APPLYING TO MISSOURI SERVICE AREA

CHARGE AHEAD - BUSINESS SOLUTIONS

PURPOSE

The Charge-Ahead - Business Solutions program (the Program) encourages business customers to adopt efficient electrification measures that provide economic, health, and performance benefits to them, environmental benefits to all, and increased overall customer affordability through positive benefit/cost ratios.

AVAILABILITY

The Program is available to all customers qualifying for service under Service Classifications Small General Service Rate 2(M), Large General Service Rate 3(M), Small Primary Service Rate 4(M), or Large Primary Service Rate 11(M) except for those customers currently taking service under or applying for discounted rates pursuant to Rider EDI or any other economic development program conducted by the Company. Customers may receive only one incentive per Measure.

*** TERM**

This Program shall be in effect from May 30, 2021, through the earlier of May 31, 2026, or the time when the budget has been exhausted. Consult AmerenMissouri.com to determine the status of the Program.

BUDGET

Total Company-supplied budget for the Program shall not exceed \$1.9 million, with at least \$1.52 million available for incentives under the Program and the remainder of Program funding being available for administrative and educational activities.

PROGRAM PROVISIONS

The Company may hire a Program Administrator to implement this program. The Program Administrator (or Company, in the absence of a Program Administrator) will provide the necessary services to effectively implement the Program and to strive to attain the participation targets. The Program incorporates various program partners, measures, incentive mechanisms and program delivery strategies. The Company and the Program Administrator will follow a multi-faceted approach to marketing the targeted electric technologies with an emphasis on customer benefits, bill impacts including customer's current rate and new rate (if applicable) and any available optional Time of Day rate, efficient grid utilization, safety, and emissions reductions.

Program incentives for eligible measures will be provided to qualifying customers that provide completed Charge Ahead - Business Solutions Incentive Applications as indicated below, subject to the Program budget:

1. Customers may apply for an incentive for eligible measures purchased or leased or installed during the Program's term;
2. Customers must apply, in advance, and secure pre-approval prior to purchase or lease of equipment;
3. Equipment must be electric-powered or utilize a battery that is charged by electricity;
4. Equipment must be replacing a gasoline or diesel unit or be a new addition or expansion to an existing fleet (electric equipment replacing existing electric equipment does not qualify for this program) and;

*Indicates Change.
