

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Union Electric Company, d/b/a)	<u>File No. ER-2011-0028</u>
Ameren Missouri's Tariff to Increase Its Annual)	Tariff No. YE-2012-0021
Revenues for Electric Service)	

**ORDER DIRECTING STAFF TO FILE EXPEDITED
RECOMMENDATION AND ESTABLISHING TIME FOR OTHER
PARTIES TO OFFER RECOMMENDATIONS**

Issue Date: July 19, 2011

Effective Date: July 19, 2011

On July 13, 2011, the Commission issued a report and order that rejected Ameren Missouri's tariff to increase the company's annual revenues from its provision of electric service. However, that report and order authorized Ameren Missouri to file a tariff sufficient to recover revenues as determined by the Commission in that report and order. Ameren Missouri filed its compliance tariff on July 18.

Ameren Missouri's compliance tariff carries a 30-day effective date that would put the tariff in effect on August 17. However, Ameren Missouri filed a motion along with its tariff asking the Commission to expedited its consideration of the compliance tariff and to approve the tariff to go into effect on July 31, which is the date to which the Commission had suspended Ameren Missouri's initial rate increase tariff filing.

The Commission will order its Staff to file an expedited recommendation regarding Ameren Missouri's compliance tariff, and will establish a date by which other interested parties may file a recommendation regarding that tariff.

THE COMMISSION ORDERS THAT:

1. The Commission's Staff shall file its recommendation regarding Ameren Missouri's compliance tariff, Tariff No. YE-2011-0021, no later than July 25, 2011.
2. Any other party wishing to file a recommendation regarding Ameren Missouri's compliance tariff, Tariff No. YE-2011-0021, shall do so no later than July 25, 2011.
3. This order shall become effective immediately upon issuance.

BY THE COMMISSION

Steven C. Reed
Secretary

(S E A L)

Morris L. Woodruff, Chief Regulatory
Law Judge, by delegation of authority
under Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri,
on this 19th day of July, 2011.
