**ORDER GRANTING APPLICATIONS TO INTERVENE**

Issue Date: January 24, 2024

Effective Date: January 24, 2024

On November 3, 2023, Evergy Metro, Inc. d/b/a Evergy Missouri Metro and Evergy Missouri West, Inc., d/b/a Evergy Missouri West (collectively referred to as “Evergy”) filed a motion to open new dockets for the filing of their 2024 Triennial Integrated Resource Plans. On January 11 and 12, 2024, the Commission received requests to intervene from Renew Missouri Advocates (Renew Missouri) and Sierra Club, respectively.

Renew Missouri is a nonprofit corporation organized under the laws of Missouri with its principal place of business in Missouri. Renew Missouri states it is a clean energy policy and advocacy group whose mission is to transform Missouri into a leading state in renewable energy and energy efficiency. Renew Missouri advocates for renewable energy and energy efficiency policy in Missouri and states its interests are different than those of the general public. Renew Missouri further states that granting it intervention will serve the public interest.

Sierra Club is a nonprofit organization organized and existing under the laws of the state of California. Sierra Club has more than 800,000 members nationally and over 11,000 members in Missouri, many of whom reside in Evergy's service territories. Sierra Club's stated purpose is to preserve and protect environmental values, and it states that it has concerns with emissions of greenhouse gases and with pollution from non-renewable sources of electricity. Sierra Club states that it has an interest different than that of the general public and that its intervention would serve the public interest.

No responses to the requests for intervention were received.

The Commission finds that the interests of Sierra Club and Renew Missouri differ from those of the general public and may be adversely affected by a final order arising from this case. Furthermore, the Commission finds that allowing these parties to intervene will serve the public interest. Therefore, the Commission will grant the applications to intervene.

**THE COMMISSION ORDERS THAT:**

1. The Application to Intervene of Renew Missouri Advocates is granted.
2. The Application to Intervene of Sierra Club is granted.
3. This order shall be effective when issued.
