NOTICE OF CASE PROCEDURE

Issue Date: March 13, 2012

The parties participated in a prehearing conference on March 13, 2012, and agreed that Ameren Missouri and Cuivre River Electric, Inc. would file a joint motion for summary determination. Within 15 days thereafter, the Staff of the Commission will file a response. And, finally, within 15 days after Staff's response, Thomas Chaney will file his response.

Mr. Chaney seeks a change of supplier in order to take advantage of Ameren Missouri's solar rebate program. The parties will address the issues of whether this is for a reason other than a rate differential and whether this change would be in the public interest.
