COMES NOW TUK LLC (TUK) and, in response to Staff’s Recommendation, states as follows to the Missouri Public Service Commission (Commission):

1. On January 20, 2015, and January 21, 2015, TUK filed applications requesting certificates of convenience and necessity for TUK to provide water and sewer services to a portion of Jefferson County, Missouri. Those applications were consolidated under File No. WA-2015-0169.
2. On May 22, 2015, the Staff of the Commission (Staff) filed Staff’s Recommendation. Therein, the Staff recommended approval of TUK’s applications, subject to certain conditions. (Memorandum, pages 13-14)
3. TUK has no objection to the conditions proposed by the Staff, subject to TUK’s understanding that tap fees and other miscellaneous fees will be addressed in the creation and approval of the water and sewer tariffs.

WHEREFORE, TUK respectfully requests that the Commission consider this response and, thereafter, grant TUK permission, approval and Certificates of Convenience and Necessity authorizing TUK to install, acquire, build, construct, own, operate, control, manage and maintain water and sewer systems for the public within the area identified in Staff’s Recommendation.

Respectfully submitted,
