RE: Market Based Demand Response Program (MBDR) Tariff Correction

Dear Madam Secretary,

Enclosed, please find Evergy Missouri Metro's revised MBDR tariff sheet 26. We are filing this revision because the agreed-upon wording from the 2022 Evergy Rate Case ER-2022-0129, specifically the 9-6-2022 Stipulation and Agreement, was inadvertently omitted.

Should you require any further information, please feel free to contact me directly at shelley.terhune@evergy.com.

Thank you for your attention to this matter.

Best regards,

Shelley
