In the Matter of Spire Missouri Inc. d/b/a Spire's Application for Approval of a Revised Cost Allocation Manual

Case No. GO-2022-0327

FULL AND UNANIMOUS STIPULATION AND AGREEMENT

COME NOW Spire Missouri Inc. ("Spire Missouri" or the "Company"), Staff of the Missouri Public Service Commission ("Staff"), the Office of the Public Counsel ("OPC"), and the Midwest Energy Consumers Group (collectively, the "Parties"), respectfully submit this Full and Unanimous Stipulation ("Stipulation") in the above-captioned docket, stating the following:

BACKGROUND

1. On May 24, 2022, the Missouri Public Service Commission ("Commission") opened Case No. GO-2022-0327 for purposes of reviewing Spire Missouri's Draft Cost Allocation Manual ("CAM") and motion for approval of the CAM, both of which were filed in Case No. GW-2018-0367.

2. After allowing time for responses to the initial filing, a procedural conference was held on July 26, 2022. The Parties agreed to set aside this matter for ninety (90) days to discuss the CAM and a possible resolution. Since then, the parties have requested additional extensions to revise the language of the draft CAM filed on May 24, 2022, in order to address issues raised by the Parties. The most recent extension was filed on March 8, 2024, and requested until March 22, 2024. The Parties have agreed on the final revision of the CAM and now submit this Stipulation.

SPECIFIC PROVISIONS OF AGREEMENT

3. The Parties agree that final revision of the CAM is included as **Appendix 1**, titled Spire Missouri Cost Allocation Manual and dated March 2024.

4. The Parties agree that Appendix 1 and this Stipulation resolve all issues presented in this docket.

5. The Parties agree and request that all variances listed in Appendix 1 be approved by the Commission.

6. Incorporated into the CAM is the Shared Facilities Agreement ("SFA") between Spire Missouri and its affiliates, however, Spire Missouri will be updating its current SFA. The Parties agree that a revised SFA will be filed within 60 days of the Commission approving this Stipulation.

GENERAL PROVISIONS OF AGREEMENT

7. This Stipulation is being entered into solely for the purpose of settling all issues in this case. Unless otherwise explicitly provided herein, none of the Parties shall be deemed to have approved or acquiesced in any procedural principle. Except as explicitly provided herein, none of the Parties shall be prejudiced or bound in any manner by the terms of this Stipulation in this or any other proceeding. This Stipulation has resulted from extensive negotiations among the Parties, and the terms hereof are interdependent and nonseverable. If the Commission does not approve this Stipulation unconditionally and without modification, or if the Commission approves the Stipulation with modifications or conditions to which a Signatory objects, then this Stipulation shall be void and none of the Parties shall be bound by any of the agreements or provisions hereof.

8. Waiver of Procedural Rights: If the Commission unconditionally accepts the specific terms of this Stipulation without modification, the Parties waive their respective rights: (1) to call, examine and cross-examine witnesses pursuant to Section 536.070(2), RSMo.; (2) to present oral argument and/or written briefs pursuant to Section 536.080.1, RSMo.; (3) to the reading of the transcript by the Commission pursuant to section 536.080.2, RSMo.; (4) to

seek rehearing pursuant to Section 386.500, RSMo.; and (5) to judicial review pursuant to Section 386.510, RSMo. These waivers apply only to a Commission order respecting this Stipulation issued in this above-captioned case and do not apply to any issues or matters raised in any prior or subsequent Commission order, or any issue or other matters not explicitly addressed by this Stipulation.

9. Merger and Integration: Stipulation and the attached appendix contain the entire agreement of the Parties concerning the issues addressed herein. The intent of the Parties to this Stipulation has been fully and exclusively expressed in this document and the attached appendix.

WHEREFORE, the Parties respectfully request that the Commission accept this Stipulation, issue an order approving the same, and order any other relief as is just and reasonable.

Respectfully submitted,

/s/ J. Antonio Arias
