**STAFF’S REQUEST FOR ADDITIONAL TIME
TO FILE A REPORT**

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), by and through counsel, and requests additional time to file a report.

On February 2, 2024, Timothy Sumner filed a formal complaint against Missouri-American Water Company (“MAWC”). On February 8, 2024, the Commission ordered Staff to file a report on the complaint no later than March 18, 2024. Staff has propounded data requests to MAWC whose response deadlines are March 11, 2024. Staff believes that it will be able to file a report by April 2, 2024, which will allow for enough time to process the answers to the data requests. Staff will endeavor to file its report earlier, if possible. Mr. Sumner, the Office of Public Counsel, and MAWC have no objection to this request.

WHEREFORE, Staff requests that the Commission issue an order requiring Staff to file either its report detailing its findings and conclusions, or file a pleading stating when it can file such a report, no later than April 2, 2024.

Respectfully Submitted,

/s/ Tracy D. Johnson
