prospectus.

(k) There are no legal, governmental or regulatory investigations, actions, demand, claims, suits, arbitrations, inquiries or proceedings ("Actions") pending to which the Issuer is or may be a party or to which any property of the Issuer is or may be subject that, individually or in the aggregate, if determined adversely to the Issuer, could reasonably be expected to have a Material Adverse Effect; and no such Actions are threatened or, to the knowledge of the Issuer, contemplated by any governmental or regulatory authority or threatened by others.

(l) Other than the filing of the issuance advice letter and non-action on the part of the MPSC contemplated by Ordering Paragraph 7 of the Financing Order, no consent, approval, authorization, filing with or order of any court or governmental agency or body is required in connection with the transactions contemplated herein, except such as have been already obtained and other than in connection or in compliance with the provisions of applicable blue sky laws or securities laws of any state, as to which the Issuer makes no representations or warranties), is legally required for the issuance and sale by the Issuer of the Bonds.

(m) The Issuer is not, and after giving effect to the offering and sale of the Bonds and the application of the proceeds thereof as described in the Pricing Prospectus and the Final Prospectus, will not be, an "investment company" within the meaning of the Investment Company Act of 1940, as amended (the "1940 Act").

(n) Relying on an exclusion or exemption from the definition of "investment company" under the 1940 Act pursuant to Rule 3a-7 under the 1940 Act, although additional exclusions or exemptions may be available, the Issuer is not a "covered fund" for purposes of the regulations adopted to implement Section 619 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

(o) The nationally recognized accounting firm which has performed certain procedures with respect to certain statistical and structural information contained in the Pricing Prospectus and the Final Prospectus, are independent public accountants.

(p) Each of the Sale Agreement, the Servicing Agreement, the Administration Agreement and LLC Agreement has been duly and validly authorized by the Issuer, and when executed and delivered by the Issuer on or prior to the Closing Date and the other parties thereto will constitute a valid and legally binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms, except as the enforceability thereof may be limited by the Enforceability Exceptions.

(q) The Issuer has complied with the written representations, acknowledgements and covenants (the "17g-5 Representations") relating to compliance with Rule 17g-5 under the Securities Exchange Act of 1934, as amended (the "Exchange Act") set forth in the (i) undertaking letter, dated as of October 2, 2023, by Liberty to Moody's (as defined below) and (ii) undertaking letter, dated October 4, 2023 from Liberty to S&P (as defined below, and together with Moody's, the "Rating Agencies") and the Issuer (collectively, the "Rating Agency Letters"), other than (x) any noncompliance of the 17g-5 Representations that would not have a material adverse effect on the rating of the Bonds or the Bonds or (y) any noncompliance arising from the breach by an Underwriter of the representations and warranties and covenants set forth in Section 13 hereof.

(r) The Issuer will comply, and has complied, in all material respects, with its diligence and disclosure obligations in respect to the Bonds under Rule 193 of the Securities Act and Items 1111(a)(7) of Regulation AB under the Securities Act.

(s) The Bonds are not subject to the risk retention requirements imposed by Section 15G of the Exchange Act.

(t) At the time of filing the Registration Statement, at the earliest time thereafter that the Issuer made a bona fide offer (within the meaning of Rule 164(h)(2)) of the Bonds and at the date hereof, the Issuer was not and is not an "ineligible issuer", as defined in Rule 405 under the Securities Act.

4. Representations and Warranties of Liberty. Liberty represents and warrants to the several Underwriters that:

(a) Liberty, in its capacity as co-registrant and sponsor with respect to the Bonds, meets the requirements to use Form SF-1 under the Securities Act. Liberty has prepared and filed with the Commission the Registration Statement for registration under the Securities Act of up to \$305,490,000 aggregate principal amount of the Bonds. The Registration Statement has been declared effective by the Commission and no stop order suspending such effectiveness has been issued under the Securities Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Issuer, threatened by the Commission.

(b) At the time the Registration Statement initially became effective, at the time of each amendment (whether by post-effective amendment, incorporated report or form of prospectus) and on the Effective Date relating to the Bonds, the Registration Statement fully complied, and the Final Prospectus, both as of its date and at the Closing Date, and the Indenture, at the Closing Date, will fully comply in all material respects with the applicable provisions of the Securities Act and the Trust Indenture Act, respectively, and, in each case, the applicable instructions, rules and regulations of the Commission thereunder; the Registration Statement, at each of the aforementioned dates, did not and will not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading; the Final Prospectus, both as of its date and at the Closing Date, will not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that the foregoing representations and warranties in this paragraph (b) shall not apply to statements or omissions made in reliance upon and in conformity with any Underwriter Information as defined in Section 11(a) below or to any statements in or omissions from any Statements of Eligibility on Form T-1 (or amendments thereto) of the Indenture Trustee under the Indenture filed as exhibits to the Registration Statement or to any statements or omissions made in the Registration Statement or the Final Prospectus relating to DTC's Book-Entry System that are based solely on information contained in published reports of the DTC.

(c) As of the Applicable Time and on the date of its filing, if applicable, the Pricing Prospectus, each Issuer Free Writing Prospectus (other than the Pricing Term Sheet) and the InTex File, did and do not include any untrue statement of a material fact or omit (with respect to each Issuer Free Writing Prospectus and the InTex File, when taken together with the Pricing Prospectus) to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (except that the principal amount of the Bonds, the tranches, the initial principal balances, the scheduled final payment dates, the final maturity dates, the expected average lives and related security data proceeds to the Issuer, underwriters' allocation for each tranche, selling concession, reallowance discounts, issuance date, the expected amortization schedule and the expected sinking fund schedule described in the Pricing Prospectus were subject to completion or change based on market conditions, and the interest rate, price to the public and underwriting discounts and commissions for each tranche as well as certain other information dependent on the foregoing and other pricing related information was not included in the Pricing Prospectus). The Pricing Package, at the Applicable Time, did not, and at all subsequent times through the completion of the offer and the sale of the Bonds on the Closing Date, will not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The two preceding sentences do not apply to statements in or omissions from the Pricing Prospectus, the Pricing Term Sheet or any other Issuer Free Writing Prospectus based upon and in conformity with any Underwriter Information. Liberty represents, warrants and agrees that it has treated and agrees that it will treat each of the free writing prospectuses listed on Schedule III hereto as an Issuer Free Writing Prospectus, and that each such Issuer Free Writing Prospectus has fully complied and will fully comply with the applicable requirements of Rules 164 and 433 under the Securities Act, including timely Commission filing where required, legending and record keeping.

(d) Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the offer and sale of the Bonds on the Closing Date or until any earlier date that the Issuer or Liberty notified or notifies the Underwriters as described in the next sentence, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development the result of which is that such Issuer Free Writing Prospectus conflicts or would conflict with the information then contained in the Registration Statement or includes or would include an untrue statement of a material fact or, when considered together with the Pricing Prospectus, omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, (i) Liberty or the Issuer has promptly notified or will promptly notify the Underwriters and (ii) Liberty or the Issuer has promptly amended or will promptly amend or supplement such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission. The foregoing two sentences do not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with any Underwriter Information.

(e) Liberty has been duly organized and is validly existing and in good standing under the laws of its jurisdiction of organization, is duly qualified to do business and is in good standing in each jurisdiction in which its ownership or lease of property or the conduct of its business requires such qualification, as described in the Registration Statement and the Pricing Prospectus, has all power and authority necessary to own or hold its respective properties and to conduct the businesses in which it is engaged, and has all requisite power and authority to sell Securitized Utility Tariff Property as described in the Pricing Prospectus and to otherwise perform its obligation under any Issuer Document to which it is a party, except where the failure to be so qualified, in good standing or have such power or authority would not, individually or in the aggregate, have a Material Adverse Effect.

(f) Other than as disclosed in the Registration Statement, Liberty has no significant subsidiaries within the meaning of Rule 1-02(w) of Regulation S-X.

(g) The issuance and sale of the Bonds, the transfer by Liberty of all of its rights and interests under the Financing Order relating to the Bonds to the Issuer, the consummation of any other of the transactions herein contemplated or the fulfillment of the terms hereof on the part of Liberty to be fulfilled, will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, result in the termination, modification or acceleration of, or result in the creation or imposition of any lien, charge or encumbrance upon any property, right or asset of Liberty pursuant to, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which Liberty is a party or by which Liberty is bound or to which any property, right or asset of Liberty is subject, (ii) result in any violation of the provisions of the charter or by-laws or similar organizational documents of Liberty (collectively, the "Liberty Charter Documents") or (iii) result in the violation of any law or statute or any judgment, order, rule or regulation of any court or arbitrator or governmental or regulatory authority, except, in the case of clauses (i) and (iii) above, for any such conflict, breach, violation, default, lien, charge or encumbrance that would not, individually or in the aggregate, have a Material Adverse Effect.

(h) This Underwriting Agreement has been duly authorized, executed and delivered by Liberty and constitutes a valid and legally binding agreement of Liberty, enforceable against Liberty in accordance with its terms, except as enforceability may be limited by the Enforceability Exceptions.

(i) Liberty is not (i) in violation of any of the Liberty Charter Documents; (ii) in default, and no event has occurred that, with notice or lapse of time or both, would constitute such a default, in the due performance or observance of any term, covenant or condition contained in any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which Liberty or any of its subsidiaries or affiliates is a party or by which Liberty or any of its subsidiaries is bound or to which any property or asset of Liberty or any of its subsidiaries is subject; or (iii) in violation of any law or statute or any judgment, order, rule or regulation of any court or arbitrator or governmental or regulatory authority, except, in the case of clauses (ii) and (iii) above, for any such default or violation that would not, individually or in the aggregate, have a Material Adverse Effect.

(j) Except as described in Registration Statement and the Pricing Prospectus, there are no Actions pending to which Liberty or any of its subsidiaries is or may be a party or to which any property of Liberty or any of its subsidiaries is or may be the subject that, individually or in the aggregate, if determined adversely to Liberty or any of its subsidiaries, could reasonably be expected to have a Material Adverse Effect; and no such Actions are threatened or, to the knowledge of Liberty, contemplated by any governmental or regulatory authority or threatened by others.

(k) Other than the submission of the issuance advice letter and non-action on the part of the MPSC contemplated by Ordering Paragraph 7 of the Financing Order, no consent, approval, authorization, order, registration or qualification of or with any court or arbitrator or governmental or regulatory authority is required for the execution, delivery and performance by Liberty of each of the Issuer Documents to which Liberty is a party, the issuance and sale of the Bonds by the Issuer, and compliance by Liberty with the terms thereof and the consummation of the transactions contemplated by the Financing Order.

(l) Liberty is not, and after giving effect to the offering and sale of the Bonds and the application of the proceeds thereof as described in the Pricing Prospectus, neither Liberty nor the Issuer will be, an “investment company” within the meaning of the 1940 Act.

(m) Relying on an exclusion or exemption from the definition of “investment company” under the 1940 Act pursuant to Rule 3a-7 under the 1940 Act, although additional exclusions or exemptions may be available, the Issuer is not a “covered fund” for purposes of the regulations adopted to implement Section 619 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

- (n) Each of the Sale Agreement, Servicing Agreement and Administration Agreement will have been prior to the Closing Date duly and validly authorized by Liberty, and when executed and delivered by Liberty and the other parties thereto will constitute a valid and legally binding obligation of Liberty, enforceable against Liberty in accordance with its terms, except as the enforceability thereof may be limited by the Enforceability Exceptions.
- (o) There are no Missouri transfer taxes related to the transfer of the Securitized Utility Tariff Property or the issuance and sale of the Bonds to the Underwriters pursuant to this Underwriting Agreement required to be paid at or prior to the Closing Date by Liberty or the Issuer.
- (p) The nationally recognized accounting firm referenced in Section 3(o) and 9(u) is a firm of independent public accountants with respect to Liberty as required by the Securities Act and the rules and regulations of the Commission thereunder.
- (q) Liberty, in its capacity as sponsor with the respect to the Bonds, has caused the Issuer to comply with the 17g-5 Representations, other than (x) any noncompliance of the 17g-5 Representations that would not have a material adverse effect on the rating of the Bonds or the Bonds or (y) any noncompliance arising from the breach by an Underwriter of the representations and warranties and covenants set forth in Section 13 hereof.
- (r) Liberty will comply, and has complied, in all material respects, with its diligence and disclosure obligations in respect to the Bonds under Rule 193 of the Securities Act and Items 1111(a)(7) and 1111(a)(8) of Regulation AB.
- (s) Neither Liberty, nor any of its subsidiaries, nor to the best of the knowledge of Liberty any director, officer, agent, employee or affiliate of Liberty or any of its subsidiaries has (i) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expense relating to political activity; (ii) made or taken an act in furtherance of an offer, promise or authorization of any direct or indirect unlawful payment or benefit to any foreign or domestic government official or employee, including of any government-owned or controlled entity or of a public international organization, or any person acting in an official capacity for or on behalf of any of the foregoing, or any political party or party official or candidate for political office; (iii) violated or is in violation of any provision of the Foreign Corrupt Practices Act of 1977, as amended, or any applicable law or regulation implementing the OECD Convention on Combating Bribery of Foreign Public Officials in International Business Transactions, or committed an offence under the Bribery Act 2010 of the United Kingdom, or any other applicable anti-bribery or anti-corruption law; or (iv) made, offered, agreed, requested or taken an act in furtherance of any unlawful bribe or other unlawful benefit, including, without limitation, any rebate, payoff, influence payment, kickback or other unlawful or improper payment or benefit. Liberty and its subsidiaries have instituted, maintain and enforce, and will continue to maintain and enforce, policies and procedures designed to promote and ensure compliance with all applicable anti-bribery and anti-corruption laws.

(t) The operations of Liberty and its subsidiaries are and have been conducted at all times in compliance with applicable financial recordkeeping and reporting requirements, including those of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the applicable money laundering statutes of all jurisdictions where Liberty or any of its subsidiaries conduct business, the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any governmental agency (collectively, the “Anti-Money Laundering Laws”), and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving Liberty or any of its subsidiaries with respect to the Anti-Money Laundering Laws is pending or, to the knowledge of Liberty, threatened.

(u) Neither Liberty, nor any of its subsidiaries, directors, officers or employees, nor, to the best of the knowledge of Liberty, any agent, affiliate or other person acting on behalf of Liberty or any of its subsidiaries is currently the subject or the target of any sanctions administered or enforced by the U.S. government (including, without limitation, the Office of Foreign Assets Control of the U.S. Department of the Treasury (“OFAC”) or the U.S. Department of State and including, without limitation, the designation as a “specially designated national” or “blocked person”), the United Nations Security Council (“UNSC”), the European Union, Her Majesty’s Treasury (“HMT”), or other relevant governmental sanctions authority (collectively, “Sanctions”), nor is the Liberty or any of its subsidiaries located, organized or resident in a country or territory that is the subject or target of Sanctions, including, without limitation, Crimea, Cuba, Iran, North Korea and Syria (each, a “Sanctioned Country”); and Liberty will not directly or indirectly use the proceeds of the offering of the Securities hereunder, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity (i) to fund or facilitate any activities of or business with any person that, at the time of such funding or facilitation, is the subject of Sanctions, (ii) to fund or facilitate any activities of or business in any Sanctioned Country or (iii) in any other manner that will result in a violation by any person (including any person participating in the transaction, whether as initial purchaser, underwriter, advisor, investor or otherwise) of Sanctions.

(v) The Bonds are not subject to the risk retention requirements imposed by Section 15G of the Exchange Act.

(w) At the time of filing the Registration Statement, at the earliest time thereafter that Liberty made a bona fide offer (within the meaning of Rule 164(h)(2)) of the Bonds and at the date hereof, Liberty was not and is not an “ineligible issuer”, as defined in Rule 405 under the Securities Act.

5. Investor Communications.

(a) Issuer and Liberty represent and agree that, unless they obtain the prior consent of the Underwriters, and each Underwriter represents and agrees that, unless it obtains the prior consent of the Issuer and Liberty and the Underwriters, they have not made and will not make any offer relating to the Bonds that would constitute an Issuer Free Writing Prospectus, or that would otherwise constitute a “free writing prospectus,” required to be filed by the Issuer or Liberty, as applicable, with the Commission or retained by the Issuer or Liberty, as applicable, under Rule 433 under the Securities Act; provided that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Pricing Term Sheet and each other Free Writing Prospectus identified in Schedule III hereto.

(b) Liberty and the Issuer (or the Underwriters at the direction of the Issuer) will prepare a final pricing term sheet relating to the Bonds (the “Pricing Term Sheet”), containing only information that describes the final pricing terms of the Bonds and otherwise in a form consented to by the Underwriters, and will file the Pricing Term Sheet within the period required by Rule 433(d)(5)(ii) under the Securities Act following the date such final pricing terms have been established for all classes of the offering of the Bonds. The Pricing Term Sheet is an Issuer Free Writing Prospectus for purposes of this Underwriting Agreement.

(c) Each Underwriter may provide to investors one or more of the Free Writing Prospectuses, including the Pricing Term Sheet, subject to the following conditions:

(i) An Underwriter shall not convey or deliver any Written Communication (as defined herein) to any person or entity in connection with the initial offering of the Bonds, unless such Written Communication (A) constitutes a prospectus satisfying the requirements of Rule 430A under the Securities Act, or (B)(i) is made in reliance on Rule 134 under the Securities Act, is an Issuer Free Writing Prospectus listed on Schedule III hereto or is an Underwriter Free Writing Prospectus (as defined below) and (ii) such Written Communication is preceded or accompanied by a prospectus satisfying the requirements of Section 10(a) of the Securities Act. “Written Communication” has the same meaning as that term is defined in Rule 405 under the Securities Act.

An “Underwriter Free Writing Prospectus” means any free writing prospectus that contains only preliminary or final terms of the Bonds and is not required to be filed by Liberty or the Issuer pursuant to Rule 433 under the Securities Act and that contains information substantially the same as the information contained in the Pricing Prospectus or Pricing Term Sheet (including, without limitation, (i) the class, size, rating, price, CUSIPs, coupon, yield, spread, benchmark, status and/or legal maturity date of the Bonds, the weighted average life, expected first and final scheduled payment dates, trade date, settlement date, transaction parties, credit enhancement, logistical details related to the location and timing of access to the roadshow, ERISA eligibility, legal investment status and payment window of one or more classes of Bonds and (ii) a column or other entry showing the status of the subscriptions for the Bonds, both for the Bonds as a whole and for each Underwriter’s retention, and/or expected pricing parameters of the Bonds).

(ii) Each Underwriter shall comply with all applicable laws and regulations in connection with the use of Free Writing Prospectuses and the Pricing Term Sheet, including but not limited to Rules 164 and 433 under the Securities Act.

(iii) All Free Writing Prospectuses provided to investors, whether or not filed with the Commission, shall bear a legend including substantially the following statement:

Liberty and the Issuing Entity have filed a registration statement (including a prospectus) with the SEC for the offering to which this communication relates. Before you invest, you should read the prospectus in that registration statement and other documents Liberty and the Issuing Entity have filed with the SEC for more complete information about the Issuing Entity and this offering. You may get these documents for free by visiting EDGAR on the SEC website at www.sec.gov. Alternatively, Liberty, the Issuing Entity, any underwriter or any dealer participating in the offering will arrange to send you the prospectus if you request it by calling Liberty collect at (905) 465-4500, Goldman Sachs & Co. LLC toll-free at 1-866-471-2526 and RBC Capital Markets, LLC toll-free at 1-866-375-6829.

The Issuer and the Underwriters shall have the right to require additional specific legends or notations to appear on any Free Writing Prospectus, the right to require changes regarding the use of terminology and the right to determine the types of information appearing therein with the approval of, in the case of the Issuer, Underwriters and, in the case of the Underwriters, the Issuer (which in either case shall not be unreasonably withheld).

(iv) Each Underwriter covenants with the Issuer and Liberty that after the Final Prospectus is available such Underwriter shall not distribute any written information concerning the Bonds to an investor unless such information is preceded or accompanied by the Final Prospectus or by notice to the investor that the Final Prospectus is available for free by visiting EDGAR on the SEC website at www.sec.gov.

(v) Each Underwriter covenants that if an Underwriter shall use an Underwriter Free Writing Prospectus that contains information in addition to (x) "issuer information", including information with respect to Liberty, as defined in Rule 433(h)(2) under the Securities Act or (y) the information in the Pricing Package, the liability arising from its use of such additional information shall be the sole responsibility of the Underwriter using such Underwriting Free Writing Prospectus unless the Underwriter Free Writing Prospectus (or any information contained therein) was consented to in advance by Liberty; provided, however, that, for the avoidance of doubt, (A) this clause (v) shall not be interpreted as tantamount to the indemnification obligations contained in Section 11(b) hereof and (B) no Underwriter shall be responsible for any errors or omissions in an Underwriter Free Writing Prospectus to the extent that such error or omission related to or was derived from any information provided by the Issuer or Liberty.

6. Purchase and Sale. On the basis of the representations and warranties herein contained, and subject to the terms and conditions herein set forth, the Issuer shall sell to each of the Underwriters, and each Underwriter shall purchase from the Issuer, at the time and place herein specified, severally and not jointly, at the purchase price set forth in Schedule I hereto, the principal amount of the Bonds set forth opposite such Underwriter's name in Schedule II hereto. The Underwriters agree to make a public offering of the Bonds. The Issuer shall pay (in the form of a discount to the principal amount of the offered Bonds) to the Underwriters a commission equal to \$1,221,960.

7. Time and Place of Closing. Delivery of the Bonds against payment of the aggregate purchase price therefor by wire transfer in federal funds shall be made at the place, on the date and at the time specified in Schedule I hereto, or at such other place, time and date as shall be agreed upon in writing by the Issuer and the Underwriters. The hour and date of such delivery and payment are herein called the "Closing Date". The Bonds shall be delivered to DTC or to The Bank of New York Mellon Trust Company, National Association, as custodian for DTC, in fully registered global form registered in the name of Cede & Co., for the respective accounts specified by the Underwriters not later than the close of business on the business day preceding the Closing Date or such other time as may be agreed upon by the Underwriters. The Issuer agrees to make the Bonds available to the Underwriters for checking purposes not later than 1:00 P.M. New York Time on the last business day preceding the Closing Date at the place specified for delivery of the Bonds in Schedule I hereto, or at such other place as the Issuer may specify.

If any Underwriter shall fail or refuse to purchase and pay for the aggregate principal amount of Bonds that such Underwriter has agreed to purchase and pay for hereunder, the Issuer shall immediately give notice to the other Underwriters of the default of such Underwriter, and the other Underwriters shall have the right within 24 hours after the receipt of such notice to determine to purchase, or to procure one or more others, who are members of the Financial Industry Regulatory Authority ("FINRA") (or, if not members of the FINRA, who are not eligible for membership in the FINRA and who agree (i) to make no sales within the United States, its territories or its possessions or to persons who are citizens thereof or residents therein and (ii) in making sales to comply with the FINRA's Conduct Rules) and satisfactory to the Issuer, to purchase, upon the terms herein set forth, the aggregate principal amount of Bonds that the defaulting Underwriter had agreed to purchase. If any non-defaulting Underwriter or Underwriters shall determine to exercise such right, such Underwriter or Underwriters shall give written notice to the Issuer of the determination in that regard within 24 hours after receipt of notice of any such default, and thereupon the Closing Date shall be postponed for such period, not exceeding three business days, as the Issuer shall determine. If in the event of such a default no non-defaulting Underwriter shall give such notice, then this Underwriting Agreement may be terminated by the Issuer, upon like notice given to the non-defaulting Underwriters, within a further period of 24 hours. If in such case the Issuer shall not elect to terminate this Underwriting Agreement it shall have the right, irrespective of such default:

(a) to require each non-defaulting Underwriter to purchase and pay for the respective aggregate principal amount of Bonds that it had agreed to purchase hereunder as hereinabove provided and, in addition, the aggregate principal amount of Bonds that the defaulting Underwriter shall have so failed to purchase up to an aggregate principal amount of Bonds equal to one-ninth (1/9) of the aggregate principal amount of Bonds that such non-defaulting Underwriter has otherwise agreed to purchase hereunder, and/or

(b) to procure one or more persons, reasonably acceptable to the Underwriters, who are members of the FINRA (or, if not members of the FINRA, who are not eligible for membership in the FINRA and who agree (i) to make no sales within the United States, its territories or its possessions or to persons who are citizens thereof or residents therein and (ii) in making sales to comply with the FINRA's Conduct Rules), to purchase, upon the terms herein set forth, either all or a part of the aggregate principal amount of Bonds that such defaulting Underwriter had agreed to purchase or that portion thereof that the remaining Underwriters shall not be obligated to purchase pursuant to the foregoing clause (a).

In the event the Issuer shall exercise its rights under (a) and/or (b) above, the Issuer shall give written notice thereof to the non-defaulting Underwriters within such further period of 24 hours, and thereupon the Closing Date shall be postponed for such period, not exceeding three business days, as the Issuer shall determine.

In the computation of any period of 24 hours referred to in this Section 7, there shall be excluded a period of 24 hours in respect of each Saturday, Sunday or legal holiday that would otherwise be included in such period of time.

Any action taken by the Issuer or Liberty under this Section 7 shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Underwriting Agreement. Termination of this Underwriting Agreement pursuant to Section 7 shall be without any liability on the part of the Issuer, Liberty or any non-defaulting Underwriter, except as otherwise provided in Sections 8(a)(vi) and 11 hereof.

8. Covenants.

(a) Covenants of the Issuer. The Issuer covenants and agrees with the several Underwriters that:

(i) The Issuer will upon request promptly deliver to the Underwriters and Counsel to the Underwriters a conformed copy of the Registration Statement, certified by an officer of the Issuer to be in the form as originally filed and all amendments thereto.

(ii) The Issuer will deliver to the Underwriters, as soon as practicable after the date hereof, as many copies of the Pricing Prospectus and Final Prospectus as they may reasonably request.

(iii) The Issuer will cause or has caused the Final Prospectus to be filed with the Commission pursuant to Rule 424 under the Securities Act as soon as practicable and will advise the Underwriters of any stop order suspending the effectiveness of the Registration Statement or preventing the use of the Registration Statement, or the institution of any proceeding therefor of which Issuer shall have received notice. The Issuer will use its reasonable best efforts to prevent the issuance of any such stop order and, if issued, to obtain as soon as possible the withdrawal thereof. The Issuer has complied and will comply with Rule 433 and Rule 163B under the Securities Act in connection with the offering of the Bonds.

(iv) If, during such period of time (not exceeding nine months) after the Final Prospectus has been filed with the Commission pursuant to Rule 424 under the Securities Act as in the opinion of Counsel for the Underwriters a prospectus covering the Bonds is required by law to be delivered in connection with sales by an Underwriter or dealer (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), any event relating to or affecting the Issuer, the Bonds or the Securitized Utility Tariff Property or of which the Issuer shall be advised in writing by the Underwriters shall occur that in the Issuer's reasonable judgment after consultation with Counsel for the Underwriters (as defined below) should be set forth in a supplement to, or an amendment of the Pricing Package or the Final Prospectus in order to make the Pricing Package or the Final Prospectus not misleading in the light of the circumstances when it is delivered to a purchaser (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), the Issuer will, at its expense, amend or supplement the Pricing Package or the Final Prospectus by either (A) preparing and furnishing to the Underwriters at the Issuer's expense a reasonable number of copies of a supplement or supplements or an amendment or amendments to the Pricing Package or the Final Prospectus or (B) making an appropriate filing pursuant to Section 13 or Section 15 of the Exchange Act, which will supplement or amend the Pricing Package or the Final Prospectus so that, as supplemented or amended, it will not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances when the Pricing Package or the Final Prospectus is delivered to a purchaser (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), not misleading; provided that should such event relate solely to the activities of any of the Underwriters, then such Underwriters shall assume the expense of preparing and furnishing any such amendment or supplement. The Issuer will also fulfill its obligations set out in Section 3(d) above. The Issuer will advise the Underwriters promptly in writing when any supplement to the Pricing Package, the Final Prospectus or any amendment to the Final Prospectus has been filed or distributed.

(v) The Issuer will furnish such proper information as may be lawfully required and otherwise cooperate in qualifying the Bonds for offer and sale under the blue-sky laws of the states of the United States as the Underwriters may designate; provided that the Issuer shall not be required to qualify as a foreign limited liability company or dealer in securities, to file any consents to service of process under the laws of any jurisdiction, or meet any other requirements deemed by the Issuer to be unduly burdensome.

(vi) The Issuer or Liberty will, except as herein provided, pay or cause to be paid all expenses and taxes (except transfer taxes) in connection with (i) the preparation and filing by it of the Registration Statement, Pricing Prospectus and Final Prospectus (including any amendments and supplements thereto) and any Issuer Free Writing Prospectuses, (ii) the issuance and delivery of the Bonds as provided in Section 7 hereof (including, without limitation, reasonable fees and disbursements of Counsel for the Underwriters and all trustee, rating agency and MPSC advisor fees), (iii) the qualification of the Bonds under blue-sky laws (including counsel fees not to exceed \$15,000.00), (iv) the printing and delivery to the Underwriters of reasonable quantities of the Registration Statement and, except as provided in Section 8(a)(iv) hereof, of the Pricing Package and Final Prospectus. If the obligation of the Underwriters to purchase the Bonds terminates in accordance with the provisions of Sections 7 (but excluding terminations arising thereunder out of an Underwriter default), 9, 10 or 12 hereof, the Issuer or Liberty (i) will reimburse the Underwriters for the reasonable fees and disbursements of Counsel for the Underwriters, and (ii) will reimburse the Underwriters for their reasonable out-of-pocket expenses, such out-of-pocket expenses in an aggregate amount not exceeding \$200,000, incurred in contemplation of the performance of this Underwriting Agreement. The Issuer shall not in any event be liable to any of the several Underwriters for damages on account of loss of anticipated profits.

(vii) During the period from the date of this Underwriting Agreement to the date that is five days after the Closing Date, the Issuer will not, without the prior written consent of the Underwriters, offer, sell or contract to sell, or otherwise dispose of, directly or indirectly, or announce the offering of, any asset-backed securities (other than the Bonds).

(viii) To the extent, if any, that any rating necessary to satisfy the condition set forth in Section 9(y) of this Underwriting Agreement is conditioned upon the furnishing of documents or the taking of other actions by the Issuer on or after the Closing Date, the Issuer shall furnish such documents and take such other actions.

(ix) For a period from the date of this Underwriting Agreement until the retirement of the Bonds or until such time as the Underwriters shall cease to maintain a secondary market in the Bonds, whichever occurs first, the Issuer shall file with the Commission, and to the extent permitted by and consistent with the Issuer's obligations under applicable law, make available on the website associated with the Issuer's parent, such periodic reports, if any, as are required (without regard to the number of holders of Bonds to the extent permitted by and consistent with the Issuer's obligations under applicable law) from time to time under Section 13 or Section 15(d) of the Exchange Act; provided that the Issuer shall not voluntarily suspend or terminate its filing obligations with the Commission unless permitted under applicable law and the terms of the Basic Documents. The Issuer shall also, to the extent permitted by and consistent with the Issuer's obligations under applicable law, include in the periodic and other reports to be filed with the Commission as provided above or posted on the website associated with the Issuer's parent, such information as required by Section 3.07(g) of the Indenture with respect to the Bonds. To the extent that the Issuer's obligations are terminated or limited by an amendment to Section 3.07(g) of the Indenture, or otherwise, such obligations shall be correspondingly terminated or limited hereunder.

(x) The Issuer and Liberty will not file any amendment to the Registration Statement or amendment or supplement to the Final Prospectus or amendment or supplement to the Pricing Package during the period when a prospectus relating to the Bonds is required to be delivered under the Securities Act, without prior notice to the Underwriters, or to which Norton Rose Fulbright US LLP, who are acting as counsel for the Underwriters (“Counsel for the Underwriters”), shall reasonably object by written notice to Liberty and the Issuer.

(xi) So long as any of the Bonds are outstanding, the Issuer will furnish to the Underwriters, if and to the extent not posted on EDGAR or the Issuer or its affiliate’s website, (A) as soon as available, a copy of each report of the Issuer filed with the Commission under the Exchange Act or mailed to the Bondholders (to the extent such reports are not publicly available on the Commission’s website), (B) upon request, a copy of any filings with the MPSC pursuant to the Financing Order including, but not limited to, any issuance advice letter or any routine or non-routine True-Up Adjustment filings, and (C) from time to time, any information concerning the Issuer as the Underwriters may reasonably request.

(xii) So long as the Bonds are rated by any Rating Agency, the Issuer will comply with the 17g-5 Representations, other than (x) any noncompliance of the 17g-5 Representations that would not have a material adverse effect on the rating of the Bonds or the Bonds or (y) any noncompliance arising from the breach by an Underwriter of the representations and warranties and covenants set forth in Section 13 hereof.

(b) Covenants of Liberty. Liberty covenants and agrees with the several Underwriters that, to the extent that the Issuer has not already performed such act pursuant to Section 8(a):

(i) To the extent permitted by applicable law and the agreements and instruments that bind Liberty, Liberty will use its reasonable best efforts to cause the Issuer to comply with the covenants set forth in Section 8(a) hereof.

- (ii) Liberty will use its reasonable best efforts to prevent the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or preventing the use of the Registration Statement, and, if issued, to obtain as soon as possible the withdrawal thereof.
- (iii) If, during such period of time (not exceeding nine months) after the Final Prospectus has been filed with the Commission pursuant to Rule 424 under the Securities Act as in the opinion of Counsel for the Underwriters a prospectus covering the Bonds is required by law to be delivered in connection with sales by an Underwriter or dealer (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), any event relating to or affecting Liberty, the Bonds or the Securitized Utility Tariff Property or of which Liberty shall be advised in writing by the Underwriters shall occur that in Liberty's reasonable judgment after consultation with Counsel for the Underwriters should be set forth in a supplement to, or an amendment of, the Pricing Package or the Final Prospectus in order to make the Pricing Package or the Final Prospectus not misleading in the light of the circumstances when it is delivered to a purchaser (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), Liberty will cause the Issuer, at Liberty's or the Issuer's expense, to amend or supplement the Pricing Package or the Final Prospectus by either (A) preparing and furnishing to the Underwriters at Liberty's or the Issuer's expense a reasonable number of copies of a supplement or supplements or an amendment or amendments to the Pricing Package or the Final Prospectus or (B) causing the Issuer to make an appropriate filing pursuant to Section 13 or Section 15 of the Exchange Act, which will supplement or amend the Pricing Package or the Final Prospectus so that, as supplemented or amended, it will not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances when the Pricing Package or the Final Prospectus is delivered to a purchaser (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), not misleading; provided that should such event relate solely to the activities of any of the Underwriters, then such Underwriters shall assume the expense of preparing and furnishing any such amendment or supplement. Liberty will also fulfill its obligations set out in Section 4(d). Liberty will cause Issuer to advise the Underwriters promptly in writing when any supplement to the Pricing Package, the Final Prospectus, or any amendment to the Final Prospectus has been filed or distributed.
- (iv) During the period from the date of this Underwriting Agreement to the date that is five days after the Closing Date, Liberty will not, without the prior written consent of the Underwriters, offer, sell or contract to sell, or otherwise dispose of, directly or indirectly, or announce the offering of, any asset-backed securities (other than the Bonds).
- (v) Liberty will cause the proceeds for the issuance and sale of the Bonds to be applied for the purposes described in the Pricing Prospectus.

(vi) As soon as practicable, but not later than 16 months, after the date hereof, the Liberty will make generally available (by posting on its website or otherwise) to its security holders, an earnings statement (which need not be audited) that will satisfy the provisions of Section 11(a) of the Securities Act.

(vii) To the extent, if any, that any rating necessary to satisfy the condition set forth in Section 9(y) of this Underwriting Agreement is conditioned upon the furnishing of documents or the taking of other actions by Liberty on or after the Closing Date, Liberty shall furnish such documents and take such other actions.

(viii) The initial Securitized Utility Tariff Charge will be calculated in accordance with the Financing Order.

(ix) Liberty will not file any amendment to the Registration Statement or amendment or supplement to the Final Prospectus or amendment or supplement to the Pricing Package during the period when a prospectus relating to the Bonds is required to be delivered under the Securities Act, without prior notice to the Underwriters or to which Counsel for the Underwriters shall reasonably object by written notice to Liberty.

(x) So long as any of the Bonds are outstanding, Liberty, in its capacity as sponsor with respect to the Bonds, will cause the Issuer to furnish to the Underwriters, if and to the extent not posted on EDGAR or Liberty or its affiliate's website, (A) upon request, a copy of any filings with the MPSC pursuant to the Financing Order including, but not limited to any issuance advice letter, any routine or non-routine true-up adjustment filings, and (B) from time to time, any public financial information in respect of Liberty, or any material information regarding the Securitized Utility Tariff Property to the extent it is reasonably available (other than confidential or proprietary information) concerning the Issuer as the Underwriters may reasonably request.

(xi) So long as the Bonds are rated by a Rating Agency, Liberty, in its capacity as sponsor with respect to the Bonds, will cause the Issuer to comply with the 17g-5 Representations, other than (x) any noncompliance of the 17g-5 Representations that would not have a material adverse effect on the rating of the Bonds or the Bonds or (y) any noncompliance arising from the breach by an Underwriter of the representations and warranties and covenants set forth in Section 13 hereof.

9. Conditions to the Obligations of the Underwriters. - (v) Subsequent to the respective dates as of which information is given in each of the Registration Statement, the Pricing Prospectus and the Final Prospectus, there shall not have been any change specified in the letters required by Section 9(u) which is, in the judgment of the Underwriters, so material and adverse as to make it impracticable or inadvisable to proceed with the offering or the delivery of the Bonds as contemplated by the Registration Statement and the Final Prospectus.

If any of the conditions specified in this Section 9 shall not have been fulfilled when and as provided in this Underwriting Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Underwriting Agreement shall not be in all material respects reasonably satisfactory in form and substance to the Underwriters and Counsel for the Underwriters, all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Underwriters. Notice of such cancellation shall be given to the Issuer in writing or by telephone or facsimile confirmed in writing.

10. Conditions of Issuer's Obligations. The obligation of the Issuer to deliver the Bonds shall be subject to the conditions that no stop order suspending the effectiveness of the Registration Statement shall be in effect at the Closing Date and no proceeding for that purpose shall be pending before, or threatened by, the Commission at the Closing Date and the issuance advice letter described in Section 9(aa) shall have become effective. In case these conditions shall not have been fulfilled, this Underwriting Agreement may be terminated by the Issuer upon notice thereof to the Underwriters. Any such termination shall be without liability of any party to any other party except as otherwise provided in Sections 8(a)(vi) and 11 hereof.

11. Indemnification and Contribution.

(a) Liberty and the Issuer, jointly and severally, agree to indemnify and hold harmless each Underwriter, the directors, officers, employees and affiliates of each Underwriter and each person who controls any Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Bonds as originally filed or in any amendment thereof, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained, or the omission or the alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in the Pricing Prospectus, the Pricing Package, the Final Prospectus, any Issuer Free Writing Prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Underwriter furnished to Liberty in writing by such Underwriter through the Underwriters expressly for use therein, it being understood and agreed that the only such information furnished to Liberty by the Underwriters in writing expressly for use in such foregoing documents is set forth in Schedule IV hereto (the "Underwriter Information") or arising out of, or based upon, statements in or omissions from that part of the Registration Statement that shall constitute the Statement of Eligibility under the Trust Indenture Act of the Indenture Trustee with respect to any indenture qualified pursuant to the Registration Statement.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless Liberty and the Issuer, each of Liberty's and the Issuer's respective directors and managers, officers, employees, affiliates and each person who controls the Issuer or Liberty within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the foregoing indemnity from Liberty and the Issuer to each Underwriter, but only with reference to the Underwriter Information.

(c) If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such person (the "Indemnified Person") shall promptly notify the person against whom such indemnification may be sought (the "Indemnifying Person") in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under paragraph (a) or (b) above. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person (who shall not, without the consent of the Indemnified Person, be counsel to the Indemnifying Person) to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 11 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be paid or reimbursed as they are incurred. Any such separate firm for any Underwriter, its affiliates, directors and officers and any control persons of such Underwriter shall be designated in writing by the Underwriters and any such separate firm for Liberty, the Issuer, their respective directors and officers and any control persons of Liberty and the Issuer shall be designated in writing by the Issuer. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there shall be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that an Indemnifying Person reimburse the Indemnified Person for fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by the Indemnifying Person of such request and (ii) the Indemnifying Person shall not have reimbursed the Indemnified Person in accordance with such request prior to the date of such settlement. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) If the indemnification provided for in paragraph (a) or (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by Liberty and the Issuer on the one hand and the Underwriters on the other from the offering of the Bonds or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of Liberty and the Issuer on the one hand and the Underwriters on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by Liberty and the Issuer on the one hand and the Underwriters on the other shall be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Issuer from the sale of the Bonds and the total discounts and commissions received by the Underwriters in connection therewith, as provided in this Agreement, bear to the aggregate offering price of the Bonds. The relative fault of Liberty and the Issuer on the one hand and the Underwriters on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by Liberty and the Issuer or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) Liberty, the Issuer and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 11 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 11, in no event shall an Underwriter be required to contribute any amount in excess of the amount by which the total discounts and commissions received by such Underwriter with respect to the offering of the Bonds exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 11 are several in proportion to their respective purchase obligations hereunder and not joint.

12. Termination. This Underwriting Agreement may be terminated, at any time prior to the Closing Date with respect to the Bonds by the Underwriters by written notice to the Issuer if after the date hereof and at or prior to the Closing Date (a) there shall have occurred any general suspension of trading in securities on the New York Stock Exchange ("NYSE") or there shall have been established by the NYSE, or by the Commission any general limitation on prices for such trading or any general restrictions on the distribution of securities, or a general banking moratorium declared by Federal, Missouri or New York state authorities or (b) there shall have occurred any (i) material outbreak or escalation of hostilities (including, without limitation, an act of terrorism) or (ii) declaration by the United States of war or national or international calamity or crisis, including, but not limited to, a material escalation of hostilities or a calamity that existed prior to the date of this Underwriting Agreement or (iii) material adverse change in the financial markets in the United States, and the effect of any such event specified in clause (a) or (b) above on the financial markets of the United States shall be such as to materially and adversely affect, in the reasonable judgment of the Underwriters, their ability to proceed with the public offering or the delivery of the Bonds on the terms and in the manner contemplated by the Final Prospectus. Any termination hereof pursuant to this Section 12 shall be without liability of any party to any other party except as otherwise provided in Sections 8(a)(vi) and 11 hereof.

13. Representations, Warranties and Covenants of the Underwriters. The Underwriters, severally and not jointly, represent, warrant and agree with the Issuer and Liberty that, unless the Underwriters obtained, or will obtain, the prior written consent of the Issuer or Liberty, the Underwriters (x) have not delivered, and will not deliver, any Rating Information (as defined below) to any Rating Agency until and unless the Issuer or Liberty advises the Underwriters that such Rating Information is posted to password-protected website maintained by the Servicer pursuant to paragraph (a)(3)(iii)(B) of Rule 17g-5 under the Exchange Act in the same form as it will be provided to such Rating Agency, and (y) have not participated, and will not participate, with any Rating Agency in any oral communication of any Rating Information without the participation of a representative of the Issuer or Liberty. For purposes of this Section 13, "Rating Information" means any information provided to a Rating Agency for the purpose of determining an initial credit rating on the Bonds.

14. Absence of Fiduciary Relationship. Each of the Issuer and Liberty acknowledges and agrees that the Underwriters are acting solely in the capacity of an arm's length contractual counterparty to the Issuer and Liberty with respect to the offering of the Bonds contemplated hereby (including in connection with determining the terms of the offering) and not as a financial advisor or a fiduciary to, or an agent of, the Issuer or Liberty. Additionally, none of the Underwriters is advising the Issuer or Liberty as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. The Issuer and Liberty shall consult with their own advisors concerning such matters and shall be responsible for making their own independent investigation and appraisal of the transactions contemplated hereby, and the Underwriters shall have no responsibility or liability to the Issuer or Liberty with respect thereto. Any review by the Underwriters of the Issuer or Liberty, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Underwriters and shall not be on behalf of the Issuer or Liberty.

15. Notices. All communications hereunder will be in writing and may be given by United States mail, courier service, telecopy, telefax or facsimile (confirmed by telephone or in writing in the case of notice by telecopy, telefax or facsimile) or any other customary means of communication, and any such communication shall be effective when delivered, or if mailed, three days after deposit in the United States mail with proper postage for ordinary mail prepaid, and if sent to the Underwriters, to it at the address specified in Schedule I hereto; and if sent to Liberty, to it at 602 S. Joplin Avenue, Joplin, Missouri, 64801, Attention: Kevin Noblet, President, Telephone: (417) 625-5100, with a copy to notices@APUCorp.com; and if sent to the Issuer, to it at 602 S. Joplin Avenue, Joplin, Missouri, 64801, Attention: Jennifer Shewmake, Manager, Treasurer and Secretary, Telephone: (417) 626-6828, with a copy to notices@APUCorp.com. The parties hereto, by notice to the others, may designate additional or different addresses for subsequent communications.

16. Successors. This Underwriting Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and controlling persons referred to in Section 11 hereof, and no other person will have any legal or equitable right, remedy or claim under or with respect to this Underwriting Agreement or any provision herein contained.

TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF THE PARTIES HERETO WAIVES ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE BETWEEN THE PARTIES HERETO ARISING OUT OF, CONNECTED WITH, RELATED TO, OR INCIDENTAL TO THE RELATIONSHIP BETWEEN ANY OF THEM IN CONNECTION WITH THIS UNDERWRITING AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. INSTEAD, ANY SUCH DISPUTE RESOLVED IN COURT WILL BE RESOLVED IN A BENCH TRIAL WITHOUT A JURY.

18. Counterparts. This Underwriting Agreement may be signed in any number of counterparts, each of which shall be deemed an original, which taken together shall constitute one and the same instrument. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Underwriting Agreement or any document to be signed in connection with this Underwriting Agreement shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

19. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) among the Issuer, Liberty and the Underwriters, or any of them, with respect to the subject matter hereof.

20. Recognition of the U.S. Special Resolution Regimes

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Underwriting Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Underwriting Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

AMENDED AND RESTATED
LIMITED LIABILITY COMPANY AGREEMENT
OF EMPIRE DISTRICT BONDCO, LLC

This AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT (as amended, restated or amended and restated from time to time, this “LLC Agreement”) of EMPIRE DISTRICT BONDCO, LLC, a Delaware limited liability company (the “Company”), dated as of January 17, 2024, is entered into by THE EMPIRE DISTRICT ELECTRIC COMPANY, a Kansas corporation, as sole equity member of the Company (together with any additional or successor members of the Company, each in their capacity as a member of the Company, other than any Special Members, the “Member”), and by Jennifer Schwartz, as the Independent Manager.

RECITALS

WHEREAS, the Member has caused to be filed a Certificate of Formation of the Company with the Secretary of State of the State of Delaware to form the Company under and pursuant to the LLC Act and has entered into a Limited Liability Company Agreement of the Company, dated as of September 15, 2023 (the “Original LLC Agreement”); and

WHEREAS, in accordance with the LLC Act, the Member desires to continue the Company without dissolution and to enter into this LLC Agreement to amend and restate in its entirety the Original LLC Agreement and to set forth the rights, powers and interests of the Member with respect to the Company and its Membership Interest therein and to provide for the management of the business and operations of the Company.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained and other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby amend and restate in its entirety the Original LLC Agreement as follows:

ARTICLE I

GENERAL PROVISIONS

SECTION 1.01 Definitions.

(a) Unless otherwise defined herein, capitalized terms used herein shall have the meanings assigned to them in Appendix A attached hereto.

(b) All terms defined in this LLC Agreement shall have the defined meanings when used in any certificate or other document made or delivered pursuant hereto unless otherwise defined therein.

(c) The words “hereof,” “herein,” “hereunder” and words of similar import, when used in this LLC Agreement, shall refer to this LLC Agreement as a whole and not to any particular provision of this LLC Agreement; Article, Section, Schedule, Exhibit, Appendix, Annex and Attachment references contained in this LLC Agreement are references to Articles, Sections, Schedules, Exhibits, Appendices, Annexes and Attachments in or to this LLC Agreement unless otherwise specified; and the term “including” shall mean “including without limitation.”

(d) The definitions contained in this LLC Agreement are applicable to the singular as well as the plural forms of such terms.

(e) Non-capitalized terms used herein which are defined in the LLC Act, shall, as the context requires, have the meanings assigned to such terms in the LLC Act.

SECTION 1.02 Sole Member; Registered Office and Agent.

(a) The sole Member of the Company shall be The Empire District Electric Company, a Kansas corporation, or any successor as sole member pursuant to Sections 1.02(e), 6.06 and 6.07. The registered office and registered agent of the Company in the State of Delaware as of the date hereof are The Corporation Trust Company, 1209 Orange Street, Corporation Trust Center, Wilmington, Delaware 19801. The Member may change said registered office and agent from one location to another in the State of Delaware. The Member shall provide notice of any such change to the Indenture Trustee.

(b) Upon the occurrence of any event that causes the Member to cease to be a member of the Company (other than upon continuation of the Company without dissolution upon the transfer or assignment by the Member of all of its limited liability company interest in the Company and the admission of the transferee or an additional Member of the Company pursuant to Sections 1.02(e), 6.06 and 6.07), each Person acting as an Independent Manager pursuant to the terms of this LLC Agreement shall, without any action of any Person and simultaneously with the Member ceasing to be a member of the Company, automatically be admitted to the Company as a Special Member and shall continue the Company without dissolution. No Special Member may resign from the Company or transfer its rights as Special Member unless (i) a successor Special Member has been admitted to the Company as Special Member by executing a counterpart to this LLC Agreement, and (ii) such successor has also accepted its appointment as an Independent Manager pursuant to this LLC Agreement; provided, however, the Special Members shall automatically cease to be members of the Company upon the admission to the Company of a substitute Member. Each Special Member shall be a member of the Company that has no interest in the profits, losses and capital of the Company and has no right to receive any distributions of Company assets (and no Special Member shall be treated as a member of the Company for federal income tax purposes). Pursuant to Section 18-301 of the LLC Act, a Special Member shall not be required to make any capital contributions to the Company and shall not receive a limited liability company interest in the Company. A Special Member, in its capacity as Special Member, may not bind the Company. Except as required by any mandatory provision of the LLC Act, each Special Member, in its capacity as Special Member, shall have no right to vote on, approve or otherwise consent to any action by, or matter relating to, the Company, including the merger, consolidation, division or conversion of the Company. In order to implement the admission to the Company of each Special Member, each Person acting as an Independent Manager pursuant to this LLC Agreement shall execute a counterpart to this LLC Agreement. Prior to its admission to the Company as Special Member, each Person acting as an Independent Manager pursuant to this LLC Agreement shall not be a member of the Company. A “Special Member” means, upon such Person’s admission to the Company as a member of the Company pursuant to this Section 1.02(b), a Person acting as an Independent Manager, in such Person’s capacity as a member of the Company. A Special Member shall only have the rights and duties expressly set forth in this LLC Agreement. For purposes of this LLC Agreement, a Special Member is not included within the defined term “Member.”

(c) The Company may admit additional Members with the affirmative vote or consent of a majority of the Managers, which vote or consent must include the affirmative vote or consent of each Independent Manager. Notwithstanding the preceding sentence, it shall be a condition to the admission of any additional Member that the sole Member shall have received an opinion of outside tax counsel (as selected by the Member in form and substance reasonably satisfactory to the Member and the Indenture Trustee) that the admission of such additional Member shall not cause the Company to be treated, for federal income tax purposes, as having more than a "sole owner" and that the Company shall not be treated, for federal income tax purposes, as an entity separate from such "sole owner". If such additional Member is being admitted when there are no members of the Company, its admission shall be effective as of the last remaining Member's ceasing to be a member of the Company.

SECTION 1.03 Other Offices. The Company may have an office at 602 S. Joplin Avenue, Joplin, Missouri 64801, or at any other offices that may at any time be established by the Member at any place or places within or outside the State of Delaware. The Member shall provide notice to the Indenture Trustee of any change in the location of the Company's office.

SECTION 1.04 Name. The name of the Company shall be "Empire District Bondco, LLC". The name of the Company may be changed from time to time by the Member with ten (10) days' prior written notice to the Managers and the Indenture Trustee, and the filing of an appropriate amendment to the Certificate of Formation with the Secretary of State as required by the LLC Act.

SECTION 1.05 Purpose; Nature of Business Permitted; Powers. The purposes for which the Company is formed are limited to:

- (a) acquiring, owning, holding, disposing of, administering, servicing or entering into agreements regarding the receipt and servicing of the Securitized Utility Tariff Property, and any Securitized Utility Tariff Property created by the Financing Order, and the other collateral;
- (b) issuing the Securitized Utility Tariff Bonds;
- (c) making payment on the Securitized Utility Tariff Bonds;
- (d) distributing amounts released to the Company;
- (e) managing, selling, assigning, pledging, collecting amounts due on, or otherwise dealing with the Securitized Utility Tariff Property and the other Securitized Utility Tariff Bond Collateral and related assets;

- (f) negotiating, executing, assuming and performing the Company's obligations under the Basic Documents;
- (g) performing other activities that are necessary, suitable or convenient to accomplish these purposes.

The Company shall engage only in any activities related to the foregoing purposes or required or authorized by the terms of the Basic Documents or other agreements referenced above. The Company shall have all powers reasonably incidental, necessary, suitable or convenient to effect the foregoing purposes, including all powers granted under the LLC Act. The Company shall issue the Securitized Utility Tariff Bonds pursuant to the Financing Order. The Company is hereby authorized to execute, deliver and perform, and the Member, any Manager (other than an Independent Manager), or any officer of the Company, acting singly or collectively, on behalf of the Company, are hereby authorized to execute and deliver, the Securitized Utility Tariff Bonds, the Basic Documents and all registration statements, documents, agreements, certificates or financing statements contemplated thereby or related thereto, all without any further act, vote, consent or approval of any Member, Manager or other Person, notwithstanding any other provision of this LLC Agreement, the LLC Act, or other applicable law, rule or regulation. Notwithstanding any other provision of this LLC Agreement, the LLC Act or other applicable law, any Basic Document executed prior to the date hereof by any Member, Manager or officer on behalf of the Company is hereby ratified and approved in all respects. The authorization set forth in the preceding two sentences shall not be deemed a restriction on the power and authority of the Member or any Manager, including any Independent Manager, to enter into other agreements or documents on behalf of the Company as authorized pursuant to this LLC Agreement and the LLC Act. The Company shall possess and may exercise all the powers and privileges granted by the LLC Act or by any other law or by this LLC Agreement, together with any powers incidental thereto, insofar as such powers and privileges are incidental, necessary, suitable or convenient to the conduct, promotion or attainment of the business purposes or activities of the Company.

SECTION 1.06 Limited Liability Company Agreement; Certificate of Formation. This LLC Agreement shall constitute a "limited liability company agreement" within the meaning of the LLC Act. Jennifer Shewmake, as an authorized person within the meaning of the LLC Act, has caused a certificate of formation of the Company to be executed and filed in the office of the Secretary of State of the State of Delaware on September 15, 2023 (such execution and filing being hereby ratified and approved in all respects). Upon the filing of the Certificate of Formation with the Secretary of State of the State of Delaware, her powers as an "authorized person" ceased, and the Member thereupon became the designated "authorized person" and shall continue as the designated "authorized person" within the meaning of the LLC Act. The existence of the Company as a separate legal entity shall continue until the cancellation of the Certificate of Formation of the Company as provided in the LLC Act.

SECTION 1.07 Separate Existence. Except for financial reporting purposes (to the extent required by generally accepted accounting principles) and for federal income tax purposes and, to the extent consistent with applicable state tax law, state income and franchise tax purposes, the Member and the Managers shall take all steps necessary to continue the identity of the Company as a separate legal entity and to make it apparent to third Persons that the Company is an entity with assets and liabilities distinct from those of the Member, Affiliates of the Member or any other Person, and that the Company is not a division of any of the Affiliates of the Company or any other Person. In that regard, and without limiting the foregoing in any manner, the Company shall:

- (a) maintain the assets of the Company in such a manner that it is not costly or difficult to segregate, identify or ascertain its individual assets from those of any other Person, including any Affiliate;
- (b) conduct all transactions with Affiliates on an arm's-length basis;
- (c) not guarantee, become obligated for or pay the debts of any Affiliate or hold the credit of the Company out as being available to satisfy the obligations of any Affiliate or other Person (nor, except as contemplated in the Basic Documents, indemnify any Person for losses resulting therefrom), nor, except as contemplated in the Basic Documents, have any of its obligations guaranteed by any Affiliate or hold the Company out as responsible for the debts of any Affiliate or other Person or for the decisions or actions with respect to the business and affairs of any Affiliate, nor seek or obtain credit or incur any obligation to any third party based upon the creditworthiness or assets of any Affiliate or any other Person (i.e. other than based on the assets of the Company) nor allow any Affiliate to do such things based on the credit of the Company;
- (d) except as expressly otherwise permitted hereunder or under any of the Basic Documents, not permit the commingling or pooling of the Company's funds or other assets with the funds or other assets of any Affiliate;
- (e) maintain separate deposit and other bank accounts and funds (separately identifiable from those of the Member or any other Person) to which no Affiliate (except Liberty, in its capacity as Servicer, and Administrator) has any access, which accounts shall be maintained in the name and, to the extent not inconsistent with applicable federal tax law, with the tax identification number of the Company;
- (f) maintain full books of accounts and records (financial or other) and financial statements separate from those of its Affiliates or any other Person, prepared and maintained in accordance with generally accepted accounting principles (including, all resolutions, records, agreements or instruments underlying or regarding the transactions contemplated by the Basic Documents or otherwise) and audited annually by an independent accounting firm which shall provide such audit to the Indenture Trustee;
- (g) pay its own liabilities out of its own funds, including fees and expenses of the Administrator pursuant to the Administration Agreement and the Servicer pursuant to the Servicing Agreement;
- (h) not hire or maintain any employees, but shall compensate (either directly or through reimbursement of the Company's allocable share of any shared expenses) all consultants, agents and Affiliates, to the extent applicable, for services provided to the Company by such consultants, agents or Affiliates, in each case, from the Company's own funds;

- (i) allocate fairly and reasonably the salaries of and the expenses related to providing the benefits of officers or managers shared with the Member, any Special Member or any Manager;
- (j) allocate fairly and reasonably any overhead shared with the Member, any Special Member or any Manager;
- (k) pay from its own bank accounts for accounting and payroll services, rent, lease and other expenses (or the Company's allocable share of any such amounts provided by one or more other Affiliates) and not have such operating expenses (or the Company's allocable share thereof) paid by any Affiliates, provided, that the Member shall be permitted to pay the initial organization expenses of the Company and certain of the expenses related to the transactions contemplated by the Basic Documents as provided therein;
- (l) maintain adequate capitalization to conduct its business and affairs considering the Company's size and the nature of its business and intended purposes and, after giving effect to the transactions contemplated by the Basic Documents, refrain from engaging in a business for which its remaining property represents an unreasonably small capital;
- (m) conduct all of the Company's business (whether in writing or orally) solely in the name of the Company through the Member and the Company's Managers, officers and agents and hold the Company out as an entity separate from any Affiliate;
- (n) not make or declare any distributions of cash or property to the Member except in accordance with appropriate limited liability company formalities and only consistent with sound business judgment to the extent that it is permitted pursuant to the Basic Documents and not violative of any applicable law;
- (o) otherwise practice and adhere to all limited liability company procedures and formalities to the extent required by this LLC Agreement or all other appropriate constituent documents and the laws of its state of formation and all other appropriate jurisdictions;
- (p) not appoint an Affiliate or any employee of an Affiliate as an agent of the Company, except as otherwise permitted in the Basic Documents (although such Persons can qualify as a Manager or as an officer of the Company);
- (q) not acquire obligations or securities of or make loans or advances to or pledge its assets for the benefit of any Affiliate, the Member or any Affiliate of the Member;
- (r) not permit the Member or any Affiliate to acquire obligations of or make loans or advances to the Company;
- (s) except as expressly provided in the Basic Documents, not permit the Member or any Affiliate to guarantee, pay or become liable for the debts of the Company nor permit any such Person to hold out its creditworthiness as being available to pay the liabilities and expenses of the Company nor, except for the indemnities in this LLC Agreement and the Basic Documents, indemnify any Person for losses resulting therefrom;

(t) maintain separate minutes of the actions of the Member and the Managers, including the transactions contemplated by the Basic Documents;

(u) cause (i) all written and oral communications, including letters, invoices, purchase orders, and contracts, of the Company to be made solely in the name of the Company, (ii) the Company to have its own tax identification number (to the extent not inconsistent with applicable federal tax law), stationery, checks and business forms, separate from those of any Affiliate, (iii) all Affiliates not to use the stationery or business forms of the Company, and cause the Company not to use the stationery or business forms of any Affiliate, and (iv) all Affiliates not to conduct business in the name of the Company, and cause the Company not to conduct business in the name of any Affiliate;

(v) direct creditors of the Company to send invoices and other statements of account of the Company directly to the Company and not to any Affiliate and cause the Affiliates to direct their creditors not to send invoices and other statements of accounts of such Affiliates to the Company;

(w) cause the Member to maintain as official records all resolutions, agreements, and other instruments underlying or regarding the transactions contemplated by the Basic Documents;

(x) disclose, and cause the Member to disclose, in its financial statements the effects of all transactions between the Member and the Company in accordance with generally accepted accounting principles, and in a manner which makes it clear that (i) the Company is a separate legal entity, (ii) the assets of the Company (including the Securitized Utility Tariff Property transferred to the Company pursuant to the Sale Agreement) are not assets of any Affiliate and are not available to pay creditors of any Affiliate and (iii) neither the Member nor any other Affiliate is liable or responsible for the debts of the Company;

(y) treat and cause the Member to treat the transfer of the Securitized Utility Tariff Property from the Member to the Company as a sale under the Securitization Law;

(z) except as described herein with respect to tax purposes and financial reporting, describe and cause each Affiliate to describe the Company, and hold the Company out as a separate legal entity and not as a division or department of any Affiliate, and promptly correct any known misunderstanding regarding the Company's identity separate from any Affiliate or any Person;

(aa) so long as any of the Securitized Utility Tariff Bonds are Outstanding, treat the Securitized Utility Tariff Bonds as debt for all purposes and specifically as debt of the Company, other than for financial reporting, state or federal regulatory or tax purposes;

(bb) solely for purposes of federal taxes and, to the extent consistent with applicable state, local and other tax law, state, local and other taxes, so long as any of the Securitized Utility Tariff Bonds are Outstanding, treat the Securitized Utility Tariff Bonds as indebtedness of the Member secured by the Securitized Utility Tariff Bond Collateral unless otherwise required by appropriate taxing authorities;

(cc) file its own tax returns, if any, as may be required under applicable law, to the extent (i) not part of a consolidated group filing a consolidated return or returns or (ii) not treated as a division or disregarded entity for tax purposes of another taxpayer, and pay any taxes so required to be paid under applicable law;

(dd) maintain its valid existence in good standing under the laws of the State of Delaware and maintain its qualification to do business under the laws of such other jurisdictions as its operations require;

(ee) not form, or cause to be formed, any subsidiaries;

(ff) comply with all laws applicable to the transactions contemplated by this LLC Agreement and the Basic Documents; and

(gg) cause the Member to observe in all material respects all limited liability company procedures and formalities, if any, required by its constituent documents and the laws of its state of formation and all other appropriate jurisdictions.

Failure of the Company, or the Member or any Manager on behalf of the Company, to comply with any of the foregoing covenants or any other covenants contained in this LLC Agreement shall not affect the status of the Company as a separate legal entity or the limited liability of the Member or the Managers.

SECTION 1.08 Limitation on Certain Activities. Notwithstanding any other provisions of this LLC Agreement and any provision of law that otherwise so empowers the Company, the Member or any Manager or any other Person, the Company, and the Member or Managers or any other Person on behalf of the Company, shall not:

(a) engage in any business or activity other than as set forth in Article I hereof;

(b) without the affirmative vote or consent of the Member and the unanimous affirmative vote or consent of all of the Managers, including each Independent Manager, file a voluntary bankruptcy petition for relief with respect to the Company under the Bankruptcy Code or any other state, local, federal, foreign or other law relating to bankruptcy, consent to the institution of insolvency or bankruptcy proceedings against the Company or otherwise institute insolvency or bankruptcy proceedings with respect to the Company or take any limited liability company action in furtherance of any such filing or institution of a proceeding; provided however, that neither the Member nor any Manager may authorize the taking of any of the foregoing actions unless there is at least one Independent Manager then serving in such capacity;

(c) without the affirmative vote or consent of all Managers, including each Independent Manager, and then only to the extent permitted by the Basic Documents, convert, merge or consolidate with any other Person or sell all or substantially all of its assets or acquire all or substantially all of the assets or capital stock or other ownership interest of any other Person;

(d) take any action, file any tax return, or make any election inconsistent with the treatment of the Company, for purposes of federal income taxes and, to the extent consistent with applicable state tax law, state income and franchise tax purposes, as a disregarded entity that is not separate from the Member;

(e) incur any indebtedness or assume or guarantee any indebtedness of any Person (other than the indebtedness incurred under the Basic Documents);

(f) issue any bonds other than the Securitized Utility Tariff Bonds; or

(g) to the fullest extent permitted by law, without the affirmative vote or consent of its Member and the affirmative vote or consent of all Managers, including each Independent Manager, execute any dissolution, division, liquidation, or winding up of the Company.

So long as any of the Securitized Utility Tariff Bonds are Outstanding, the Company and the Member shall give written notice to each applicable Rating Agency of any action described in clauses (b), (c) or (g) of this Section 1.08 which is taken by or on behalf of the Company with the required affirmative vote or consent of the Member and all Managers, including each Independent Manager, as therein described.

SECTION 1.09 No State Law Partnership. No provisions of this LLC Agreement shall be deemed or construed to constitute a partnership (including a limited partnership) or joint venture, or the Member a partner or joint venturer of or with any Manager or the Company, for any purposes.

ARTICLE II

CAPITAL

SECTION 2.01 Initial Capital. The initial capital of the Company shall be the sum of cash contributed to the Company by the Member (the "Capital Contribution") in the amount set out opposite the name of the Member on Schedule A hereto, as amended from time to time and incorporated herein by this reference.

SECTION 2.02 Additional Capital Contributions. It is expected that no capital contributions to the Company will be necessary after the purchase of the Securitized Utility Tariff Property. On or prior to the date of issuance of the Securitized Utility Tariff Bonds, the Member shall make an additional contribution to the Company in an amount equal to 0.50% of the initial principal amount of the Securitized Utility Tariff Bonds less the initial Capital Contribution, which amount the Company shall deposit into the capital subaccount of the Collection Account established by the Indenture Trustee as provided under the Indenture. All capital contributions shall be made in accordance with all applicable limited liability company procedures and requirements, including proper record keeping by the Member and the Company. Each capital contribution will be acknowledged by a written receipt signed by any one of the Managers. The Managers acknowledge and agree that, notwithstanding anything in this LLC Agreement to the contrary, such additional contribution will be invested only in Eligible Investments, and all income earned thereon shall be allocated or paid by the Indenture Trustee in accordance with the provisions of the Indenture.

SECTION 2.03 Capital Account. A Capital Account shall be established and maintained for the Member on the Company's books (the "Capital Account").

SECTION 2.04 Interest. On any Payment Date, with respect to any collection period, the sum of investments earnings on the Capital Account for such collection period shall, subject to the LLC Act, be paid in accordance with the Indenture.

ARTICLE III

ALLOCATIONS; BOOKS

SECTION 3.01 Allocations of Income and Loss.

(a) Book Allocations. The net income and net loss of the Company shall be allocated entirely to the Member.

(b) Tax Allocations. Because the Company is not making (and will not make) an election to be treated as an association taxable as a corporation under Section 301.7701-3(a) of the Treasury Regulations, and because the Company is a business entity that has a single owner and is not a corporation, it is expected to be disregarded as an entity separate from its owner for federal income tax purposes under Section 301.7701-3(b)(1) of the Treasury Regulations. Accordingly, all items of income, gain, loss, deduction and credit of the Company for all taxable periods will be treated for federal income tax purposes, and for state and local income and other tax purposes to the extent permitted by applicable law, as realized or incurred directly by the Member. To the extent not so permitted, all items of income, gain, loss, deduction and credit of the Company shall be allocated entirely to the Member as permitted by applicable tax law, and the Member shall pay (or indemnify the Company, the Indenture Trustee and each of their officers, managers, employees or agents for, and defend and hold harmless each such Person from and against its payment of) any taxes levied or assessed upon all or any part of the Company's property or assets based on existing law as of the date hereof, including any sales, gross receipts, general corporation, personal property, privilege, franchise or license taxes (but excluding any taxes imposed as a result of a failure of such person to properly withhold or remit taxes imposed with respect to payments on any Securitized Utility Tariff Bond). Nothing in this Section 3.01 shall prohibit the Company from transferring amounts from the Collection Account necessary for the payment of any taxes as permitted under the Indenture. The Indenture Trustee (on behalf of the Secured Parties) shall be a third party beneficiary of the Member's obligations set forth in this Section 3.01, it being understood that Bondholders shall be entitled to enforce their rights against the Member under this Section 3.01 solely through a cause of action brought for their benefit by such Indenture Trustee.

SECTION 3.02 Company to be Disregarded for Tax Purposes. The Company shall comply with the applicable provisions of the Code and the applicable Treasury Regulations thereunder in the manner necessary to effect the intention of the parties that the Company be treated, for federal income tax purposes, as a disregarded entity that is not separate from the Member pursuant to Treasury Regulations Section 301.7701-1 et seq. and that the Company be accorded such treatment until its dissolution pursuant to Article IX hereof and shall take all actions, and shall refrain from taking any action, required by the Code or Treasury Regulations thereunder in order to maintain such status of the Company. In addition, for federal income tax purposes, the Company may not claim any credit on, or make any deduction from the principal or premium, if any, or interest payable in respect of, the Securitized Utility Tariff Bonds (other than amounts properly withheld from such payments under the Code or other tax laws) or assert any claim against any present or former Bondholder by reason of the payment of the taxes levied or assessed upon any part of the Securitized Utility Tariff Bond Collateral.

SECTION 3.03 Books of Account. At all times during the continuance of the Company, the Company shall maintain or cause to be maintained full, true, complete and correct books of account in accordance with generally accepted accounting principles, using the fiscal year and taxable year of the Member. In addition, the Company shall keep all records required to be kept pursuant to the LLC Act.

SECTION 3.04 Access to Accounting Records. All books and records of the Company shall be maintained at any office of the Company or at the Company's principal place of business, and the Member, and its duly authorized representative, shall have access to them at such office of the Company and the right to inspect and copy them at reasonable times.

SECTION 3.05 Annual Tax Information. The Managers shall cause the Company to deliver to the Member all information necessary for the preparation of the Member's federal income tax return.

SECTION 3.06 Internal Revenue Service Communications. The Member shall communicate and negotiate with the Internal Revenue Service on any federal tax matter on behalf of the Member and the Company.

ARTICLE IV

MEMBER

SECTION 4.01 Powers. Subject to the provisions of this LLC Agreement (including without limitation Sections 1.07 and 1.08), it is hereby expressly declared that the Member shall have the following powers:

(a) To select and remove the Managers, prescribe such powers and duties for them as may be consistent with the LLC Act and other applicable law and this LLC Agreement, fix their compensation, and require from them security for faithful service; provided, that, except as provided in Section 7.06, at all times during which any of the Securitized Utility Tariff Bonds are Outstanding and the Indenture remains in full force and effect (and otherwise in accordance with the Indenture) the Company shall have at least one Independent Manager. Prior to the issuance of the Securitized Utility Tariff Bonds, the Member shall appoint at least one Independent Manager. An "Independent Manager" means an individual who (1) has prior experience as an independent director, independent manager or independent member for special-purpose entities, (2) is employed by a nationally-recognized company that provides professional independent managers and other corporate services in the ordinary course of its business, (3) is duly appointed as an Independent Manager of the Company and (4) is not and has not been for at least five years from the date of his or her appointment, and while serving as an Independent Manager of the Company will not be, any of the following;

(i) a member, partner, or equity holder, manager, director, officer, agent, consultant, attorney, accountant, advisor or employee of the Company, the Member or any of their respective equityholders or affiliates (other than as an Independent Manager or Special Member of the Company or similar roles for any other special purpose bankruptcy-remote entity); provided, that the indirect or beneficial ownership of stock of the Member or its affiliates through a mutual fund or similar diversified investment vehicle with respect to which the owner does not have discretion or control over the investments held by such diversified investment vehicle shall not preclude such owner from being an Independent Manager;

(ii) a creditor, supplier or service provider (including provider of professional services) to the Company, the Member or any of their respective equityholders or affiliates (other than a nationally-recognized company that routinely provides professional independent managers and other corporate services to the Company, the Member or any of their affiliates in the ordinary course of its business);

(iii) a family member of any such Person described in clauses (i) or (ii) above; or

(iv) a Person that controls (whether directly, indirectly or otherwise) any of clauses (i), (ii) or (iii) above.

A natural person who otherwise satisfies the foregoing definition and satisfies subparagraph (i) by reason of being the independent manager or independent director of a “special purpose entity” affiliated with the Company shall be qualified to serve as an Independent Manager of the Company, provided that the fees that such individual earns from serving as an independent manager or independent director of Affiliates of the Company in any given year constitute in the aggregate less than five percent (5%) of such individual’s annual income for that year. For purposes of this paragraph, a “special purpose entity” is an entity, whose organizational documents contain restrictions on its activities and impose requirements intended to preserve such entity’s separateness that are substantially similar to the Special Purpose Provisions of this LLC Agreement.

The fees charged by an Independent Manager shall be determined without regard to the income of the Company, shall not be deemed to constitute distributions to the recipient of any profit, loss or capital of the Company and shall be considered an Operating Expense of the Company subject to the limitations on such expenses set forth in the Financing Order. Each Manager, including each Independent Manager, is hereby deemed to be a “manager” within the meaning of Section 18-101(12) of the LLC Act.

Promptly following any resignation or replacement of any Independent Manager, the Member shall give written notice to each applicable Rating Agency and to the Indenture Trustee of any such resignation or replacement.

(b) To change the registered agent and office of the Company in Delaware from one location to another and to fix and locate from time to time one or more other offices of the Company.

SECTION 4.02 Compensation of Member. To the extent permitted by applicable law, the Company shall have authority to reimburse the Member for out-of-pocket expenses incurred by the Member in connection with its service to the Company. It is understood that the compensation paid to the Member under the provisions of this Section 4.02 shall be determined without regard to the income of the Company, shall not, to the fullest extent permitted by law, be deemed to constitute distributions to the recipient of any profit, loss or capital of the Company and shall be considered as an Operating Expense.

SECTION 4.03 Other Ventures. Notwithstanding any duties (including fiduciary duties) otherwise existing at law or in equity, it is expressly agreed that the Member, the Managers and any Affiliates, officers, directors, managers, stockholders, partners or employees of the Member, may engage in other business ventures of any nature and description, whether or not in competition with the Company, independently or with others, and the Company shall not have any rights in and to any independent venture or activity or the income or profits derived therefrom.

SECTION 4.04 Actions by the Member. All actions of the Member may be taken by written resolution of the Member which shall be signed on behalf of the Member by an authorized officer of the Member and filed with the records of the Company.

ARTICLE V

OFFICERS

SECTION 5.01 Designation; Term; Qualifications.

(a) Officers. The officers of the Company as of the date hereof are identified on Schedule C (such individuals, to the extent not previously appointed, being hereby appointed to such offices). The Managers may, from time to time, designate one or more Persons to be officers of the Company. Any officer so designated shall have such title and authority and perform such duties as the Managers may, from time to time, delegate to them. Each officer shall hold office for the term for which such officer is designated and until its successor shall be duly designated and shall qualify or until its death, resignation or removal as provided in this LLC Agreement. Any Person may hold any number of offices. No officer need be a Manager, the Member, a Delaware resident, or a United States citizen.

(b) President. The President shall be the chief executive officer of the Company, shall preside at all meetings of the Managers, shall be responsible for the general and active management of the business of the Company and shall see that all orders and resolutions of the Managers are carried into effect. The President or any other officer authorized by the President or the Managers may execute all contracts, except: (i) where required or permitted by law or this LLC Agreement to be otherwise signed and executed, including Section 1.08; and (ii) where signing and execution thereof shall be expressly delegated by the Managers to some other officer or agent of the Company.

(c) Vice President. In the absence of the President or in the event of the President's inability to act, the Vice President, if any (or in the event there be more than one Vice President, the Vice Presidents in the order designated by the Managers, or in the absence of any designation, then in the order of their election), shall perform the duties of the President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President. The Vice Presidents, if any, shall perform such other duties and have such other powers as the Managers may from time to time prescribe.

(d) Secretary and Assistant Secretary. The Secretary shall be responsible for filing legal documents and maintaining records for the Company. The Secretary shall attend all meetings of the Managers and record all the proceedings of the meetings of the Company and of the Managers in a book to be kept for that purpose and shall perform like duties for the standing committees when required. The Secretary shall give, or shall cause to be given, notice of all meetings of the Member, if any, and special meetings of the Managers, and shall perform such other duties as may be prescribed by the Managers or the President, under whose supervision the Secretary shall serve. The Assistant Secretary, or if there be more than one, the Assistant Secretaries in the order determined by the Managers (or if there be no such determination, then in order of their designation), shall, in the absence of the Secretary or in the event of the Secretary's inability to act, perform the duties and exercise the powers of the Secretary and shall perform such other duties and have such other powers as the Managers may from time to time prescribe.

(e) Treasurer and Assistant Treasurer. The Treasurer shall have the custody of the Company funds and securities and shall keep full and accurate accounts of receipts and disbursements in books belonging to the Company and shall deposit all moneys and other valuable effects in the name and to the credit of the Company in such depositories as may be designated by the Manager. The Treasurer shall disburse the funds of the Company as may be ordered by the Manager, taking proper vouchers for such disbursements, and shall render to the President and to the Managers, at its regular meetings or when the Managers so require, an account of all of the Treasurer's transactions and of the financial condition of the Company. The Assistant Treasurer, or if there shall be more than one, the Assistant Treasurers in the order determined by the Managers (or if there be no such determination, then in the order of their designation), shall, in the absence of the Treasurer or in the event of the Treasurer's inability to act, perform the duties and exercise the powers of the Treasurer and shall perform such other duties and have such other powers as the Managers may from time to time prescribe.

(f) Officers as Agents. The officers of the Company, to the extent their powers as set forth in this LLC Agreement or otherwise vested in them by action of the Managers are not inconsistent with this LLC Agreement, are agents of the Company for the purpose of the Company's business and, subject to Section 1.08, the actions of the officers taken in accordance with such powers shall bind the Company.

(g) Duties of Managers and Officers. Except to the extent otherwise provided herein, each Manager (other than the Independent Managers) and officer of the Company shall have a fiduciary duty of loyalty and care similar to that of directors and officers of business corporations organized under the General Corporation Law of the State of Delaware.

SECTION 5.02 Removal and Resignation. Any officer of the Company may be removed as such, with or without cause, by the Managers at any time. Any officer of the Company may resign as such at any time upon written notice to the Company. Such resignation shall be made in writing and shall take effect at the time specified therein or, if no time is specified therein, at the time of its receipt by the Managers.

SECTION 5.03 Vacancies. Any vacancy occurring in any office of the Company may be filled by the Managers.

SECTION 5.04 Compensation. The compensation, if any, of the officers of the Company shall be fixed from time to time by the Managers. Such compensation shall be determined without regard to the income of the Company, shall not be deemed to constitute distributions to the recipient of any profit, loss or capital of the Company and shall be considered an Operating Expense.

ARTICLE VI

MEMBERSHIP INTEREST

SECTION 6.01 General. “Membership Interest” means the limited liability company interest of the Member in the Company. The Membership Interest constitutes personal property and, subject to Section 6.06, shall be freely transferable and assignable in whole but not in part upon registration of such transfer and assignment on the books of the Company in accordance with the procedures established for such purpose by the Managers of the Company.

SECTION 6.02 Distributions. The Member shall be entitled to receive, out of the assets of the Company legally available therefor, distributions payable in cash in such amounts, if any, as the Managers shall declare. Notwithstanding any provision to the contrary contained in this LLC Agreement, the Company shall not make a distribution to the Member on account of its interest in the Company if such distribution would violate the LLC Act or any other applicable law or any Basic Document.

SECTION 6.03 Rights on Liquidation, Dissolution or Winding Up.

(a) In the event of any liquidation, dissolution or winding up of the Company, the Member shall be entitled to all remaining assets of the Company available for distribution to the Member after satisfaction (whether by payment or reasonable provision for payment) of all liabilities, debts and obligations of the Company.

(b) Neither the sale of all or substantially all of the property or business of the Company, nor the merger or consolidation of the Company into or with another Person or other entity, shall be deemed to be a dissolution, liquidation or winding up, voluntary or involuntary, for the purpose of this Section 6.03.

SECTION 6.04 Redemption. The Membership Interest shall not be redeemable.

SECTION 6.05 Voting Rights. Subject to the terms of this LLC Agreement, the Member shall have the sole right to vote (or consent) on all matters as to which members of a limited liability company shall be entitled to vote (or consent) pursuant to the LLC Act and other applicable law.

SECTION 6.06 Transfer of Membership Interests.

(a) The Member may transfer its Membership Interest, in whole but not in part, but the transferee shall not be admitted as a Member except in accordance with Section 6.07. Until the transferee is admitted as a Member, the Member shall continue to be the sole member of the Company (subject to Section 1.02) and to be entitled to exercise any rights or powers of a Member of the Company with respect to the Membership Interest transferred.

(b) To the fullest extent permitted by law, any purported transfer of any Membership Interest in violation of the provisions of this LLC Agreement shall be wholly void and shall not effectuate the transfer contemplated thereby. Notwithstanding anything contained herein to the contrary and to the fullest extent permitted by law, the Member may not transfer any Membership Interest in violation of any provision of this LLC Agreement or in violation of any applicable federal or state securities laws.

SECTION 6.07 Admission of Transferee as Member.

(a) A transferee of a Membership Interest desiring to be admitted as a Member must execute a counterpart of, or an agreement adopting, this LLC Agreement and, except as permitted by paragraph (b) below, shall not be admitted without unanimous affirmative vote or consent of the Managers, which vote or consent must include the affirmative vote or consent of each Independent Manager. Upon admission of the transferee as a Member, the transferee shall have the rights, powers and duties and shall be subject to the restrictions and liabilities of the Member under this LLC Agreement and the LLC Act. The transferee shall also be liable, to the extent of the Membership Interest transferred, for the unfulfilled obligations, if any, of the transferor Member to make capital contributions to the Company, but shall not be obligated for liabilities unknown to the transferee at the time such transferee was admitted as a Member and that could not be ascertained from this LLC Agreement. Except as set forth in paragraph (b) below, whether or not the transferee of a Membership Interest is admitted to the Company as a Member, the Member transferring the Membership Interest is not released from any liability to the Company under this LLC Agreement or the LLC Act.

(b) The approval of the Managers, including the Independent Manager(s), shall not be required for the transfer of the Membership Interest from the Member to any successor pursuant to the Sale Agreement or the admission of such Person as a Member. Once the transferee of a Membership Interest pursuant to this paragraph (b) is admitted to the Company as a Member, the prior Member shall cease to be a member of the Company and shall be released from any liability to the Company under this LLC Agreement and the LLC Act to the fullest extent permitted by law and the Company shall continue without dissolution.

ARTICLE VII

MANAGERS

SECTION 7.01 Managers.

(a) Subject to Sections 1.07 and 1.08, the business and affairs of the Company shall be managed by or under the direction of three or more Managers designated by the Member. Subject to the terms of this LLC Agreement, the Member may determine at any time in its sole and absolute discretion the number of Managers. Subject in all cases to the terms of this LLC Agreement, the authorized number of Managers may be increased or decreased by the Member at any time in its sole and absolute discretion, upon notice to all Managers; provided, that, except as provided in Section 7.06, at all times the Company shall have at least one Independent Manager. The initial number of Managers shall be three, one of which shall be an Independent Manager. Each Manager designated by the Member shall hold office until a successor is elected and qualified or until such Manager's earlier death, resignation, expulsion or removal. Each Manager shall execute and deliver the Management Agreement in the form attached hereto as Exhibit A. Managers need not be a Member. The Managers designated by the Member as of the date hereof are listed on Schedule B hereto.

(b) Each Manager shall be designated by the Member and shall hold office for the term for which designated and until a successor has been designated.

(c) The Managers shall be obliged to devote only as much of their time to the Company's business as shall be reasonably required in light of the Company's business and objectives. Except as otherwise provided in Section 7.02 with respect to an Independent Manager, a Manager shall perform his or her duties as a Manager in good faith, in a manner he or she reasonably believes to be in the best interests of the Company, and with such care as an ordinarily prudent Person in a like position would use under similar circumstances.

(d) Except as otherwise provided in this LLC Agreement, the Managers shall act by the affirmative vote or consent of a majority of the Managers. Notwithstanding the foregoing or any contrary provision of this Agreement, the vote or consent of each Independent Manager shall only be required for actions of the Managers with respect to which the terms of this Agreement expressly require the consent of an Independent Manager, including without limitation, as expressly required in Section 1.02(c), Section 1.08(b), Section 1.08(c), Section 1.08(g), Section 6.07(a), Section 6.07(b), Section 9.02(a) and Section 11.02(a), and any other actions of the Managers shall be taken, and a quorum of the Managers shall be calculated, as if each Independent Manager is not a Manager. Each Manager (other than the Independent Managers) shall have the authority to sign duly authorized agreements and other instruments on behalf of the Company without the joinder of any other Manager.

(e) Subject to the terms of this LLC Agreement, any action may be taken by the Managers without a meeting and without prior notice if authorized by the written consent of a majority of the Managers (or such greater number as is required by this LLC Agreement), which written consent shall be filed with the records of the Company.

(f) Every Manager is an agent of the Company for the purpose of its business, and the act of every Manager, including the execution in the Company name of any instrument for carrying on the business of the Company, binds the Company, unless such act is in contravention of this LLC Agreement or unless the Manager so acting otherwise lacks the authority to act for the Company and the Person with whom he or she is dealing has knowledge of the fact that he or she has no such authority.

(g) To the extent permitted by law, the Managers shall not be personally liable for the Company's debts, obligations or liabilities.

SECTION 7.02 Powers of the Managers. Subject to the terms of this LLC Agreement, the Managers shall have the right and authority to take all actions which the Managers deem incidental, necessary, suitable or convenient for the management and conduct of the Company's business.

An Independent Manager may not delegate their duties, authorities or responsibilities hereunder. If an Independent Manager resigns, dies or becomes incapacitated, or such position is otherwise vacant, no action requiring the unanimous affirmative vote or consent of the Managers shall be taken until a successor Independent Manager is appointed by the Member and qualifies and approves such action.

To the fullest extent permitted by law, including Section 18-1101(c) of the LLC Act, and notwithstanding any duty otherwise existing at law or in equity, each Independent Manager shall consider only the interests of the Company, including its creditors, in acting or otherwise voting on the matters referred to in Section 1.08. Except for duties to the Company as set forth in the immediately preceding sentence (including duties to the Member and the Company's creditors solely to the extent of their respective economic interests in the Company but excluding (i) all other interests of the Member, (ii) the interests of other Affiliates of the Company, and (iii) the interests of any group of Affiliates of which the Company is a part), the Independent Manager(s) shall not have any fiduciary duties to the Member, any Manager or any other Person bound by this LLC Agreement; provided, however, the foregoing shall not eliminate the implied contractual covenant of good faith and fair dealing. To the fullest extent permitted by law, including Section 18-1101(e) of the LLC Act, an Independent Manager shall not be liable to the Company, the Member or any other Person bound by this LLC Agreement for breach of contract or breach of duties (including fiduciary duties), unless such Independent Manager acted in bad faith or engaged in willful misconduct.

No Independent Manager shall at any time serve as trustee in bankruptcy for any Affiliate of the Company.

Subject to the terms of this LLC Agreement, the Managers may exercise all powers of the Company and do all such lawful acts and things as are not prohibited by the LLC Act, other applicable law or this LLC Agreement directed or required to be exercised or done by the Member. All duly authorized instruments, contracts, agreements and documents providing for the acquisition or disposition of property of the Company shall be valid and binding on the Company if executed by one or more of the Managers.

The compensation, if any, of the Independent Manager(s) shall be fixed from time to time by the Managers (other than the Independent Manager(s)). Such compensation shall be determined without regard to the income of the Company, shall not be deemed to constitute distributions to the recipient of any profit, loss or capital of the Company and shall be considered an Operating Expense. The Company shall not compensate the Managers (other than the Independent Manager) for their services on behalf of the Company.

Notwithstanding the terms of Section 7.01, 7.07 or 7.09 or any provision of this LLC Agreement to the contrary, (x) no meeting, vote or consent with respect to any action described in clauses (b), (c) or (g) of Section 1.08 or any amendment to any of the Special Purpose Provisions shall be conducted unless each Independent Manager is present and (y) neither the Company nor the Member, any Manager or any officer on behalf of the Company shall (i) take any action described in clauses (b), (c) or (g) of Section 1.08 unless each Independent Manager has consented thereto or (ii) adopt any amendment to any of the Special Purpose Provisions unless each Independent Manager has consented thereto. The vote or consent of an Independent Manager with respect to any such action or amendment shall not be dictated by the Member or any other Manager or officer of the Company.

SECTION 7.03 Reimbursement. To the extent permitted by applicable law, the Company may reimburse any Manager, directly or indirectly, for reasonable out-of-pocket expenses incurred by such Manager in connection with its services rendered to the Company. Such reimbursement shall be determined by the Managers without regard to the income of the Company, shall not be deemed to constitute distributions to the recipient of any profit, loss or capital of the Company and shall be considered an Operating Expense.

SECTION 7.04 Removal of Managers.

(a) Subject to Section 4.01, the Member may remove any (i) Manager (other than an Independent Manager) with or without cause at any time, and (ii) Independent Manager with Cause at any time.

(b) Subject to Sections 4.01 and 7.05, any removal of a Manager shall become effective on such date as may be specified by the Member and in a notice delivered to any remaining Managers or the Manager designated to replace the removed Manager (except that it shall not be effective on a date earlier than the date such notice is delivered to the remaining Managers or the Manager designated to replace the removed Manager). Should a Manager be removed who is also the Member, the Member shall continue to participate in the Company as the Member and receive its share of the Company's income, gains, losses, deductions and credits pursuant to this LLC Agreement.

SECTION 7.05 Resignation of Manager. A Manager other than an Independent Manager may resign as a Manager at any time by thirty (30) days' prior notice to the Member. To the fullest extent permitted by law, an Independent Manager may not withdraw or resign as a Manager of the Company without the consent of the Member. No resignation or removal of an Independent Manager, and no appointment of a successor Independent Manager, shall be effective until such successor (i) shall have accepted his or her appointment as an Independent Manager by a written instrument, which may be a counterpart signature page to the Management Agreement, and (ii) shall have executed a counterpart to this LLC Agreement.

SECTION 7.06 Vacancies. Subject to Section 4.01, any vacancies among the Managers may be filled by the Member. In the event of a vacancy in the position of an Independent Manager, the Member shall, as soon as practicable, appoint a successor Independent Manager. Notwithstanding anything to the contrary contained in this LLC Agreement, no Independent Manager shall be removed or replaced unless the Company provides the Indenture Trustee with no less than two (2) Business Days' prior written notice of (a) any proposed removal of such Independent Manager, and (b) the identity of the proposed replacement Independent Manager, together with a certification that such replacement satisfies the requirements for an Independent Manager set forth in this LLC Agreement.

SECTION 7.07 Meetings of the Managers. The Managers may hold meetings, both regular and special, within or outside the State of Delaware. Regular meetings of the Managers may be held without notice at such time and at such place as shall from time to time be determined by the Managers. Special meetings of the Managers may be called by the President on not less than one day's notice to each Manager by telephone, facsimile, mail, email or any other means of communication, and special meetings shall be called by the President or Secretary in like manner and with like notice upon the written request of any one or more of the Managers.

SECTION 7.08 Electronic Communications. Managers, or any committee designated by the Managers, may participate in meetings of the Managers, or any committee, by means of telephone or video conference or similar communications equipment that allows all Persons participating in the meeting to hear each other, and such participation in a meeting shall constitute presence in Person at the meeting. If all the participants are participating by telephone conference or similar communications equipment, the meeting shall be deemed to be held at the principal place of business of the Company.

SECTION 7.09 Committees of Managers.

(a) The Managers may, by resolution passed by a majority of the Managers, designate one or more committees, each committee to consist of one or more of the Managers. The Managers may designate one or more Managers as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee.

(b) In the absence or disqualification of a member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not such members constitute a quorum, may unanimously appoint another Manager to act at the meeting in the place of any such absent or disqualified member.

(i) Any such committee, to the extent provided in the resolution of the Managers, shall have and may exercise all the powers and authority of the Managers in the management of the business and affairs of the Company. Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Managers. Each committee shall keep regular minutes of its meetings and report the same to the Managers when required.

SECTION 7.10 Limitations on Independent Manager(s). All right, power and authority of each Independent Manager shall be limited to the extent necessary to exercise those rights and perform those duties specifically set forth in this LLC Agreement.

ARTICLE VIII

EXPENSES

SECTION 8.01 Expenses. Except as otherwise provided in this LLC Agreement or the Basic Documents, the Company shall be responsible for all expenses and the allocation thereof including without limitation:

(a) all expenses incurred by the Member or its Affiliates in organizing the Company;

(b) all expenses related to the business of the Company and all routine administrative expenses of the Company, including the maintenance of books and records of the Company, the preparation and dispatch to the Member of checks, financial reports, tax returns and notices required pursuant to this LLC Agreement;

- (c) all expenses incurred in connection with any litigation or arbitration involving the Company (including the cost of any investigation and preparation) and the amount of any judgment or settlement paid in connection therewith;
- (d) all expenses for indemnity or contribution payable by the Company to any Person;
- (e) all expenses incurred in connection with the collection of amounts due to the Company from any Person;
- (f) all expenses incurred in connection with the preparation of amendments to this LLC Agreement;
- (g) all expenses incurred in connection with the liquidation, dissolution and winding up of the Company; and
- (h) all expenses otherwise allocated in good faith to the Company by the Managers.

ARTICLE IX

PERPETUAL EXISTENCE; DISSOLUTION, LIQUIDATION AND WINDING-UP

SECTION 9.01 Existence.

(a) The Company shall have a perpetual existence, unless dissolved in accordance with this LLC Agreement. So long as any of the Securitized Utility Tariff Bonds are Outstanding, to the fullest extent permitted by law, the Member shall not be entitled to consent to the dissolution of the Company.

(b) Notwithstanding any provision of this LLC Agreement, the Bankruptcy of the Member or Special Member will not cause such Member or Special Member, respectively, to cease to be a member of the Company, and upon the occurrence of such an event, the Company shall continue without dissolution. To the fullest extent permitted by law, the dissolution of the Member will not cause the Member to cease to be a member of the Company, and upon the occurrence of such an event, the Company shall, to the fullest extent permitted by law, continue without dissolution. For purposes of this Section 9.01(b), “Bankruptcy” means, with respect to any Person (A) if such Person (i) makes an assignment for the benefit of creditors, (ii) files a voluntary petition in bankruptcy, (iii) is adjudged a bankrupt or insolvent, or has entered against it an order for relief, in any bankruptcy or insolvency proceedings, (iv) files a petition or answer seeking for itself any reorganization, arrangement, composition, readjustment, liquidation or similar relief under any statute, law or regulation, (v) files an answer or other pleading admitting or failing to contest the material allegations of a petition filed against it in any proceeding of this nature, or (vi) seeks, consents to or acquiesces in the appointment of a trustee, receiver or liquidator of the Person or of all or any substantial part of its properties, or (B) if 120 days after the commencement of any proceeding against the Person seeking reorganization, arrangement, composition, readjustment, liquidation or similar relief under any statute, law or regulation, the proceeding has not been dismissed or if within 90 days after the appointment without such Person’s consent or acquiescence of a trustee, receiver or liquidator of such Person or of all or any substantial part of its properties, the appointment is not vacated or stayed, or within 90 days after the expiration of any such stay, the appointment is not vacated. The foregoing definition of “Bankruptcy” is intended to replace and shall supersede and replace the definition of “Bankruptcy” set forth in Sections 18-101(1) and 18-304 of the LLC Act. Upon the occurrence of any event that causes the last remaining member of the Company to cease to be a member of the Company or that causes the Member to cease to be a member of the Company (other than upon continuation of the Company without dissolution upon an assignment by the Member of all of its limited liability company interest in the Company and the admission of the transferee pursuant to Sections 6.06 and 6.07), to the fullest extent permitted by law, the personal representative of such member is hereby authorized to, and shall, within ninety (90) days after the occurrence of the event that terminated the continued membership of such member in the Company, agree in writing (i) to continue the Company and (ii) to the admission of the personal representative or its nominee or designee, as the case may be, as a substitute member of the Company, effective as of the occurrence of the event that terminated the continued membership of the last remaining member of the Company or the Member in the Company.

SECTION 9.02 Dissolution. The Company shall be dissolved and its affairs shall be wound up upon the occurrence of the earliest of the following events:

(a) subject to Section 1.08, the election to dissolve the Company made in writing by the Member and each Manager, including each Independent Manager, as permitted under the Basic Documents and after the discharge in full of the Securitized Utility Tariff Bonds;

(b) the termination of the legal existence of the last remaining member of the Company or the occurrence of any event that causes the last remaining member of the Company to cease to be a member of the Company unless the Company is continued without dissolution in a manner permitted by the LLC Act or this LLC Agreement; or

(c) the entry of a decree of judicial dissolution of the Company pursuant to Section 18-802 of the LLC Act.

SECTION 9.03 Accounting. In the event of the dissolution, liquidation and winding-up of the Company, a proper accounting shall be made of the Capital Account of the Member and of the net income or net loss of the Company from the date of the last previous accounting to the date of dissolution.

SECTION 9.04 Certificate of Cancellation. As soon as possible following the occurrence of any of the events specified in Section 9.02 and the completion of the winding up of the Company, the Person winding up the business and affairs of the Company, as an authorized person, shall cause to be executed a Certificate of Cancellation of the Certificate of Formation and file the Certificate of Cancellation of the Certificate of Formation as required by the LLC Act.

SECTION 9.05 Winding Up. Upon the dissolution of the Company, the Company shall continue solely for the purpose of winding up its affairs in an orderly manner, liquidating its assets, and satisfying the claims of its creditors. The Member, or if there is no Member, the Managers, shall be responsible for overseeing the winding up and liquidation of the Company, shall take full account of the liabilities of the Company and its assets, shall either cause its assets to be sold or distributed, and if sold as promptly as is consistent with obtaining the fair market value thereof, shall cause the proceeds therefrom, to the extent sufficient therefor, to be applied and distributed as provided in Section 9.06.

SECTION 9.06 Order of Payment of Liabilities Upon Dissolution. After determining that all debts and liabilities of the Company, including all contingent, conditional or unmatured liabilities of the Company, in the process of winding-up, including, without limitation, debts and liabilities to the Member in the event it is a creditor of the Company to the extent otherwise permitted by law, have been paid or adequately provided for, the remaining assets shall be distributed in cash or in kind to the Member.

SECTION 9.07 Limitations on Payments Made in Dissolution. Except as otherwise specifically provided in this LLC Agreement, the Member shall only be entitled to look solely to the assets of Company for the return of its positive Capital Account balance and shall have no recourse for its Capital Contribution and/or share of net income (upon dissolution or otherwise) against any Manager.

SECTION 9.08 Limitation on Liability. Except as otherwise provided by the LLC Act and except as otherwise characterized for tax and financial reporting purposes, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Member or Manager shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Member or a Manager.

ARTICLE X

INDEMNIFICATION

SECTION 10.01 Indemnity. To the fullest extent permitted by law, each Manager and the Member and its officers, directors, employees, members and agents (each an "Indemnified Person") shall be exculpated from, and the Company shall indemnify such Indemnified Persons from and against, all Claims any of them incur by reason of any act or omission performed or omitted by such Indemnified Person in a manner reasonably believed to be consistent with its rights and obligations under applicable law and this LLC Agreement; provided, however, that this indemnity does not apply to Claims that are attributable to the gross negligence, willful misconduct or fraud (or, with respect to an Independent Manager or Special Member, bad faith or willful misconduct) of such Indemnified Person or a breach by a Manager or the Member in any capacity other than as a Manager or the Member, respectively. Notwithstanding the foregoing, any indemnity under this Section 10.01 shall be provided out of and to the extent of Company assets only, and the Managers and the Member shall not have personal liability on account thereof.

SECTION 10.02 Indemnity if Successful. To the fullest extent permitted by law, the Company shall indemnify each Indemnified Person against expenses, including reasonable attorneys' fees, actually and reasonably incurred by such Person in connection with the defense of any action or omission referred to in Section 10.01 or in defense of any claim, issue or matter therein, to the extent that such Person has been successful on the merits.

SECTION 10.03 Expenses. To the fullest extent permitted by law, expenses to be incurred by an Indemnified Person under this Article X shall, from time to time, be advanced by or on behalf of the Company prior to the final disposition of any matter upon receipt by the Company of an undertaking from such Indemnified Person to repay such amount if it shall be determined that the Indemnified Person is not entitled to be indemnified under this LLC Agreement.

SECTION 10.04 Other Arrangements Not Excluded. The indemnification and advancement of expenses authorized in or ordered by a court pursuant to this Article X:

(a) does not exclude any other rights to which an Indemnified Person seeking indemnification or advancement of expenses may be entitled under any agreement, decision of the Member or otherwise, except that indemnification and advancement, unless ordered by a court pursuant to Section 10.01 above, may not be made to or on behalf of such Person if a final adjudication established that its acts or omissions involved gross negligence, willful misconduct, fraud or a knowing violation of the law and were material to the cause of action; and

(b) continues for an Indemnified Person who has ceased to be a Manager or the Member or an officer, director, employee or agent of the Member.

ARTICLE XI

MISCELLANEOUS PROVISIONS

SECTION 11.01 No Bankruptcy Petition; Dissolution.

(a) To the fullest extent permitted by law, the Member, each Special Member and each Manager hereby covenant and agree (or shall be deemed to have hereby covenanted and agreed) that, prior to the date which is one year and one day after the termination of the Indenture and the payment in full of all Securitized Utility Tariff Bonds and any other amounts owed under the Indenture, it will not acquiesce, petition or otherwise invoke or cause the Company to invoke the process of any court or Governmental Authority for the purpose of commencing or sustaining an involuntary case against the Company under any federal or state bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Company or any substantial part of the property of the Company, or ordering the winding up or liquidation of the affairs of the Company; provided, however, that nothing in this Section 11.01 shall constitute a waiver of any right to indemnification, reimbursement or other payment from the Company pursuant to this LLC Agreement. This Section 11.01 is not intended to, and shall not, apply to the filing of a voluntary bankruptcy petition on behalf of the Company which is governed by Section 1.08 of this LLC Agreement.

(b) To the fullest extent permitted by law, the Member, each Special Member and each Manager hereby covenants and agrees (or shall be deemed to have hereby covenanted and agreed) that, until the termination of the Indenture and the payment in full of all Securitized Utility Tariff Bonds and any other amounts owed under the Indenture, the Member, such Special Member and such Manager will not consent to, or make application for, or institute or maintain any action for, the dissolution of the Company under Section 18-801 or 18-802 of the LLC Act or otherwise or any division of the Company under Section 18-217 of the Act or otherwise.

(c) In the event that the Member, any Special Member or any Manager takes action in violation of this Section 11.01, the Company agrees that it shall file an answer with the court or otherwise properly contest the taking of such action and raise the defense that the Member, the Special Member or Manager, as the case may be, has agreed in writing not to take such action and should be estopped and precluded therefrom and such other defenses, if any, as its counsel advises that it may assert.

(d) The provisions of this Section 11.01 shall survive the termination of this LLC Agreement and the resignation, withdrawal or removal of the Member, any Special Member or any Manager. Nothing herein contained shall preclude participation by the Member, any Special Member or a Manager in assertion or defense of its claims in any such proceeding involving the Company.

SECTION 11.02 Amendments.

(a) The power to alter, amend or repeal this LLC Agreement shall be only on the consent of the Member, provided, that: the Company shall not alter, amend or repeal any provision of Sections 1.02(b) and (c), 1.05, 1.07, 1.08, 3.01(b), 3.02, 6.06, 6.07, 7.02, 7.05, 7.06, 9.01, 9.02, 11.02 and 11.07 of this LLC Agreement or the definition of “Independent Manager” contained herein or the requirement that at all times the Company have at least one Independent Manager (collectively, the “Special Purpose Provisions”) without, in each case, the affirmative vote or consent of a majority of the Managers, which vote or consent must include the affirmative vote of each Independent Manager.

So long as any of the Securitized Utility Tariff Bonds are Outstanding, the Company and the Member shall give written notice to each applicable Rating Agency and to the Indenture Trustee of any amendment to this LLC Agreement. The effectiveness of any amendment of the Special Purpose Provisions shall be subject to the Rating Agency Condition (other than an amendment which is necessary: (i) to cure any ambiguity or (ii) to correct or supplement any such provision in a manner consistent with the intent of this LLC Agreement).

(b) The Company’s power to alter or amend the Certificate of Formation shall be vested in the Member. Upon obtaining the approval of any amendment, supplement or restatement as to the Certificate of Formation, the Member on behalf of the Company shall cause a Certificate of Amendment or Amended and Restated Certificate of Formation to be prepared, executed and filed in accordance with the LLC Act.

(c) Notwithstanding anything in this LLC Agreement to the contrary, including Sections 11.02(a) and (b), unless and until any Securitized Utility Tariff Bonds are Outstanding, the Member may, without the need for any consent or action of, or notice to, any other Person, including any Manager, any officer, the Indenture Trustee or any Rating Agency, alter, amend or repeal this LLC Agreement in any manner.

SECTION 11.03 Counterparts. This LLC Agreement may be executed in any number of counterparts, each of which shall be deemed an original of this LLC Agreement and all of which together shall constitute one and the same instrument.

SECTION 11.04 Governing Law. THIS LLC AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

SECTION 11.05 Headings. The headings of the various Articles and Sections herein are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

SECTION 11.06 Severability. Any provision of this LLC Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 11.07 Assigns. Each and all of the covenants, terms, provisions and agreements contained in this LLC Agreement shall be binding upon and inure to the benefit of the Member, and its permitted successors and assigns.

SECTION 11.08 Enforcement by each Independent Manager. Notwithstanding any other provision of this LLC Agreement, the Member agrees that this LLC Agreement constitutes a legal, valid and binding agreement of the Member, and is enforceable against the Member by each Independent Manager in accordance with its terms.

SECTION 11.09 Waiver of Partition; Nature of Interest. Except as otherwise expressly provided in this LLC Agreement, to the fullest extent permitted by law, each of the Member and the Special Members hereby irrevocably waives any right or power that such Person might have to cause the Company or any of its assets to be partitioned, to cause the appointment of a receiver for all or any portion of the assets of the Company, to compel any sale of all or any portion of the assets of the Company pursuant to any applicable law or to file a complaint or to institute any proceeding at law or in equity to cause the dissolution, division, liquidation, winding up or termination of the Company. The Member shall not have any interest in any specific assets of the Company, and the Member shall not have the status of a creditor with respect to any distribution pursuant to this LLC Agreement.

SECTION 11.10 Benefits of Agreement; No Third-Party Rights. Except for the Indenture Trustee with respect to the Special Purpose Provisions and Persons entitled to indemnification hereunder, none of the provisions of this LLC Agreement shall be for the benefit of or enforceable by any creditor of the Company or by any creditor of the Member or Special Member. Nothing in this LLC Agreement shall be deemed to create any right in any Person (other than the Indenture Trustee with respect to the Special Purpose Provisions and Persons entitled to indemnification hereunder) not a party hereto, and this LLC Agreement shall not be construed in any respect to be a contract in whole or in part for the benefit of any third Person.

(b) Securitized Utility Tariff Bonds bearing the manual, electronic or facsimile signature of individuals who were at any time Responsible Officers of the Issuer shall bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of the Securitized Utility Tariff Bonds or did not hold such offices at the date of the Securitized Utility Tariff Bonds.

(c) At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Securitized Utility Tariff Bonds executed by the Issuer to the Indenture Trustee pursuant to an Issuer Order for authentication; and the Indenture Trustee shall authenticate and deliver the Securitized Utility Tariff Bonds as in this Indenture provided and not otherwise.

(d) No Securitized Utility Tariff Bond shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Securitized Utility Tariff Bond a certificate of authentication substantially in the form provided for therein executed by the Indenture Trustee by the manual, electronic or facsimile signature of one of its authorized signatories, and such certificate upon any Securitized Utility Tariff Bond shall be conclusive evidence, and the only evidence, that such Securitized Utility Tariff Bond has been duly authenticated and delivered hereunder.

SECTION 2.04. Temporary Securitized Utility Tariff Bonds.

(a) Pending the preparation of Definitive Securitized Utility Tariff Bonds pursuant to Section 2.13, the Issuer may execute, and upon receipt of an Issuer Order the Indenture Trustee shall authenticate and deliver, Temporary Securitized Utility Tariff Bonds which are printed, lithographed, typewritten, mimeographed or otherwise produced, of the tenor of the Definitive Securitized Utility Tariff Bonds in lieu of which they are issued and with such variations not inconsistent with the terms of this Indenture as the officers executing the Securitized Utility Tariff Bonds may determine, as evidenced by their execution of the Securitized Utility Tariff Bonds.

(b) If Temporary Securitized Utility Tariff Bonds are issued, the Issuer will cause Definitive Securitized Utility Tariff Bonds to be prepared without unreasonable delay. After the preparation of Definitive Securitized Utility Tariff Bonds, the Temporary Securitized Utility Tariff Bonds shall be exchangeable for Definitive Securitized Utility Tariff Bonds upon surrender of the Temporary Securitized Utility Tariff Bonds at the office or agency of the Issuer to be maintained as provided in Section 3.02, without charge to the Holder. Upon surrender for cancellation of any one or more Temporary Securitized Utility Tariff Bonds, the Issuer shall execute and the Indenture Trustee shall authenticate and deliver in exchange therefor a like principal amount of Definitive Securitized Utility Tariff Bonds of authorized denominations. Until so exchanged, the Temporary Securitized Utility Tariff Bonds shall in all respects be entitled to the same benefits under this Indenture as Definitive Securitized Utility Tariff Bonds.

SECTION 2.05. Registration; Registration of Transfer and Exchange of Securitized Utility Tariff Bonds.

(a) The Issuer shall cause to be kept a register (the “Securitized Utility Tariff Bond Register”) in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Securitized Utility Tariff Bonds and the registration of transfers of Securitized Utility Tariff Bonds. The Indenture Trustee shall be “Securitized Utility Tariff Bond Registrar” for the purpose of registering Securitized Utility Tariff Bonds and transfers of Securitized Utility Tariff Bonds as herein provided. Upon any resignation of any Securitized Utility Tariff Bond Registrar, the Issuer shall promptly appoint a successor or, if it elects not to make such an appointment, assume the duties of Securitized Utility Tariff Bond Registrar.

(b) If a Person other than the Indenture Trustee is appointed by the Issuer as Securitized Utility Tariff Bond Registrar, the Issuer will give the Indenture Trustee prompt written notice of the appointment of such Securitized Utility Tariff Bond Registrar and of the location, and any change in the location, of the Securitized Utility Tariff Bond Register, and the Indenture Trustee shall have the right to inspect the Securitized Utility Tariff Bond Register at all reasonable times and to obtain copies thereof, and the Indenture Trustee shall have the right to rely conclusively upon a certificate executed on behalf of the Securitized Utility Tariff Bond Registrar by a Responsible Officer thereof as to the names and addresses of the Holders and the principal amounts and number of the Securitized Utility Tariff Bonds (separately stated by Tranche).

(c) Upon surrender for registration of transfer of any Securitized Utility Tariff Bond at the office or agency of the Issuer to be maintained as provided in Section 3.02, provided that the requirements of Section 8-401 of the UCC are met, the Issuer shall execute, and the Indenture Trustee shall authenticate and the Holder shall obtain from the Indenture Trustee, in the name of the designated transferee or transferees, one or more new Securitized Utility Tariff Bonds in any Minimum Denominations, of the same Tranche and aggregate principal amount.

(d) At the option of the Holder, Securitized Utility Tariff Bonds may be exchanged for other Securitized Utility Tariff Bonds in any Minimum Denominations, of the same Tranche and aggregate principal amount, upon surrender of the Securitized Utility Tariff Bonds to be exchanged at such office or agency as provided in Section 3.02. Whenever any Securitized Utility Tariff Bonds are so surrendered for exchange, the Issuer shall, provided that the requirements of Section 8-401 of the UCC are met, execute and, upon any such execution, the Indenture Trustee shall authenticate and the Holder shall obtain from the Indenture Trustee, the Securitized Utility Tariff Bonds which the Holder making the exchange is entitled to receive.

(e) All Securitized Utility Tariff Bonds issued upon any registration of transfer or exchange of other Securitized Utility Tariff Bonds shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securitized Utility Tariff Bonds surrendered upon such registration of transfer or exchange.

(f) Every Securitized Utility Tariff Bond presented or surrendered for registration of transfer or exchange shall be duly endorsed by, or be accompanied by (A) a written instrument of transfer in form satisfactory to the Indenture Trustee duly executed by the Holder thereof or such Holder's attorney duly authorized in writing, with such signature guaranteed by an institution which is a member of one of the following recognized Signature Guaranty Programs: (i) The Securities Transfer Agent Medallion Program (STAMP); (ii) The New York Stock Exchange Medallion Program (MSP); (iii) The Stock Exchange Medallion Program (SEMP); or (iv) such other guarantee program acceptable to the Indenture Trustee, and (B) such other documents as the Indenture Trustee may require.

(g) No service charge shall be made to a Holder for any registration of transfer or exchange of Securitized Utility Tariff Bonds, but the Issuer or the Indenture Trustee may require payment of a sum sufficient to cover any tax or other governmental charge or any fees or expenses of the Indenture Trustee that may be imposed in connection with any registration of transfer or exchange of Securitized Utility Tariff Bonds, other than exchanges pursuant to Sections 2.04 or 2.06 not involving any transfer.

(h) The preceding provisions of this Section 2.05 notwithstanding, the Issuer shall not be required to make, and the Securitized Utility Tariff Bond Registrar need not register transfers or exchanges of any Securitized Utility Tariff Bond that has been submitted within fifteen (15) days preceding the due date for any payment with respect to such Securitized Utility Tariff Bond until after such due date has occurred.

SECTION 2.06. Mutilated, Destroyed, Lost or Stolen Securitized Utility Tariff Bonds.

(a) If (i) any mutilated Securitized Utility Tariff Bond is surrendered to the Indenture Trustee, or the Indenture Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Securitized Utility Tariff Bond and (ii) there is delivered to the Indenture Trustee such security or indemnity as may be required by it to hold the Issuer and the Indenture Trustee harmless, then, in the absence of notice to the Issuer, the Securitized Utility Tariff Bond Registrar or the Indenture Trustee that such Securitized Utility Tariff Bond has been acquired by a Protected Purchaser, the Issuer shall, provided that the requirements of Section 8-401 of the UCC are met, execute and, upon the Issuer's written request, the Indenture Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Securitized Utility Tariff Bond, a replacement Securitized Utility Tariff Bond of like Tranche, tenor and principal amount, bearing a number not contemporaneously outstanding; provided, however, that if any such destroyed, lost or stolen Securitized Utility Tariff Bond, but not a mutilated Securitized Utility Tariff Bond, shall have become or within seven (7) days shall be due and payable, instead of issuing a replacement Securitized Utility Tariff Bond, the Issuer may pay such destroyed, lost or stolen Securitized Utility Tariff Bond when so due or payable without surrender thereof. If, after the delivery of such replacement Securitized Utility Tariff Bond or payment of a destroyed, lost or stolen Securitized Utility Tariff Bond pursuant to the proviso to the preceding sentence, a Protected Purchaser of the original Securitized Utility Tariff Bond in lieu of which such replacement Securitized Utility Tariff Bond was issued presents for payment such original Securitized Utility Tariff Bond, the Issuer and the Indenture Trustee shall be entitled to recover such replacement Securitized Utility Tariff Bond (or such payment) from the Person to whom it was delivered or any Person taking such replacement Securitized Utility Tariff Bond from such Person to whom such replacement Securitized Utility Tariff Bond was delivered or any assignee of such Person, except a Protected Purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer or the Indenture Trustee in connection therewith.

(b) Upon the issuance of any replacement Securitized Utility Tariff Bond under this Section 2.06, the Issuer and/or the Indenture Trustee may require the payment by the Holder of such Securitized Utility Tariff Bond of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the fees and expenses of the Indenture Trustee and the Securitized Utility Tariff Bond Registrar) connected therewith.

(c) Every replacement Securitized Utility Tariff Bond issued pursuant to this Section 2.06 in replacement of any mutilated, destroyed, lost or stolen Securitized Utility Tariff Bond shall constitute an original additional contractual obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Securitized Utility Tariff Bond shall be found at any time or enforced by any Person, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securitized Utility Tariff Bonds duly issued hereunder.

(d) The provisions of this Section 2.06 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securitized Utility Tariff Bonds.

SECTION 2.07. Persons Deemed Owner.

Prior to due presentment for registration of transfer of any Securitized Utility Tariff Bond, the Issuer, the Indenture Trustee, the Securitized Utility Tariff Bond Registrar and any agent of the Issuer or the Indenture Trustee may treat the Person in whose name any Securitized Utility Tariff Bond is registered (as of the day of determination) as the owner of such Securitized Utility Tariff Bond for the purpose of receiving payments of principal of and premium, if any, and interest on such Securitized Utility Tariff Bond and for all other purposes whatsoever, whether or not such Securitized Utility Tariff Bond be overdue, and neither the Issuer, the Indenture Trustee nor any agent of the Issuer or the Indenture Trustee shall be affected by notice to the contrary.

SECTION 2.08. Payment of Principal, Premium, if any, and Interest; Interest on Overdue Principal; Principal, Premium, if any, and Interest Rights Preserved.

(a) The Securitized Utility Tariff Bonds shall accrue interest as provided in the Series Supplement at the applicable Securitized Utility Tariff Bond Interest Rate, and such interest shall be payable on each applicable Payment Date. Any installment of interest, principal or premium, if any, payable on any Securitized Utility Tariff Bond which is punctually paid or duly provided for on the applicable Payment Date shall be paid to the Person in whose name such Securitized Utility Tariff Bond (or one or more Predecessor Securitized Utility Tariff Bonds) is registered on the Record Date for such Payment Date by wire transfer to an account maintained by such Holder in accordance with payment instructions delivered to the Indenture Trustee by such Holder, except that with respect to Book-Entry Securitized Utility Tariff Bonds, payments will be made by wire transfer in immediately available funds to the account designated by the Holder of the applicable Global Securitized Utility Tariff Bond unless and until such Global Securitized Utility Tariff Bond is exchanged for Definitive Securitized Utility Tariff Bonds (in which event payments shall be made as provided above), and except for the final installment of principal and premium, if any, payable with respect to such Securitized Utility Tariff Bond on a Payment Date which shall be payable as provided below.

(b) The principal of each Securitized Utility Tariff Bond of each Tranche shall be paid, to the extent funds are available therefor in the Collection Account, in installments on each Payment Date as specified in the Series Supplement; provided that installments of principal not paid when scheduled to be paid in accordance with the Expected Amortization Schedule shall be paid upon receipt of money available for such purpose, in the order set forth in Section 8.02(e). Failure to pay principal in accordance with such Expected Amortization Schedule because moneys are not available pursuant to Section 8.02 to make such payments shall not constitute a Default or Event of Default under this Indenture; provided, however, that failure to pay the entire unpaid principal amount of the Securitized Utility Tariff Bonds of a Tranche upon the Final Maturity Date for such Tranche shall constitute a Default or Event of Default under this Indenture. Notwithstanding the foregoing, the entire unpaid principal amount of the Securitized Utility Tariff Bonds shall be due and payable, if not previously paid, on the date on which an Event of Default shall have occurred and be continuing, if the Indenture Trustee or the Holders of the Securitized Utility Tariff Bonds representing not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds have declared the Securitized Utility Tariff Bonds to be immediately due and payable in the manner provided in Section 5.02. All payments of principal and premium, if any, on the Securitized Utility Tariff Bonds shall be made pro rata to the Holders entitled thereto unless otherwise provided in the Series Supplement. Upon written notice from the Issuer, the Indenture Trustee shall notify the Person in whose name a Securitized Utility Tariff Bond is registered at the close of business on the Record Date preceding the Payment Date on which the Issuer expects that the final installment of principal of and premium, if any, and interest on such Securitized Utility Tariff Bond will be paid. Such notice shall be sent no later than five (5) days prior to such final Payment Date and shall specify that such final installment will be payable only upon presentation and surrender of such Securitized Utility Tariff Bond and shall specify the place where such Securitized Utility Tariff Bond may be presented and surrendered for payment of such installment.

(c) If interest on the Securitized Utility Tariff Bonds is not paid when due, such defaulted interest shall be paid (plus interest on such defaulted interest at the applicable Securitized Utility Tariff Bond Interest Rate to the extent lawful) to the Persons who are Holders on a subsequent Special Record Date, which date shall be at least fifteen (15) Business Days prior to the Special Payment Date. The Issuer shall fix or cause to be fixed any such Special Record Date and Special Payment Date, and, at least ten (10) days before any such Special Record Date, the Issuer shall send to each affected Holder a notice that states the Special Record Date, the Special Payment Date and the amount of defaulted interest (plus interest on such defaulted interest) to be paid.

All Securitized Utility Tariff Bonds surrendered for payment, registration of transfer or exchange shall, if surrendered to any Person other than the Indenture Trustee, be delivered to the Indenture Trustee and shall be promptly canceled by the Indenture Trustee. The Issuer may at any time deliver to the Indenture Trustee for cancellation any Securitized Utility Tariff Bonds previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Securitized Utility Tariff Bonds so delivered shall be promptly canceled by the Indenture Trustee. (c) No Holder of Securitized Utility Tariff Bonds issued in Book-Entry Form shall receive a Definitive Securitized Utility Tariff Bond representing such Holder’s interest in any of the Securitized Utility Tariff Bonds, except as provided in Section 2.13. “The state and its agencies, including the commission, pledge and agree with [Holders], the owners of the [S]ecuritized [U]tility [T]ariff [P]roperty, and other financing parties that the state and its agencies will not take any action listed in this subdivision. [Section 393.1700.11 of the Securitization Law] does not preclude limitation or alteration if full compensation is made by law for the full protection of the securitized utility tariff charges collected pursuant to a financing order and of the bondholders and any assignee or financing party entering into a contract with the electrical corporation. The prohibited actions are as follows: (a) alter the provisions of [Section 393.1700.11 of the Securitization Law], which authorize the Commission to create an irrevocable contract right or chose in action by the issuance of a financing order, to create securitized utility tariff property, and make the securitized utility tariff charges imposed by a financing order irrevocable, binding, or nonbypassable charges for all existing and future retail customers of the electrical corporation except its existing special contract customers; (b) take or permit any action that impairs or would impair the value of securitized utility tariff property or the security for the securitized utility tariff bonds or revises the securitized utility tariff costs for which recovery is authorized; (c) in any way impair the rights and remedies of the bondholders, assignees, and other financing parties; or (d) except for changes made pursuant to the formula-based true-up mechanism authorized under this section, reduce, alter, or impair securitized utility tariff charges that are to be imposed, billed, charged, collected, and remitted for the benefit of the bondholders, any assignee, and any other financing parties until any and all principal, interest, premium, financing costs and other fees, expenses, or charges incurred, and any contracts to be performed, in connection with the related securitized utility tariff bonds have been paid and performed in full.”

“Neither the state nor its political subdivisions are liable on any securitized utility tariff bonds, and the bonds are not a debt or a general obligation of the state or any of its political subdivisions, agencies, or instrumentalities, nor are they special obligations or indebtedness of the state or any agency or political subdivision. An issue of securitized utility tariff bonds does not, directly, indirectly, or contingently, obligate the state or any agency, political subdivision, or instrumentality of the state to levy any tax or make any appropriation for payment of the securitized utility tariff bonds, other than in their capacity as consumers of electricity. All securitized utility tariff bonds shall contain on the face thereof a statement to the following effect: ‘Neither the full faith and credit nor the taxing power of the state of Missouri is pledged to the payment of the principal of, or interest on, this bond.’”

The Issuer hereby acknowledges that the purchase of any Securitized Utility Tariff Bond by a Holder or the purchase of any beneficial interest in a Securitized Utility Tariff Bond by any Person and the Indenture Trustee’s obligations to perform hereunder are made in reliance on such agreement and pledge by the State of Missouri.

SECTION 2.18. Security Interests.

- (a) Representations and Warranties. The Issuer hereby makes the following representations and warranties:
- (i) other than the security interests granted to the Indenture Trustee pursuant to this Indenture, the Issuer has not pledged, granted, sold, conveyed or otherwise assigned any interests or security interests in the Securitized Utility Tariff Bond Collateral and no security agreement, financing statement or equivalent security or Lien instrument listing the Issuer as debtor covering all or any part of the Securitized Utility Tariff Bond Collateral is on file or of record in any jurisdiction, except such as may have been filed, recorded or made by the Issuer in favor of the Indenture Trustee on behalf of the Secured Parties in connection with this Indenture;

- (ii) this Indenture constitutes a valid and continuing lien on, and first priority perfected security interest in, the Securitized Utility Tariff Bond Collateral in favor of the Indenture Trustee on behalf of the Secured Parties, which lien and security interest is prior to all other Liens and is enforceable as such as against creditors of and purchasers from the Issuer in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws affecting creditors' rights generally or by general equitable principles, whether considered in a proceeding at law or in equity and by an implied covenant of good faith and fair dealing;
- (iii) with respect to all Securitized Utility Tariff Bond Collateral, this Indenture, together with the Series Supplement, creates a valid and continuing first priority perfected security interest (as defined in the UCC and as such term is used in the Securitization Law) in such Securitized Utility Tariff Bond Collateral, which security interest is prior to all other Liens and is enforceable as such as against creditors of and purchasers from the Issuer in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws affecting creditors' rights generally or by general equitable principles, whether considered in a proceeding at law or in equity and by an implied covenant of good faith and fair dealing;
- (iv) the Issuer has good and marketable title to the Securitized Utility Tariff Bond Collateral free and clear of any Lien, claim or encumbrance of any Person other than Permitted Liens;
- (v) all of the Securitized Utility Tariff Bond Collateral constitutes either Securitized Utility Tariff Property or accounts, deposit accounts, investment property or general intangibles (as each such term is defined in the UCC) except that proceeds of the Securitized Utility Tariff Bond Collateral may also take the form of instruments or money;
- (vi) the Issuer has taken, or caused the Servicer to take, all action necessary to perfect the security interest in the Securitized Utility Tariff Bond Collateral granted to the Indenture Trustee, for the benefit of the Secured Parties;
- (vii) the Issuer has filed (or has caused the Servicer to file) all appropriate financing statements in the proper filing offices in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Securitized Utility Tariff Bond Collateral granted to the Indenture Trustee;
- (viii) the Issuer has not authorized the filing of and is not aware, after due inquiry, of any financing statements against the Issuer that include a description of the Securitized Utility Tariff Bond Collateral other than those filed in favor of the Indenture Trustee;

- (ix) the Issuer is not aware of any judgment or tax Lien filings against the Issuer;
- (x) (I) the Collection Account (including all subaccounts thereof, other than the Cash Subaccount) constitutes a “securities account” within the meaning of the UCC and (II) the Cash Subaccount constitutes a “deposit account” within the meaning of the UCC;
- (xi) the Issuer has taken all steps necessary to cause the Securities Intermediary of each such Securities Account to identify in its records the Indenture Trustee as the Person having a Security Entitlement against the Securities Intermediary in such Securities Account, no Collection Account is in the name of any Person other than the Indenture Trustee, and the Issuer has not consented to the Securities Intermediary of the Collection Account and the Indenture Trustee acting as “bank” with respect to the Cash Subaccount to comply with entitlement orders of any Person other than the Indenture Trustee; and
- (xii) all of the Securitized Utility Tariff Bond Collateral constituting investment property has been and will have been credited to the Collection Account or a subaccount thereof, and the Securities Intermediary for the Collection Account has agreed to treat all assets credited to the Collection Account (other than cash) as Financial Assets and all cash will be allocated to the applicable Cash Subaccount. Accordingly, the Indenture Trustee has a first priority perfected security interest in the Collection Account, all funds and Financial Assets on deposit therein, and all securities entitlements relating thereto.

(b) Survival. The representations and warranties set forth in this Section 2.18 shall survive the execution and delivery of this Indenture and the issuance of any Securitized Utility Tariff Bonds, shall be deemed re-made on each date on which any funds in the Collection Account are distributed to Issuer or otherwise released from the Lien of the Indenture and may not be waived by any party hereto except pursuant to a supplemental indenture executed in accordance with Article IX and as to which the Rating Agency Condition has been satisfied.

SECTION 2.19. Payment by Issuer is Nonrecourse.

Any amounts due hereunder from the Issuer with respect to the Securitized Utility Tariff Bonds shall be paid solely from the Securitized Utility Tariff Bond Collateral. In the event the Securitized Utility Tariff Bond Collateral pledged to secure the Securitized Utility Tariff Bonds has been exhausted and the Securitized Utility Tariff Bonds have not been paid in full, then any and all amounts remaining due on the Securitized Utility Tariff Bonds shall be extinguished and the Securitized Utility Tariff Bonds cancelled. To the extent that under any applicable law the Holder of a Securitized Utility Tariff Bond or any owner of a security entitlement to a Bond is deemed to have an interest in assets of the Issuer other than the Securitized Utility Tariff Bond Collateral (“Other Issuer Assets”), such Holder or owner is deemed to have agreed that its interest in such Other Issuer Assets is fully subordinate to the claim against such Other Issuer Assets of the pledgees or grantees to which such Other Issuer Assets are pledged or granted and is further deemed to have agreed that this agreement shall constitute a subordination agreement for purpose of Section 510(a) of the United States Bankruptcy Code.

If at any time the Issuer shall fail to maintain any such office or agency or shall fail to furnish the Indenture Trustee with the address thereof, such surrenders may be made at the office of the Indenture Trustee located at the Corporate Trust Office, and the Issuer hereby appoints the Indenture Trustee as its agent to receive all such surrenders.

SECTION 3.03. Money for Payments To Be Held in Trust.

(b) Each Paying Agent shall meet the eligibility criteria set forth for any Indenture Trustee under Section 6.11. The Issuer will cause each Paying Agent other than the Indenture Trustee to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent shall agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 3.03, that such Paying Agent will:

- (i) hold all sums held by it for the payment of amounts due with respect to the Securitized Utility Tariff Bonds in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

- (ii) give the Indenture Trustee and the Rating Agencies written notice of any Default by the Issuer of which it has actual knowledge (and if the Indenture Trustee is the Paying Agent, a Responsible Officer of the Paying Agent has actual knowledge) in the making of any payment required to be made with respect to the Securitized Utility Tariff Bonds;
- (iii) at any time during the continuance of any such Default, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;
- (iv) immediately, with notice to the Rating Agencies, resign as a Paying Agent and forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Securitized Utility Tariff Bonds if at any time the Paying Agent determines that it has ceased to meet the standards required to be met by a Paying Agent at the time of such determination; and
- (v) comply with all requirements of the Code and other tax laws with respect to the withholding from any payments made by it on any Securitized Utility Tariff Bonds of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith.

(d) Subject to applicable laws with respect to escheat of funds, any money held by the Indenture Trustee or any Paying Agent in trust for the payment of any amount due with respect to any Securitized Utility Tariff Bond and remaining unclaimed for two (2) years after such amount has become due and payable shall be discharged from such trust and be paid to the Issuer on an Issuer Request; and, subject to Section 10.16, the Holder of such Securitized Utility Tariff Bond shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof (but only to the extent of the amounts so paid to the Issuer), and all liability of the Indenture Trustee or such Paying Agent with respect to such trust money shall thereupon cease; provided, however, that the Indenture Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer, cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in The City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than thirty (30) days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer. The Indenture Trustee may also adopt and employ, at the written direction and expense of the Issuer, any other reasonable means of notification of such repayment (including mailing notice of such repayment to Holders whose right to or interest in moneys due and payable but not claimed is determinable from the records of the Indenture Trustee or of any Paying Agent, at the last address of record for each such Holder).

SECTION 3.04. Existence.

The Issuer shall keep in full effect its existence, rights and franchises as a limited liability company under the laws of the State of Delaware (unless it becomes, or any successor Issuer hereunder is or becomes, organized under the laws of any other State or of the United States of America, in which case the Issuer will keep in full effect its existence, rights and franchises under the laws of such other jurisdiction) and will obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Indenture, the other Basic Documents, the Securitized Utility Tariff Bonds, the Securitized Utility Tariff Bond Collateral and each other instrument or agreement referenced herein or therein.

Such Opinion of Counsel shall also describe the recording, filing, re-recording and re-filing of this Indenture, any indentures supplemental hereto and any other requisite documents and the execution and filing of any filings with the MPSC, the Delaware Secretary of State or the Missouri Secretary of State, financing statements and continuation statements that will, in the opinion of such counsel, be required within the twelve-month period following the date of such opinion to maintain the Lien and the perfected security interest created by this Indenture and the Series Supplement.

SECTION 3.07. Performance of Obligations; Servicing; SEC Filings.

(a) The Issuer (i) shall diligently pursue any and all actions to enforce its rights under each instrument or agreement included in the Securitized Utility Tariff Bond Collateral and (ii) shall not take any action and shall use its best efforts not to permit any action to be taken by others that would release any Person from any of such Person’s covenants or obligations under any such instrument or agreement or that would result in the amendment, hypothecation, subordination, termination or discharge of, or impair the validity or effectiveness of, any such instrument or agreement, except, in each case, as expressly provided in this Indenture, the Series Supplement, the Sale Agreement, the Servicing Agreement or such other instrument or agreement.

- (vi) the Issuer shall have delivered to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel of external counsel of the Issuer each stating that such consolidation or merger and such supplemental indenture comply with this Indenture and each Series Supplement and that all conditions precedent herein provided for in this Section 3.10(a) with respect to such transaction have been complied with (including any filing required by the Exchange Act).

(b) Except as specifically provided herein, the Issuer shall not sell, convey, exchange, transfer or otherwise dispose of any of its properties or assets included in the Securitized Utility Tariff Bond Collateral, to any Person, unless:

- (i) the Person that acquires the properties and assets of the Issuer, the conveyance or transfer of which is hereby restricted: (i) shall be a United States citizen or a Person organized and existing under the laws of the United States of America or any State, (ii) expressly assumes, by an indenture supplemental hereto, executed and delivered to the Indenture Trustee, in form and substance satisfactory to the Indenture Trustee, the performance or observance of every agreement and covenant of this Indenture on the part of the Issuer to be performed or observed, all as provided herein and in the Series Supplement, (iii) expressly agrees by means of such supplemental indenture that all right, title and interest so sold, conveyed, exchanged, transferred or otherwise disposed of shall be subject and subordinate to the rights of Holders, (iv) unless otherwise provided in the supplemental indenture referred to in clause (i) above, expressly agrees to indemnify, defend and hold harmless the Issuer and the Indenture Trustee against and from any loss, liability or expense arising under or related to this Indenture, the Series Supplement and the Securitized Utility Tariff Bonds (including the enforcement costs of such indemnity), (v) expressly agrees by means of such supplemental indenture that such Person (or if a group of Persons, then one specified Person) shall make all filings with the SEC (and any other appropriate Person) required by the Exchange Act in connection with the Securitized Utility Tariff Bonds and (vi) if such sale, conveyance, exchange, transfer or disposal relates to the Issuer's rights and obligations under the Sale Agreement or the Servicing Agreement, assumes all obligations and succeeds to all rights of the Issuer under the Sale Agreement and the Servicing Agreement, as applicable;

- (ii) immediately after giving effect to such transaction, no Default, Event of Default or Servicer Default shall have occurred and be continuing;
- (iii) the Rating Agency Condition shall have been satisfied with respect to such transaction;
- (iv) the Issuer shall have delivered to Liberty, the Indenture Trustee and the Rating Agencies an opinion or opinions of outside tax counsel (as selected by the Issuer, in form and substance reasonably satisfactory to Liberty, and which may be based on a ruling from the Internal Revenue Service) to the effect that the disposition will not result in a material adverse federal or State income tax consequence to the Issuer, Liberty, the Indenture Trustee or the then existing Bondholders;
- (v) any action as is necessary to maintain the Lien and the perfected security interest in the Securitized Utility Tariff Bond Collateral created by this Indenture and the Series Supplement shall have been taken as evidenced by an Opinion of Counsel of external counsel of the Issuer delivered to the Indenture Trustee; and
- (vi) the Issuer shall have delivered to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel of external counsel of the Issuer each stating that such sale, conveyance, exchange, transfer or other disposition and such supplemental indenture comply with this Indenture and each Series Supplement and that all conditions precedent herein provided for in this Section 3.10(b) with respect to such transaction have been complied with (including any filing required by the Exchange Act).

SECTION 3.11. Successor or Transferee.

(a) Upon any consolidation or merger of the Issuer in accordance with Section 3.10(a), the Person formed by or surviving such consolidation or merger (if other than the Issuer) shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such Person had been named as the Issuer herein.

(b) Except as set forth in Section 6.07, upon a sale, conveyance, exchange, transfer or other disposition of all the assets and properties of the Issuer in accordance with Section 3.10(b), the Issuer will be released from every covenant and agreement of this Indenture and the other Basic Documents to be observed or performed on the part of the Issuer with respect to the Securitized Utility Tariff Bonds and the Securitized Utility Tariff Property immediately following the consummation of such acquisition upon the delivery of written notice to the Indenture Trustee from the Person acquiring such assets and properties stating that the Issuer is to be so released.

SECTION 3.12. No Other Business.

The Issuer shall not engage in any business other than financing, purchasing, owning and managing the Securitized Utility Tariff Property and the other Securitized Utility Tariff Bond Collateral and the issuance of the Securitized Utility Tariff Bonds in the manner contemplated by the Financing Order and this Indenture and the Basic Documents and activities incidental thereto.

SECTION 3.13. No Borrowing.

The Issuer shall not issue, incur, assume, guarantee or otherwise become liable, directly or indirectly, for any indebtedness except for the Securitized Utility Tariff Bonds and any other indebtedness expressly permitted by or arising under the Basic Documents.

SECTION 3.14. Servicer's Obligations.

The Issuer shall enforce the Servicer's compliance with and performance of all of the Servicer's material obligations under the Servicing Agreement.

SECTION 3.15. Guarantees, Loans, Advances and Other Liabilities.

Except as otherwise contemplated by the Sale Agreement, the Servicing Agreement or this Indenture, the Issuer shall not make any loan or advance or credit to, or guarantee (directly or indirectly or by an instrument having the effect of assuring another's payment or performance on any obligation or capability of so doing or otherwise), endorse or otherwise become contingently liable, directly or indirectly, in connection with the obligations, stocks or dividends of, or own, purchase, repurchase or acquire (or agree contingently to do so) any stock, obligations, assets or securities of, or any other interest in, or make any capital contribution to, any other Person.

SECTION 3.16. Capital Expenditures.

Other than the purchase of Securitized Utility Tariff Property from the Seller on each Closing Date, the Issuer shall not make any expenditure (by long-term or operating lease or otherwise) for capital assets (either realty or personalty).

SECTION 3.17. Restricted Payments.

Except as provided in Section 8.04(c), the Issuer shall not, directly or indirectly, (a) pay any dividend or make any distribution (by reduction of capital or otherwise), whether in cash, property, securities or a combination thereof, to any owner of an interest in the Issuer or otherwise with respect to any ownership or equity interest or similar security in or of the Issuer, (b) redeem, purchase, retire or otherwise acquire for value any such ownership or equity interest or similar security or (c) set aside or otherwise segregate any amounts for any such purpose; provided, however, that, if no Event of Default shall have occurred and be continuing or would be caused thereby, the Issuer may make, or cause to be made, any such distributions to any owner of an interest in the Issuer or otherwise with respect to any ownership or equity interest or similar security in or of the Issuer using funds distributed to the Issuer pursuant to Section 8.02(e)(xi) to the extent that such distributions would not cause the balance of the Capital Subaccount to decline below the Required Capital Level. The Issuer will not, directly or indirectly, make payments to or distributions from the Collection Account except in accordance with this Indenture and the other Basic Documents.

SECTION 3.18. Notice of Events of Default.

The Issuer agrees to give the Indenture Trustee, the MPSC and the Rating Agencies prompt written notice of each Default or Event of Default hereunder as provided in Section 5.01, and each default on the part of the Seller or the Servicer of its obligations under the Sale Agreement or the Servicing Agreement, respectively.

SECTION 3.19. Further Instruments and Acts.

Upon request of the Indenture Trustee (it being understood that this covenant shall not be construed as an affirmative duty of the Indenture Trustee), the Issuer shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture and to maintain the first priority perfected security interest of the Indenture Trustee in the Securitized Utility Tariff Bond Collateral.

SECTION 3.20. Notice of Events of Default.

The Issuer agrees to give the Indenture Trustee, the MPSC and the Rating Agencies prompt written notice of each Event of Default hereunder and each default on the part of the Seller or the Servicer of its obligations under the Sale Agreement or the Servicing Agreement with respect to the Securitized Utility Tariff Property, respectively.

SECTION 3.21. Sale Agreement, Servicing Agreement and Administration Agreement Covenants.

(a) The Issuer agrees to take all such lawful actions to enforce its rights under the Sale Agreement, the Servicing Agreement and the Administration Agreement and to compel or secure the performance and observance by the Seller, the Servicer and the Administrator of each of their respective obligations to the Issuer under or in connection with the Sale Agreement, the Servicing Agreement and the Administration Agreement in accordance with the terms thereof. So long as no Event of Default occurs and is continuing, but subject to Section 3.21(f), the Issuer may exercise any and all rights, remedies, powers and privileges lawfully available to the Issuer under or in connection with the Sale Agreement, the Servicing Agreement and the Administration Agreement; provided that such action shall not adversely affect the interests of the Holders in any material respect.

(b) If an Event of Default occurs and is continuing, the Indenture Trustee may, and at the direction (which direction shall be in writing) of Holders of a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds of all Tranches affected thereby shall, exercise all rights, remedies, powers, privileges and claims of the Issuer against the Seller, the Administrator and the Servicer, as the case may be, under or in connection with the Sale Agreement, the Administration Agreement and the Servicing Agreement, including the right or power to take any action to compel or secure performance or observance by the Seller, the Administrator or the Servicer of each of their obligations to the Issuer thereunder and to give any consent, request, notice, direction, approval, extension or waiver under the Sale Agreement, the Administration Agreement and the Servicing Agreement, and any right of the Issuer to take such action shall be suspended.

(c) Except as set forth in Section 3.21(d), with the prior written consent of the Indenture Trustee (subject to the delivery of the Officer's Certificate and Opinion of Counsel set forth below), the Administration Agreement, the Sale Agreement and the Servicing Agreement may be amended in accordance with the provisions thereof, so long as the Rating Agency Condition is satisfied in connection therewith, at any time and from time to time, without the consent of the Holders of the Securitized Utility Tariff Bonds; provided that all conditions precedent for such amendment have been satisfied and such amendment is authorized and permitted by the terms of such agreement, as evidenced by an Officer's Certificate and an Opinion of Counsel of external counsel of the Issuer. Notwithstanding the foregoing, the Sale Agreement, the Administration Agreement and the Servicing Agreement may be amended in accordance with the provisions thereof with ten (10) Business Days' prior written notice given to the Rating Agencies, the prior written consent of the Indenture Trustee, but without the consent of the Holders, (I) to cure any ambiguity, to correct or supplement any provisions in the applicable agreement or for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions in such agreement or of modifying in any manner the rights of the Holders; provided, however, that such action shall not adversely affect in any material respect the interests of any Holder or (II) to conform the provisions of the applicable agreement to the description of such agreement in the Prospectus. In the case of an amendment described in the preceding sentence, the Issuer shall furnish copies of such amendment to the Rating Agencies promptly after execution thereof.

(d) Except as set forth in Section 3.21(d), if the Issuer, the Seller, the Administrator, the Servicer or any other party to the respective agreement proposes to amend, modify, waive, supplement, terminate or surrender, or agree to any amendment, modification, waiver, supplement, termination or surrender of, the terms of the Sale Agreement, the Administration Agreement, or the Servicing Agreement, or waive timely performance or observance by the Seller, the Administrator or the Servicer under the Sale Agreement, the Administration Agreement or the Servicing Agreement, in each case in such a way as would materially and adversely affect the interests of any Holder of Securitized Utility Tariff Bonds, the Issuer shall first notify the Rating Agencies of the proposed amendment, modification, waiver, supplement, termination or surrender and shall promptly notify the Indenture Trustee in writing and the Indenture Trustee shall notify the Holders of the Securitized Utility Tariff Bonds of the proposed amendment, modification, waiver, supplement, termination or surrender and whether the Rating Agency Condition has been satisfied with respect thereto. The Indenture Trustee shall consent to such proposed amendment, modification, waiver, supplement, termination or surrender only if the Rating Agency Condition is satisfied and only with the prior written consent of the Holders of a majority of the Outstanding Amount of Securitized Utility Tariff Bonds of the Tranches materially and adversely affected. If any such amendment, modification, waiver, supplement, termination or surrender shall be so consented to by the Indenture Trustee or such Holders, the Issuer agrees to execute and deliver, in its own name and at its own expense, such agreements, instruments, consents and other documents as shall be necessary or appropriate in the circumstances.

(e) If the Issuer or the Servicer proposes to amend, modify, waive, supplement, terminate or surrender, or to agree to any amendment, modification, supplement, termination, waiver or surrender of, the process for True-Up Adjustments, the Issuer shall notify the Indenture Trustee in writing and the Indenture Trustee shall notify the Holders of the Securitized Utility Tariff Bonds of such proposal, and the Indenture Trustee shall consent thereto with the prior written consent of the Holders of a majority of the Outstanding Amount of Securitized Utility Tariff Bonds of the Tranches affected thereby and only if the Rating Agency Condition has been satisfied with respect thereto.

(f) Promptly following a default by the Seller under the Sale Agreement, by the Administrator under the Administration Agreement or the occurrence of a Servicer Default under the Servicing Agreement, and at the Issuer's expense, the Issuer agrees to take all such lawful actions as the Indenture Trustee may request to compel or secure the performance and observance by each of the Seller, the Administrator or the Servicer of their obligations under and in accordance with the Sale Agreement, the Administration Agreement and the Servicing Agreement, as the case may be, in accordance with the terms thereof, and to exercise any and all rights, remedies, powers and privileges lawfully available to the Issuer under or in connection with such agreements to the extent and in the manner directed by the Indenture Trustee, including the transmission of notices of any default by the Seller, the Administrator or the Servicer, respectively, thereunder and the institution of legal or administrative actions or Proceedings to compel or secure performance of their obligations under the Sale Agreement, the Administration Agreement or the Servicing Agreement, as applicable.

(g) Before consenting to any amendment, modification, supplement, termination, waiver or surrender under Sections 3.21(d) or (e), the Indenture Trustee shall be entitled to receive, and subject to Sections 6.01 and 6.02, shall be fully protected in relying upon, an Opinion of Counsel stating that such action is authorized or permitted by this Indenture and all conditions precedent to such amendment have been satisfied.

SECTION 3.22. Taxes.

So long as any of the Securitized Utility Tariff Bonds are Outstanding, the Issuer shall pay all taxes, assessments and governmental charges imposed upon it or any of its properties or assets or with respect to any of its franchises, business, income or property before any penalty accrues thereon if the failure to pay any such taxes, assessments and governmental charges would, after any applicable grace periods, notices or other similar requirements, result in a Lien on the Securitized Utility Tariff Bond Collateral; provided that no such tax need be paid if the Issuer is contesting the same in good faith by appropriate proceedings promptly instituted and diligently conducted and if the Issuer has established appropriate reserves as shall be required in conformity with generally accepted accounting principles.

ARTICLE IV

SATISFACTION AND DISCHARGE; DEFEASANCE

SECTION 4.01. Satisfaction and Discharge of Indenture; Defeasance.

(a) This Indenture shall cease to be of further effect with respect to the Securitized Utility Tariff Bonds and the Indenture Trustee, on reasonable written demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture with respect to the Securitized Utility Tariff Bonds, when:

- (i) either
 - (A) all Securitized Utility Tariff Bonds theretofore authenticated and delivered (other than (I) Securitized Utility Tariff Bonds that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 2.06 and (II) Securitized Utility Tariff Bonds for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in the last paragraph of Section 3.03) have been delivered to the Indenture Trustee for cancellation; or
 - (B) either (I) the Scheduled Final Payment Date has occurred with respect to all Securitized Utility Tariff Bonds not theretofore delivered to the Indenture Trustee for cancellation or (II) the Securitized Utility Tariff Bonds will be due and payable on their respective Scheduled Final Payment Dates within one year, and in any such case, the Issuer has irrevocably deposited or caused to be irrevocably deposited in trust with the Indenture Trustee (1) cash and/or (2) U.S. Government Obligations which through the scheduled payments of principal and interest in respect thereof in accordance with their terms are in an amount sufficient to pay principal, interest and premium, if any, on the Securitized Utility Tariff Bonds not theretofore delivered to the Indenture Trustee for cancellation and all other sums payable hereunder by the Issuer with respect to the Securitized Utility Tariff Bonds when scheduled to be paid and to discharge the entire indebtedness on the Securitized Utility Tariff Bonds when due;
- (ii) the Issuer has paid or caused to be paid all other sums payable hereunder by the Issuer; and
- (iii) the Issuer has delivered to the Indenture Trustee an Officer's Certificate, an Opinion of Counsel of external counsel of the Issuer and (if required by the TIA or the Indenture Trustee) an Independent Certificate from a firm of registered public accountants, each meeting the applicable requirements of Section 10.01(a) and each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to Securitized Utility Tariff Bonds have been complied with.

(b) Subject to Sections 4.01(e) and 4.02, the Issuer at any time may terminate (i) all its obligations under this Indenture with respect to the Securitized Utility Tariff Bonds (“Legal Defeasance Option”) or (ii) its obligations under Sections 3.04, 3.05, 3.06, 3.07, 3.08, 3.09, 3.10, 3.12, 3.13, 3.14, 3.15, 3.16, 3.17, 3.18 and 3.19 and the operation of Section 5.01(a)(iii) (“Covenant Defeasance Option”) with respect to Securitized Utility Tariff Bonds. The Issuer may exercise the Legal Defeasance Option with respect to Securitized Utility Tariff Bonds notwithstanding its prior exercise of the Covenant Defeasance Option.

(c) If the Issuer exercises the Legal Defeasance Option, the maturity of the Securitized Utility Tariff Bonds may not be accelerated because of an Event of Default. If the Issuer exercises the Covenant Defeasance Option, the maturity of the Securitized Utility Tariff Bonds may not be accelerated because of an Event of Default specified in Section 5.01(a)(iii).

(d) Upon satisfaction of the conditions set forth herein to the exercise of the Legal Defeasance Option or the Covenant Defeasance Option with respect to Securitized Utility Tariff Bonds, the Indenture Trustee, on reasonable written demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of the obligations that are terminated pursuant to such exercise.

(e) Notwithstanding Sections 4.01(a) and 4.01(b) above, (i) rights of registration of transfer and exchange, (ii) substitution of mutilated, destroyed, lost or stolen Securitized Utility Tariff Bonds, (iii) rights of Holders to receive payments of principal, premium, if any, and interest, (iv) Sections 4.03 and 4.04, (v) the rights, obligations and immunities of the Indenture Trustee hereunder (including the rights of the Indenture Trustee under Section 6.07 and the obligations of the Indenture Trustee under Section 4.03) and (vi) the rights of Holders as beneficiaries hereof with respect to the property deposited with the Indenture Trustee payable to all or any of them, shall survive until this Indenture or certain obligations hereunder have been satisfied and discharged pursuant to Section 4.01(a) or 4.01(b), have been paid in full. Thereafter the obligations in Sections 6.07 and 4.04 shall survive.

SECTION 4.02. Conditions to Defeasance.

The Issuer may exercise the Legal Defeasance Option or the Covenant Defeasance Option with respect to Securitized Utility Tariff Bonds only if:

(a) the Issuer has irrevocably deposited or caused to be irrevocably deposited in trust with the Indenture Trustee (i) cash and/or (ii) U.S. Government Obligations which through the scheduled payments of principal and interest in respect thereof in accordance with their terms are in an amount sufficient to pay principal, interest and premium, if any, on the Securitized Utility Tariff Bonds not therefore delivered to the Indenture Trustee for cancellation and all other sums payable hereunder by the Issuer with respect to the Securitized Utility Tariff Bonds when scheduled to be paid and to discharge the entire indebtedness on the Securitized Utility Tariff Bonds when due;

(b) the Issuer delivers to the Indenture Trustee a certificate from a nationally recognized firm of Independent registered public accountants expressing its opinion that the payments of principal and interest when due and without reinvestment of the deposited U.S. Government Obligations plus any deposited cash without investment will provide cash at such times and in such amounts (but, in the case of the Legal Defeasance Option only, not more than such amounts) as will be sufficient to pay in respect of the Securitized Utility Tariff Bonds (i) principal in accordance with the Expected Amortization Schedule therefor, (ii) interest when due and (iii) all other sums payable hereunder by the Issuer with respect to the Securitized Utility Tariff Bonds;

(c) in the case of the Legal Defeasance Option, ninety-five (95) days pass after the deposit is made and during the ninety-five (95)-day period no Default specified in Section 5.01(a)(v) or (vi) occurs which is continuing at the end of the period;

(d) no Default has occurred and is continuing on the day of such deposit and after giving effect thereto;

(e) in the case of an exercise of the Legal Defeasance Option, the Issuer shall have delivered to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer stating that (i) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of execution of this Indenture, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the Holders of the Securitized Utility Tariff Bonds will not recognize income, gain or loss for federal income tax purposes as a result of such legal defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such legal defeasance had not occurred;

(f) in the case of an exercise of the Covenant Defeasance Option, the Issuer shall have delivered to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer to the effect that the Holders of the Securitized Utility Tariff Bonds will not recognize income, gain or loss for federal income tax purposes as a result of such covenant defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(g) the Issuer delivers to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel of external counsel to the Issuer, each stating that all conditions precedent to the satisfaction and discharge of the Securitized Utility Tariff Bonds to the extent contemplated by this Article IV have been complied with;

(h) the Issuer delivers to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer to the effect that (i) in a case under the Bankruptcy Code in which Liberty (or any of its Affiliates, other than the Issuer) is the debtor, the court would hold that the deposited moneys or U.S. Government Obligations would not be in the bankruptcy estate of Liberty (or any of its Affiliates, other than the Issuer, that deposited the moneys or U.S. Government Obligations); and (ii) in the event Liberty (or any of its Affiliates, other than the Issuer, that deposited the moneys or U.S. Government Obligations) were to be a debtor in a case under the Bankruptcy Code, the court would not disregard the separate legal existence of Liberty (or any of its Affiliates, other than the Issuer, that deposited the moneys or U.S. Government Obligations) and the Issuer so as to order substantive consolidation under the Bankruptcy Code of the Issuer's assets and liabilities with the assets and liabilities of Liberty or such other Affiliate; and

(i) the Rating Agency Condition shall have been satisfied with respect to the exercise of any Legal Defeasance Option or Covenant Defeasance Option.

Notwithstanding any other provision of this Section 4.02, no delivery of moneys or U.S. Government Obligations to the Indenture Trustee shall terminate any obligation of the Issuer to the Indenture Trustee under this Indenture or the Series Supplement or any obligation of the Issuer to apply such moneys or U.S. Government Obligations under Section 4.03 until principal of and premium, if any, and interest on the Securitized Utility Tariff Bonds shall have been paid in accordance with the provisions of this Indenture and the Series Supplement.

SECTION 4.03. Application of Trust Money.

All moneys or U.S. Government Obligations deposited with the Indenture Trustee pursuant to Section 4.01 or 4.02 shall be held in trust and applied by it, in accordance with the provisions of the Securitized Utility Tariff Bonds and this Indenture, to the payment, either directly or through any Paying Agent, as the Indenture Trustee may determine, to the Holders of the particular Securitized Utility Tariff Bonds for the payment of which such moneys have been deposited with the Indenture Trustee, of all sums due and to become due thereon for principal, premium, if any, and interest; but such moneys need not be segregated from other funds except to the extent required herein or in the Servicing Agreement or required by law. Notwithstanding anything to the contrary in this Article IV, the Indenture Trustee shall deliver or pay to the Issuer from time to time upon Issuer Request any moneys or U.S. Government Obligations held by it pursuant to Section 4.02 which, in the opinion of a nationally recognized firm of Independent registered public accountants expressed in a written certification thereof delivered to the Indenture Trustee (and not at the cost or expense of the Indenture Trustee), are in excess of the amount thereof which would be required to be deposited for the purpose for which such moneys or U.S. Government Obligations were deposited, provided that any such payment shall be subject to the satisfaction of the Rating Agency Condition.

SECTION 4.04. Repayment of Moneys Held by Paying Agent.

In connection with the satisfaction and discharge of this Indenture or the Covenant Defeasance Option or Legal Defeasance Option with respect to the Securitized Utility Tariff Bonds, all moneys then held by any Paying Agent other than the Indenture Trustee under the provisions of this Indenture shall, upon demand of the Issuer, be paid to the Indenture Trustee to be held and applied according to Section 3.03 and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

ARTICLE V

REMEDIES

SECTION 5.01. Events of Default.

(a) “Event of Default” wherever used herein, means any one or more of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (i) default in the payment of any interest on any Securitized Utility Tariff Bond when the same becomes due and payable (whether such failure to pay interest is caused by a shortfall in Securitized Utility Tariff Charges received or otherwise), and such default shall continue for a period of five (5) Business Days; or
- (ii) default in the payment of the then unpaid principal of any Securitized Utility Tariff Bond of any Tranche on the Final Maturity Date for such Tranche; or
- (iii) default in the observance or performance of any covenant or agreement of the Issuer made in this Indenture (other than defaults specified in clauses (i) or (ii) above), and such default shall continue or not be cured, for a period of thirty (30) days after the earlier of (x) the date that there shall have been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by the Holders of at least 25 percent of the Outstanding Amount of the Securitized Utility Tariff Bonds, a written notice specifying such default and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder or (y) the date that the Issuer has actual knowledge of the default; or
- (iv) any representation or warranty of the Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith proving to have been incorrect in any material respect as of the time when the same shall have been made, and the circumstance or condition in respect of which such representation or warranty was incorrect shall not have been eliminated or otherwise cured, within thirty (30) days after the earlier of (x) the date that there shall have been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by the Holders of at least 25 percent of the Outstanding Amount of the Securitized Utility Tariff Bonds, a written notice specifying such incorrect representation or warranty and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder or (y) the date the Issuer has actual knowledge of the default, or

- (v) the filing of a decree or order for relief by a court having jurisdiction in the premises in respect of the Issuer or any substantial part of the Securitized Utility Tariff Bond Collateral in an involuntary case or proceeding under any applicable federal or State bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Issuer or for any substantial part of the Securitized Utility Tariff Bond Collateral, or ordering the winding-up or liquidation of the Issuer's affairs, and such decree or order shall remain unstayed and in effect for a period of ninety (90) consecutive days; or
- (vi) the commencement by the Issuer of a voluntary case under any applicable federal or State bankruptcy, insolvency or other similar law now or hereafter in effect, or the consent by the Issuer to the entry of an order for relief in an involuntary case or proceeding under any such law, or the consent by the Issuer to the appointment or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Issuer or for any substantial part of the Securitized Utility Tariff Bond Collateral, or the making by the Issuer of any general assignment for the benefit of creditors, or the failure by the Issuer generally to pay its debts as such debts become due, or the taking of action by the Issuer in furtherance of any of the foregoing; or
- (vii) any act or failure to act by the State of Missouri or any of its agencies (including the MPSC), officers or employees which violates or is not in accordance with the State Pledge.

(b) The Issuer shall deliver to a Responsible Officer of the Indenture Trustee and to the Rating Agencies, within five (5) days after a Responsible Officer of the Issuer has knowledge of the occurrence thereof, written notice in the form of an Officer's Certificate of any event (x) which is an Event of Default under clauses (i), (ii), (v), (vi) or (vii) or (y) which with the giving of notice, the lapse of time, or both, would become an Event of Default under clause (ii), (iii) or (iv), including, in each case, the status of such Default or Event of Default and what action the Issuer is taking or proposes to take with respect thereto.

SECTION 5.02. Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default (other than an Event of Default under clause (vii) of Section 5.01(a)) should occur and be continuing, then and in every such case the Indenture Trustee or the Holders representing not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds may declare the Securitized Utility Tariff Bonds to be immediately due and payable, by a notice in writing to the Issuer (and to the Indenture Trustee if given by Holders), and upon any such declaration the unpaid principal amount of the Securitized Utility Tariff Bonds, together with accrued and unpaid interest thereon through the date of acceleration, shall become immediately due and payable.

(b) At any time after such declaration of acceleration of maturity has been made and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter in this Article V provided, the Holders representing not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds, by written notice to the Issuer and the Indenture Trustee, may rescind and annul such declaration and its consequences if:

- (i) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay:
 - (A) all payments of principal of and premium, if any, and interest on all Securitized Utility Tariff Bonds due and owing at such time as if such Event of Default had not occurred and was not continuing and all other amounts that would then be due hereunder or upon the Securitized Utility Tariff Bonds if the Event of Default giving rise to such acceleration had not occurred; and
 - (B) all sums paid or advanced by the Indenture Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee and its agents and counsel; and
 - (ii) all Events of Default, other than the nonpayment of the principal of the Securitized Utility Tariff Bonds that has become due solely by such acceleration, have been cured or waived as provided in Section 5.12.
- (c) No such rescission shall affect any subsequent default or impair any right consequent thereto.

SECTION 5.03. Collection of Indebtedness and Suits for Enforcement by Indenture Trustee.

(a) If an Event of Default under Section 5.01(a)(i) or (ii) has occurred and is continuing, subject to Section 10.18, the Indenture Trustee, in its own name and as trustee of an express trust, may institute a Proceeding for the collection of the sums so due and unpaid, and may prosecute such Proceeding to judgment or final decree, and, subject to the limitations on recourse set forth herein, may enforce the same against the Issuer or other obligor upon the Securitized Utility Tariff Bonds and collect in the manner provided by law out of the property of the Issuer or other obligor upon the Securitized Utility Tariff Bonds, wherever situated the moneys payable, or the Securitized Utility Tariff Bond Collateral and the proceeds thereof, the whole amount then due and payable on the Securitized Utility Tariff Bonds for principal, premium, if any, and interest, with interest upon the overdue principal and premium, if any, and, to the extent payment at such rate of interest shall be legally enforceable, upon overdue installments of interest, at the respective rate borne by the Securitized Utility Tariff Bonds or the applicable Tranche and in addition thereto such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee and its agents and counsel.

(b) If an Event of Default (other than Event of Default under clause (vii) of Section 5.01(a)) occurs and is continuing, the Indenture Trustee shall, as more particularly provided in Section 5.04, proceed to protect and enforce its rights and the rights of the Holders, by such appropriate Proceedings as the Indenture Trustee shall deem most effective to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Indenture Trustee by this Indenture and the Series Supplement or by law, including foreclosing or otherwise enforcing the Lien of the Securitized Utility Tariff Bond Collateral securing the Securitized Utility Tariff Bonds or applying to a court of competent jurisdiction for sequestration of revenues arising with respect to the Securitized Utility Tariff Property.

(c) If an Event of Default under Section 5.01(a)(v) or (vi) has occurred and is continuing, the Indenture Trustee, irrespective of whether the principal of any Securitized Utility Tariff Bonds shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Indenture Trustee shall have made any demand pursuant to the provisions of this Section 5.03, shall be entitled and empowered, by intervention in any Proceedings related to such Event of Default or otherwise:

- (i) to file and prove a claim or claims for the whole amount of principal, premium, if any, and interest owing and unpaid in respect of the Securitized Utility Tariff Bonds and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Indenture Trustee (including any claim for reasonable compensation to the Indenture Trustee and each predecessor Indenture Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Indenture Trustee and each predecessor Indenture Trustee, except as a result of negligence or bad faith) and of the Holders allowed in such Proceedings;
- (ii) unless prohibited by applicable law and regulations, to vote on behalf of the Holders in any election of a trustee in bankruptcy, a standby trustee or Person performing similar functions in any such Proceedings;
- (iii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute all amounts received with respect to the claims of the Holders and of the Indenture Trustee on their behalf; and
- (iv) to file such proofs of claim and other papers and documents as may be necessary or advisable in order to have the claims of the Indenture Trustee or the Holders allowed in any judicial proceeding relative to the Issuer, its creditors and its property,

and any trustee, receiver, liquidator, custodian or other similar official in any such Proceeding is hereby authorized by each of such Holders to make payments to the Indenture Trustee, and, in the event that the Indenture Trustee shall consent to the making of payments directly to such Holders, to pay to the Indenture Trustee such amounts as shall be sufficient to cover reasonable compensation to the Indenture Trustee, each predecessor Indenture Trustee and their respective agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Indenture Trustee and each predecessor Indenture Trustee except as a result of negligence or bad faith.

(d) Nothing herein contained shall be deemed to authorize the Indenture Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securitized Utility Tariff Bonds or the rights of any Holder thereof or to authorize the Indenture Trustee to vote in respect of the claim of any Holder in any such proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

(e) All rights of action and of asserting claims under this Indenture, or under any of the Securitized Utility Tariff Bonds, may be enforced by the Indenture Trustee without the possession of any of the Securitized Utility Tariff Bonds or the production thereof in any trial or other Proceedings relative thereto, and any such action or proceedings instituted by the Indenture Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses, disbursements and compensation of the Indenture Trustee, each predecessor Indenture Trustee and their respective agents and attorneys, shall be for the ratable benefit of the Holders of the Securitized Utility Tariff Bonds.

(f) In any Proceedings brought by the Indenture Trustee (and also any Proceedings involving the interpretation of any provision of this Indenture to which the Indenture Trustee shall be a party), the Indenture Trustee shall be held to represent all the Holders of the Securitized Utility Tariff Bonds, and it shall not be necessary to make any Holder a party to any such Proceedings.

SECTION 5.04. Remedies; Priorities.

(a) If an Event of Default (other than an Event of Default under clause (vii) of Section 5.01(a)) shall have occurred and be continuing, the Indenture Trustee may do one or more of the following (subject to Section 5.05):

- (i) institute Proceedings in its own name and as trustee of an express trust for the collection of all amounts then payable on the Securitized Utility Tariff Bonds or under this Indenture with respect thereto, whether by declaration of acceleration or otherwise, and, subject to the limitations on recovery set forth herein, enforce any judgment obtained, and collect from the Issuer or any other obligor moneys adjudged due upon the Securitized Utility Tariff Bonds;
- (ii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Securitized Utility Tariff Bond Collateral;
- (iii) exercise any remedies of a secured party under the UCC, the Securitization Law or any other applicable law and take any other appropriate action to protect and enforce the rights and remedies of the Indenture Trustee and the Holders of the Securitized Utility Tariff Bonds;
- (iv) at the written direction of the Holders of a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds, sell the Securitized Utility Tariff Bond Collateral or any portion thereof or rights or interest therein, at one or more public or private sales called and conducted in any manner permitted by law, or elect that the Issuer maintain possession of all or a portion of the Securitized Utility Tariff Bond Collateral pursuant to Section 5.05 and continue to apply the Securitized Utility Tariff Bond Charge Collection as if there had been no declaration of acceleration; and

- (v) exercise all rights, remedies, powers, privileges and claims of the Issuer against the Seller, the Administrator, Liberty or the Servicer under or in connection with, and pursuant to the terms of, the Sale Agreement, the Administration Agreement or the Servicing Agreement;

provided, however, that the Indenture Trustee may not sell or otherwise liquidate any portion of the Securitized Utility Tariff Bond Collateral following such an Event of Default, other than an Event of Default described in Section 5.01(a)(i), or (ii), unless (1) the Holders of 100 percent of the Outstanding Amount of the Securitized Utility Tariff Bonds consent thereto, (2) the proceeds of such sale or liquidation distributable to the Holders are sufficient to discharge in full all amounts then due and unpaid upon the Securitized Utility Tariff Bonds for principal, premium, if any, and interest after taking into account payment of all amounts due prior thereto pursuant to the priorities set forth in Section 8.02(e) or (3) the Indenture Trustee determines that the Securitized Utility Tariff Bond Collateral will not continue to provide sufficient funds for all payments on the Securitized Utility Tariff Bonds as they would have become due if the Securitized Utility Tariff Bonds had not been declared due and payable, and the Indenture Trustee obtains the written consent of Holders of 66-2/3 percent of the Outstanding Amount of the Securitized Utility Tariff Bonds. In determining such sufficiency or insufficiency with respect to clause (2) and (3), the Indenture Trustee may, but need not, obtain and conclusively rely upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the Securitized Utility Tariff Bond Collateral for such purpose.

(b) If an Event of Default under clause (vii) of Section 5.01(a) shall have occurred and be continuing, the Indenture Trustee, for the benefit of the Secured Parties, shall be entitled and empowered to the extent permitted by applicable law, to institute or participate in Proceedings necessary to compel performance of or to enforce the State Pledge and to collect any monetary damages incurred by the Holders or the Indenture Trustee as a result of any such Event of Default, and may prosecute any such Proceeding to final judgment or decree. Such remedy shall be the only remedy that the Indenture Trustee may exercise if the only Event of Default that has occurred and is continuing is an Event of Default under Section 5.01(a)(vii).

(c) If the Indenture Trustee collects any money pursuant to this Article V, it shall pay out such money in accordance with the priorities set forth in Section 8.02(e).

SECTION 5.05. Optional Preservation of the Securitized Utility Tariff Bond Collateral.

If the Securitized Utility Tariff Bonds have been declared to be due and payable under Section 5.02 following an Event of Default and such declaration and its consequences have not been rescinded and annulled, the Indenture Trustee may, but need not, elect to maintain possession of all or a portion of the Securitized Utility Tariff Bond Collateral. It is the desire of the parties hereto and the Holders that there be at all times sufficient funds for the payment of principal of and premium, if any, and interest on the Securitized Utility Tariff Bonds, and the Indenture Trustee shall take such desire into account when determining whether or not to maintain possession of the Securitized Utility Tariff Bond Collateral. In determining whether to maintain possession of the Securitized Utility Tariff Bond Collateral or sell or liquidate the same, the Indenture Trustee may, but need not, obtain and conclusively rely upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the Securitized Utility Tariff Bond Collateral for such purpose.

SECTION 5.06. Limitation of Suits.

(a) No Holder of any Securitized Utility Tariff Bond shall have any right to institute any Proceeding, judicial or otherwise, to avail itself of any remedies provided in the Securitization Law or to avail itself of the right to foreclose on the Securitized Utility Tariff Bond Collateral or otherwise enforce the Lien and the security interest on the Securitized Utility Tariff Bond Collateral with respect to this Indenture and the Series Supplement, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (i) such Holder previously has given written notice to the Indenture Trustee of a continuing Event of Default;
- (ii) the Holders of not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds have made written request to the Indenture Trustee to institute such Proceeding in respect of such Event of Default in its own name as Indenture Trustee hereunder;
- (iii) such Holder or Holders have offered to the Indenture Trustee indemnity or security satisfactory to it against the costs, expenses, losses and liabilities which may be incurred in complying with such request;
- (iv) the Indenture Trustee for sixty (60) days after its receipt of such notice, request and offer of indemnity has failed to institute such Proceedings; and
- (v) no direction inconsistent with such written request has been given to the Indenture Trustee during such sixty-day period by the Holders of a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided.

(b) In the event the Indenture Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders, each representing less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds, the Indenture Trustee in its sole discretion may file a petition with a court of competent jurisdiction to resolve such conflict or determine what action, if any, shall be taken, notwithstanding any other provisions of this Indenture.

SECTION 5.07. Unconditional Rights of Holders To Receive Principal, Premium, if any, and Interest.

Notwithstanding any other provisions in this Indenture, the Holder of any Securitized Utility Tariff Bond shall have the right, which is absolute and unconditional, (a) to receive payment of (i) the interest, if any, on such Securitized Utility Tariff Bond on the due dates thereof expressed in such Securitized Utility Tariff Bond or in this Indenture or (ii) the unpaid principal, if any, of the Securitized Utility Tariff Bonds on the Final Maturity Date therefor and (b) to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

SECTION 5.08. Restoration of Rights and Remedies.

If the Indenture Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Indenture Trustee or to such Holder, then and in every such case the Issuer, the Indenture Trustee and the Holders shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Holders shall continue as though no such Proceeding had been instituted.

SECTION 5.09. Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the Indenture Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.10. Delay or Omission Not a Waiver.

No delay or omission of the Indenture Trustee or any Holder to exercise any right or remedy accruing upon any Default or Event of Default shall impair any such right or remedy or constitute a waiver of any such Default or Event of Default or an acquiescence therein. Every right and remedy given by this Article V or by law to the Indenture Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Holders, as the case may be.

SECTION 5.11. Control by Holders.

The Holders of not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds of an affected Tranche shall have the right to direct the time, method and place of conducting any Proceeding for any remedy available to the Indenture Trustee with respect to the Securitized Utility Tariff Bonds of such Tranche or Tranches or exercising any trust or power conferred on the Indenture Trustee with respect to such Tranche or Tranches; provided that:

(a) such direction shall not be in conflict with any rule of law or with this Indenture and shall not involve the Indenture Trustee in any personal liability or expense;

(b) subject to other conditions specified in Section 5.04, any direction to the Indenture Trustee to sell or liquidate any Securitized Utility Tariff Bond Collateral shall be by the Holders representing the applicable percentage of the Outstanding Amount of the Securitized Utility Tariff Bonds as provided in Section 5.04;

(c) if the conditions set forth in Section 5.05 have been satisfied and the Indenture Trustee elects to retain the Securitized Utility Tariff Bond Collateral pursuant to Section 5.05, then any direction to the Indenture Trustee by Holders representing less than 100 percent of the Outstanding Amount of the Securitized Utility Tariff Bonds to sell or liquidate the Securitized Utility Tariff Bond Collateral shall be of no force and effect; and

(d) the Indenture Trustee may take any other action deemed proper by the Indenture Trustee that is not inconsistent with such direction;

provided, however, that, the Indenture Trustee's duties shall be subject to Section 6.01, and the Indenture Trustee need not take any action that it determines might involve it in liability or might materially adversely affect the rights of any Holders not consenting to such action. Furthermore and without limiting the foregoing, the Indenture Trustee shall not be required to take any action for which it reasonably believes that it will not be indemnified to its satisfaction against any costs, expenses, losses or liabilities.

SECTION 5.12. Waiver of Past Defaults.

(a) Prior to the declaration of the acceleration of the maturity of the Securitized Utility Tariff Bonds as provided in Section 5.02, the Holders representing not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds of an affected Tranche, may waive any past Default or Event of Default and its consequences except a Default (A) in payment of principal of or premium, if any, or interest on any of the Securitized Utility Tariff Bonds or (B) in respect of a covenant or provision hereof which cannot be modified or amended without the consent of the Holder of each Securitized Utility Tariff Bond of all Tranches affected. In the case of any such waiver, the Issuer, the Indenture Trustee and the Holders shall be restored to their former positions and rights hereunder, respectively; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

(b) Upon any such waiver, such Default shall cease to exist and be deemed to have been cured and not to have occurred, and any Event of Default arising therefrom shall be deemed to have been cured and not to have occurred, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

SECTION 5.13. Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Securitized Utility Tariff Bond by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Indenture Trustee for any action taken, suffered or omitted by it as Indenture Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.13 shall not apply to (a) any suit instituted by the Indenture Trustee, (b) any suit instituted by any Holder, or group of Holders, in each case holding in the aggregate more than ten (10) percent of the Outstanding Amount of the Securitized Utility Tariff Bonds or (c) any suit instituted by any Holder for the enforcement of the payment of (i) interest on any Securitized Utility Tariff Bond on or after the due dates expressed in such Securitized Utility Tariff Bond and in this Indenture or (ii) the unpaid principal, if any, of any Securitized Utility Tariff Bond on or after the Final Maturity Date therefor.

SECTION 5.14. Waiver of Stay or Extension Laws.

The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead or in any manner whatsoever, claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 5.15. Action on Securitized Utility Tariff Bonds.

The Indenture Trustee's right to seek and recover judgment on the Securitized Utility Tariff Bonds or under this Indenture shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Indenture. Neither the Lien of this Indenture nor any rights or remedies of the Indenture Trustee or the Holders shall be impaired by the recovery of any judgment by the Indenture Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Securitized Utility Tariff Bond Collateral or any other assets of the Issuer.

SECTION 5.16. Performance and Enforcement of Certain Obligations.

(a) Promptly following a request from the Indenture Trustee to do so and at the Issuer's expense, the Issuer agrees to take all such lawful action as the Indenture Trustee may request to compel or secure the performance and observance by the Seller and the Servicer, as applicable, of each of their obligations to the Issuer under or in connection with the Sale Agreement and the Servicing Agreement with respect to the Securitized Utility Tariff Property, respectively, in accordance with the terms thereof, and to exercise any and all rights, remedies, powers and privileges lawfully available to the Issuer under or in connection with the Sale Agreement and the Servicing Agreement, respectively, to the extent and in the manner directed by the Indenture Trustee, including the transmission of notices of default on the part of the Seller or the Servicer thereunder and the institution of legal or administrative actions or proceedings to compel or secure performance by the Seller or the Servicer of each of their obligations under the Sale Agreement and the Servicing Agreement with respect to the Securitized Utility Tariff Property, respectively.

(b) If an Event of Default has occurred, the Indenture Trustee may, and, at the direction (which direction shall be in writing) of the Holders of sixty-six and two-thirds percent (66-2/3%) of the Outstanding Amount of the Securitized Utility Tariff Bonds shall, subject to Article VI, exercise all rights, remedies, powers, privileges and claims of the Issuer against the Seller or the Servicer under or in connection with the Sale Agreement and the Servicing Agreement with respect to the Securitized Utility Tariff Property, respectively, including the right or power to take any action to compel or secure performance or observance by the Seller or the Servicer of each of their obligations to the Issuer thereunder and to give any consent, request, notice, direction, approval, extension or waiver under the Sale Agreement or the Servicing Agreement, respectively, and any right of the Issuer to take such action shall be suspended.

ARTICLE VI

THE INDENTURE TRUSTEE

SECTION 6.01. Duties of Indenture Trustee.

(a) If an Event of Default has occurred and is continuing, the Indenture Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

- (i) the Indenture Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Indenture Trustee; and
- (ii) in the absence of bad faith on its part, the Indenture Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Indenture Trustee and conforming on their face to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Indenture Trustee, the Indenture Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Indenture Trustee may not be relieved from liability for its own negligent action, its own bad faith, its own negligent failure to act or its own willful misconduct, except that:

- (i) this paragraph (c) does not limit the effect of paragraph (b) of this Section 6.01;
- (ii) the Indenture Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Indenture Trustee unless it is proved that the Indenture Trustee was negligent in ascertaining the pertinent facts; and
- (iii) the Indenture Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it hereunder.

(d) Every provision of this Indenture that in any way relates to the Indenture Trustee is subject to paragraphs (a), (b) and (c) of this Section 6.01.

(e) The Indenture Trustee shall not be liable for interest on any money received by it except as the Indenture Trustee may agree in writing with the Issuer.

(f) Money held in trust by the Indenture Trustee need not be segregated from other funds held by the Indenture Trustee except to the extent required by law or the terms of this Indenture.

(g) No provision of this Indenture shall require the Indenture Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayments of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(h) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee shall be subject to the provisions of this Section 6.01 and to the provisions of the TIA.

(i) In the event that the Indenture Trustee is also acting as Paying Agent or Securitized Utility Tariff Bond Registrar hereunder, the protections of this Article VI shall also be afforded to the Indenture Trustee in its capacity as Paying Agent or Securitized Utility Tariff Bond Registrar.

(j) Except for the express duties of the Indenture Trustee with respect to the administrative functions set forth in the Basic Documents, the Indenture Trustee shall have no obligation to administer, service or collect Securitized Utility Tariff Property or to maintain, monitor or otherwise supervise the administration, servicing or collection of the Securitized Utility Tariff Property.

(k) Under no circumstance shall the Indenture Trustee be liable for any indebtedness of the Issuer, the Servicer or the Seller evidenced by or arising under the Securitized Utility Tariff Bonds or the Basic Documents. None of the provisions of this Indenture shall in any event require the Indenture Trustee to perform or be responsible for the performance of any of the Servicer's obligations under the Basic Documents.

(l) Commencing with March 15, 2025, on or before March 15 of each fiscal year ending December 31, the Indenture Trustee shall (i) deliver to the Issuer a report (in form and substance reasonably satisfactory to the Issuer and addressed to the Issuer and signed by an authorized officer of the Indenture Trustee) regarding the Indenture Trustee's assessment of compliance, during the immediately preceding fiscal year ending December 31, with each of the applicable servicing criteria specified on Exhibit C attached hereto as required under Rules 13a-18 and 15d-18 of the Exchange Act and Item 1122 of Regulation AB and (ii) deliver to the Issuer a report of an Independent registered public accounting firm reasonably acceptable to the Issuer that attests to and reports on, in accordance with Rules 1-02(a)(3) and 2-02(g) of Regulation S-X under the Securities Act and the Exchange Act, the assessment of compliance made by the Indenture Trustee and delivered pursuant to clause (i).

(m) The Indenture Trustee shall not be required to take any action it is directed to take under this Indenture if the Indenture Trustee determines in good faith that the action so directed is inconsistent with the Indenture, any other Basic Document or Applicable Law, or would involve the Indenture Trustee in personal liability.

SECTION 6.02. Rights of Indenture Trustee.

(a) The Indenture Trustee may conclusively rely and shall be fully protected in relying on any document (including electronic documents and communications delivered in accordance with the terms of this Indenture) believed by it to be genuine and to have been signed or presented by the proper person. The Indenture Trustee need not investigate any fact or matter stated in such document.

(b) Before the Indenture Trustee acts or refrains from acting, it may require and shall be entitled to receive an Officer's Certificate or an Opinion of Counsel, which counsel may be an employee of or counsel to the Issuer or the Seller and which shall be reasonably satisfactory to the Indenture Trustee, or, in the Indenture Trustee's sole judgment, of external counsel of the Issuer (at no cost or expense to the Indenture Trustee) that such action is required or permitted hereunder. The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.

(c) The Indenture Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys or a custodian or nominee, and the Indenture Trustee shall not be responsible for any misconduct or negligence on the part of, or for the supervision of, any such agent, attorney, custodian or nominee appointed with due care by it hereunder. The Indenture Trustee shall give prompt written notice to the Rating Agencies of the appointment of any such agent, custodian or nominee to whom it delegates any of its express duties under this Indenture provided, that the Indenture Trustee shall not be obligated to give such notice (i) if the Issuer or the Holders have directed the Indenture Trustee to appoint such agent, custodian or nominee (in which event the Issuer shall give prompt notice to the Rating Agencies of any such direction) or (ii) of the appointment of any agents, custodians or nominees made at any time that an Event of Default of the Issuer has occurred and is continuing.

(d) The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however that the Indenture Trustee's conduct does not constitute willful misconduct, negligence or bad faith.

(e) The Indenture Trustee may consult with counsel, and the advice or Opinion of Counsel with respect to legal matters relating to this Indenture and the Securitized Utility Tariff Bonds shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Indenture Trustee shall be under no obligation to (i) take any action or exercise any of the rights or powers vested in it by this Indenture or any other Basic Document or (ii) institute, conduct or defend any litigation hereunder or thereunder or in relation hereto or thereto or to investigate any matter, at the request, order or direction of any of the Bondholders pursuant to the provisions of this Indenture and the Series Supplement or otherwise, unless it shall have received security or indemnity satisfactory to it against the costs, expenses and liabilities which may be incurred.

(g) In no event shall the Indenture Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, governmental action, strikes, work stoppages, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes, pandemics or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer systems and services; it being understood that the Indenture Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(h) Any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order. Whenever in the administration of this Indenture the Indenture Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Indenture Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officer's Certificate.

(i) The Indenture Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document.

(j) In no event shall the Indenture Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Indenture Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The Indenture Trustee shall not be deemed to have notice of any Default or Event of Default unless it has received written notice of any event which is in fact such a default is received by a Responsible Officer of the Indenture Trustee at the Corporate Trust Office of the Indenture Trustee, and such notice references the Securitized Utility Tariff Bonds and this Indenture.

(l) The rights, privileges, protections, immunities and benefits given to the Indenture Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Indenture Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(m) Beyond the exercise of reasonable care in the custody thereof, the Indenture Trustee will have no duty as to any Securitized Utility Tariff Bond Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto. The Indenture Trustee will be deemed to have exercised reasonable care in the custody of the Securitized Utility Tariff Bond Collateral in its possession if the Securitized Utility Tariff Bond Collateral is accorded treatment substantially equal to that which it accords its own property, and the Indenture Trustee will not be liable or responsible for any loss or diminution in the value of any of the Securitized Utility Tariff Bond Collateral by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Indenture Trustee in good faith.

(n) The Indenture Trustee will not be responsible for the existence, genuineness or value of any of the Securitized Utility Tariff Bond Collateral or for the validity, sufficiency, perfection, priority or enforceability of the Liens in any of the Securitized Utility Tariff Bond Collateral, except to the extent such action or omission constitutes negligence or willful misconduct on the part of the Indenture Trustee. The Indenture Trustee shall not be responsible for the validity of the title of any grantor to the collateral, for insuring the Securitized Utility Tariff Bond Collateral or for the payment of taxes, charges, assessments or liens upon the Securitized Utility Tariff Bond Collateral or otherwise as to the maintenance of the Securitized Utility Tariff Bond Collateral.

(o) In the event that the Indenture Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Indenture Trustee's sole discretion may cause the Indenture Trustee, as applicable, to be considered an "owner or operator" under any environmental laws or otherwise cause the Indenture Trustee to incur, or be exposed to, any environmental liability or any liability under any other federal, state or local law, the Indenture Trustee reserves the right, instead of taking such action, either to resign as Indenture Trustee or to arrange for the transfer of the title or control of the asset to a court appointed receiver. The Indenture Trustee will not be liable to any person for any environmental claims or any environmental liabilities or contribution actions under any federal, state or local law, rule or regulation by reason of the Indenture Trustee's actions and conduct as authorized, empowered and directed hereunder or relating to any kind of discharge or release or threatened discharge or release of any hazardous materials into the environment.

SECTION 6.03. Individual Rights of Indenture Trustee.

The Indenture Trustee in its individual or any other capacity may become the owner or pledgee of Securitized Utility Tariff Bonds and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Indenture Trustee. Any Paying Agent, Securitized Utility Tariff Bond Registrar, co-registrar or co-paying agent or agent appointed under Section 3.02 may do the same with like rights. However, the Indenture Trustee must comply with Sections 6.11 and 6.12.

SECTION 6.04. Indenture Trustee's Disclaimer.

(a) The Indenture Trustee shall not be responsible for and makes no representation (other than as set forth in Section 6.13) as to the validity or adequacy of this Indenture or the Securitized Utility Tariff Bonds, it shall not be accountable for the Issuer's use of the proceeds from the Securitized Utility Tariff Bonds, and it shall not be responsible for any statement of the Issuer in the Indenture or in any document issued in connection with the sale of the Securitized Utility Tariff Bonds or in the Securitized Utility Tariff Bonds other than the Indenture Trustee's certificate of authentication. The Indenture Trustee shall not be responsible for the form, character, genuineness, sufficiency, value or validity of any of the Securitized Utility Tariff Bond Collateral (or for the perfection or priority of the Liens thereon), or for or in respect of the Securitized Utility Tariff Bonds (other than the certificate of authentication for the Securitized Utility Tariff Bonds) or the Basic Documents and the Indenture Trustee shall in no event assume or incur any liability, duty or obligation to any Holder, other than as expressly provided in this Indenture. The Indenture Trustee shall not be liable for the default or misconduct of the Issuer, the Seller, or the Servicer under the Basic Documents or otherwise, and the Indenture Trustee shall have no obligation or liability to perform the obligations of such Persons.

(b) The Indenture Trustee shall not be responsible for (i) the validity of the title of the Issuer to the Securitized Utility Tariff Bond Collateral, (ii) insuring the Securitized Utility Tariff Bond Collateral or (iii) the payment of taxes, charges, assessments or Liens upon the Securitized Utility Tariff Bond Collateral or otherwise as to the maintenance of the Securitized Utility Tariff Bond Collateral. The Indenture Trustee shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture or any of the other Basic Documents. The Indenture Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Securitized Utility Tariff Bond Collateral.

SECTION 6.05. Notice of Defaults.

If a Default occurs and is continuing and if a Responsible Officer of the Indenture Trustee has been notified in writing of such Default, the Indenture Trustee shall deliver to each Rating Agency and each Bondholder notice of the Default within ten (10) Business Days after actual notice of such Default was received by a Responsible Officer of the Indenture Trustee (provided that the Indenture Trustee shall give the Rating Agencies prompt notice of any payment default in respect of the Securitized Utility Tariff Bonds). Except in the case of a Default in payment of principal of and premium, if any, or interest on any Securitized Utility Tariff Bond, the Indenture Trustee may withhold the notice if a Responsible Officer in good faith determines that withholding the notice is in the interests of Holders. Except for an Event of Default under Sections 5.01(a)(i) or (ii) that occur at a time when the Indenture Trustee is acting as the Paying Agent, and except as provided in the first sentence of this Section 6.05, in no event shall the Indenture Trustee be deemed to have knowledge of a Default.

SECTION 6.06. Reports by Indenture Trustee to Holders.

(a) So long as Securitized Utility Tariff Bonds are Outstanding and the Indenture Trustee is the Securitized Utility Tariff Bond Registrar and Paying Agent, upon the written request of any Holder or the Issuer, within the prescribed period of time for tax reporting purposes after the end of each calendar year, it shall deliver to each relevant current or former Holder such information in its possession as may be required to enable such Holder to prepare its federal income and any applicable local or State tax returns. If the Securitized Utility Tariff Bond Registrar and Paying Agent is other than the Indenture Trustee, such Securitized Utility Tariff Bond Registrar and Paying Agent, within the prescribed period of time for tax reporting purposes after the end of each calendar year, shall deliver to each relevant current or former Holder such information in its possession as may be required to enable such Holder to prepare its federal income and any applicable local or State tax returns.

(b) On or prior to each Payment Date or Special Payment Date therefor, the Indenture Trustee will deliver to each Holder of the Securitized Utility Tariff Bonds on such Payment Date or Special Payment Date a statement as provided and prepared by the Servicer which will include (to the extent applicable) the following information (and any other information so specified in the Series Supplement) as to the Securitized Utility Tariff Bonds with respect to such Payment Date or Special Payment Date or the period since the previous Payment Date, as applicable:

- (i) the amount of the payment to Holders allocable to principal, if any;
- (ii) the amount of the payment to Holders allocable to interest;
- (iii) the aggregate Outstanding Amount of the Securitized Utility Tariff Bonds, before and after giving effect to any payments allocated to principal reported under clause (i) above;
- (iv) the difference, if any, between the amount specified in clause (iii) above and the Outstanding Amount specified in the related Expected Amortization Schedule;
- (v) any other transfers and payments to be made on such Payment Date or Special Payment Date, including amounts paid to the Indenture Trustee and to the Servicer; and
- (vi) the amounts on deposit in the Capital Subaccount and the Excess Funds Subaccount, after giving effect to the foregoing payments.

(c) The Issuer shall send a copy of each of the Certificate of Compliance delivered to it pursuant to Section 3.03 of the Servicing Agreement and the Annual Accountant's Report delivered to it pursuant to Section 3.04 of the Servicing Agreement to the Rating Agencies, the Indenture Trustee and to the Servicer for posting on the 17g-5 Website in accordance with Rule 17g-5 under the Exchange Act. A copy of such certificate and report may be obtained by any Holder by a request in writing to the Indenture Trustee.

SECTION 6.07. Compensation and Indemnity.

(a) The Issuer shall pay to the Indenture Trustee from time to time reasonable compensation for its services. The Indenture Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Indenture Trustee for all reasonable out-of-pocket expenses incurred or made by it in connection with the Securitized Utility Tariff Bonds, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Indenture Trustee's agents, counsel, accountants and experts.

(b) The Issuer shall indemnify the Indenture Trustee and its officers, directors, employees and agents against any and all cost, damage, loss, liability or expense (including attorneys' fees and expenses) incurred by it in connection with the administration of this trust and the performance of its duties hereunder, including the cost and expense of enforcing this Indenture (including this Section) and defending itself against any claim or liability in connection with the exercise or performance of such duties. The Indenture Trustee shall notify the Issuer as soon as is reasonably practicable of any claim for which it may seek indemnity. Failure by the Indenture Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Indenture Trustee may have separate counsel and the Issuer shall pay the fees and expenses of such counsel.

(c) Notwithstanding any other provision of this Indenture, the Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Indenture Trustee through the Indenture Trustee's own willful misconduct, negligence or bad faith.

(d) The Issuer's payment obligations to the Indenture Trustee pursuant to this Section shall survive the discharge of this Indenture, resignation or removal of the Indenture Trustee. When the Indenture Trustee incurs expenses after the occurrence of a Default specified in Section 5.01(a)(v) or (vi), with respect to the Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Code or any other applicable federal or State bankruptcy, insolvency or similar law.

SECTION 6.08. Replacement of Indenture Trustee and Securities Intermediary.

(a) The Indenture Trustee (or any other Eligible Institution in any capacity hereunder) may resign at any time upon thirty (30) days' prior written notice to the Issuer subject to clause (c) below. The Holders of a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds may remove the Indenture Trustee (or any other Eligible Institution in any capacity hereunder) upon not less than thirty (30) days' prior written notice by so notifying the Indenture Trustee (or such other Eligible Institution, as applicable) and may appoint a successor Indenture Trustee (or successor Eligible Institution in the applicable capacity). The Issuer shall remove the Indenture Trustee if:

- (i) the Indenture Trustee fails to comply with Section 6.11;

- (ii) the Indenture Trustee is adjudged a bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Indenture Trustee or its property;
- (iv) the Indenture Trustee otherwise becomes incapable of acting; or
- (v) the Indenture Trustee fails to provide to the Issuer any information reasonably requested by the Issuer pertaining to the Indenture Trustee and necessary for the Issuer or the Depositor to comply with its reporting obligations under the Exchange Act and Regulation AB and such failure is not resolved to the Issuer's and the Indenture Trustee's mutual satisfaction within a reasonable period of time.

Subject to clause (c) below, the Issuer shall remove any Person who maintains the Collection Account or any other account established under this Indenture and fails to constitute an Eligible Institution with thirty (30) days' prior notice.

Any removal or resignation of the Indenture Trustee shall also constitute a removal or resignation of the Securities Intermediary.

(b) If the Indenture Trustee gives notice of resignation or is removed or if a vacancy exists in the office of Indenture Trustee for any reason (the Indenture Trustee in such event being referred to herein as the retiring Indenture Trustee), the Issuer shall promptly appoint a successor Indenture Trustee and Securities Intermediary. If any Person (other than the Indenture Trustee) acting in any capacity hereunder as an Eligible Institution is removed, fails to constitute an Eligible Institution or if a vacancy exists in any such capacity for any reason, the Issuer shall promptly appoint a successor to such capacity that constitutes an Eligible Institution.

(c) A successor Indenture Trustee (or any other successor Eligible Institution) shall deliver a written acceptance of its appointment as the Indenture Trustee and as the Securities Intermediary (or any such other capacity) to the retiring Indenture Trustee (or any such other capacity) and to the Issuer. Thereupon the resignation or removal of the retiring Indenture Trustee (or any such other Person) shall become effective, and the successor Indenture Trustee (or such other successor Eligible Institution) shall have all the rights, powers and duties of the Indenture Trustee and Securities Intermediary (or such other Eligible Institution), as applicable, under this Indenture. No resignation or removal of the Indenture Trustee (or any such other Person) pursuant to this Section 6.08 shall become effective until acceptance of the appointment by a successor Indenture Trustee having the qualifications set forth in Section 6.11 (or such other successor constituting an Eligible Institution). Notice of any such appointment shall be promptly given to each Rating Agency by the successor Indenture Trustee. The successor Indenture Trustee shall send a notice of its succession (or the succession of any other Eligible Institution) to Holders. The retiring Indenture Trustee shall promptly transfer all property held by it as Indenture Trustee to the successor Indenture Trustee. The retiring Eligible Institution shall promptly transfer all property held by it in its capacity hereunder to the successor Eligible Institution.

(d) If a successor Indenture Trustee (or other successor Eligible Institution) does not take office within sixty (60) days after the retiring Indenture Trustee (or other retiring Eligible Institution) resigns or is removed, the retiring Indenture Trustee (or other retiring Eligible Institution), the Issuer or the Holders of a majority in Outstanding Amount of the Securitized Utility Tariff Bonds may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee (or other successor Eligible Institution).

(e) If the Indenture Trustee fails to comply with Section 6.11, any Holder may petition any court of competent jurisdiction for the removal of the Indenture Trustee and the appointment of a successor Indenture Trustee.

(f) Notwithstanding the replacement of the Indenture Trustee pursuant to this Section 6.08, the Issuer's obligations under Section 6.07 shall continue for the benefit of the retiring Indenture Trustee.

SECTION 6.09. Successor Indenture Trustee by Merger.

(a) If the Indenture Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Indenture Trustee; provided, however, that if such successor Indenture Trustee is not eligible under Section 6.11, then the successor Indenture Trustee shall be replaced in accordance with Section 6.08. Notice of any such event shall be promptly given to each Rating Agency by the successor Indenture Trustee.

(b) In case at the time such successor or successors by merger, conversion, consolidation or transfer shall succeed to the trusts created by this Indenture any of the Securitized Utility Tariff Bonds shall have been authenticated but not delivered, any such successor to the Indenture Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver the Securitized Utility Tariff Bonds so authenticated; and in case at that time any of the Securitized Utility Tariff Bonds shall not have been authenticated, any successor to the Indenture Trustee may authenticate the Securitized Utility Tariff Bonds either in the name of any predecessor hereunder or in the name of the successor to the Indenture Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Securitized Utility Tariff Bonds or in this Indenture provided that the certificate of the Indenture Trustee shall have.

SECTION 6.10. Appointment of Co-Trustee or Separate Trustee.

(a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirement of any jurisdiction in which any part of the trust created by this Indenture or the Securitized Utility Tariff Bond Collateral may at the time be located, the Indenture Trustee shall have the power and may execute and deliver all instruments to appoint one or more Persons to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the trust created by this Indenture or the Securitized Utility Tariff Bond Collateral, and to vest in such Person or Persons, in such capacity and for the benefit of the Secured Parties, such title to the Securitized Utility Tariff Bond Collateral, or any part hereof, and, subject to the other provisions of this Section 6.10, such powers, duties, obligations, rights and trusts as the Indenture Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 6.11 and no notice to Holders of the appointment of any co-trustee or separate trustee shall be required under Section 6.08. Notice of any such appointment shall be promptly given to each Rating Agency by the Indenture Trustee.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

- (i) all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Securitized Utility Tariff Bond Collateral or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;
- (ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and
- (iii) the Indenture Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article VI. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

(d) Any separate trustee or co-trustee may at any time constitute the Indenture Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Indenture Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

SECTION 6.11. Eligibility; Disqualification.

In the event such firm requires the Indenture Trustee to agree to the procedures performed by such firm, the Issuer shall direct the Indenture Trustee in writing to so agree; it being understood and agreed that the Indenture Trustee will deliver such letter of agreement in conclusive reliance upon the direction of the Issuer, and the Indenture Trustee makes no independent inquiry or investigation to, and shall have no obligation or liability in respect of, the sufficiency, validity or correctness of such procedures.

The Indenture Trustee shall hold any Securitized Utility Tariff Bond Collateral consisting of money in a deposit account and shall act as a “bank” for purposes of perfecting the security interest in such deposit account. Terms used in the two preceding sentences that are defined in the UCC and not otherwise defined herein shall have the meaning set forth in the UCC. All amounts in the Collection Account not allocated to any other subaccount shall be allocated to the General Subaccount. Any cash transferred to, or arising under, a Subaccount will be held in the related Cash Subaccount. Prior to the Initial Payment Date, all amounts in the Collection Account (other than funds deposited into the Capital Subaccount, up to the Required Capital Level and any Capital Subaccount Investment Earnings) shall be allocated to the General Subaccount. All references to the Collection Account shall be deemed to include reference to all subaccounts contained therein. Withdrawals from and deposits to each of the foregoing subaccounts of the Collection Account shall be made as set forth in Sections 8.02(d) and (e). The Collection Account shall at all times be maintained as an Eligible Account, under the sole dominion and exclusive control of the Indenture Trustee, through the Securities Intermediary, and only the Indenture Trustee shall have access to the Collection Account for the purpose of making deposits in and withdrawals from the Collection Account in accordance with this Indenture. Funds in the Collection Account shall not be commingled with any other moneys. All moneys deposited from time to time in the Collection Account, including amounts not required to pay costs of issuance of Securitized Utility Tariff Bonds transferred by the Issuer to the Indenture Trustee, all deposits therein pursuant to this Indenture, and all investments made in Eligible Investments as directed in writing by the Issuer with such moneys, including all income or other gain from such investments other than Capital Subaccount Investment Earnings, shall be held by the Indenture Trustee in the Collection Account as part of the Securitized Utility Tariff Bond Collateral as herein provided. The Securities Intermediary shall have no liability in respect of losses incurred as a result of the liquidation of any Eligible Investment prior to its stated maturity or its date of redemption or the failure of the Issuer or the Servicer to provide timely written investment direction.

(b) The Securities Intermediary hereby confirms that (i) the Collection Account (other than each Cash Subaccount) is, or at inception will be established as, a “securities account” as such term is defined in Section 8-501(a) of the UCC, (ii) it is a “securities intermediary” (as such term is defined in Section 8-102(a) (14) of the UCC) and is acting in such capacity with respect to such accounts, (iii) the Indenture Trustee for the benefit of the Secured Parties is the sole “entitlement holder” (as such term is defined in Section 8-102(a)(7) of the UCC) with respect to such accounts and no other Person shall have the right to give “entitlement orders” (as such term is defined in Section 8-102(a)(8)) with respect to such Collection Account and (iv) the Securities Intermediary agrees to comply with “entitlement orders” originated by the Indenture Trustee with respect to the Collection Account without further consent of the Issuer or any other Person. The Securities Intermediary hereby further agrees that each item of property (whether investment property, financial asset, security, instrument or cash) received by it will be credited to the Collection Account (and that all cash will be credited to the related Cash Subaccount). Such property, other than cash, shall be treated by it as a Financial Asset. The Indenture Trustee shall cause the Securities Intermediary to hold any Securitized Utility Tariff Bond Collateral consisting of money in the applicable Cash Subaccount and the Securities Intermediary hereby confirms that each Cash Subaccount is a “deposit account” within the meaning of Section 9-102(a)(29) of the UCC. The Securities Intermediary further confirms that for purposes of perfecting the security interest in such deposit account, it shall (i) act as the “bank” within the meaning of Section 9-102(a)(8) of the UCC and (ii) comply with instructions originated by the Indenture Trustee directing disposition of the funds in the Cash Subaccount without further consent of the Issuer or any other Person. Notwithstanding anything to the contrary, for purposes of the UCC, New York State shall be deemed to be “securities intermediary jurisdiction” within the meaning of Section 8-110(e) of the UCC of the Securities Intermediary and “bank’s jurisdiction” within the meaning of Section 9-304(a) of the UCC of the Securities Intermediary acting as the “bank” and the Collection Account (as well as the securities entitlements related thereto) shall be governed by the laws of the State of New York.

(c) The Indenture Trustee shall have sole dominion and exclusive control over all moneys in the Collection Account through the Securities Intermediary and shall apply such amounts therein as provided in this Section 8.02. The Indenture Trustee shall also pay from the Collection Account any amounts requested in writing to be paid by or to the Servicer pursuant to Section 6.11(c) of the Servicing Agreement.

(d) SUTC Collections shall be deposited in the General Subaccount as provided in Section 6.11 of the Servicing Agreement. All deposits to and withdrawals from the Collection Account, all allocations to the subaccounts of the Collection Account and any amounts to be paid to the Servicer under Section 8.02(c) shall be made by the Indenture Trustee in accordance with the written instructions provided by the Servicer in the Monthly Servicer’s Certificate, the Servicer’s Certificate or upon other written notice provided by the Servicer pursuant to Section 6.11(a) of the Servicing Agreement, as applicable.

(e) On each Payment Date (or on any other date as directed by the Servicer (i) with respect to Operating Expenses referred to in clause (iv) below payable prior to the next Payment Date or (ii) to pay Operating Expenses related to the issuance of the Bonds), the Indenture Trustee shall apply all amounts on deposit in the Collection Account, including all Investment Earnings thereon, to pay the following amounts, solely in accordance with the Servicer’s Certificate, in the following priority:

- (i) all amounts owed by the Issuer to the Indenture Trustee (including legal fees and expenses and outstanding indemnity amounts) shall be paid to the Indenture Trustee (subject to Section 6.07) in an amount not to exceed annually the amount set forth in the Series Supplement (the “Indenture Trustee Cap”); provided, however, that the Indenture Trustee Cap shall be disregarded and inapplicable upon the acceleration of the Securitized Utility Tariff Bonds following the occurrence of an Event of Default;

- (ii) the Servicing Fee with respect to such Payment Date and all unpaid Servicing Fees for prior Payment Dates shall be paid to the Servicer;
- (iii) the Administration Fee for such Payment Date shall be paid to the Administrator and an allocable share of the Independent Manager Fee for such Payment Date shall be paid to the Independent Managers;
- (iv) all other ordinary periodic Operating Expenses for such Payment Date relating to the Securitized Utility Tariff Bonds not described above, except for Income Taxes, shall be paid to the parties to which such Operating Expenses are owed;
- (v) Periodic Interest for such Payment Date, including any overdue Periodic Interest (together with, to the extent lawful, interest on such overdue Periodic Interest at the applicable Securitized Utility Tariff Bond Interest Rate), with respect to the Securitized Utility Tariff Bonds shall be paid to the Holders of Securitized Utility Tariff Bonds;
- (vi) principal due and payable on the Securitized Utility Tariff Bonds as a result of an Event of Default or on the Final Maturity Date of the Securitized Utility Tariff Bonds shall be paid to the Holders of Securitized Utility Tariff Bonds;
- (vii) Periodic Principal for such Payment Date, including any overdue Periodic Principal or payments due upon maturity or acceleration, which shall be paid pro rata among the Securitized Utility Tariff Bonds if there is a deficiency;
- (viii) any other unpaid fees, expenses and indemnity amounts owed to the Indenture Trustee;
- (ix) any other unpaid Operating Expenses, including Income Taxes, relating to the Securitized Utility Tariff Bonds and any remaining amounts owed pursuant to the Basic Documents;
- (x) the amount, if any, by which the Required Capital Level exceeds the amount in the Capital Subaccount as of such Payment Date shall be allocated to the Capital Subaccount;
- (xi) provided that no Event of Default has occurred and is continuing, release to Liberty an amount representing a return on capital of its Capital Contribution calculated at an annual rate per annum equal to the cost of capital on the Securitized Utility Tariff Bonds;
- (xii) the balance, if any, shall be allocated to the Excess Funds Subaccount for distribution on subsequent Payment Dates; and

(xiii) after principal of and premium, if any, and interest on all the Securitized Utility Tariff Bonds, and all of the other foregoing amounts, have been paid in full, including, without limitation, amounts due and payable to the Indenture Trustee under Section 6.07 or otherwise, the balance (including all amounts then held in the Capital Subaccount and the Excess Funds Subaccount), if any, shall be paid to Liberty, free from the Lien of this Indenture and the Series Supplement and credited to Customers through normal ratemaking processes.

(f) All payments to the Holders of the Securitized Utility Tariff Bonds pursuant to clauses (v), (vi) and (vii) above shall be made to such Holders pro rata based on the respective amounts of interest and/or principal owed, unless, in the case of Securitized Utility Tariff Bonds comprised of two or more Tranches, the Series Supplement provides otherwise. Payments in respect of principal of and premium, if any, and interest on any Tranche of Securitized Utility Tariff Bonds will be made on a pro rata basis among all the Holders of such Tranche. In the case of an Event of Default, then, in accordance with Section 5.04(c), moneys will be applied pursuant to clauses (v) and (vi), in such order, on a pro rata basis, based upon the interest or the principal owed.

(g) The amounts paid during any calendar year pursuant to clauses (i), (ii), (iii), (iv) and (viii) may not exceed the amounts approved in the Series Supplement.

(h) If on any Payment Date funds on deposit in the General Subaccount are insufficient to make the payments contemplated by clauses (i) through (ix) of Section 8.02(e) above, the Indenture Trustee shall (I) first, draw from amounts on deposit in the Excess Funds Subaccount and (II) second, draw from amounts on deposit in the Capital Subaccount, in each case, up to the amount of such shortfall in order to make the payments contemplated by clauses (i) through (ix) of Section 8.02(e). In addition, if on any Payment Date funds on deposit in the General Subaccount are insufficient to make the allocations contemplated by clause (x) above, the Indenture Trustee shall draw from amounts on deposit in the Excess Funds Subaccount to make such allocations.

SECTION 8.03. General Provisions Regarding the Collection Account.

(a) So long as no Default or Event of Default shall have occurred and be continuing, all or a portion of the funds in the Collection Account shall be invested in Eligible Investments and reinvested by the Indenture Trustee upon Issuer Order; provided, however, that (i) such Eligible Investments shall not mature or be redeemed later than the Business Day prior to the next Payment Date or Special Payment Date, if applicable, for the Securitized Utility Tariff Bonds and (ii) such Eligible Investments shall not be sold, liquidated or otherwise disposed of at a loss prior to the maturity or the date of redemption thereof. All income or other gain from investments of moneys deposited in the Collection Account shall be deposited by the Indenture Trustee in such Collection Account, and any loss resulting from such investments shall be charged to such Collection Account. The Issuer will not direct the Indenture Trustee to make any investment of any funds or to sell any investment held in the Collection Account unless the security interest Granted and perfected in such account will continue to be perfected in such investment or the proceeds of such sale, in either case without any further action by any Person, and, in connection with any direction to the Indenture Trustee to make any such investment or sale, if requested by the Indenture Trustee, the Issuer shall deliver to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer (at the Issuer's cost and expense) to such effect. In no event shall the Indenture Trustee be liable for the selection of Eligible Investments or for investment losses incurred thereon. The Indenture Trustee shall have no liability in respect of losses incurred as a result of the liquidation of any Eligible Investment prior to its stated maturity or its date of redemption or the failure of the Issuer or the Servicer to provide timely written investment direction. The Indenture Trustee shall have no obligation to invest or reinvest any amounts held hereunder in the absence of written investment direction pursuant to an Issuer Order, in which case such amounts shall remain uninvested.

(b) Subject to Section 6.01(c), the Indenture Trustee shall not in any way be held liable by reason of any insufficiency in the Collection Account resulting from any loss on any Eligible Investment included therein except for losses attributable to the Indenture Trustee's failure to make payments on such Eligible Investments issued by the Indenture Trustee, in its commercial capacity as principal obligor and not as trustee, in accordance with their terms.

(c) If (i) the Issuer shall have failed to give written investment directions for any funds on deposit in the Collection Account to the Indenture Trustee by 11:00 a.m. Eastern Time (or such other time as may be agreed by the Issuer and Indenture Trustee) on any Business Day; or (ii) a Default or Event of Default shall have occurred and be continuing with respect to the Securitized Utility Tariff Bonds but the Securitized Utility Tariff Bonds shall not have been declared due and payable pursuant to Section 5.02, then the Indenture Trustee shall, to the fullest extent practicable, invest and reinvest funds in such Collection Account in the money market fund (described under clause (d) of the definition of "Eligible Investments") specified in the most recent written investment directions delivered by the Issuer to the Indenture Trustee with respect to such type of Eligible Investments; provided that if the Issuer has never delivered written investment directions to the Indenture Trustee or if the money market fund specified in the most recent written investment directions no longer exists, the Indenture Trustee shall not invest or reinvest such funds in any investments.

(d) The parties hereto acknowledge that the Servicer may, pursuant to the Servicing Agreement, select Eligible Investments on behalf of the Issuer.

SECTION 8.04. Release of Securitized Utility Tariff Bond Collateral.

(a) So long as the Issuer is not in default hereunder and no Default hereunder would occur as a result of such action, the Issuer, through the Servicer, may collect, sell or otherwise dispose of written-off receivables, at any time and from time to time in the ordinary course of business, without any notice to, or release or consent by, the Indenture Trustee, but only as and to the extent permitted by the Basic Documents; provided, however, that any and all proceeds of such dispositions shall become Securitized Utility Tariff Bond Collateral and be deposited to the General Subaccount immediately upon receipt thereof by the Issuer or any other Person, including the Servicer. Without limiting the foregoing, the Servicer, may, at any time and from time to time without any notice to, or release or consent by, the Indenture Trustee, sell or otherwise dispose of any Securitized Utility Tariff Bond Collateral previously written-off as a defaulted or uncollectible account in accordance with the terms of the Servicing Agreement and the requirements of the proviso in the immediately preceding sentence.

(b) The Indenture Trustee may, and when required by the provisions of this Indenture shall, execute instruments to release property from the Lien of this Indenture, or convey the Indenture Trustee's interest in the same, in a manner and under circumstances that are not inconsistent with the provisions of this Indenture. No party relying upon an instrument executed by the Indenture Trustee as provided in this Article VIII shall be bound to ascertain the Indenture Trustee's authority, inquire into the satisfaction of any conditions precedent or see to the application of any moneys. The Indenture Trustee shall release property from the Lien of this Indenture pursuant to this Section 8.04(b) only upon receipt of an Issuer Request accompanied by an Officer's Certificate, an Opinion of Counsel of external counsel of the Issuer (at the Issuer's cost and expense) and (if required by the TIA) Independent Certificates in accordance with TIA §§ 314(c) and 314(d)(1) meeting the applicable requirements of Section 10.01.

(c) The Indenture Trustee shall, at such time as there are no Securitized Utility Tariff Bonds Outstanding and all sums payable to the Indenture Trustee pursuant to Section 6.07 or otherwise have been paid, release any remaining portion of the Securitized Utility Tariff Bond Collateral that secured the Securitized Utility Tariff Bonds from the Lien of this Indenture, release to the Issuer or any other Person entitled thereto any funds or investments then on deposit in or credit to the Collection Account.

SECTION 8.05. Opinion of Counsel.

The Indenture Trustee shall receive at least seven (7) days' notice when requested by the Issuer to take any action pursuant to Section 8.04, accompanied by copies of any instruments involved, and the Indenture Trustee shall also require, as a condition to such action, an Opinion of Counsel of external counsel of the Issuer, in form and substance satisfactory to the Indenture Trustee, stating the legal effect of any such action, outlining the steps required to complete the same, and concluding that all conditions precedent to the taking of such action have been complied with and such action will not materially and adversely impair the perfection or priority of the remaining security for the Securitized Utility Tariff Bonds or the rights of the Holders in contravention of the provisions of this Indenture and the Series Supplement; provided, however, that such Opinion of Counsel shall not be required to express an opinion as to the fair value of the Securitized Utility Tariff Bond Collateral. Counsel rendering any such opinion may rely, without independent investigation, on the accuracy and validity of any certificate or other instrument delivered to the Indenture Trustee in connection with any such action.

SECTION 8.06. Reports by Independent Registered Public Accountants.

As of the Closing Date, the Issuer shall appoint a firm of Independent registered public accountants of recognized national reputation for purposes of preparing and delivering the reports or certificates of such accountants required by this Indenture and the Series Supplement. In the event such firm requires the Indenture Trustee to agree to the procedures performed by such firm, the Issuer shall direct the Indenture Trustee in writing to so agree; it being understood and agreed that the Indenture Trustee will deliver such letter of agreement in conclusive reliance upon the direction of the Issuer, and the Indenture Trustee makes no independent inquiry or investigation to, and shall have no obligation or liability in respect of, the sufficiency, validity or correctness of such procedures. Upon any resignation by, or termination by the Issuer of, such firm the Issuer shall provide written notice thereof to the Indenture Trustee and shall promptly appoint a successor thereto that shall also be a firm of Independent registered public accountants of recognized national reputation. If the Issuer shall fail to appoint a successor to a firm of Independent registered public accountants that has resigned or been terminated within fifteen (15) days after such resignation or termination, the Indenture Trustee shall promptly notify the Issuer of such failure in writing. If the Issuer shall not have appointed a successor within ten (10) days thereafter the Indenture Trustee shall promptly appoint a successor firm of Independent registered public accountants of recognized national reputation; provided that the Indenture Trustee shall have no liability with respect to such appointment. The fees of such Independent registered public accountants and its successor shall be payable by the Issuer as an Operating Expense.

ARTICLE IX

- (vi) to evidence and provide for the acceptance of the appointment hereunder by a successor trustee with respect to the Securitized Utility Tariff Bonds and to add to or change any of the provisions of this Indenture as shall be necessary to facilitate the administration of the trusts hereunder by more than one trustee, pursuant to the requirements of Article VI;
- (vii) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under the TIA or under any similar or successor federal statute hereafter enacted and to add to this Indenture such other provisions as may be expressly required by the TIA;

The Indenture Trustee is hereby authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations that may be therein contained.

(b) The Issuer and the Indenture Trustee, when authorized by an Issuer Order, may, also without the consent of any of the Holders of the Securitized Utility Tariff Bonds, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Securitized Utility Tariff Bonds under this Indenture; provided, however, that (i) such action shall not, as evidenced by an Opinion of Counsel of nationally recognized counsel of the Issuer experienced in structured finance transactions, adversely affect in any material respect the interests of the Holders and (ii) the Rating Agency Condition shall have been satisfied with respect thereto.

SECTION 9.02. Supplemental Indentures with Consent of Holders.

(a) The Issuer and the Indenture Trustee, when authorized by an Issuer Order, also may, with prior notice to the Rating Agencies and with the consent of the Holders of not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds of each Tranche to be adversely affected, by Act of such Holders delivered to the Issuer and the Indenture Trustee, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Securitized Utility Tariff Bonds under this Indenture; provided, however, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Securitized Utility Tariff Bond of each Tranche affected thereby:

- (ii) reduce the percentage of the Outstanding Amount of the Securitized Utility Tariff Bonds or of a Tranche thereof, the consent of the Holders of which is required for any such supplemental indenture, or the consent of the Holders of which is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences provided for in this Indenture;

(b) It shall not be necessary for any Act of Holders under this Section 9.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

(c) Promptly after the execution by the Issuer and the Indenture Trustee of any supplemental indenture pursuant to this Section 9.02, the Issuer shall send to the Rating Agencies a copy of such supplemental indenture and to the Holders of the Securitized Utility Tariff Bonds to which such supplemental indenture relates either a copy of such supplemental indenture or a notice setting forth in general terms the substance of such supplemental indenture. Any failure of the Issuer to send such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

SECTION 9.03. Reserved.

SECTION 9.04. Execution of Supplemental Indentures.

In executing any supplemental indenture permitted by this Article IX or the modifications thereby of the trust created by this Indenture, the Indenture Trustee shall be entitled to receive, and subject to Sections 6.01 and 6.02, shall be fully protected in relying upon, an Officer's Certificate and Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and all conditions precedent have been satisfied. The Indenture Trustee may, but shall not be obligated to, enter into any such supplemental indenture that affects the Indenture Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

SECTION 9.05. Effect of Supplemental Indenture.

ARTICLE X

MISCELLANEOUS

SECTION 10.01. Compliance Certificates and Opinions, etc.

(a) Upon any application or request by the Issuer to the Indenture Trustee to take any action under any provision of this Indenture, the Issuer shall furnish to the Indenture Trustee (i) an Officer's Certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, (ii) an Opinion of Counsel stating that in the opinion of such counsel all such conditions precedent, if any, have been complied with and (iii) (if required by the TIA) an Independent Certificate from a firm of registered public accountants meeting the applicable requirements of this Section 10.01, except that, in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture, no additional certificate or opinion need be furnished.

- (i) a statement that each signatory of such certificate or opinion has read or has caused to be read such covenant or condition and the definitions herein relating thereto;
 - (ii) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(c) (i) Prior to the deposit of any Securitized Utility Tariff Bond Collateral or other property or securities with the Indenture Trustee that is to be made the basis for the release of any property or securities subject to the Lien of this Indenture, the Issuer shall, in addition to any obligation imposed in Section 10.01(a) or elsewhere in this Indenture, furnish to the Indenture Trustee an Officer's Certificate certifying or stating the opinion of each person signing such certificate as to the fair value (within ninety (90) days of such deposit) to the Issuer of the Securitized Utility Tariff Bond Collateral or other property or securities to be so deposited.

- (iv) Whenever the Issuer is required to furnish to the Indenture Trustee an Officer's Certificate certifying or stating the opinion of any signatory thereof as to the matters described in clause (iii) above, the Issuer shall also furnish to the Indenture Trustee an Independent Certificate as to the same matters if the fair value of the property or securities with respect thereto, or securities released from the Lien of this Indenture (other than pursuant to Section 8.02(e)) since the commencement of the then-current calendar year, as set forth in the certificates required by clause (iii) above and this clause (iv), equals 10 percent or more of the Outstanding Amount of the Securitized Utility Tariff Bonds, but such certificate need not be furnished in the case of any release of property or securities if the fair value thereof as set forth in the related Officer's Certificate is less than the lesser of (A) \$25,000 or (B) one percent of the then Outstanding Amount of the Securitized Utility Tariff Bonds.

- (v) Notwithstanding any other provision of this Section 10.01, the Indenture Trustee may (A) collect, liquidate, sell or otherwise dispose of the Securitized Utility Tariff Property and the other Securitized Utility Tariff Bond Collateral as and to the extent permitted or required by the Basic Documents and (B) make cash payments out of the Collection Account as and to the extent permitted or required by the Basic Documents.

SECTION 10.02. Form of Documents Delivered to Indenture Trustee.

(a) In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

(b) Any certificate or opinion of a Responsible Officer of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his or her certificate or opinion is based are erroneous. Any Opinion of Counsel may be based, insofar as it relates to factual matters (including financial and capital markets), upon a certificate or opinion of, or representations by, an officer or officers of the Servicer or the Issuer and other documents necessary and advisable in the judgment of counsel delivering such Opinion of Counsel.

(c) Whenever in this Indenture, in connection with any application or certificate or report to the Indenture Trustee, it is provided that the Issuer shall deliver any document as a condition of the granting of such application, or as evidence of the Issuer's compliance with any term hereof, it is intended that the truth and accuracy, at the time of the granting of such application or at the effective date of such certificate or report (as the case may be), of the facts and opinions stated in such document shall in such case be conditions precedent to the right of the Issuer to have such application granted or to the sufficiency of such certificate or report. The foregoing shall not, however, be construed to affect the Indenture Trustee's right to rely conclusively upon the truth and accuracy of any statement or opinion contained in any such document as provided in Article VI.

(d) Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

SECTION 10.03. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agents duly appointed in writing; and except as herein otherwise expressly provided such action shall become effective when such instrument or instruments are delivered to the Indenture Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the “Act” of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 6.01) conclusive in favor of the Indenture Trustee and the Issuer, if made in the manner provided in this Section 10.03.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner that the Indenture Trustee deems sufficient.

(c) The ownership of Securitized Utility Tariff Bonds shall be proved by the Securitized Utility Tariff Bond Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Securitized Utility Tariff Bonds shall bind the Holder of every Securitized Utility Tariff Bond issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Indenture Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Securitized Utility Tariff Bond .

SECTION 10.04. Notices, etc., to Indenture Trustee, Issuer and Rating Agencies.

(a) Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other documents provided or permitted by this Indenture to be made upon, given or furnished to or filed with:

(i) the Indenture Trustee by any Holder or by the Issuer shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing by facsimile or other electronic communication, first-class mail or overnight delivery service to or with the Indenture Trustee at the Corporate Trust Office;

(ii) the Issuer by the Indenture Trustee or by any Holder shall be sufficient for every purpose hereunder if in writing and mailed, first-class, postage prepaid, to the Issuer addressed to: Empire District Bondco, LLC at c/o The Empire District Electric Company, 602 S. Joplin Avenue, Joplin, Missouri 64801, Attention: Jennifer Shewmake, Manager, Treasury and Secretary, Telephone: (417) 626-6828, with a copy to notices@APUCorp.com, or at any other address previously furnished in writing to the Indenture Trustee by the Issuer. The Issuer shall promptly transmit any notice received by it from the Holders to the Indenture Trustee; or

(iii) the MPSC by the Seller, the Issuer or the Indenture Trustee shall be sufficient for every purpose hereunder if in writing and mailed, first-class, postage prepaid, to the MPSC addressed to: Missouri Public Service Commission at P.O. Box 360; 200 Madison Street; Jefferson City, Missouri, 65102-0360; Attention: Secretary and Chief RLJ.

(b) Notices required to be given to the Rating Agencies by the Issuer or the Indenture Trustee shall be in writing, facsimile, personally delivered or mailed by certified mail, return receipt requested to:

(i) in the case of Moody's, to: Moody's Investors Service, Inc., ABS/RMBS Monitoring Department, 24th Floor, 7 World Trade Center, 250 Greenwich Street, New York, New York 10007, Email: ServicerReports@moodys.com (all such notices to be delivered to Moody's in writing by email);

(ii) in the case of Standard & Poor's, to S&P Global Ratings, a division of S&P Global Inc., Structured Credit Surveillance, 55 Water Street, New York, New York 10041, Telephone: (212) 438-8991, Email: servicer_reports@spglobal.com (all such notices to be delivered to Standard & Poor's in writing by email); and

(iii) as to each of the foregoing, at such other address as shall be designated by written notice to the other parties.

Any notice, report or other communication given hereunder may be in writing and addressed as follows or to the extent receipt is confirmed telephonically sent by Electronic Means to the address provided above.

The Indenture Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture and the Basic Documents and delivered using Electronic Means; provided, however, that the Issuer shall provide to the Indenture Trustee an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Issuer whenever a person is to be added or deleted from the listing. If the Issuer elects to give the Indenture Trustee using Electronic Means and the Indenture Trustee in its discretion elects to act upon such Instructions, the Indenture Trustee's understanding of such Instructions shall be deemed controlling. The Indenture Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Indenture Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Issuer agrees (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Indenture Trustee, including without limitation the risk of the Indenture Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; and (ii) to notify the Indenture Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

SECTION 10.05. Notices to Holders; Waiver.

(a) Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class, postage prepaid to each Holder affected by such event, at such Holder's address as it appears on the Securitized Utility Tariff Bond Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Holder shall affect the sufficiency of such notice with respect to other Holders, and any notice that is mailed in the manner herein provided shall conclusively be presumed to have been duly given.

(b) Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Indenture Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such a waiver.

(c) In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event of Holders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Indenture Trustee shall be deemed to be a sufficient giving of such notice.

(d) Where this Indenture provides for notice to the Rating Agencies, failure to give such notice shall not affect any other rights or obligations created hereunder, and shall not under any circumstance constitute a Default or Event of Default.

SECTION 10.06. Rule 17g-5 Compliance.

The Indenture Trustee agrees that any notice, report, request for satisfaction of the Rating Agency Condition, document or other information provided by the Indenture Trustee to any Rating Agency under this Indenture or any other Basic Document to which it is a party for the purpose of determining or confirming the credit rating of the Securitized Utility Tariff Bonds or undertaking credit rating surveillance of the Securitized Utility Tariff Bonds shall be provided, substantially concurrently, to the Servicer for posting on a password-protected website (the "17g-5 Website"). The Servicer shall be responsible for posting all of the information on the 17g-5 Website.

SECTION 10.07. Conflict with Trust Indenture Act.

(a) If any provision hereof limits, qualifies or conflicts with another provision hereof that is required to be included in this Indenture by any of the provisions of the TIA, such required provision shall control.

(b) The provisions of TIA §§ 310 through 317 that impose duties on any person (including the provisions automatically deemed included herein unless expressly excluded by this Indenture) are a part of and govern this Indenture, whether or not physically contained herein.

SECTION 10.08. Effect of Headings and Table of Contents.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 10.09. Successors and Assigns.

All covenants and agreements in this Indenture and the Securitized Utility Tariff Bonds by the Issuer shall bind its successors and assigns, whether so expressed or not. All agreements of the Indenture Trustee in this Indenture shall bind its successors.

SECTION 10.10. Severability.

Any provision in this Indenture or in the Securitized Utility Tariff Bonds that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 10.11. Benefits of Indenture.

Nothing in this Indenture or in the Securitized Utility Tariff Bonds, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, and the Holders, and any other party secured hereunder, and any other Person with an ownership interest in any part of the Securitized Utility Tariff Bond Collateral, any benefit or any legal or equitable right, remedy or claim under this Indenture.

SECTION 10.12. Legal Holidays.

In any case where the date on which any payment is due shall not be a Business Day, then (notwithstanding any other provision of the Securitized Utility Tariff Bonds or this Indenture) payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the date on which nominally due, and no interest shall accrue for the period from and after any such nominal date.

SECTION 10.13. GOVERNING LAW; WAIVER OF JURY TRIAL.

THIS INDENTURE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS (OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW AND SECTIONS 9-301 THROUGH 9-306 OF THE NY UCC), AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS PROVIDED, THAT THE CREATION, ATTACHMENT AND PERFECTION OF ANY LIENS CREATED HEREUNDER IN SECURITIZED UTILITY TARIFF PROPERTY, AND ALL RIGHTS AND REMEDIES OF THE INDENTURE TRUSTEE AND THE HOLDERS WITH RESPECT TO THE SECURITIZED UTILITY TARIFF PROPERTY, SHALL BE GOVERNED BY THE LAWS OF THE STATE OF MISSOURI. EACH OF THE ISSUER AND THE INDENTURE TRUSTEE AND EACH HOLDER (BY ITS ACCEPTANCE OF THE SECURITIZED UTILITY TARIFF BONDS) IRREVOCABLY WAIVES, TO THE FULLEST EXTENT THAT IT MAY EFFECTIVELY DO SO UNDER APPLICABLE LAW, TRIAL BY JURY.

SECTION 10.14. Counterparts.

This Indenture may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. The Issuer and Indenture Trustee agree that this Indenture may be electronically signed, that any digital or electronic signatures (including pdf, facsimile or electronically imaged signatures provided by DocuSign or any other digital signature provider as specified in writing to the Indenture Trustee) appearing on this Indenture are the same as handwritten signatures for the purposes of validity, enforceability and admissibility, and that delivery of any such electronic signature to, or a signed copy of, this Indenture may be made by facsimile, email or other electronic transmission. The Issuer agrees to assume all risks arising out of the use of digital signatures and electronic methods of submitting such signatures to the Indenture Trustee, including without limitation the risk of the Indenture Trustee acting upon documents with unauthorized signatures and the risk of interception and misuse by third parties.

SECTION 10.15. Recording of Indenture.

If this Indenture is subject to recording in any appropriate public recording offices, such recording is to be effected by the Issuer and at its expense accompanied by an Opinion of Counsel at the Issuer's cost and expense (which shall be external counsel of the Issuer) to the effect that such recording is necessary either for the protection of the Holders or any other Person secured hereunder or for the enforcement of any right or remedy granted to the Indenture Trustee under this Indenture.

SECTION 10.16. Issuer Obligation.

No recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer or the Indenture Trustee on the Securitized Utility Tariff Bonds or under this Indenture or any certificate or other writing delivered in connection herewith or therewith, against (I) any owner of a membership interest in the Issuer (including Liberty) or (II) any shareholder, partner, owner, beneficiary, agent, officer, director or employee of the Indenture Trustee, the Managers or any owner of a membership interest in the Issuer (including Liberty) in its respective individual capacity, or of any successor or assign of any of them in their respective individual or corporate capacities, except as any such Person may have expressly agreed in writing. Each Holder by accepting a Securitized Utility Tariff Bond specifically confirms the nonrecourse nature of these obligations, and waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Securitized Utility Tariff Bonds.

SECTION 10.17. Inspection.

The Issuer agrees that, on reasonable prior notice, it will permit, subject to the requirements of applicable law and the MPSC Regulations, any representative of the Indenture Trustee, during the Issuer's normal business hours, to examine all the books of account, records, reports, and other papers of the Issuer, to make copies and extracts therefrom, to cause such books to be audited by Independent certified public accountants, and to discuss the Issuer's affairs, finances and accounts with the Issuer's officers, employees, and Independent certified public accountants, all at such reasonable times and as often as may be reasonably requested. The Indenture Trustee shall and shall cause its representatives to hold in confidence all such information except to the extent disclosure may be required by law (and all reasonable applications for confidential treatment are unavailing) and except to the extent that the Indenture Trustee may reasonably determine that such disclosure is consistent with its obligations hereunder. Notwithstanding anything herein to the contrary, the foregoing shall not be construed to prohibit (i) disclosure of any and all information that is or becomes publicly known, or information obtained by the Indenture Trustee from sources other than the Issuer, provided such parties are rightfully in possession of such information and are not subject to a duty of confidentiality, (ii) disclosure of any and all information (A) if required to do so by any applicable statute, law, rule or regulation, (B) pursuant to any subpoena, civil investigative demand or similar demand or request of any court or regulatory authority exercising its proper jurisdiction, (C) in any preliminary or final offering circular, registration statement or contract or other document pertaining to the transactions contemplated by this Indenture or the Basic Documents approved in advance by the Issuer or (D) to any affiliate, independent or internal auditor, agent, employee or attorney of the Indenture Trustee having a need to know the same, provided, that such parties agree to be bound by the confidentiality provisions contained in this Section 10.17, or (iii) any other disclosure authorized by the Issuer.

SECTION 10.18. No Petition.

The Indenture Trustee, by entering into this Indenture, and each Holder, by accepting a Securitized Utility Tariff Bond (or interest therein) issued hereunder, hereby covenant and agree that, subject to the MPSC's right to order the sequestration and payment of revenues arising with respect to the Securitized Utility Tariff Property notwithstanding any bankruptcy, reorganization or other insolvency proceedings with respect to the debtor, pledgor or transferor of the Securitized Utility Tariff Property pursuant to Section 393.1700.5(1)(d) of the Securitization Law, they shall not, prior to the date which is one year and one day after the termination of this Indenture, acquiesce, petition or otherwise invoke or cause the Issuer or any Manager to invoke the process of any court or government authority for the purpose of commencing or sustaining a case against the Issuer under any insolvency law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Issuer or any substantial part of its respective property, or ordering the dissolution, winding up or liquidation of the affairs of the Issuer. Nothing in this paragraph shall preclude, or be deemed to estop, such Holder or the Indenture Trustee (a) from taking or omitting to take any action prior to such date in (i) any case or proceeding voluntarily filed or commenced by or on behalf of the Issuer under or pursuant to any such law or (ii) any involuntary case or proceeding pertaining to the Issuer which is filed or commenced by or on behalf of a Person other than such Holder and is not joined in by such Holder (or any Person to which such holder shall have assigned, transferred or otherwise conveyed any part of the obligations of the Issuer hereunder) under or pursuant to any such law, or (b) from commencing or prosecuting any legal action which is not an involuntary case or proceeding under or pursuant to any such law against the Issuer or any of its properties.

SECTION 10.19. Securities Intermediary.

The Securities Intermediary, in acting under this Indenture, is entitled to all rights, benefits, protections, immunities and indemnities accorded The Bank of New York Mellon Trust Company, N.A., a national banking association, in its capacity as Indenture Trustee under this Indenture.

SECTION 10.20. Submission to Jurisdiction.

The Issuer hereby irrevocably submits to the jurisdiction of any New York State court sitting in the Borough of Manhattan in the City of New York or any federal court sitting in the Southern District in the Borough of Manhattan in the City of New York in respect of any suit, action or proceeding arising out of or relating to this Indenture and the Securitized Utility Tariff Bonds, and irrevocably accepts for itself and in respect of its property, generally and unconditionally, jurisdiction of the aforesaid courts.

IN WITNESS WHEREOF, the Issuer, the Indenture Trustee and the Securities Intermediary have caused this Indenture to be duly executed by their respective officers as of the day and year first above written.

(i) In connection with any True-Up Adjustment, the Servicer is acting solely in its capacity as the servicing agent hereunder.

(ii) Neither the Servicer nor the Issuer nor the Indenture Trustee is responsible in any manner for, and shall have no liability whatsoever as a result of, any action, decision, ruling or other determination made or not made, or any delay (other than any delay resulting from the Servicer's failure to make any filings required by Section 4.01 in a timely and correct manner or any breach by the Servicer of its duties under this Agreement), by the MPSC in any way related to the Securitized Utility Tariff Property or in connection with any True-Up Adjustment, the subject of any filings under Section 4.01, any proposed True-Up Adjustment, or the approval of any revised Securitized Utility Tariff Charges and the scheduled adjustments thereto.

(iii) Except to the extent the Servicer is liable under Section 6.02, the Servicer shall have no liability whatsoever relating to the calculation of any revised Securitized Utility Tariff Charges and the scheduled adjustments thereto, including as a result of any inaccuracy of any of the assumptions made in such calculation regarding expected energy usage volume, the Average Days Sales Outstanding, or system-wide write-offs, so long as the Servicer has acted in good faith and has not acted in a grossly negligent manner in connection therewith, nor shall the Servicer have any liability whatsoever as a result of any Person, including the Bondholders, not receiving any payment, amount or return anticipated or expected or in respect of any Securitized Utility Tariff Bond generally, except only to the extent that the same is caused by the Servicer's gross negligence, willful misconduct or bad faith.

(b) Notwithstanding the foregoing, this Section 4.02 shall not relieve the Servicer of liability for any misrepresentation by the Servicer under Section 6.01 or for any breach by the Servicer of its other obligations under this Agreement.

ARTICLE V

THE SECURITIZED UTILITY TARIFF PROPERTY

SECTION 5.01. Custody of Securitized Utility Tariff Property Records.

To assure uniform quality in servicing the Securitized Utility Tariff Property and to reduce administrative costs, the Issuer hereby revocably appoints the Servicer, and the Servicer hereby accepts such appointment, to act as the agent of the Issuer as custodian of any and all documents and records that the Servicer shall keep on file, in accordance with its customary procedures, relating to the Securitized Utility Tariff Property, including copies of the Financing Order, Issuance Advice Letter and true-up adjustment filings, relating thereto and all documents filed with the MPSC in connection with any True-Up Adjustment and computational records relating thereto (collectively, the “Securitized Utility Tariff Property Records”), which are hereby constructively delivered to the Indenture Trustee, as pledgee of the Issuer with respect to all Securitized Utility Tariff Property.

SECTION 5.02. Duties of Servicer as Custodian.

(a) Safekeeping. The Servicer shall hold the Securitized Utility Tariff Property Records on behalf of the Issuer and maintain such accurate and complete accounts, records and computer systems pertaining to the Securitized Utility Tariff Property Records as shall enable the Issuer and the Indenture Trustee, as applicable, to comply with this Agreement, the Sale Agreement and the Indenture. In performing its duties as custodian, the Servicer shall act with reasonable care, using that degree of care and diligence that the Servicer exercises with respect to comparable assets that the Servicer services for itself or, if applicable, for others. The Servicer shall promptly report to the Issuer, the Indenture Trustee and the Rating Agencies any failure on its part to hold the Securitized Utility Tariff Property Records and maintain its accounts, records and computer systems as herein provided and promptly take appropriate action to remedy any such failure. Nothing herein shall be deemed to require an initial review or any periodic review by the Issuer or the Indenture Trustee of the Securitized Utility Tariff Property Records. The Servicer’s duties to hold the Securitized Utility Tariff Property Records set forth in this Section 5.02, to the extent the Securitized Utility Tariff Property Records have not been previously transferred to a successor Servicer pursuant to Article VII, shall terminate one year and one day after the earlier of the date on which (i) the Servicer is succeeded by a successor Servicer in accordance with Article VII and (ii) no Securitized Utility Tariff Bonds are Outstanding.

(b) Maintenance of and Access to Records. The Servicer shall maintain the Securitized Utility Tariff Property Records at 602 S. Joplin Avenue, Joplin, Missouri 64801 or at such other office as shall be specified to the Issuer and the Indenture Trustee by written notice at least thirty (30) days prior to any change in location. The Servicer shall make available for inspection, audit and copying to the Issuer and the Indenture Trustee or their respective duly authorized representatives, attorneys or auditors the Securitized Utility Tariff Property Records at such times during normal business hours as the Issuer or the Indenture Trustee shall reasonably request and which do not unreasonably interfere with the Servicer's normal operations. Nothing in this Section 5.02(b) shall affect the obligation of the Servicer to observe any applicable law (including any MPSC Regulation) prohibiting disclosure of information regarding the Customers, and the failure of the Servicer to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.02(b).

(c) Release of Documents. Upon instruction from the Indenture Trustee in accordance with the Indenture, the Servicer shall release any Securitized Utility Tariff Property Records to the Indenture Trustee, the Indenture Trustee's agent or the Indenture Trustee's designee, as the case may be, at such place or places as the Indenture Trustee may designate, as soon as practicable. Nothing in this Section 5.02(c) shall affect the obligation of the Servicer to observe any applicable law (including any MPSC Regulation) prohibiting disclosure of information regarding the Customers, and the failure of the Servicer to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.02(c).

(d) Defending Securitized Utility Tariff Property Against Claims. The Servicer agrees to take such legal or administrative actions, including defending against or instituting and pursuing legal actions and appearing or testifying at hearings or similar proceedings, as may be reasonably necessary (i) to block or overturn any attempts to cause a repeal, modification or supplement to the Securitization Law or the Financing Order or the rights of holders of Securitized Utility Tariff Property by legislative enactment, voter initiative, constitutional amendment or other means that would be materially adverse to Bondholders and (ii) to compel performance by the MPSC or the State of Missouri of any of their obligations or duties under the Securitization Law or the Financing Order. The costs of any such action shall be payable from Securitized Utility Tariff Charge Collections as an Operating Expense in accordance with the priorities set forth in Section 8.02(d) of the Indenture. The Servicer shall have no obligations under this paragraph if it is not being reimbursed on a current basis for its costs and expenses in taking such actions, and shall not be required to advance its own funds to satisfy its obligations hereunder).

(e) Seeking to Prevent Expansions of Exemptions. The Servicer agrees to take such legal or administrative actions, including defending against or instituting and pursuing legal actions and appearing or testifying at hearings or similar proceedings, as may be reasonably necessary to attempt to prevent the granting by the State of Missouri or the MPSC, after the Closing Date, of any material exemptions from the obligation to pay Securitized Utility Tariff Charges that are not expressly provided for in the Securitization Law and that violate the State Pledge or any other obligations of the State of Missouri or the MPSC under the Securitization Law or the Financing Order, including any failure of the MPSC to require any municipal entity which acquires any portion of the service territory of Liberty to impose, collect and remit the Securitized Utility Tariff Charges. The Servicer shall have no obligations under this paragraph if it is not being reimbursed on a current basis for its costs and expenses in taking such actions, and shall not be required to advance its own funds to satisfy its obligations hereunder.

SECTION 5.03. Custodian's Indemnification.

The Servicer as custodian shall indemnify the Issuer, any Independent Manager and the Indenture Trustee (for itself and for the benefit of the Holders) and each of their respective officers, directors, employees and agents for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "Indemnified Losses") that may be imposed on, incurred by or asserted against each such Person as the result of any grossly negligent act or omission in any way relating to the maintenance and custody by the Servicer, as custodian, of the Securitized Utility Tariff Property Records; provided, however, that the Servicer shall not be liable for any portion of any such amount resulting from the willful misconduct, bad faith or negligence of the Issuer, any Independent Manager or the Indenture Trustee, as the case may be.

Indemnification under this Section 5.03 shall survive resignation or removal of the Indenture Trustee or any Independent Manager and shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable attorney's fees and expenses and reasonable fees, out-of-pocket expenses and costs incurred in connection with any action, claim or suit brought to enforce the Indenture Trustee's right to indemnification).

SECTION 5.04. Effective Period and Termination.

The Servicer's appointment as custodian shall become effective as of the Closing Date and shall continue in full force and effect until terminated pursuant to this Section 5.04. If the Servicer shall resign as Servicer in accordance with Section 6.05 of this Agreement or if all of the rights and obligations of the Servicer shall have been terminated under Section 7.01, the appointment of the Servicer as custodian shall be terminated effective as of the date on which the termination or resignation of the Servicer is effective. Additionally, if not sooner terminated as provided above, the Servicer's obligations as custodian shall terminate one year and one day after the date on which no Securitized Utility Tariff Bonds are Outstanding.

ARTICLE VI
THE SERVICER

SECTION 6.01. Representations and Warranties of Servicer.

The Servicer makes the following representations and warranties, as of the Closing Date, and as of such other dates as expressly provided in this Section 6.01, on which the Issuer and the Indenture Trustee are deemed to have relied in entering into this Agreement relating to the servicing of the Securitized Utility Tariff Property. The representations and warranties shall survive the execution and delivery of this Agreement, the sale of any Securitized Utility Tariff Property and the pledge thereof to the Indenture Trustee pursuant to the Indenture.

- (a) Organization and Good Standing. The Servicer is duly organized and validly existing and is in good standing under the laws of the State of Kansas, with the requisite corporate or other power and authority to own its properties and to conduct its business as such properties are currently owned and such business is presently conducted by it and to service the Securitized Utility Tariff Property and hold the Securitized Utility Tariff Property Records, and to execute, deliver and carry out the terms of this Agreement, and had at all relevant times, and has, the requisite power, authority and legal right to service the Securitized Utility Tariff Property and to hold the Securitized Utility Tariff Property Records as custodian.
- (b) Due Qualification. The Servicer is duly qualified to do business and is in good standing, and has obtained all necessary licenses and approvals, in all jurisdictions in which the ownership or lease of property or the conduct of its business (including the servicing of the Securitized Utility Tariff Property as required by this Agreement) shall require such qualifications, licenses or approvals (except where the failure to so qualify would not be reasonably likely to have a material adverse effect on the Servicer's business, operations, assets, revenues or properties or to its servicing of the Securitized Utility Tariff Property).
- (c) Power and Authority. The execution, delivery and performance of this Agreement has been duly authorized by all necessary action on the part of the Servicer under its organizational or governing documents and laws.
- (d) Binding Obligation. This Agreement constitutes a legal, valid and binding obligation of the Servicer enforceable against the Servicer in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and other laws relating to or affecting creditors' rights generally from time to time in effect and to general principles of equity (including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing), regardless of whether considered in a proceeding in equity or at law.
- (e) No Violation. The consummation by the Servicer of the transactions contemplated by this Agreement and the fulfillment by the Servicer of the terms hereof shall not conflict with, result in any breach of any of the terms and provisions of, nor constitute (with or without notice or lapse of time) a material default under, the articles of incorporation or bylaws of the Servicer, or any indenture, material agreement or other instrument to which the Servicer is a party or by which it or any of its property is bound; nor result in the creation or imposition of any Lien upon any of its properties pursuant to the terms of any such indenture, agreement or other instrument other than the Basic Documents or any lien created pursuant to the Securitization Law; nor violate any existing law or any order, rule or regulation applicable to the Servicer of any court or of any Governmental Authority having jurisdiction over the Servicer or its properties.
- (f) No Proceedings. There are no proceedings pending and, to the Servicer's knowledge, there are no proceedings threatened and, to the Servicer's knowledge, there are no investigations pending or threatened, before any Governmental Authority having jurisdiction over the Servicer or its properties involving or relating to the Servicer or the Issuer or, to the Servicer's knowledge, any other Person: (i) asserting the invalidity of this Agreement or any of the other Basic Documents, (ii) seeking to prevent the issuance of the Securitized Utility Tariff Bonds or the consummation of any of the transactions contemplated by this Agreement or any of the other Basic Documents, (iii) seeking any determination or ruling that could reasonably be expected to materially and adversely affect the performance by the Servicer of its obligations under, or the validity or enforceability of, this Agreement, any of the other Basic Documents or the Securitized Utility Tariff Bonds or (iv) seeking to adversely affect the federal income tax or state income or franchise tax classification of the Securitized Utility Tariff Bonds as debt.

(g) Approvals. No approval, authorization, consent, order or other action of, or filing with, any court, Federal or state regulatory body, administrative agency or other governmental instrumentality is required in connection with the execution and delivery by the Servicer of this Agreement, the performance by the Servicer of the transactions contemplated hereby or the fulfillment by the Servicer of the terms hereof, except those that have been obtained or made and those that the Servicer is required to make in the future pursuant to Article IV hereof.

(h) Reports and Certificates. Each report and certificate delivered in connection with the Issuance Advice Letter or True-Up Adjustments will constitute a representation and warranty by the Servicer that each such report or certificate, as the case may be, is true and correct in all material respects; provided, however, that to the extent any such report or certificate is based in part upon or contains assumptions, forecasts or other predictions of future events, the representation and warranty of the Servicer with respect thereto will be limited to the representation and warranty that such assumptions, forecasts or other predictions of future events are reasonable based upon historical performance (and facts known to the Servicer on the date such report or certificate is delivered).

SECTION 6.02. Indemnities of Servicer; Release of Claims.

(a) The Servicer shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Servicer under this Agreement.

(b) The Servicer shall indemnify the Issuer, the Indenture Trustee (for itself and for the benefit of the Holders) and the Independent Manager and each of their respective trustees, officers, directors, employees and agents (each, an "Indemnified Person"), for, and defend and hold harmless each such Person from and against, any and all Indemnified Losses imposed on, incurred by or asserted against any such Person as a result of (i) the Servicer's willful misconduct, bad faith or gross negligence in the performance of, or reckless disregard of, its obligations and duties or observance of its covenants under this Agreement or (ii) the Servicer's material breach of any of its representations or warranties that results in a Servicer Default under this Agreement, except to the extent of Indemnified Losses either resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder or resulting from a material breach of a representation or warranty made by such Person seeking indemnification hereunder in any of the Basic Documents that gives rise to the Servicer's breach.

(c) For purposes of Section 6.02(b), in the event of the termination of the rights and obligations of Liberty (or any successor thereto pursuant to Section 6.03) as Servicer pursuant to Section 7.01, or a resignation by such Servicer pursuant to this Agreement, such Servicer shall be deemed to be the Servicer pending appointment of a successor Servicer pursuant to Section 7.02.

(d) Indemnification under this Section 6.02 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Securitization Law or the Financing Order and shall survive the resignation or removal of the Indenture Trustee or any Independent Manager or the termination of this Agreement and shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable attorney's fees and expenses and the reasonable fees, out-of-pocket expenses and costs incurred in connection with any action, claim or suit brought to enforce the Indenture Trustee's right to indemnification).

(e) Except to the extent expressly provided in this Agreement or the other Basic Documents (including the Servicer's claims with respect to the Servicing Fee, reimbursement for any Excess Remittance, reimbursement for costs incurred pursuant to Section 5.02(d) and the payment of the purchase price of Securitized Utility Tariff Property), the Servicer hereby releases and discharges the Issuer, any Independent Manager and the Indenture Trustee, and each of their respective officers, directors and agents (collectively, the "Released Parties") from any and all actions, claims and demands whatsoever, whenever arising, which the Servicer, in its capacity as Servicer or otherwise, shall or may have against any such Person relating to the Securitized Utility Tariff Property or the Servicer's activities with respect thereto other than any actions, claims and demands arising out of the willful misconduct, bad faith or gross negligence of the Released Parties.

(f) Promptly after receipt by an Indemnified Person of notice (or, in the case of the Indenture Trustee, receipt of notice by a Responsible Officer only) of the commencement of any action, proceeding or investigation, such Indemnified Person shall, if a claim in respect thereof is to be made against the Servicer under this Section 6.02, notify the Servicer in writing of the commencement thereof. Failure by an Indemnified Person to so notify the Servicer shall relieve the Servicer from the obligation to indemnify and hold harmless such Indemnified Person under this Section 6.02 only to the extent that the Servicer suffers actual prejudice as a result of such failure. With respect to any action, proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.02, the Servicer shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Person, the defense of any such action, proceeding or investigation (in which case the Servicer shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Person except as set forth below); provided that the Indemnified Person shall have the right to participate in such action, proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the Servicer's election to assume the defense of any action, proceeding or investigation, the Indemnified Person shall have the right to employ separate counsel (including local counsel), and the Servicer shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the defendants in any such action include both the Indemnified Person and the Servicer and the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to the Servicer, (ii) the Servicer shall not have employed counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person within a reasonable time after notice of the institution of such action, (iii) the Servicer shall authorize the Indemnified Person to employ separate counsel at the expense of the Servicer or (iv) in the case of the Indenture Trustee, such action exposes the Indenture Trustee to a material risk of criminal liability or forfeiture or a Servicer Default has occurred and is continuing. Notwithstanding the foregoing, the Servicer shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Persons other than one local counsel, if appropriate. The Servicer will not, without the prior written consent of the Indemnified Person, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought under this Section 6.02 (whether or not the Indemnified Person is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Person from all liability arising out of such claim, action, suit or proceeding.

SECTION 6.03. Merger or Consolidation of, or Assumption of the Obligations of, Servicer.

Any Person (a) into which the Servicer may be merged or consolidated and that succeeds to all or substantially all of the electric transmission and distribution business of the Servicer, (b) that results from the division of the Servicer into two or more entities and succeeds to all or substantially all of the electric transmission and distribution business of the Servicer, (c) that may result from any merger or consolidation to which the Servicer shall be a party and succeeds to all or substantially all of the electric transmission and distribution business of the Servicer, or (d) that may otherwise succeed to all or substantially all of the electric transmission and distribution business of the Servicer, shall be the successor to the Servicer under this Agreement; provided, however, that (i) such successor must execute an agreement of assumption to perform every obligation of the Servicer hereunder, (ii) immediately after giving effect to such transaction, no Servicer Default and no event that, after notice or lapse of time, or both, would become a Servicer Default shall have occurred and be continuing, (iii) the Servicer shall have delivered to the Issuer, the Indenture Trustee and the Rating Agencies an Officers' Certificate and an Opinion of Counsel each stating that such consolidation, merger or succession and such agreement of assumption complies with this Section 6.03 and that all conditions precedent provided for in this Agreement relating to such transaction have been complied with and (iv) prior written notice shall have been delivered to the Rating Agencies. Notwithstanding anything herein to the contrary, the execution of the foregoing agreement of assumption and compliance with clauses (i) and (ii) above shall be conditions to the consummation of the transactions referred to in clauses (a), (b), (c) and (d) above. If all the conditions to any such assumption are met, then the prior Servicer will automatically be released from all of its obligations under this Agreement, other than those that specifically survive a termination of this Agreement.

SECTION 6.04. Limitation on Liability of Servicer and Others.

Neither the Servicer nor any of the directors or officers or employees or agents of the Servicer shall be liable to the Issuer, the Indenture Trustee, the Bondholders or any other Person, except as provided under this Agreement, for any action taken or for refraining from the taking of any action pursuant to this Agreement or for good faith errors in judgment; provided, however, that this provision shall not protect the Servicer or any such person against any liability that would otherwise be imposed by reason of willful misconduct, bad faith or gross negligence in the performance of duties or by reason of reckless disregard of obligations and duties under this Agreement. The Servicer and any director, officer, employee or agent of the Servicer may rely in good faith on the advice of counsel or on any document of any kind, prima facie properly executed and submitted by any Person, respecting any matters arising under this Agreement.

Except as provided in this Agreement, the Servicer shall not be under any obligation to appear in, prosecute or defend any legal action that shall not be related to or incidental to its duties to service the Securitized Utility Tariff Property in accordance with this Agreement, and that in its opinion may involve it in any expense or liability; provided, however, that the Servicer may, in respect of any Proceeding, undertake any action that it is not specifically identified in this Agreement as a duty of the Servicer but that the Servicer reasonably determines is necessary or desirable in order to protect the rights and duties of the Issuer or the Indenture Trustee under this Agreement and the interests of the Holders and Customers under this Agreement. The Servicer's costs and expenses incurred in connection with any such proceeding shall be payable from Securitized Utility Tariff Charge Collections as an Operating Expense (and shall not be deemed to constitute a portion of the Servicing Fee) in accordance with the Indenture. The Servicer shall have no obligations under this paragraph if it is not being reimbursed on a current basis for its costs and expenses in taking such actions, and shall not be required to advance its own funds to satisfy its obligations hereunder.

SECTION 6.05. Liberty Not to Resign as Servicer.

Subject to the provisions of Section 6.03, Liberty shall not resign from the obligations and duties hereby imposed on it as Servicer under this Agreement except upon either (a) a determination by Liberty that the performance of its duties under this Agreement shall no longer be permissible under applicable law or (b) satisfaction of the following: (i) the Rating Agency Condition shall have been satisfied and (ii) the MPSC shall have approved such resignation. Notice of any such determination permitting the resignation of Liberty pursuant to clause (a) shall be communicated to the Issuer, the Indenture Trustee and the Rating Agencies at the earliest practicable time (and, if such communication is not in writing, shall be confirmed in writing at the earliest practicable time) and any such determination shall be evidenced by an Opinion of Counsel to such effect delivered to the Issuer and the Indenture Trustee, with a copy to the MPSC, concurrently with or promptly after such notice. No such resignation shall become effective until a successor Servicer shall have assumed the responsibilities and obligations of Liberty in accordance with Section 7.02. No such resignation shall become effective until a successor Servicer shall have assumed the responsibilities and obligations of Liberty in accordance with Section 7.02.

SECTION 6.06. Servicing Compensation.

(a) In consideration for its services hereunder, until the Retirement of the Securitized Utility Tariff Bonds, the Servicer shall receive an annual fee (the "Servicing Fee") in an amount equal to (i) 0.05% of the initial principal amount of the Securitized Utility Tariff Bonds for so long as Liberty or an Affiliate of Liberty is the Servicer or (ii) if Liberty or any of its Affiliates is not the Servicer, an amount agreed upon by the Successor Servicer and the Indenture Trustee acting at the direction of the Holders of a majority of the Securitized Utility Tariff Bonds, provided that such fee shall not exceed 0.60% of the initial principal amount of the Securitized Utility Tariff Bonds unless such higher rate is approved by the MPSC, plus, in either case, reasonable out-of-pocket administrative expenses to cover the Servicer's incremental costs and expenses in servicing the Securitized Utility Tariff Bond. The Servicing Fee owing shall be calculated based on the initial principal amount of the Securitized Utility Tariff Bonds and shall be paid semi-annually with half of the Servicing Fee being paid on each Payment Date (provided that the first payment may be adjusted for a longer or shorter first Payment Period). The Servicer also shall be entitled to retain as additional compensation (i) any interest earnings on Securitized Utility Tariff Charge Payments received by the Servicer and invested by the Servicer during each Collection Period prior to remittance to the Collection Account and (ii) all late payment charges, if any, collected from Customers; provided, however, that if the Servicer has failed to remit the Daily Remittance to the General Subaccount of any Collection Account on the Servicer Business Day that such payment is to be made pursuant to Section 6.11 on more than three (3) occasions during the period that the Securitized Utility Tariff Bonds are outstanding, then thereafter the Servicer will be required to pay to the Indenture Trustee interest on each Daily Remittance accrued at the Federal Funds Rate from the Servicer Business Day on which such Daily Remittance was required to be made to the date that such Daily Remittance is actually made.

(b) The Servicing Fee set forth in Section 6.06(a) shall be paid to the Servicer by the Indenture Trustee, on each Payment Date in accordance with the priorities set forth in Section 8.02(e) of the Indenture, by wire transfer of immediately available funds from the Collection Account to an account designated by the Servicer. Any portion of the Servicing Fee not paid on any such date should be added to the Servicing Fee payable on the subsequent Payment Date. In no event shall the Indenture Trustee be liable for the payment of any Servicing Fee or other amounts specified in this Section 6.06; provided that this Section 6.06 does not relieve the Indenture Trustee of any duties it has to allocate funds for payment for such fees under Section 8.02 of the Indenture.

(c) The foregoing Servicing Fees constitute a fair and reasonable price for the obligations to be performed by the Servicer. Such Servicing Fee shall be determined without regard to the income of the Issuer, shall not be deemed to constitute distributions to the recipient of any profit, loss or capital of the Issuer and shall be considered an Operating Expense of the Issuer subject to the limitations on such expenses set forth in the Financing Order.

SECTION 6.07. Compliance with Applicable Law.

The Servicer covenants and agrees, in servicing the Securitized Utility Tariff Property, to comply in all material respects with all laws applicable to, and binding upon, the Servicer and relating to the Securitized Utility Tariff Property the noncompliance with which would have a material adverse effect on the value of the Securitized Utility Tariff Property; provided, however, that the foregoing is not intended to, and shall not, impose any liability on the Servicer for noncompliance with any Requirement of Law that the Servicer is contesting in good faith in accordance with its customary standards and procedures.

SECTION 6.08. Access to Certain Records and Information Regarding Securitized Utility Tariff Property.

The Servicer shall provide to the Indenture Trustee access to the Securitized Utility Tariff Property Records as is reasonably required for the Indenture Trustee to perform its duties and obligations under the Indenture and the other Basic Documents, and shall provide access to such records to the Holders as required by applicable law. Access shall be afforded without charge, but only upon reasonable request and during normal business hours at the respective offices of the Servicer. Nothing in this Section 6.08 shall affect the obligation of the Servicer to observe any applicable law (including any MPSC Regulation) prohibiting disclosure of information regarding the Customers, and the failure of the Servicer to provide access to such information as a result of such obligation shall not constitute a breach of this Section 6.08.

SECTION 6.09. Appointments.

The Servicer may at any time appoint any Person to perform all or any portion of its obligations as Servicer hereunder; provided, however, that, unless such Person is an Affiliate of Liberty, the Rating Agency Condition shall have been satisfied in connection therewith; provided further that the Servicer shall remain obligated and be liable under this Agreement for the servicing and administering of the Securitized Utility Tariff Property in accordance with the provisions hereof without diminution of such obligation and liability by virtue of the appointment of such Person and to the same extent and under the same terms and conditions as if the Servicer alone were servicing and administering the Securitized Utility Tariff Property. The fees and expenses of any such Person shall be as agreed between the Servicer and such Person from time to time and none of the Issuer, the Indenture Trustee, the Holders or any other Person shall have any responsibility therefor or right or claim thereto. Any such appointment shall not constitute a Servicer resignation under Section 6.05.

SECTION 6.10. No Servicer Advances.

The Servicer shall not make any advances of interest on or principal of the Securitized Utility Tariff Bonds.

SECTION 6.11. Remittances.

(a) On each Servicer Business Day, after the Billing Commencement Date, the Servicer shall remit to the General Subaccount of the Collection Account the total Estimated Securitized Utility Tariff Charge Collections estimated to have been received by the Servicer from or on behalf of Customers on such Servicer Business Day in respect of all previously billed Securitized Utility Tariff Charges (the “Daily Remittance”), which Daily Remittance shall be calculated according to the procedures set forth in Annex I and shall be remitted as soon as reasonably practicable but in no event later than the second Servicer Business Day after such payments are estimated to have been received. Prior to each remittance to the General Subaccount of the Collection Account pursuant to this Section 6.11, the Servicer shall provide written notice to the Indenture Trustee of each such remittance (including the exact dollar amount to be remitted). The Servicer shall also, promptly upon receipt, remit to the Collection Account any other proceeds of the Securitized Utility Tariff Bond Collateral which it may receive from time to time.

(b) The Servicer agrees and acknowledges that it holds all Securitized Utility Tariff Charge Payments collected by it and any other proceeds for the Securitized Utility Tariff Bond Collateral received by it for the benefit of the Indenture Trustee and the Holders and that all such amounts will be remitted by the Servicer in accordance with this Section 6.11 without any surcharge, fee, offset, charge or other deduction except (i) as set forth in clause (c) below and (ii) for late fees permitted by Section 6.06. The Servicer further agrees not to make any claim to reduce its obligation to remit all Securitized Utility Tariff Charge Payments collected by it in accordance with this Agreement except (i) as set forth in clause (c) below and (ii) for late fees permitted by Section 6.06.

(c) Not less often than semi-annually (except in the case of the first reconciliation after the first Payment Date, which may be longer than six months), the Servicer will compare Actual Securitized Utility Tariff Charge Collections to the Estimated Securitized Utility Tariff Charge Collections that have been remitted to the Indenture Trustee. Such reconciliation will be conducted within sixty (60) days of each Payment Date and reflected in a Reconciliation Certificate delivered to the Indenture Trustee in the form attached hereto as Exhibit D. The Servicer shall calculate the amount of any Remittance Shortfall or Excess Remittance for the immediately preceding Reconciliation Period, and (A) if a Remittance Shortfall exists, the Servicer shall make a supplemental remittance, to the General Subaccount of the Collection Account within ten (10) days, or (B) if an Excess Remittance exists, the Servicer will reduce the Daily Remittance(s) over the next month following the date of the Reconciliation Certificate to the Indenture Trustee. If there is a Remittance Shortfall, the amount which the Servicer remits to the General Subaccount of the Collection Account on the relevant date set forth above shall be increased by the amount of such Remittance Shortfall, such increase coming from the Servicer's own funds.

(d) The Servicer acknowledges and agrees that the Issuer is the owner of and has the legal right to all Securitized Utility Tariff Charges received by the Servicer, and that the daily and reconciliation calculations and remittances permitted by this Servicing Agreement, which are based upon estimates of the Securitized Utility Tariff Charges received by the Servicer, is made for convenience and cost effectiveness given the current billing system of the Servicer. The Servicer agrees that in the event any Servicer Default hereunder, the Servicer, upon demand of the Indenture Trustee (acting at the written direction of the Holders), will promptly, but not later than 60 days follow such request, provide to the Indenture Trustee a reconciliation of actual Securitized Utility Tariff Charges received by the Servicer and the Securitized Utility Tariff Charges remitted by the Servicer.

(e) Unless otherwise directed to do so by the Issuer, the Servicer shall be responsible for selecting Eligible Investments in which the funds in each Collection Account shall be invested pursuant to Section 8.03 of the Indenture.

ARTICLE VII
DEFAULT

SECTION 7.01. Servicer Default.

If any one or more of the following events (each, a "Servicer Default") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account on behalf of the Issuer any required remittance that shall continue unremedied for a period of five (5) Business Days after written notice of such failure is received by the Servicer from the Issuer or the Indenture Trustee or after discovery of such failure by an officer of the Servicer; or

(b) any failure on the part of the Servicer or, so long as the Servicer is Liberty or an Affiliate thereof, any failure on the part of Liberty, as the case may be, duly to observe or to perform in any material respect any covenants or agreements of the Servicer or Liberty, as the case may be, set forth in this Agreement (other than as provided in clause (a) of this Section 7.01) or any other Basic Document to which it is a party, which failure shall (i) materially and adversely affect the rights of the Holders and (ii) continue unremedied for a period of sixty (60) days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or Liberty, as the case may be, by the Issuer (with a copy to the Indenture Trustee) or to the Servicer or Liberty, as the case may be, by the Indenture Trustee (acting at the written direction of the Holders) or (B) such failure is discovered by an officer of the Servicer; or

(c) any failure by the Servicer duly to perform its obligations under Section 4.01(b) of this Agreement in the time and manner set forth therein, which failure continues unremedied for a period of five (5) Business Days; or

(d) any representation or warranty made by the Servicer in this Agreement or any Basic Document shall prove to have been incorrect in a material respect when made, which has a material adverse effect on the Holders and which material adverse effect continues unremedied for a period of sixty (60) days after the date on which (A) written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer (with a copy to the Indenture Trustee) by the Issuer or the Indenture Trustee (acting at the written direction of the Holders) or (B) such failure is discovered by an officer of the Servicer; or

(e) an Insolvency Event occurs with respect to the Servicer or Liberty;

then, and in each and every case, so long as the Servicer Default shall not have been remedied, either the Indenture Trustee, or the Holders of Securitized Utility Tariff Bonds evidencing not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds, by notice then given in writing to the Servicer (and to the Indenture Trustee if given by the Bondholders) (a "Termination Notice") may terminate all the rights and obligations of the Servicer, subject to compliance with Section 7.02. In addition, upon a Servicer Default described in Section 7.01(a), each of the following shall be entitled to apply to the MPSC for sequestration and payment of revenues arising with respect to the Securitized Utility Tariff Property: (i) the Holders of any Securitized Utility Tariff Bonds and any Indenture Trustee or representative thereof as beneficiaries of any statutory or other Lien permitted by the Securitization Law; (ii) the Issuer or its assignees; or (iii) pledgees or transferees, including transferees under Section 393.1700.5.(1)(c) of the Securitization Law, of the Securitized Utility Tariff Property. On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Securitized Utility Tariff Bonds, the Securitized Utility Tariff Property, the Securitized Utility Tariff Charges or otherwise, shall, without further action, pass to and be vested in such successor Servicer as may be appointed under Section 7.02; and, without limitation, the Indenture Trustee is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of the Securitized Utility Tariff Property Records and related documents, or otherwise. The predecessor Servicer shall cooperate with the successor Servicer, the Issuer and the Indenture Trustee in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the successor Servicer for administration by it of all Securitized Utility Tariff Property Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Securitized Utility Tariff Property or the Securitized Utility Tariff Charges. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Securitized Utility Tariff Property Records to the successor Servicer. In case a successor Servicer is appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable attorney's fees and expenses) incurred in connection with transferring the Securitized Utility Tariff Property Records to the successor Servicer and amending this Agreement to reflect such succession as Servicer pursuant to this Section 7.01 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of Liberty as Servicer shall not terminate Liberty's rights or obligations under the Sale Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

SECTION 7.02. Appointment of Successor.

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.01 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, and shall be entitled to receive the requisite portion of the Servicing Fee, until a successor Servicer shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's termination, removal or resignation hereunder, the Issuer shall appoint a successor Servicer with the Indenture Trustee's prior written consent thereto (acting at the written direction and the consent, which shall not be unreasonably withheld, of the Holders of a majority of the Securitized Utility Tariff Bonds) and the written approval of the MPSC, and the successor Servicer shall accept its appointment by a written assumption in form acceptable to the Issuer and the Indenture Trustee. If within 30 days after the delivery of the Termination Notice, the Issuer shall not have obtained such a new Servicer, the Indenture Trustee may petition the MPSC or a court of competent jurisdiction to appoint a successor Servicer under this Agreement. A Person shall qualify as a successor Servicer only if (i) such Person is permitted under MPSC Regulations to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied and (iii) such Person enters into a servicing agreement with the Issuer having substantially the same provisions as this Agreement. In no event shall the Indenture Trustee be liable for its or the Issuer's appointment of a successor Servicer. The Indenture Trustee's expenses incurred under this Section 7.02(a) shall be at the sole expense of the Issuer and payable from the Collection Account as provided in Section 8.02 of the Indenture.

(b) Upon appointment, the successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter relating thereto placed on the predecessor Servicer and shall be entitled to the Servicing Fee and all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

SECTION 7.03. Waiver of Past Defaults.

The Holders of Securitized Utility Tariff Bonds evidencing not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds may, on behalf of all Bondholders, direct the Indenture Trustee to waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences, except a default in making any required remittances to the Indenture Trustee for deposit to the Collection Account in accordance with this Agreement. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

SECTION 7.04. Notice of Servicer Default.

The Servicer shall deliver to the Issuer, the Indenture Trustee, the MPSC and the Rating Agencies, promptly after having obtained knowledge thereof, but in no event later than five (5) Business Days thereafter, written notice of any event which with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.01.

ARTICLE VIII
MISCELLANEOUS PROVISIONS

SECTION 8.01. Amendment.

(a) This Agreement may be amended in writing by the Servicer and the Issuer with five Business Days' prior written notice given to the Rating Agencies and the prior written consent of the Indenture Trustee, but without the consent of any of the Bondholders, (i) to cure any ambiguity, to correct or supplement any provisions in this Agreement, (ii) to add additional Securitized Utility Tariff Property under this Agreement or (iii) for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions in this Agreement or of modifying in any manner the rights of the Bondholders; provided, however, that any such amendment pursuant to clause (iii) shall not, as evidenced by an Officer's Certificate delivered to the Issuer and the Indenture Trustee, adversely affect in any material respect the interests of any Bondholder. For purposes of this paragraph (a), any amendment that increases the Servicing Fee payable to a successor Servicer shall not be treated as adversely affecting the interests of any Bondholder so long as the Servicing Fee is within the range approved in the Financing Order.

(b) This Agreement may also be amended in writing from time to time by the Servicer and the Issuer with prior written notice given to the Rating Agencies and the prior written consent of the Indenture Trustee and the prior written consent of the Holders of Securitized Utility Tariff Bonds evidencing not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds affected by any such amendment, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or of modifying in any manner the rights of the Bondholders; provided, however, that no such amendment shall (i) increase or reduce in any manner the amount of, or accelerate or delay the timing of, Securitized Utility Tariff Charge Collections or (ii) reduce the aforesaid percentage of the Outstanding Amount of Securitized Utility Tariff Bonds, the Holders of which are required to consent to any such amendment, without the consent of the Holders of all the outstanding Securitized Utility Tariff Bonds.

Promptly after the execution of any such amendment and the requisite consents, the Issuer shall furnish written notification of the substance of such amendment to the Indenture Trustee and each of the Rating Agencies.

It shall not be necessary for the consent of Bondholders pursuant to this Section 8.01(b) to approve the particular form of any proposed amendment or consent, but it shall be sufficient if such consent shall approve the substance thereof.

(c) Prior to the execution of any amendment to this Agreement, the Issuer and the Indenture Trustee shall be entitled to receive and conclusively rely upon an Opinion of Counsel of external counsel stating that such amendment is authorized or permitted by this Agreement and that all conditions precedent have been satisfied and upon the Opinion of Counsel from external counsel referred to in Section 3.01(c)(i). The Issuer and the Indenture Trustee may, but shall not be obligated to, enter into any such amendment which affects their own rights, duties, indemnities or immunities under this Agreement or otherwise.

(d) Notwithstanding Sections 8.01(a) or 8.01(b), or anything to the contrary in this Agreement, the Servicer and the Issuer may amend Annex I to this Agreement in writing with prior written notice given to the Indenture Trustee, the MPSC and the Rating Agencies, but without the consent of the Indenture Trustee, the MPSC, any Rating Agency or any Bondholder, solely to address changes to the Servicer's method of calculating Securitized Utility Tariff Charge Payments received as a result of changes to the Servicer's current computerized customer information system or to address the manner of presenting Securitized Utility Tariff Charges on the Bills of Customers; provided that any such amendment shall not have or cause a material adverse effect on the Bondholders.

SECTION 8.02. Maintenance of Accounts and Records.

(a) The Servicer shall maintain accounts and records as to the Securitized Utility Tariff Property accurately and in accordance with its standard accounting procedures and in sufficient detail to permit reconciliation between Securitized Utility Tariff Charge Payments received by the Servicer and Securitized Utility Tariff Charge Collections from time to time deposited in the Collection Account.

(b) The Servicer shall permit the Indenture Trustee and its agents at any time during normal business hours, upon reasonable notice to the Servicer and to the extent it does not unreasonably interfere with the Servicer's normal operations, to inspect, audit and make copies of and abstracts from the Servicer's records regarding the Securitized Utility Tariff Property and the Securitized Utility Tariff Charges. Nothing in this Section 8.02(b) shall affect the obligation of the Servicer to observe any applicable law (including any MPSC Regulation) prohibiting disclosure of information regarding the Customers, and the failure of the Servicer to provide access to such information as a result of such obligation shall not constitute a breach of this Section 8.02(b).

SECTION 8.03. Notices.

Unless otherwise specifically provided herein, all notices, directions, consents and waivers required under the terms and provisions of, this Agreement shall be in writing and shall be effective (i) upon receipt when sent through the mails, registered or certified mail, return receipt requested, postage prepaid, with such receipt to be effective the date of delivery indicated on the return receipt, (ii) upon receipt when sent by an overnight courier, (iii) on the date personally delivered to an authorized officer of the party to which sent or (iv) on the date transmitted by facsimile or other electronic transmission with a confirmation of receipt in all cases, addressed as follows:

SECTION 8.04. Assignment.

Notwithstanding anything to the contrary contained herein, except as provided in [Section 6.03](#) and as provided in the provisions of this Agreement concerning the resignation of the Servicer, this Agreement may not be assigned by the Servicer.

SECTION 8.05. Limitations on Rights of Others.

The provisions of this Agreement are solely for the benefit of the Servicer and the Issuer and, to the extent provided herein or in the Basic Documents, Customers, the Indenture Trustee and the Holders, and the other Persons expressly referred to herein, and such Persons shall have the right to enforce the relevant provisions of this Agreement. Nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Securitized Utility Tariff Property or Securitized Utility Tariff Bond Collateral or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

SECTION 8.06. Severability.

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such a construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 8.07. Separate Counterparts.

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. The words "execution," "signed," "delivery," and words of like import in or relating to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

SECTION 8.08. Headings.

The headings of the various Articles and Sections herein are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

SECTION 8.09. Governing Law.

This Agreement shall be governed by, and construed and interpreted in accordance with, the laws of the State of Missouri, without reference to its conflict of law provisions, and the obligations, rights and remedies of the parties hereunder shall be determined in accordance with such laws.

SECTION 8.10. Assignment to Indenture Trustee.

(a) The Servicer hereby acknowledges and consents to any mortgage, pledge, assignment and grant of a security interest by the Issuer to the Indenture Trustee for the benefit of the Secured Parties pursuant to the Indenture of any or all of the Issuer's rights hereunder and (b) in no event shall the Indenture Trustee have any liability for the representations, warranties, covenants, agreements or other obligations of the Issuer hereunder or in any of the certificates delivered pursuant hereto, as to all of which any recourse shall be had solely to the assets of the Issuer subject to the availability of funds therefor under Section 8.02 of the Indenture.

SECTION 8.11. Nonpetition Covenants.

Notwithstanding any prior termination of this Agreement or the Indenture, but subject to the MPSC's right to order the sequestration and payment of revenues arising with respect to the Securitized Utility Tariff Property notwithstanding any bankruptcy, reorganization or other insolvency proceedings with respect to the debtor, pledgor or transferor of the Securitized Utility Tariff Property pursuant to Section 393.1700.5.(2)(b) of the Securitization Law, the Servicer shall not, prior to the date that is one year and one day after the termination of the Indenture, acquiesce, petition or otherwise invoke or cause the Issuer to invoke the process of any court or governmental authority for the purpose of commencing or sustaining a case against the Issuer under any Federal or state bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Issuer or any substantial part of the property of the Issuer or ordering the winding up or liquidation of the affairs of the Issuer.

ANNEX I

SERVICING PROCEDURES

The Servicer agrees to comply with the following servicing procedures:

SECTION 1. DEFINITIONS.

(a) Capitalized terms used but not otherwise defined herein shall have the meanings specified in the Securitized Utility Tariff Property Servicing Agreement (the “Agreement”) to which this Annex I is attached.

(b) Whenever used in this Annex I, the following words and phrases shall have the following meanings:

“Average Days Sales Outstanding” means the weighted average number of days Liberty monthly bills to Customers remain outstanding during the calendar year preceding the calculation thereof pursuant to Section 4.01(b)(i) of the Servicing Agreement.

“Billed Securitized Utility Tariffs” means the amounts of Securitized Utility Tariff Charges billed by the Servicer, whether billed directly to Customers by the Servicer.

“Securitized Utility Tariff Charge Revenues” means the revenues from Customers by the Servicer from the Billed Securitized Utility Tariffs.

“Servicer Policies and Practices” means, with respect to the Servicer’s duties under this Annex I, the policies and practices of the Servicer applicable to such duties that the Servicer follows with respect to comparable assets that it services for itself and, if applicable, others.

SECTION 2. DATA ACQUISITION.

(a) Installation and Maintenance of Meters. The Servicer shall use its best efforts to cause to be installed, replaced and maintained meters in such places and in such condition as will enable the Servicer to obtain usage measurements for each Customer at least once every billing period.

(b) Meter Reading. At least once each billing period, the Servicer shall obtain usage measurements from each Customer; provided, however, that the Servicer may estimate any Customer’s usage determined in accordance with applicable MPSC Regulations and Servicer Policies and Practices.

(c) Cost of Metering. The Issuer shall not be obligated to pay any costs associated with the routine metering duties set forth in this Section 2, including the costs of installing, replacing and maintaining meters, nor shall the Issuer be entitled to any credit against the Servicing Fee for any cost savings realized by the Servicer as a result of new metering and/or billing technologies.

SECTION 3. USAGE AND BILL CALCULATION.

The Servicer (a) shall obtain a calculation of each Customer's usage (which may be based on data obtained from such Customer's meter read or on usage estimates determined in accordance with the Servicer Policies and Practices and applicable MPSC Regulations) at least once each billing period and shall determine therefrom each Customer's individual Securitized Utility Tariff Charge to be included on such Customer's Bill.

SECTION 4. BILLING.

The Servicer shall implement the Securitized Utility Tariff Charges as of the Billing Commencement Date and shall thereafter bill each Customer, for the respective Customer's outstanding current and past due Securitized Utility Tariff Charges accruing through the date on which the Securitized Utility Tariff Charges may no longer be billed under the Tariff, all in accordance with the following:

(a) Frequency of Bills; Billing Practices. In accordance with the Servicer's then-existing Servicer Policies and Practices for its own charges, as such Servicer Policies and Practices may be modified from time to time, the Servicer shall generate and issue a Bill to each Customer, for such Customers' Securitized Utility Tariff Charges once every applicable billing period, at the same time, with the same frequency and on the same Bill as that containing the Servicer's own charges to such Customers. In the event that the Servicer makes any material modification to its Servicer Policies and Practices for its own charges, it shall notify the Issuer, the Indenture Trustee, the MPSC and the Rating Agencies as soon as practicable, and in no event later than 60 Business Days after such modification goes into effect; provided, however, that the Servicer may not make any modification that will materially adversely affect the Bondholders.

(b) Format.

(i) The Servicer shall conform to such requirements regarding the format, structure and text of Bills delivered to Customers as this Agreement, the Financing Order, the Securitization Law and applicable MPSC Regulations shall from time to time prescribe. To the extent that Bill format, structure and text are not prescribed by this Agreement, the Financing Order, the Securitization Law or by applicable MPSC Regulations, the Servicer shall determine the format, structure and text of all Bills in accordance with its reasonable business judgment, its Servicer Policies and Practices with respect to its own charges and prevailing industry standards.

(c) Delivery. The Servicer shall deliver all Bills issued by it (i) by United States mail in such class or classes as are consistent with the Servicer Policies and Practices followed by the Servicer with respect to its own charges to its Customers or (ii) by any other means, whether electronic or otherwise, that the Servicer may from time to time use to present its own charges to its Customers. The Servicer shall pay from its own funds all costs of issuance and delivery of all Bills, including but not limited to printing and postage costs as the same may increase or decrease from time to time.

SECTION 5. CUSTOMER SERVICE FUNCTIONS.

The Servicer shall handle all Customer inquiries and other Customer service matters according to the same procedures it uses to service Customers with respect to its own charges.

SECTION 6. COLLECTIONS; PAYMENT PROCESSING; REMITTANCE.

(a) Collection Efforts, Policies, Procedures.

(i) The Servicer shall use reasonable efforts to collect all Billed Securitized Utility Tariff Charge Revenues from Customers as and when the same become due and shall follow such collection procedures as it follows with respect to comparable assets that it services for itself or others, including with respect to the following:

(A) The Servicer shall prepare and deliver overdue notices to Customers in accordance with applicable MPSC Regulations and Servicer Policies and Practices.

(B) The Servicer shall apply late payment charges, which may be payable to the extent authorized, to outstanding Customer balances in accordance with applicable MPSC Regulations and as required by the Financing Order. All late payment charges, to the extent available, and interest collected shall be payable to and retained by the Servicer as a component of its compensation under the Agreement, and the Issuer shall have no right to share in the same.

(C) The Servicer shall deliver oral and written past-due and shut-off notices in accordance with applicable MPSC Regulations and Servicer Policies and Practices.

(D) The Servicer shall adhere to and carry out disconnection policies in accordance with applicable MPSC Regulations and Servicer Policies and Practices.

(E) The Servicer may employ the assistance of collection agents in accordance with applicable MPSC Regulations and Servicer Policies and Practices.

(F) The Servicer shall deliver verbal and written final notices of delinquency and possible disconnection in accordance with applicable MPSC Regulations and Servicer Policies and Practices.

(G) The Servicer may employ the assistance of collection agents to collect any past-due Securitized Utility Tariff Charges in accordance with applicable MPSC Regulations and Servicer Policies and Practices and the Tariff.

(H) The Servicer shall apply Customer deposits to the payment of delinquent accounts in accordance with the Financing Order, applicable MPSC Regulations and Servicer Policies and Practices and according to the priorities set forth in Section 6(b) of this Annex I.

(ii) The Servicer may in its own discretion waive any late payment charge or any other fee or charge relating to delinquent payments, if any, and may waive, vary or modify any terms of payment of any amounts payable by a Customer, in each case if such waiver or action: (A) would be in accordance with the Servicer's customary practices or those of any successor Servicer with respect to comparable assets that it services for itself and for others; (B) would not materially adversely affect the rights of the Holders as evidenced by an Officer's Certificate of the Issuer; and (C) would comply with applicable law; provided, however, that notwithstanding anything in the Agreement or this Annex I to the contrary, the Servicer is authorized to write off any Billed Securitized Utility Tariffs, in accordance with its Servicer Policies and Practices.

(iii) The Servicer shall accept payment from Customers in respect of Billed Securitized Utility Tariffs in such forms and methods and at such times and places as it accepts for payment of its own charges.

(b) Payment Processing; Allocation; Priority of Payments.

(i) The Servicer shall post all payments received to Customer accounts as promptly as practicable, and, in any event, substantially all payments shall be posted no later than three (3) Business Days after receipt.

(ii) Subject to clause (iii) below, the Servicer shall apply payments received to each Customer's account in proportion to the charges contained on the outstanding Bill to such Customer.

(iii) If any amounts collected by the Servicer that represent partial payments of the total Bill to a Customer, such amount must be allocated first to the Securitized Utility Tariff Charges, unless a Customer is in a repayment plan under the MPSC's Cold Weather Rule, in which case payments will be prorated among Securitized Utility Tariff Charge categories in proportion to their percentage of the overall bill, with first dollars collected attributed to past due balances, if any.

(iv) The Servicer shall hold all over-payments for the benefit of the Issuer and Liberty and shall apply such funds to future Bill charges in accordance with clauses (ii) and (iii) as such charges become due.

(c) Accounts; Records.

The Servicer shall maintain accounts and records as to the Securitized Utility Tariff Property accurately and in accordance with its standard accounting procedures and in sufficient detail (i) to permit reconciliation between payments or recoveries with respect to the Securitized Utility Tariff Property and the amounts from time to time remitted to the Collection Account in respect of the Securitized Utility Tariff Property and (ii) to permit the Securitized Utility Tariff Charge Collections held by the Servicer to be accounted for separately from the funds with which they may be commingled, so that the dollar amounts of Securitized Utility Tariff Charge Collections commingled with the Servicer's funds may be properly identified and traced.

(d) Investment of Securitized Utility Tariff Charge Payments Received.

Prior to each Daily Remittance, the Servicer may invest Securitized Utility Tariff Charge Payments received at its own risk and (except as required by applicable MPSC Regulations) for its own benefit. So long as the Servicer complies with its obligations under Section 6(c), neither such investments nor such funds shall be required to be segregated from the other investment and funds of the Servicer.

(e) Calculation of Daily Remittance.

(i) For purposes of calculating the Daily Remittance, the Servicer shall, on each Servicer Business Day, estimate Securitized Utility Tariff Charge Collections based on the daily billed amounts and the Average Days Sales Outstanding, which resulting estimate shall constitute the amount of Estimated Securitized Utility Tariff Charge Collections for such Servicer Business Day. Pursuant to Section 6.11(c) of the Agreement, not less than semi-annually (except in the case of the First Payment Period, which may be longer than six months), but in no event more than sixty (60) days after each Payment Date, the Servicer shall calculate the amount of Actual Securitized Utility Tariff Charge Collections for the immediately preceding Reconciliation Period as compared to the Estimated Securitized Utility Tariff Charge Collections forwarded to the Collection Account in respect of such Reconciliation Period. Such calculation will be provided to the Indenture Trustee in a Reconciliation Certificate in substantially the form appended to the Agreement as Exhibit D.

(ii) All calculations of collections, each update of the Average Days Sales Outstanding and any changes in procedures used to calculate the Estimated Securitized Utility Tariff Charge Collections pursuant to this Section 6(e) shall be made in good faith.

(f) Remittances.

(i) The Issuer shall cause to be established the Collection Account in the name of the Indenture Trustee in accordance with the Indenture.

(ii) The Servicer shall make remittances to the Collection Account in accordance with Section 6.11 of the Agreement.

(iii) In the event of any change of account or change of institution affecting any Collection Account, the Issuer shall provide written notice thereof to the Servicer and the Rating Agencies not later than five (5) Business Days from the effective date of such change.

(a) All terms defined in this Agreement shall have the defined meanings when used in any certificate or other document made or delivered pursuant hereto unless otherwise defined therein.

(b) The words “hereof,” “herein,” “hereunder” and words of similar import, when used in this Agreement, shall refer to this Agreement as a whole and not to any particular provision of this Agreement; Section, Schedule and Exhibit references contained in this Agreement are references to Sections, Schedules and Exhibits in or to this Agreement unless otherwise specified; and the term “including” shall mean “including without limitation”.

Such sale, transfer, assignment, set over and conveyance is hereby expressly stated to be a sale and, pursuant to Sections 393.1700.5.(3)(a) and (b) of the Securitization Law, shall be treated as an absolute transfer of all of the Seller’s rights and interests (as in a true sale) and not as a pledge or other financing, of the Securitized Utility Tariff Property. This is the statement referred to in Sections 393.1700.5.(3)(a) and (b) of the Securitization Law. If such sale, transfer, assignment, set over and conveyance is held not to be a true sale as contemplated by Sections 393.1700.5.(3)(a) and (b) of the Securitization Law, then such sale, transfer, assignment, set over and conveyance shall be treated as the grant of a security interest in the Securitized Utility Tariff Property and the Seller hereby grants to the Issuer a security interest in the Securitized Utility Tariff Property and the proceeds thereof to secure its obligations hereunder.

(b) Subject to Section 2.02, the Issuer does hereby purchase the Securitized Utility Tariff Property from the Seller for the consideration set forth in Section 2.01(a).

SECTION 2.02. Conditions to Sale of Securitized Utility Tariff Property.

The obligation of the Issuer to purchase Securitized Utility Tariff Property on the Closing Date shall be subject to the satisfaction of each of the following conditions:

- (i) on or prior to the Closing Date, the Seller must duly execute and deliver this Agreement to the Issuer;
- (ii) on or prior to the Closing Date, the Seller shall have received the Financing Order creating the Securitized Utility Tariff Property;
- (iii) on or prior to the Closing Date, the Seller must have filed the Issuance Advice Letter with the MPSC, filed the Tariff, and the MPSC shall not have issued a disapproval letter directing the Bonds not be issued;
- (iv) as of the Closing Date, the Seller is not insolvent and will not have been made insolvent by such sale and the Seller is not aware of any pending insolvency with respect to itself;
- (v) as of the Closing Date, the representations and warranties of the Seller set forth in this Agreement shall be true and correct with the same force and effect as if made on the Closing Date (except to the extent that they relate to an earlier date); on and as of the Closing Date no breach of any covenant or agreement of the Seller contained in this Agreement has occurred and is continuing; and no Servicer Default shall have occurred and be continuing;
- (vi) as of the Closing Date, (A) the Issuer shall have sufficient funds available to pay the purchase price for the Securitized Utility Tariff Property to be conveyed on such date and (B) all conditions to the issuance of the Securitized Utility Tariff Bonds intended to provide such funds set forth in the Indenture shall have been satisfied or waived;
- (vii) on or prior to the Closing Date, the Seller shall have taken all action required to transfer to the Issuer ownership of the Securitized Utility Tariff Property to be conveyed on such date, free and clear of all Liens other than Liens created by the Issuer pursuant to the Basic Documents and to perfect such transfer, including, without limitation, filing any statements or filings under the Securitization Law or the UCC; and the Issuer or the Servicer, on behalf of the Issuer, shall have taken any action required for the Issuer to grant the Indenture Trustee a first priority perfected security interest in the Securitized Utility Tariff Bond Collateral and maintain such security interest as of such date;
- (viii) the Seller shall have received and delivered to the Issuer and the Indenture Trustee an opinion or opinions of outside tax counsel (as selected by the Seller, and in form and substance reasonably satisfactory to the Issuer and the Underwriters) to the effect that (A) the Issuer will not be subject to United States federal income tax as an entity separate from its sole owner and that the Securitized Utility Tariff Bonds will be treated as debt of the Issuer's sole owner for United States federal income tax purposes, and (B) the issuance of the Securitized Utility Tariff Bonds will not result in gross income to the Seller. The opinion of outside tax counsel described above may, if the Seller so chooses, be conditioned on the receipt by the Seller of one or more letter rulings from the Internal Revenue Service (unless the Internal Revenue Service has announced that it will not rule on the issues described in this paragraph) and in rendering such opinion outside tax counsel shall be entitled to rely on the rulings contained in such ruling letters and to rely on the representations made, and information supplied, to the Internal Revenue Service in connection with such letter rulings;

(ix) on and as of the Closing Date, each of the LLC Agreement, the Servicing Agreement, this Agreement, the Indenture, the Financing Order, the Tariff and the Securitization Law shall be in full force and effect; and

(x) the Seller shall have delivered to the Indenture Trustee and the Issuer an Officers' Certificate confirming the satisfaction of each condition precedent specified in this Section 2.02.

ARTICLE III **REPRESENTATIONS AND WARRANTIES OF SELLER**

Subject to Sections 3.10, the Seller makes the following representations and warranties, as of the Closing Date, and the Seller acknowledges that the Issuer has relied thereon in acquiring the Securitized Utility Tariff Property. The representations and warranties shall survive the sale and transfer of Securitized Utility Tariff Property to the Issuer and the pledge thereof to the Indenture Trustee pursuant to the Indenture. The Seller agrees that (i) the Issuer may assign the right to enforce the following representations and warranties to the Indenture Trustee and (ii) the representations and warranties inure to the benefit of the Issuer and the Indenture Trustee.

SECTION 3.01. Organization and Good Standing.

(a) The Seller is duly organized and validly existing and in good standing under the laws of the State of Kansas, with requisite corporate power and authority to own its properties as owned on the Closing Date and to conduct its business as conducted by it, on the Closing Date, to obtain the Financing Order and to own, sell and transfer Securitized Utility Tariff Property and to execute, deliver and perform the terms of this Agreement.

SECTION 3.02. Due Qualification.

The Seller is duly qualified to do business and is in good standing, and has obtained all necessary licenses and approvals, in all jurisdictions in which the ownership or lease of property or the conduct of its business shall require such qualifications, licenses or approvals (except where the failure to so qualify or obtain such licenses and approvals would not be reasonably likely to have a material adverse effect on the Seller's business, operations, assets, revenues or properties).

SECTION 3.03. Power and Authority.

The Seller has the requisite corporate or other power and authority to execute and deliver this Agreement and to carry out its terms; and the execution, delivery and performance of this Agreement have been duly authorized by all necessary action on the part of the Seller under its organizational or governing documents and laws.

SECTION 3.04. Binding Obligation.

This Agreement constitutes a legal, valid and binding obligation of the Seller enforceable against it in accordance with its terms, subject to applicable insolvency, reorganization, moratorium, fraudulent transfer and other laws relating to or affecting creditors' or secured parties' rights generally from time to time in effect and to general principles of equity (including concepts of materiality, reasonableness, good faith and fair dealing), regardless of whether considered in a proceeding in equity or at law.

SECTION 3.05. No Violation.

The consummation by the Seller of the transactions contemplated by this Agreement (a) do not conflict with the organizational documents of the Seller or any indenture or other agreement or instrument to which the Seller is a party or by which it or any of its property is bound, nor will consummation by the Seller of the transactions contemplated hereunder result in the creation or imposition of any Lien upon its properties pursuant to the terms of such indenture, agreement or other instrument (other than any that may be granted under the Basic Documents or the Lien arising under Section 393.1700.5.(2) (b) of the Securitization Law, the Financing Order and the Issuance Advice Letter) or violate any existing law or any existing order, rule or regulation applicable to the Seller and (b) is consistent with the Securitization Law and the Financing Order.

SECTION 3.06. No Proceedings.

(a) There are no proceedings pending and, to the Seller's knowledge, there are no proceedings threatened and, to the Seller's knowledge, there are no investigations pending or threatened, before any Governmental Authority having jurisdiction over the Seller or its properties involving or relating to the Seller or the Issuer or, to the Seller's knowledge, any other Person: (i) asserting the invalidity of the Securitization Law, the Financing Order, the Issuance Advice Letter, this Agreement, any of the other Basic Documents or the Securitized Utility Tariff Bonds, (ii) seeking to prevent the issuance of the Securitized Utility Tariff Bonds or the consummation of any of the transactions contemplated by this Agreement or any of the other Basic Documents, (iii) seeking any determination or ruling that could reasonably be expected to materially and adversely affect the performance by the Seller of its obligations under, or the validity or enforceability of the Securitization Law, the Financing Order, the Issuance Advice Letter, this Agreement, any of the other Basic Documents or the Securitized Utility Tariff Bonds or (iv) seeking to adversely affect the federal income tax or state income or franchise tax classification of the Securitized Utility Tariff Bonds as debt.

(b) There is no order by any court or regulatory agency providing for the revocation, alteration, limitation or other impairment of the Securitization Law, the Financing Order, the Issuance Advice Letter, the Securitized Utility Tariff Property or the Securitized Utility Tariff Charges or any rights arising under any of them or that seeks to enjoin the performance of any obligations under the Financing Order.

SECTION 3.07. Consents and Approvals.

No governmental approvals, authorizations, consents, orders or other actions or filings, other than filings under the Securitization Law, are required for the Seller to execute, deliver and perform its obligations under this Agreement except those which have been obtained or made or are required to be made by the Seller in the future pursuant to this Agreement.

SECTION 3.08. The Securitized Utility Tariff Property.

(a) Information. Subject to subsection (f) below, at the Closing Date, all written information, as amended or supplemented from time to time, provided by the Seller to the Issuer with respect to the Securitized Utility Tariff Property is true and correct in all material respects.

(b) Title. It is the intention of the parties hereto that (other than for federal income tax purposes and, to the extent consistent with applicable state tax law, state income and franchise tax purposes) the transfers and assignments herein contemplated each constitute a sale and absolute transfer of the Securitized Utility Tariff Property from the Seller to the Issuer and that no interest in, or right or title to, the Securitized Utility Tariff Property shall be part of the Seller's estate in the event of the filing of a bankruptcy petition by or against the Seller under any bankruptcy law. No portion of the Securitized Utility Tariff Property has been sold, transferred, assigned or pledged or otherwise conveyed by the Seller to any Person other than the Issuer, and no security agreement, financing statement or equivalent security or lien instrument listing the Seller as debtor covering all or any part of the Securitized Utility Tariff Property is on file or of record in any jurisdiction, except such as may have been filed, recorded or made in favor of the Issuer or the Indenture Trustee in connection with the Basic Documents. The Seller has not authorized the filing of and is not aware (after due inquiry) of any financing statement against it that includes a description of collateral including the Securitized Utility Tariff Property other than any financing statement filed, recorded or made in favor of the Issuer or the Indenture Trustee in connection with the Basic Documents. The Seller is not aware (after due inquiry) of any judgment or tax lien filings against either the Seller or the Issuer. At the Closing Date, immediately prior to the sale of the Securitized Utility Tariff Property hereunder, the Seller is the original and the sole owner of the Securitized Utility Tariff Property free and clear of all Liens and rights of any other Person, and no offsets, defenses or counterclaims exist or have been asserted with respect thereto.

(c) Transfer Filings. On the Closing Date, immediately upon the sale under this Agreement, the Securitized Utility Tariff Property transferred on the Closing Date shall be validly transferred and sold to the Issuer, the Issuer shall own all such Securitized Utility Tariff Property, free and clear of all Liens, except for the Lien arising under Section 393.1700.5.(2)(b) of the Securitization Law, the Financing Order and the Issuance Advice Letter, and all filings (including filings with the Secretary of State of Missouri under the Securitization Law) necessary in any jurisdiction to give the Issuer a perfected ownership interest in the Securitized Utility Tariff Property shall have been made.

(d) Financing Order, Issuance Advice Letter and Tariff; Other Approvals. Under the laws of the State of Missouri (including the Securitization Law) and the United States in effect on the Closing Date: (i) the Financing Order and the Issuance Advice Letter pursuant to which the rights and the interests of the Seller have been created, including the right to impose, bill, charge, collect and receive the Securitized Utility Tariff Charges and the interest in and to the Securitized Utility Tariff Property is in full force and effect, and the Seller has validly and irrevocably consented to the terms of the Financing Order, (ii) as of the Closing Date, the Securitized Utility Tariff Bonds are entitled to the protection provided under Section 393.1700.11 of the Securitization Law, (iii) as of the Closing Date, the Securitized Utility Tariff Charge Rider SUTC has been filed with the MPSC in accordance with the Financing Order, (iv) the process by which the Financing Order was approved and the Financing Order, the Issuance Advice Letter and the Securitized Utility Tariff Charge Rider SUTC comply with all applicable laws and regulations and the Seller has provided the certification to the MPSC required by the Issuance Advice Letter, (v) the Issuance Advice Letter and the Securitized Utility Tariff Charge Rider SUTC have been filed in accordance with the Financing Order, (vi) no other approval, authorization, consent, order or other action of, or filing with any governmental authority is required on the part of the Seller in connection with the creation of the Securitized Utility Tariff Property, except those that have been obtained or made, and (vii) under the “contract clause” of the U.S. Constitution and the “contract clause” of the Missouri Constitution, Holders of the Securitized Utility Tariff Bonds could, absent a demonstration by the State of Missouri that such action is necessary to further a significant and legitimate public purpose, successfully challenge the constitutionality of any legislative action that impairs or reduces the value of the Securitized Utility Tariff Property or the Securitized Utility Tariff Charges so as to impair (a) the terms of the Indenture or the Securitized Utility Tariff Bonds or (b) the rights and remedies of the bondholders determined by such court to limit, alter, impair or reduce the value of the Securitized Utility Tariff Property or the Securitized Utility Tariff Charges prior to the time that the Securitized Utility Tariff Bonds are fully paid and discharged.

(e) State Action. Under the Securitization Law, the State of Missouri and its agencies, including the MPSC, have pledged for the benefit and protection of the bondholders, the owners of the securitized utility tariff property, other financing parties and the Issuer, that it will not alter the provisions of the Securitization Law, take or permit any action that would impair the value of the Securitized Utility Tariff Property transferred on such date, or, except as permitted by Section 393.1700.2(3)(c)e of the Securitization Law, reduce, alter or impair the Securitized Utility Tariff Charges relating to the Securitized Utility Tariff Property until any and all principal, interest, premium, financing costs and other fees, expenses, or charges incurred and contracts to be performed in connection with the Securitized Utility Tariff Bonds relating to the Securitized Utility Tariff Property have been paid and performed in full.

(f) Assumptions. On the Closing Date, based upon the information available to the Seller on such date, the assumptions used in calculating the Securitized Utility Tariff Charges are reasonable and are made in good faith. Notwithstanding the foregoing, the Seller makes no representation or warranty, express or implied, that amounts actually collected arising from those Securitized Utility Tariff Charges will in fact be sufficient to meet the payment obligations on the related Securitized Utility Tariff Bonds or that the assumptions used in calculating such Securitized Utility Tariff Charges will in fact be realized.

(g) Creation of Securitized Utility Tariff Property. Upon the filing of the Issuance Advice Letter with respect to the Securitized Utility Tariff Property pursuant to the Financing Order: (i) the related rights and interests of the Seller under the Financing Order, including the right to impose, bill, charge, collect and receive the Securitized Utility Tariff Charges established pursuant to the Financing Order, will become Securitized Utility Tariff Property, (ii) the Securitized Utility Tariff Property will constitute a current property right, (iii) the Securitized Utility Tariff Property will include the right, title and interest of the Seller to the Tariff imposing the Securitized Utility Tariff Charges, and the right to obtain periodic true-up adjustments of the Securitized Utility Tariff Charges, (iv) the owner of the Securitized Utility Tariff Property will be legally entitled to bill Securitized Utility Tariff Charges and collect payments in respect of the Securitized Utility Tariff Charges in the aggregate amount sufficient to pay or fund, in accordance with the Indenture, the principal of the Securitized Utility Tariff Bonds, all interest thereon, and all other Ongoing Financing Costs, and (v) the Securitized Utility Tariff Property will not be subject to any Lien, except for the lien arising under Section 393.1700.5.(2)(b) of the Securitization Law, the Financing Order and the Issuance Advice Letter.

(h) Nature of Representations and Warranties. The representations and warranties set forth in this Section 3.08, insofar as they involve conclusions of law, are made not on the basis that the Seller purports to be a legal expert or to be rendering legal advice, but rather to reflect the parties' good faith understanding of the legal basis on which the parties are entering into this Agreement and the other Basic Documents and the basis on which the Holders are purchasing the Securitized Utility Tariff Bonds, and to reflect the parties' agreement that, if such understanding turns out to be incorrect or inaccurate, the Seller will be obligated to indemnify the Issuer and its permitted assigns (to the extent required by and in accordance with Section 5.01), and that the Issuer and its permitted assigns will be entitled to enforce any rights and remedies under the Basic Documents, on account of such inaccuracy to the same extent as if the Seller had breached any other representations or warranties hereunder.

(i) Under existing law as of the Closing Date, Holders will not be responsible for, nor will payments to Holders be reduced by, any sales tax, gross receipts tax, general corporation tax, single business tax, personal property tax, privilege tax, franchise or license tax, or other tax imposed on the Seller or the Issuer as a result of the sale and assignment of the Securitized Utility Tariff Property by the Seller to the Issuer, the acquisition of the Securitized Utility Tariff Property by the Issuer or the issuance and sale by the Issuer of the Securitized Utility Tariff Bonds, other than withholding of taxes applicable to Securitized Utility Tariff Bond payments and any taxes imposed as a result of a failure of the Issuer or the Seller to properly withhold or remit taxes imposed with respect to payments on any Securitized Utility Tariff Bond.

(j) Prospectus. As of the date hereof, the information describing the Seller under the caption "The Depositor, Seller, Initial Servicer and Sponsor" in the prospectus dated January 18, 2024 relating to the Bonds is true and correct in all material respects.

(k) No Court Order. There is no order by any court providing for the revocation, alteration, limitation or other impairment of the Securitization Law, the Financing Order, the Securitized Utility Tariff Property or the Securitized Utility Tariff Charges or any rights arising under any of them or that seeks to enjoin the performance of any obligations under the Financing Order.

(l) Survival of Representations and Warranties. The representations and warranties set forth in this Section 3.08 shall survive the execution and delivery of this Agreement and may not be waived by any party hereto except pursuant to a written agreement executed in accordance with Article VI and as to which the Rating Agency Condition has been satisfied.

SECTION 3.09. Change in Law.

The representations and warranties in this Agreement speak as of the Closing Date. Any change in the law by legislative enactment, constitutional amendment or voter initiative that renders untrue any of the representations or warranties in this Agreement will not constitute a breach under this Agreement.

SECTION 3.10. Limitations on Representations and Warranties.

Without prejudice to any of the other rights of the parties, the Seller will not be in breach of any representation or warranty, as a result of a change in law by means of any legislative enactment, constitutional amendment or voter initiative. THE SELLER MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, THAT BILLED SECURITIZED UTILITY TARIFF COLLECTIONS WILL BE ACTUALLY COLLECTED FROM CONSUMERS.

Prior to such remittance to the Servicer by the Seller, the Seller agrees that such amounts are held by it in trust for the Issuer and the Indenture Trustee.

(b) The Seller shall not continue as or become a party to any trade receivables purchase and sale agreement or similar arrangement under which it sells all or any portion of its accounts receivables owing from Customers unless the Indenture Trustee, the Seller and the other parties to such additional arrangement shall have entered into a joinder to the Intercreditor Agreement in connection therewith and the terms of the documentation evidencing such trade receivables purchase and sale arrangement or similar arrangement shall expressly exclude Securitized Utility Tariff Property (including Securitized Utility Tariff Charges) from any receivables or other assets pledged or sold under such arrangement.

SECTION 4.04. Notice of Liens.

The Seller shall notify the Issuer and the Indenture Trustee promptly after becoming aware of any Lien on any of the Securitized Utility Tariff Property, other than the conveyances hereunder, any Lien under the Basic Documents or any Lien under or in accordance with Section 393.1700.5.(2)(b) of the Securitization Law created in favor of the Indenture Trustee for the benefit of the Holders.

SECTION 4.05. Compliance with Law.

The Seller hereby agrees to comply with its organizational or governing documents and all laws, treaties, rules, regulations and determinations of any Governmental Authority applicable to it, except to the extent that failure to so comply would not materially adversely affect the Issuer's or the Indenture Trustee's interests in the Securitized Utility Tariff Property or under any of the other Basic Documents to which the Seller is party or the Seller's performance of its obligations hereunder or under any of the other Basic Documents to which it is party.

SECTION 4.06. Covenants Related to Securitized Utility Tariff Bonds and Securitized Utility Tariff Property.

(a) So long as any of the Securitized Utility Tariff Bonds are Outstanding, the Seller shall treat the Securitized Utility Tariff Property as the Issuer's property for all purposes other than financial reporting, state or federal regulatory or tax purposes, and treat the Securitized Utility Tariff Bonds as debt for all purposes and specifically as debt of the Issuer, other than for financial reporting, state or federal regulatory or tax purposes.

(b) Solely for the purposes of federal taxes and, to the extent consistent with applicable state, local and other tax law, for purposes of state, local and other taxes, so long as any of the Securitized Utility Tariff Bonds are Outstanding, the Seller agrees to treat the Securitized Utility Tariff Bonds as indebtedness of the Seller (as the sole owner of the Issuer) secured by the Securitized Utility Tariff Bond Collateral unless otherwise required by appropriate taxing authorities.

(c) So long as any of the Securitized Utility Tariff Bonds are Outstanding, the Seller shall disclose in its financial statements that the Issuer and not the Seller is the owner of the Securitized Utility Tariff Property and that the assets of the Issuer are not available to pay creditors of the Seller or its Affiliates (other than the Issuer).

(d) So long as any of the Securitized Utility Tariff Bonds are Outstanding, the Seller shall not own or purchase any Securitized Utility Tariff Bonds.

(e) So long as the Securitized Utility Tariff Bonds are Outstanding, the Seller shall disclose the effects of all transactions between the Seller and the Issuer in accordance with generally accepted accounting principles.

(f) The Seller agrees that upon the sale by the Seller of the Securitized Utility Tariff Property to the Issuer pursuant to this Agreement, (i) to the fullest extent permitted by law, the Issuer shall have all of the rights originally held by the Seller with respect to such Securitized Utility Tariff Property, including the right to exercise any and all rights and remedies to collect any amounts payable by any Customer in respect of such Securitized Utility Tariff Property, notwithstanding any objection or direction to the contrary by the Seller and (ii) any payment by any Customer to the Issuer shall discharge such Customer's obligations in respect of such Securitized Utility Tariff Property to the extent of such payment, notwithstanding any objection or direction to the contrary by the Seller.

(g) So long as any of the Securitized Utility Tariff Bonds are Outstanding, (i) in all proceedings relating directly or indirectly to the Securitized Utility Tariff Property, the Seller shall affirmatively certify and confirm that it has sold all of its rights and interests in and to such property (other than for financial reporting or tax purposes), (ii) the Seller shall not make any statement or reference in respect of the Securitized Utility Tariff Property that is inconsistent with the ownership interest of the Issuer (other than for financial reporting or tax purposes), (iii) the Seller shall not take any action in respect of the Securitized Utility Tariff Property except solely in its capacity as Servicer pursuant to the Servicing Agreement or as otherwise contemplated by the Basic Documents, and (iv) neither the Seller nor the Issuer shall take any action, file any tax return, or make any election inconsistent with the treatment of the Issuer, for purposes of federal taxes and, to the extent consistent with applicable state, local and other tax law, for purposes of state, local and other taxes, as a disregarded entity that is not separate from the Seller (or, if relevant, from another sole owner of the Issuer).

- (h) The Seller agrees not to withdraw the filing of the Issuance Advice Letter with the MPSC.
- (i) The Seller shall make all reasonable efforts to keep each Tariff that relates to the Securitized Utility Tariff Property in full force and effect.
- (j) Promptly after obtaining knowledge of any breach in any material respect of its representations and warranties in this Agreement, the Seller shall notify the Issuer, the MPSC and the Rating Agencies of the breach.
- (k) The Seller shall use the proceeds of the sale of the Securitized Utility Tariff Property in accordance with the Financing Order and the Securitization Law.
- (l) Upon the request of the Issuer, the Seller shall execute and deliver such further instruments and do such further acts as may be necessary to carry out the provisions and purposes of this Agreement.

SECTION 4.07. Protection of Title.

The Seller shall execute and file the filings required by law to perfect and continue the perfection of the interests of the Issuer in the Securitized Utility Tariff Property and the Indenture Trustee's Lien on the Securitized Utility Tariff Property, including all filings required under the Securitization Law and the UCC relating to the transfer of the ownership of the rights and interests related to the Securitized Utility Tariff Bonds under the Financing Order by the Seller to the Issuer and the pledge of the Securitized Utility Tariff Property to the Indenture Trustee. The Seller also agrees to take those legal or administrative actions that may be reasonably necessary (i) to protect the Issuer and Secured Parties from claims, state actions or other actions or proceedings of third parties which, if successfully pursued, would result in a breach of any representation or warranty of the Seller set forth in Article III, and the costs of any such actions or proceedings will be paid by the Seller and (ii) to block or overturn any attempts to cause a repeal of, modification of or supplement to the Securitization Law, the Financing Order, the Issuance Advice Letter or the rights of Holders by legislative enactment or constitutional amendment that would be materially adverse to the Issuer or the Secured Parties or which would otherwise cause an impairment of the rights of the Issuer or the Secured Parties. The costs of any such actions or proceedings will be payable by the Seller.

SECTION 4.08. Nonpetition Covenants.

Notwithstanding any prior termination of this Agreement or the Indenture, the Seller shall not, prior to the date which is one year and one day after the termination of the Indenture and payment in full of the Securitized Utility Tariff Bonds or any other amounts owed under the Indenture, petition or otherwise invoke or cause the Issuer to invoke the process of any Government Authority for the purpose of commencing or sustaining an involuntary case against the Issuer under any federal or state bankruptcy, insolvency or similar law, appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Issuer or any substantial part of the property of the Issuer, or ordering the winding up or liquidation of the affairs of the Issuer.

SECTION 4.09. Taxes.

So long as any of the Securitized Utility Tariff Bonds are Outstanding, the Seller shall, and shall cause each of its subsidiaries to, pay all taxes, assessments and governmental charges imposed upon it or any of its properties or assets or with respect to any of its franchises, business, income or property before any penalty accrues thereon if the failure to pay any such taxes, assessments and governmental charges would, after any applicable grace periods, notices or other similar requirements, result in a Lien on the Securitized Utility Tariff Property; provided that no such tax need be paid if the Seller or one of its Affiliates is contesting the same in good faith by appropriate proceedings promptly instituted and diligently conducted and if the Seller or such Affiliate has established appropriate reserves as shall be required in conformity with generally accepted accounting principles.

SECTION 4.10. Notice of Breach to Rating Agencies, Etc.

Promptly after obtaining knowledge thereof, in the event of a breach in any material respect (without regard to any materiality qualifier contained in such representation, warranty or covenant) of any of the Seller's representations, warranties or covenants contained herein, the Seller shall promptly notify the Issuer, the Indenture Trustee, the MPSC and the Rating Agencies of such breach. For the avoidance of doubt, any breach which would adversely affect scheduled payments on the Securitized Utility Tariff Bonds will be deemed to be a material breach for purposes of this Section 4.10.

SECTION 4.11. Use of Proceeds.

The Seller shall use the proceeds of the sale of the Securitized Utility Tariff Property in accordance with the Financing Order and the Securitization Law.

SECTION 4.12. Further Assurances.

ARTICLE V
THE SELLER

SECTION 5.01. Liability of Seller; Indemnities.

(a) The Seller shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Seller under this Agreement.

(b) The Seller shall indemnify the Issuer and the Indenture Trustee (for itself, for the benefit of the Holders) and each of the Issuer's and the Indenture Trustee's respective officers, directors, members, employees and agents and defend and hold harmless each such person from and against (i) any and all amounts of principal of and interest on the Securitized Utility Tariff Bonds not paid when due or when scheduled to be paid in accordance with their terms, (ii) any other amounts payable to any Person in connection with the Securitized Utility Tariff Bonds or in connection with the Securitized Utility Tariff Property, including but not limited to Indenture Trustee's fees and expenses, that are not paid when due or when scheduled to be paid pursuant to the Indenture, (iii) the amount of any other deposits to the Collection Account required to have been made in accordance with the terms of the Basic Documents and retained in the Capital Subaccount, or in the Excess Funds Subaccount or released to the Issuer free of the lien of the Indenture, which are not made when so required, (iv) any reasonable costs and expenses incurred by such Person that are not recoverable pursuant to the Indenture and (v) any taxes payable by Holders resulting in a breach of Section 3.08(i), in each case to the extent resulting from the Seller's breach of any of its representations, warranties or covenants contained in this Agreement, except to the extent of losses either resulting from the willful misconduct, bad faith or gross negligence of such indemnified Persons or resulting from a breach of representation or warranty made by such indemnified Persons in the Indenture or any other document that gives rise to the Seller's breach. Indemnification under this paragraph shall survive the resignation or removal of the Indenture Trustee.

(c) Notwithstanding Section 5.01(b) above, the Seller shall not be liable for any loss, damages, liability, obligation, claim, action, suit or payment resulting solely from a downgrade in the ratings on the Securitized Utility Tariff Bonds or for any consequential damages, including any loss of market value of the Securitized Utility Tariff Bonds resulting from any default or any downgrade of the ratings of the Securitized Utility Tariff Bonds.

(d) The indemnities described in this Section will survive the termination of this Agreement and include reasonable fees and expenses of investigation and litigation, including reasonable attorneys' fees and expenses. The Seller shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Seller under this Agreement.

SECTION 5.02. Merger, Conversion or Consolidation of, or Assumption of the Obligations of, Seller.

Any Person (a) into which the Seller may be merged, converted or consolidated and that succeeds to all or substantially all of the electric distribution business of the Seller, (b) that results from the division of the Seller into two or more Persons and succeeds to all or substantially all of the electric transmission and distribution business of the Seller, (c) that results from any merger or consolidation to which the Seller shall be a party and that succeeds to all or substantially all of the electric transmission and distribution business of the Seller, (d) that succeeds to the properties and assets of the Seller substantially as a whole, or succeeds to all or substantially all of the electric transmission and distribution business of the Seller, or (e) that otherwise succeeds to all or substantially all of the electric transmission and distribution business of the Seller, shall be the successor to the Seller under this Agreement without further act on the part of any of the parties to this Agreement; provided, further, that (i) immediately after giving effect to any transaction referred to above, no representation or warranty made by the Seller pursuant to Article III shall have been breached and, to the extent the Seller is the Servicer, no Servicer Default under the Servicing Agreement, and no event, that after notice or lapse of time, or both, would become a Servicer Default under the Servicing Agreement will have occurred and be continuing, (ii) the successor to the Seller must execute an agreement of assumption to perform every obligation of the Seller under this Agreement, (iii) the Rating Agencies shall have received prior written notice of such transaction, and (iv) the Seller shall have delivered to the Issuer and the Indenture Trustee an Officer's Certificate and an Opinion of Counsel each stating that such consolidation, merger or succession and such agreement of assumption comply with this Section and that all conditions precedent, if any, provided for in this Agreement relating to such transaction have been complied with.

SECTION 5.03. Limitation on Liability of Seller and Others.

The Seller and any director, officer, employee or agent of the Seller may rely in good faith on the advice of counsel or on any document of any kind, prima facie properly executed and submitted by any Person, respecting any matters arising hereunder. Subject to Section 4.07, the Seller shall not be under any obligation to appear in, prosecute or defend any legal action that is not incidental to its obligations under this Agreement, and that in its opinion may involve it in any expense or liability.

ARTICLE VI
MISCELLANEOUS PROVISIONS

SECTION 6.01. Amendment.

This Agreement may be amended in writing by the Seller and the Issuer with ten (10) Business Days' prior written notice to the Rating Agencies, but without the consent of any of the Holders (i) to cure any ambiguity, to correct or supplement any provisions in this Agreement or for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions in this Agreement or of modifying in any manner the rights of the Holders; provided, however, that such action shall not, as evidenced by an Officer's Certificate delivered to the Issuer and the Indenture Trustee, adversely affect in any material respect the interests of any Holder or (ii) to conform the provisions hereof to the description of this Agreement in the Prospectus. Promptly after execution of any such amendment or consent, the Issuer shall furnish copies of such amendment or consent to each of the Rating Agencies.

In addition, this Agreement may be amended in writing by the Seller and the Issuer with (i) the prior written consent of the Indenture Trustee, (ii) the satisfaction of the Rating Agency Condition, and (iii) if any amendment would adversely affect in any material respect the interest of any Holder of the Securitized Utility Tariff Bonds, the consent of a majority of the Holders of each affected Tranche of Securitized Utility Tariff Bonds. In determining whether a majority of Holders have consented, Securitized Utility Tariff Bonds owned by the Issuer, Seller or any Affiliate of the Issuer or Seller shall be disregarded, except that, in determining whether the Indenture Trustee shall be protected in relying upon any such consent, the Indenture Trustee shall only be required to disregard any Securitized Utility Tariff Bonds it actually knows to be so owned. Promptly after the execution of any such amendment or consent, the Issuer shall furnish copies of such amendment or consent to each of the Rating Agencies.

It shall not be necessary for the consent of Holders pursuant to this Section to approve the particular form of any proposed amendment or consent, but it shall be sufficient if such consent shall approve the substance thereof.

Prior to the execution of any amendment to this Agreement, the Issuer and the Indenture Trustee shall be entitled to receive and rely upon an Opinion of Counsel from external counsel of the Seller stating that the execution of such amendment is authorized or permitted by this Agreement and that all conditions precedent have been satisfied and the Opinion of Counsel referred to in Section 3.01(c)(i) of the Servicing Agreement. The Issuer and the Indenture Trustee may, but shall not be obligated to, enter into any such amendment which affects the Indenture Trustee's own rights, duties or immunities under this Agreement or otherwise.

SECTION 6.05. Severability.

SECTION 6.06. Separate Counterparts.

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. The words "execution," "signed," "delivery," and words of like import in or relating to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

The headings of the various Articles and Sections herein are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

SECTION 6.08. Governing Law.

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF MISSOURI, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

SECTION 6.09. Assignment to Indenture Trustee.

The Seller hereby acknowledges and consents to any mortgage, pledge, assignment and grant of a security interest by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Secured Parties of all right, title and interest of the Issuer in, to and under this Agreement, the Securitized Utility Tariff Property and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Secured Parties. For the avoidance of doubt, the Indenture Trustee is a third-party beneficiary of this Agreement and is entitled to the rights and benefits hereunder and may enforce the provisions hereof as if it were a party hereto.

SECTION 6.10. Limitation of Liability.

It is expressly understood and agreed by the parties hereto that this Agreement is executed and delivered by the Indenture Trustee, not individually or personally but solely as Indenture Trustee on behalf of the Secured Parties, in the exercise of the powers and authority conferred and vested in it. The Indenture Trustee in acting hereunder is entitled to all rights, benefits, protections, immunities and indemnities accorded to it under the Indenture.

SECTION 6.11. Waivers.

Any term or provision of this Agreement may be waived, or the time for its performance may be extended, by the party or parties entitled to the benefit thereof; provided, however, that no such waiver delivered by the Issuer shall be effective unless the Indenture Trustee (acting at the written direction of the Holders of a majority of the Securitized Utility Tariff Bonds) has given its prior written consent thereto. Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any party, it is authorized in writing by an authorized representative of such party. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. Duties of the Administrator – Management Services. SECTION 2. Compensation. As compensation for the performance of the Administrator's obligations under this Administration Agreement (including the compensation of Persons serving as Manager(s), other than the Independent Manager(s), and officers of the Issuer, but, for the avoidance of doubt, excluding the performance by Liberty of its obligations in its capacity as Servicer), the Administrator shall be entitled to \$50,000 annually (the "Administration Fee"), payable by the Issuer in installments of \$25,000 on each Payment Date, provided that the first payment may be adjusted for a longer or shorter first Payment Period. In addition, the Administrator shall be entitled to be reimbursed by the Issuer for all costs and expenses of services performed by unaffiliated third parties and actually incurred by the Administrator in connection with the performance of its obligations under this Administration Agreement in accordance with Section 3 (but, for the avoidance of doubt, excluding any such costs and expenses incurred by Liberty in its capacity as Servicer), to the extent that such costs and expenses are supported by invoices or other customary documentation and are reasonably allocated to the Issuer ("Reimbursable Expenses").

SECTION 3. Third Party Services. Any services required for or contemplated by the performance of the above-referenced services by the Administrator to be provided by unaffiliated third parties (including independent auditors' fees and counsel fees) may, if provided for or otherwise contemplated by the Financing Order and if the Issuer deems it necessary or desirable, be arranged by the Issuer or by the Administrator at the direction (which may be general or specific) of the Issuer. Costs and expenses associated with the contracting for such third-party professional services may be paid directly by the Issuer or paid by the Administrator and reimbursed by the Issuer in accordance with Section 2, or otherwise as the Administrator and the Issuer may mutually arrange.

SECTION 4. Additional Information to be Furnished to the Issuer. The Administrator shall furnish to the Issuer from time to time such additional information regarding the Securitized Utility Tariff Bond Collateral as the Issuer shall reasonably request.

SECTION 5. Independence of the Administrator. For all purposes of this Administration Agreement, the Administrator shall be an independent contractor and shall not be subject to the supervision of the Issuer with respect to the manner in which it accomplishes the performance of its obligations hereunder. Unless expressly authorized by the Issuer, the Administrator shall have no authority, and shall not hold itself out as having the authority, to act for or represent the Issuer in any way and shall not otherwise be deemed an agent of the Issuer.

SECTION 6. No Joint Venture. Nothing contained in this Administration Agreement (a) shall constitute the Administrator and the Issuer as partners or co-members of any partnership, joint venture, association, syndicate, unincorporated business or other separate entity, (b) shall be construed to impose any liability as such on either of them or (c) shall be deemed to confer on either of them any express, implied or apparent authority to incur any obligation or liability on behalf of the other.

SECTION 7. Other Activities of Administrator. Nothing herein shall prevent the Administrator or any of its members, managers, officers, employees, subsidiaries or affiliates from engaging in other businesses or, in its sole discretion, from acting in a similar capacity as an Administrator for any other person or entity even though such person or entity may engage in business activities similar to those of the Issuer.

SECTION 8. Term of Agreement; Resignation and Removal of Administrator.

(a) This Administration Agreement shall continue in force until the payment in full of the Securitized Utility Tariff Bonds and any other amount which may become due and payable under the Indenture, upon which event this Administration Agreement shall automatically terminate.

(b) The Administrator may resign on not less than 30 days' written notice to the Issuer. The Administrator may be removed by written notice from the Issuer to the Administrator. Such resignation or removal shall not take effect until a successor has been appointed by the Issuer and has accepted the duties of Administrator.

(c) The appointment of any successor Administrator shall be effective only after satisfaction of the Rating Agency Condition with respect to the proposed appointment.

SECTION 9. Action upon Termination, Resignation or Removal. Promptly upon the effective date of termination of this Administration Agreement pursuant to Section 8(a) or the resignation of the Administrator or the removal of the Administrator pursuant to Section 8, the Administrator shall be entitled to be paid a pro-rated portion of the annual fee described in Section 2 hereof through the date of termination and all Reimbursable Expenses incurred by it through the date of such termination, resignation or removal. The Administrator shall forthwith upon such termination pursuant to Section 8(a) deliver to the Issuer all property and documents of or relating to the Securitized Utility Tariff Bond Collateral then in the custody of the Administrator. In the event of the resignation of the Administrator or the removal of the Administrator pursuant to Section 8, the Administrator shall cooperate with the Issuer and take all reasonable steps requested to assist the Issuer in making an orderly transfer of the duties of the Administrator.

SECTION 10. Administrator's Liability. The Administrator shall render the services called for hereunder in good faith, taking into consideration the best interests of the Company.
