PREHEARING ORDER

Issue Date: April 18, 2011

Effective Date: April 18, 2011

The issues to be addressed in this matter are numerous and the testimony to be presented is extensive. If the hearing is to be completed in the time allotted, it will be necessary to establish certain procedures to avoid using valuable hearing time for resolution of ministerial matters and other issues that could be raised and resolved without consuming hearing time.

THE COMMISSION ORDERS THAT:

1. Exhibit numbers are assigned in the following manner:

Ameren Missouri	Exhibit Nos.	100-199
Staff	Exhibit Nos.	200-299
Public Counsel	Exhibit Nos.	300-399

NRDC	Exhibit Nos.	850-899

If any party requires additional exhibit numbers, it may add a 1 to the beginning of its assigned numbers. Thus, for example, if Ameren Missouri has exhibits in addition to exhibit number 199, its next exhibit numbers would be 1101, 1102, 1103, etc.

2. Each party shall prepare a list of its prefiled, pre-marked exhibits and submit a copy of that list to every other party and to the regulatory law judge no later than April 22. The lists shall not be filed in the EFIS case file. Exhibits that may be offered during cross-examination, but which have not been prefiled, need not be included on the list. However, when those documents are offered during the hearing, they will be assigned a number from that party's number-group.

3. The parties are encouraged to keep control of witness testimony by raising appropriate objections to narrative and non-responsive answers.

4. This order shall become effective immediately upon issuance.
