**ORDER GRANTING EXTENSION OF TIME FOR ALL PARTIES TO
RESPOND**

Issue Date: May 20, 2011

Effective Date: May 20, 2011

On May 20, 2011, the Commission granted a request by Ag Processing Inc., the Sedalia Industrial Energy Users' Association, and the Office of the Public Counsel for an extension of time to file their responses to the Motion for Clarification and/or Reconsideration and Application for Rehearing of KCP&L Greater Missouri Operations Company until Monday, May 23, 2011, at 12:00 p.m. After that order was issued, KCP&L-GMO filed a motion asking that all other parties be allowed the same extension of time to file a response.

It is not clear why KCP&L-GMO believes it needs to file a response to its own Motion for Clarification and/or Reconsideration and Application for Rehearing, but the Commission will make the extension of response time applicable to all parties as KCP&L-GMO requests.

THE COMMISSION ORDERS THAT:

1. All parties are granted an extension of time in which to file their responses to the Motion for Clarification and/or Reconsideration and Application for Rehearing of KCP&L Greater Missouri Operations Company until Monday, May 23, 2011, at 12:00 p.m.

2. This order shall become effective immediately upon issuance.
