ORDER SETTING PROCEDURAL SCHEDULE

Issue Date: January 31, 2012

Effective Date: February 7, 2012

On December 22, 2011, Kansas City Power & Light Company ("KCP&L") and KCP&L Greater Missouri Operations Company ("GMO") filed the above-titled applications. On January 30, 2012, several of the parties filed a jointly Proposed Procedural Schedule, included as Attachment A to the pleading.¹ Those parties also plead good cause for the Commission to waive the 120-day deadline imposed by Commission Rule 4 CSR 240-20.094(3).

The Commission finds the schedule reasonable, and will adopt it. Further, the Commission finds good cause to waive the 120-day requirement of the above-cited rule.

THE COMMISSION ORDERS THAT:

1. The Jointly Proposed Procedural Schedule is approved, and the parties shall comply with it.

¹ The United States Department of Energy, National Nuclear Security Administration, and the Federal Executive Agencies have neither consented to nor objected to this schedule.

2. The technical conferences provided for in the Proposed Procedural Schedule are tentative, and the parties are allowed to determine mutually agreeable dates and times to conduct those conferences.

3. The following schedule is set:

GMO Rebuttal Testimony	March 13, 2012
KCPL Rebuttal Testimony	March 15, 2012
GMO Surrebuttal Testimony	April 3, 2012
KCPL Surrebuttal Testimony	April 5, 2012
List of Issues, Order of Cross-Examination	April 11, 2012
Position Statements	April 16, 2012
Initial Briefs	May 8, 2012
Reply Briefs	May 22, 2012

4. An evidentiary hearing shall be held on April 23-26, 2012, beginning at 8:30 a.m. each day, in Room 310 of the Governor Office Building, 200 Madison Street, Jefferson City, Missouri. That room is in a building that meets accessibility standards required by the Americans with Disabilities Act. Any person who needs additional accommodations to participate shall call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 before the hearing.

5. All parties shall provide copies of testimony (including schedules), exhibits and pleadings to other counsel by electronic means and in electronic form essentially concurrently with the filing of such testimony, exhibits or pleadings where the information is available in electronic format (.PDF, .DOC, .WPD, .XLD, etc.). Parties are not required to put information that does not exist in electronic format into electronic format for purposes of exchanging it.

6. An effort should be made to not include in data request questions either highly confidential or proprietary information. If either highly confidential or proprietary information must be included in data request questions, the highly confidential or proprietary information should be appropriately designated as such pursuant to 4 CSR 240-2.135.

7. Counsel for each party shall receive electronically from each other party serving a data request, an electronic copy of the text of the “description” of that data request contemporaneously with service of the data request. Regarding Staff-issued data requests, if the description containing highly confidential or proprietary information, or is voluminous, a hyperlink to the EFIS record of that data request shall be considered a sufficient copy. If a party desires the response to a data request that has been served on another party, the party desiring a copy of the response must request a copy of the response from the party answering the data request. Data requests, objections to data requests, or notifications respecting the need for additional time to respond shall be sent by e-mail to counsel for the other parties. Counsel may designate other personnel to be added to the service list but shall assume responsibility for compliance with any restrictions on confidentiality. If responding to a Staff data request, the responding party shall record the response in EFIS and send an email notification to Staff Counsel that such party has filed the response. For all other parties, data request responses shall be served on counsel for the requesting party, unless waived by counsel, and on the requesting party’s employee or representative who submitted the data request, and shall be served electronically, if feasible and not voluminous as defined by Commission rule.

8. The response time for all data requests shall be ten (10) calendar days to provide the requested information, and five (5) calendar days to object or notify that more than ten (10) calendar days will be needed to provide the requested information. If a data request has been responded to, a party's request for a copy of the response shall be timely responded to, considering that the underlying data request has already been responded to.

9. Workpapers prepared in the course of developing a witness' testimony shall not be filed with the Commission, but shall be submitted to each party within 2 business days following the filing of the particular testimony, unless a party has indicated that it does not want to receive some or all of the workpapers. Workpapers containing highly confidential or proprietary information shall be appropriately marked. If there are no workpapers associated with testimony, the party's attorney should so notify the other parties within the time period for providing those workpapers.

10. Where workpapers or data request responses include models or spreadsheets or similar information originally in a commonly available format where inputs or parameters may be changed to observe changes in inputs, if available in that original format, the party providing the workpaper or response shall provide this type of information in that original format with formulas intact.

11. Documents filed in EFIS shall be considered properly served by serving the same on counsel of record for all other parties via e-mail.

12. The Commission waives 4 CSR 240-2.080(11) with respect to prefiled testimony, pleadings and briefs.

13. Pursuant to 4 CSR 240-2.080(9), the Commission will treat prefiled testimony or other filings to be made in this case that are made in EFIS as timely filed if filed before midnight on the date the filing is due.

14. The Commission will order expedited transcripts of the evidentiary hearing.

15. This order shall become effective on February 7, 2012.
