Brett Felber
VS
Ameren Missouri

Ok, I appreciate Judge Clark wasting my time and denying me a re-hearing in this matter. I'm pretty sure he doesn't want the facts to come out like they are starting to in EC-2024-0217. The counterfeit agreement will eventually shed light and he can in fact see . In fact if, the Judge Clark can see the exhibit I just posted that clearly shows it was an invalid email address on the counterfeit agreement.

I appreciate being denied the re-hearing and thanks to Judge Clark , I will forwarding this exhibit to the District Attorney's Office to review as it was used in a decision to defraud and deceive me and thank you for helping me with my swift decision to take this to the District Attorney. i'm sure they love utility companies defrauding and sending counterfeit documents to defraud people out of money.

Enjoy your fake document and I'll see you in court!
