

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Union Electric Company, d/b/a)	<u>File No. ER-2011-0028</u>
AmerenUE's Tariff to Increase Its Annual)	Tariff No. YE-2011-0116
Revenues for Electric Service)	

**ORDER GRANTING THE MIDWEST ENERGY USER'S ASSOCIATION'S
APPLICATION TO INTERVENE**

Issue Date: October 6, 2010

Effective Date: October 6, 2010

On September 3, 2010, Union Electric Company, d/b/a Ameren Missouri, filed a tariff designed to increase its annual revenues for electric service. The Commission suspended that tariff and established September 27 as the deadline for interested parties to apply to intervene.

The Midwest Energy User's Association (MEUA) filed its application to intervene on September 24. MEUA is an unincorporated association of large users of electricity who take electric service from Ameren Missouri on the Small General Service and Large General Service/Small Primary rate schedules. When it applied to intervene, the only member of MEUA was Wal-Mart Stores, Inc., but MEUA indicates other members may join the association later. More than ten days have passed since MEUA applied to intervene and no party has objected to that application.

The Commission finds that the interest of MEUA in this case is different from that of the general public, and may be adversely affected by a final order arising from this case. Furthermore, the Commission finds that allowing MEUA to intervene will serve the public interest. Therefore, in accordance with Commission Rule 4 CSR 240-2.075(4), the Commission will grant the application to intervene.

THE COMMISSION ORDERS THAT:

1. The Application to Intervene of the Midwest Energy User's Association is granted.
2. The Midwest Energy User's Association shall promptly notify the Commission if additional members join the association.
3. This order shall become effective on October 6, 2010.
