**FINDING OF NECESSITY AND  
ORDER DIRECTING THAT PROPOSED RULE AMENDMENT AND  
RULE RESCISSION BE FILED FOR PUBLICATION**

Issue Date: November 9, 2016

Effective Date: November 9, 2016

The Commission has undertaken this rulemaking to rescind its rule regarding electric utility fuel and purchased power cost recovery mechanisms filing and submission requirements and consolidate it with its rule specifically related to the fuel and purchased power cost recovery mechanisms. The rescission of 4 CSR 240-3.161 is proposed because these requirements have been incorporated in the proposed amendments to 4 CSR 240-20.090. Those amendments modify the definitions, structure, operation, and procedures relevant to the filing and processing of applications to allow fuel and purchased power costs and fuel-related revenues in an interim energy charge or a fuel adjustment clause.

The Commission has discussed this amendment with interested stakeholders and will seek further comments during the rulemaking process. The Commission finds that the rescission and the amendment are necessary to protect the public interest.

**THE COMMISSION ORDERS THAT:**

1. The Secretary of the Commission shall file the proposed amendment and the proposed rescission with the Secretary of State for publication in the Missouri Register.
2. This order shall be effective when issued.

**BY THE COMMISSION**
