

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Union Electric Company, d/b/a)	<u>File No. ER-2011-0028</u>
AmerenUE's Tariff to Increase Its Annual)	Tariff No. YE-2011-0116
Revenues for Electric Service)	

**ORDER GRANTING THE APPLICATION TO INTERVENE OF
THE MISSOURI ENERGY GROUP**

Issue Date: September 27, 2010

Effective Date: September 27, 2010

On September 3, 2010, Union Electric Company, d/b/a AmerenUE, filed a tariff designed to increase its annual revenues for electric service. The Commission suspended that tariff and established September 27 as the deadline for interested parties to apply to intervene.

The Missouri Energy Group applied to intervene on September 13. The Missouri Energy Group is a group of hospital and industrial customers who purchase large amounts of electricity from AmerenUE.¹ More than ten days have passed since the Missouri Energy Group applied to intervene and no party has objected to that application.

The Commission finds that the interest of the Missouri Energy Group in this case is different from that of the general public, and may be adversely affected by a final order arising from this case. Furthermore, the Commission finds that allowing the Missouri Energy Group to intervene will serve the public interest. Therefore, in accordance with Commission Rule 4 CSR 240-2.075(4), the Commission will grant the application to intervene.

¹ The members of the Missouri Energy Group are Barnes-Jewish Hospital; Buzzi Unicem USA, Inc.; and SSM HealthCare.

THE COMMISSION ORDERS THAT:

1. The Application to Intervene of the Missouri Energy Group is granted.
2. This order shall become effective on September 27, 2010.
