ORDER SUSPENDING PROCEDURAL SCHEDULE AND DIRECTING FILING OF A STIPULATION AND AGREEMENT

Issue Date: February 13, 2024

Effective Date: February 13, 2024

On November 8, 2023, Evergy Missouri West, Inc. d/b/a Evergy Missouri West filed an application for approval to acquire and operate an existing natural gas-fired, combined-cycle electric generation facility located in Pleasant Hill, Cass County, Missouri known as the Dogwood Energy Facility. The application also requests a certificate of convenience and necessity (CCN) to own, operate, maintain, and otherwise control and manage the Dogwood Energy Facility.

On February 13, 2024, the Office of the Public Counsel (OPC), the Staff of the Commission (Staff), and Evergy Missouri West (Evergy) jointly filed a *Motion to Suspend the Procedural Schedule and Motion for Expedited Treatment*. The motion states that the movants have reached an agreement in principle to settle this case and that they are currently in the process of formalizing the agreement into a stipulation and agreement to be filed with the Commission. The motion requests the Commission suspend the procedural schedule for this case and order the movants to file a stipulation and agreement or status report by February 22, 2024. Given that the procedural schedule requires the filing of rebuttal testimony by February 15, 2024, the movants requested suspension of the procedural schedule no later than February 14, 2024.

The Commission will grant the motion and suspend the procedural schedule.

THE COMMISSION ORDERS THAT:

1. The procedural schedule in this matter, set by Commission order on December 12, 2023, is suspended.
2. OPC, Staff, and Evergy shall jointly file a stipulation and agreement, or a status report, no later than February 22, 2024.
3. This order is effective when issued.
