SUPPLEMENTAL RESPONSE CONCERNING TARIFF FILING

Comes now Missouri Gas Utility, Inc. (MGU or Company), and respectfully provides to the Missouri Public Service Commission (Commission) the following supplemental response to the Staff Recommendation and Memorandum:

1. On August 14, 2008, MGU filed its Response to Staff Recommendation and Memorandum. Among other things, in that response, MGU stated that it would file revised tariff sheets by September 15, 2008, to clarify existing tariff language regarding transportation imbalances. Response, para. 10. In response to a Staff motion, the Commission has since set this matter for a prehearing conference on October 8, 2008.

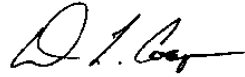

2. Because of various Company obligations, MGU will not be in a position to file the referenced revised transportation tariff sheets by September 15, 2008. MGU now believes that it will be in a position to file the revised transportation tariff sheets by October 10, 2008.

3. As this case remains pending and no order directing MGU to make any specific tariff filing has been issued, MGU believes that this change should not require any Commission action, at this time.

WHEREFORE, Missouri Gas Utility, Inc. respectfully requests that the Commission take

note of this supplement to MGU's Response to Staff Recommendation and Memorandum.

Respectfully submitted,
