

BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI

In the Matter of the Application of Spire)
Missouri, Inc. d/b/a Spire to Revise) **File No. GO-2024-0242**
Transportation Service Tariffs)

ORDER GRANTING APPLICATION TO INTERVENE

Issue Date: March 22, 2024

Effective Date: March 22, 2024

On March 6, 2024, Spire Missouri Inc. d/b/a Spire filed an application pursuant to Sections 393.1009 to 393.1015, RSMo, and Commission Rules 20 CSR 4240-2.060, 2.080, and 3.265, requesting that the Commission authorize changes to Spire's transportation service tariff language for gas service.

The Commission directed notice and set a deadline of March 12, 2024, for applications to intervene. The Missouri Industrial Energy Consumers (MIEC) filed a timely application to intervene. MIEC's application states that it is an incorporated entity representing the interests of large industrial users of electricity, water, and natural gas throughout the State of Missouri, including the area served by Spire.

More than ten days have passed since the application was filed and no one has responded. After considering the unopposed application to intervene, the Commission finds that MIEC has an interest which is different from that of the general public and allowing it to intervene will serve the public interest. Therefore, in accordance with Commission Rule 20 CSR 4240-2.075(3), the Commission will grant the application to intervene.

THE COMMISSION ORDERS THAT:

1. The application to intervene of the Missouri Industrial Energy Consumers is granted.
2. This order is effective when issued.
