3. The parties shall comply with the following procedural requirements:
- a. For written testimony, all parties must comply with the requirements of Commission Rule 20 CSR 4240-2.130 for prepared testimony, including the requirement that testimony be filed on line-numbered pages.
 - b. Although not all parties may agree upon how each issue should be described or on whether a listed issue is in fact a proper issue in this case, the parties shall agree upon and file a list of the issues to be heard, the witnesses to appear on each day of the hearing, the order in which they will be called, and the order of cross-examination for each witness. The Commission will view any issue not contained in this list of issues as not requiring resolution by the Commission.

 - d. If part of the testimony or documents are prefiled and served upon the parties before a hearing, a party need only provide a copy of the testimony

If not prefiled and served upon the parties, then a party who has a document marked for use at the hearing shall have sufficient copies of the document to provide a copy not only to the court reporter, but also to each Commissioner, the presiding officer, and counsel for each other party.
