STATE OF MISSOURI
PUBLIC SERVICE COMMISSION

At a session of the Public Service
Commission held at its office in
Jefferson City on the 18th day
of January 2023.

In the Matter of Union Electric Company d/b/a)
Ameren Missouri's Electric Service Tariffs) File No. ER-2024-0187
Adjustment Relating to MEEIA EEIC Rider) Tracking No.: JE-2024-0086

**ORDER APPROVING RIDER ENERGY
EFFICIENCY INVESTMENT CHARGE TARIFF SHEET**

Issue Date: January 18, 2024

Effective Date: February 1, 2024

On December 1, 2023, Union Electric Company d/b/a Ameren Missouri (Ameren Missouri) filed a tariff sheet with a February 1, 2024 effective date to adjust the rate of its Missouri Energy Efficiency Investment Act (MEEIA) Rider, Energy Efficiency Investment Charge (EEIC Rider). The terms of the EEIC Rider require a filing at least once per calendar year to be effective with the subsequent calendar year's February billing month. Ameren Missouri's annual filing to adjust its EEIC Rider bears an effective date that coincides with the start of the company's February billing month, February 1, 2024.

Ameren Missouri's proposed EEIC Rider adjustment decreases the MEEIA revenue requirement from \$101.8 million to \$95.5 million, with specific rate classes being impacted differently. An average residential customer will experience a \$0.09 decrease in the EEIC Rider charge.

The Commission issued notice of the filing and directed the Commission's Staff (Staff) to submit a recommendation. Staff reviewed the tariff sheet, supporting work papers, and worksheets showing Ameren Missouri's calculations of the proposed rates

for the EEIC Rider and projected costs and throughput disincentive for MEEIA Cycle 3 components.

On December 29, 2023, Staff recommended the Commission approve Ameren Missouri's EEIC Rider tariff sheet. Staff also verified that Ameren Missouri is not delinquent with any required filings, including its Quarterly Surveillance Monitoring reports. No other responses were filed.

Having reviewed Staff's recommendation, the Commission will approve the proposed tariff sheet. Since the EEIC Rider is unopposed and Ameren Missouri seeks to have the revised tariff sheet go into effect at the start of the February billing month, the Commission finds it reasonable to allow this order to go into effect in less than thirty days.

THE COMMISSION ORDERS THAT:

1. The following tariff sheet, assigned JE-2024-0086, is approved to become effective on February 1, 2024:

MO P.S.C. Schedule No. 6

Fifth Revised Sheet No. 91.23, Cancelling Fourth Revised Sheet No. 91.23

2. This order shall become effective on February 1, 2024.
3. This file shall close on February 2, 2024.
