

**BEFORE THE PUBLIC SERVICE COMMISSION OF
THE STATE OF MISSOURI**

In the Matter of the Application of Union Electric)
Company d/b/a Ameren Missouri for Certificates of) File No. EA-2023-0286
Convenience and Necessity for Solar Facilities.)

**NOTICE OF FILING OF CORRECTED
STIPULATION AND AGREEMENT**

COMES NOW Union Electric Company d/b/a Ameren Missouri ("Company" or "Ameren Missouri"), and hereby notifies the Commission that filed concurrently herewith is a corrected Stipulation and Agreement that replaces the erroneous version filed on February 23, 2024 (The "February 23 Version"), and, with respect to this notice, states as follows:

1. When the undersigned counsel for the Company was finalizing the stipulation agreed upon between the Staff, OPC, and the Company (and on which the other parties either did not object or took no position), the undersigned counsel inadvertently selected the wrong file which did not accurately reflect the signatories' agreements.

2. The Stipulation and Agreement filed on this date reflects the signatories' agreement and thus replaces the February 23 Version. Counsel for the other signatories have given their permission to state that they agree with the terms and conditions of the corrected Stipulation and Agreement filed today, and counsel for the non-signatory parties to this docket have again confirmed that they either do not oppose or take no position on the Stipulation and Agreement filed today.

3. The undersigned counsel apologizes for the error and for any inconvenience it has caused the Commission.

Respectfully Submitted,

/s/ James B. Lowery
