

through the rate case process, have been able to consider all aspects of the Company's request and the possible impact of a rate increase; and, (d) the tariff sheets originally filed by Raytown were suspended only until January 29.

On February 22, the Company filed two substitute tariff sheets to correct issues identified by Staff. On February 23, Staff filed its Recommendation that the Commission approve the tariffs as substituted. Staff further stated it did not oppose Raytown's request for expedited treatment. No objections to the request for expedited treatment were received, and no other responses to the tariffs were received.

Upon reviewing the pleadings, the Commission finds Raytown's proposed tariffs filed on February 16, as substituted, comply with the Commission's Order and will approve them. The Commission finds good cause to expedite the effective date of these tariff sheets due to the request of the Company, the lack of objections to the request for expedited treatment, and the arguments of Raytown stated above. To allow this expedited treatment, the Commission finds it reasonable to make this order effective in less than 30 days.

THE COMMISSION ORDERS THAT:

1. The proposed tariff sheets filed by Raytown on February 16, as substituted on February 22, and assigned Tracking No. JW-2024-0113 are approved to become effective on March 4. The specific tariff sheets approved are as follows:

5th Revised Sheet No. 9, Cancelling 4th Revised Sheet No. 9
3rd Revised Sheet No. 10, Cancelling 2nd Revised Sheet No. 10
3rd Revised Sheet No. 11, Cancelling 2nd Revised Sheet No. 11

2. This order will become effective on March 4, 2024.
