CASE NO. EC-2024-0191

## NOTICE TO REQUEST A HEARING

On this 19<sup>th</sup> day of March in the year of 2024. I Kelvin Dudley is requesting a hearing; I have been severely injured by your ruling in dismissing ion Electric d/b/an Ameren Missouri **with NO REMEDIES for me. They could not hesitate to discontinue my services.**

1. "Money" does not include treasury notes". Foquet v. Headley, 3 Conn. 534, 536
2. ...."In legal acceptance, "money" means current metallic coins; therefore, an indictment for embezzling "money" is not sustainable by proof of embezzling greenbacks or national currency notes." Block v. State, 41 Tex. 620, 622.
3. ...."The term "money" does not include bank notes. They pass as cash, and constitute a part of the circulating medium, and for many purposes are to be considered as money; but, in the strict sense of the term, they are not included therein." Dowdle v. Corpening, 32 N.C. 58,60."
4. .... "Money," as used in the Crimes Act, section 13, providing that any person stealing any money, the property of another, shall be guilty of larceny, cannot be construed to include bank bills, for strictly bank bills are not money, though for many purposes they are treated as such." Johnson v. State, 11 Ohio St. 324,325.
5. .... "The term "money," in the statute defining robbery as taking from the person of another any money or personal property of any value whatsoever, with force and violence, and with intent to steal or rob, does not include bank notes." Turner v. State, 1 Ohio St. 422,426.

6. ...."Federal Reserve Notes are not dollars." U.S. Treasury, General Counsel, Munk.
  7. "Both notes and checks are acknowledgments of indebtedness and promise of payment." Hegeman v. Moon, 131 N.Y. 462, 30 N.E. 487. Smith v. Treuhart et al, 223 N.Y.S. 481;
  8. It follows that all the (Your Name in Upper and Lower Case) Estate ever received as "payment" for any goods or services from Federal Corporations or their Employees are promises to pay, otherwise known as I.O. U's or Promissory Notes, in this case, FEDERAL RESERVE NOTES;
  9. It also follows that as the Inheritor of the assets and credit owed to (Your Name) you do not allow any private bill collectors to sue for the involuntary extension of more credit to Municipal Corporation franchises appearing to be named after the foreign Estate;
  10. It stands as public knowledge that the so-called Federal National Debt owed is now in excess of \$35 Trillion Dollars;
  11. Add to this that Federal U.S. Citizens and citizens of the United States have no ability to redeem fiat notes for United States Silver Dollars and are prohibited from doing so by Title 31 USC Section 408 which prohibits the redemption of any currency (that is, "Money of Account") into gold, and Title 31 USC Section 405(a)-3 which prohibits the redemption of any United States currency dollar- for- dollar for gold /or/ silver, so that such foreign Persons/PERSONS are precluded from receiving actual payment and equally precluded from alleging any actual debt on the basis of commerce or trade using FEDERAL RESERVE NOTES;
  12. Also, Notice that the Tax Lien Act of 1966 placed all such actions under the Uniform Commercial Code, and for a check to be a negotiable instrument, it must contain an unconditional promise to pay a sum certain in money and be payable on demand or at a definite time (UCC 3-103 (b) (c)), a condition which no check issued in the current system can meet, which means that U.S. Citizens and Municipal citizens of the United States, like the Territorial Internal Revenue Service and Municipal IRS (can be any phony Creditor or set of Creditors like the First National Bank of BS or the SOUTH BRANCH FEDERAL CREDIT UNION) can only act as my Agents if I grant them permission to do so, and also means that no such Legal Fiction/FICTION entities, such as the Internal Revenue Service/IRS, (or First National Bank of Texas or HSBC) can act as Moving Parties alleging the existence of any actual debt based on Federal Reserve Notes, which are not "money" and checks which are not negotiable instruments;
  13. Take Notice that fictional money results in fictional debts and fictional profits and fictional income, too; as FEDERAL RESERVE NOTES are debt notes by definition, the use of FEDERAL RESERVE NOTES or their transfer can never result in profit or income, either one; thus, any allegation that I or my Estate are in receipt of "Federal Income", is fraudulent, null and void, and provides no basis for any court decision;
- (Notice that you can use the same information to torpedo a mortgage claim -- you and your Estate didn't receive anything of value and so don't owe anything of value. Just substitute the name of the bank or other foreign Creditor: "Any allegation that I or my Estate received anything of value from First National Mortgage Bank and Trust in the form of a check

transferring FEDERAL RESERVE NOTES or other Money of Account is fraudulent, null and void.")

14. The allegation of any debt owed by me or my Estate and based on Federal Reserve Notes, their transfer via non-negotiable checks, or additional accrual of debt by their collection, results in a fraudulent and constructive debt claim that the Moving Parties are incompetent to demand or receive; I and my Estate are not the Debtors; we are the ultimate Creditors, and must be held harmless by the Corporations and Principals acting as Usufructs;

15. Both the assets and the credit based upon the assets of the (Your Name in Upper and Lower Case) Estate are owed to me; I cannot possibly owe a debt to myself for the unauthorized abuse of my own credit or the involuntary extension of my credit in the form of a FEDERAL RESERVE NOTE; and I have not approved the Moving Parties nor their attorneys to collect any such debt on my behalf;

16. The Gold Bullion Act of 1985 makes it clear that Americans, such as myself, are not obligors or grantors with respect to the Federal Reserve Banks and their Notes--- Public Law 99-185, December 17, 1985, 99 Statutes 1177.

17. In Witness of all the foregoing, I am acting to prevent crime and to fully inform the Court, so that justice may be served and fact be honored and I affirm the foregoing account to be true and complete and not misleading, honorable and peacefully intended; and so, I have placed my hand seal and signature upon this paper for purpose of Witness only on this 19 day of March in the year of 2024.

Presented to you this day,

By:
