In the Matter of Union Electric Company, d/b/a ) File No. ER-2011-0028  
AmerenUE's Tariff to Increase Its Annual ) Tariff No. YE-2011-0116  
Revenues for Electric Service )

## ORDER GRANTING AARP'S APPLICATION TO INTERVENE

Issue Date: October 5, 2010

Effective Date: October 5, 2010

On September 3, 2010, Union Electric Company, d/b/a Ameren Missouri, filed a tariff designed to increase its annual revenues for electric service. The Commission suspended that tariff and established September 27 as the deadline for interested parties to apply to intervene.

AARP applied to intervene on September 24. AARP is a nonprofit, non partisan membership organization that advocates for people who are 50 years of age and older. AARP indicates advocacy for reasonable utility rates and services for seniors is one of its priority issues. More than ten days have passed since AARP applied to intervene and no party has objected to that application.

The Commission finds that the interest of AARP in this case is different from that of the general public, and may be adversely affected by a final order arising from this case. Furthermore, the Commission finds that allowing AARP to intervene will serve the public interest. Therefore, in accordance with Commission Rule 4 CSR 240-2.075(4), the Commission will grant the application to intervene.

**THE COMMISSION ORDERS THAT:**

1. The Application to Intervene of AARP is granted.
2. This order shall become effective on October 5, 2010.
