MOTION FOR EXPEDITED TREATMENT

COMES NOW Missouri-American Water Company (MAWC), and, in accordance with Missouri Public Service Commission (Commission) Rule 4 CSR 240-2.080(16), moves the Commission for expedited treatment of MAWC’s tariff sheets filed on May 17, 2019:

1. MAWC closed the transaction that is the subject of the Commission’s *Order Granting Certificate of Convenience and Necessity* on April 17, 2019.

2. Concurrently, with the filing of this Motion, MAWC has filed sewer tariff sheets consistent with the Commission’s *Order Granting Certificate of Convenience and Necessity*. These tariff sheets carry proposed effective dates of June 16, 2019 (30 days), and have been assigned Tracking No. YS-2019-0209. A list of the filed tariff sheets is attached hereto as **Appendix A**.

3. MAWC hereby seeks the Commission’s order allowing the proposed tariff sheets to go into effect on less than thirty days notice.

4. A grant of this motion will further the public interest. The subject transaction has closed this date and MAWC owns and operates the subject system. The subject tariff sheets are intended to clarify the rates, rules and regulations that will apply to the subject customers on a going-forward basis.

WHEREFORE, for the foregoing reasons, MAWC respectfully requests the Commission grant this Motion for Expedited Treatment and approve MAWC's proposed tariff sheets identified by Tracking No. YS-2019-0209, to be effective as soon as the Commission has the opportunity to address this matter.

Respectfully submitted,
