**ORDER APPROVING WNAR TARIFF**

Issue Date: March 21, 2024

Effective Date: April 1, 2024

On March 1, 2024, Liberty Utilities (Midstates Natural Gas) Corp. d/b/a Liberty filed proposed revisions to its Weather Normalization Adjustment Rider (WNAR) tariff sheets. The changes to the WNAR tariff sheets will adjust rates to account for the difference between actual heating degree days and normal heating degree days for the six-month period ending September 30, 2024.

On March 11, 2024, the Staff of the Commission (Staff) filed its recommendation. Staff reviewed the tariff sheets submitted by Liberty and recommended that the Commission approve them.

With this tariff filing, residential customers in Liberty's Northeast and West rate districts using 100 ccf in a given billing month will see an estimated \$4.74 increase in their bill from the current WNAR rate. For customers in Liberty's South rate district, a residential customer that uses 100 ccf in a given billing month will see an increase of approximately \$3.45 in their bill from the current WNAR rate. No party responded to Staff's Recommendation.

The Commission has reviewed the tariff sheets and Staff's recommendation and finds that the tariff sheets should be approved. In addition, the Commission will make this order effective in less than thirty days so that the order will be effective concurrently with the tariff sheets. Therefore, the Commission will approve these tariff sheets to become effective on April 1, 2024.
