Dear Corporation:

Congratulations! We wish you every success in your new business enterprise, and are ready to assist you with any questions you may have regarding your corporate registration and filing your annual or biennial registration reports. By law, your initial Registration Report is due within thirty days from the date of incorporation or qualification (12/15/2023). A notice providing additional information on when and how to file this report will be mailed to your corporation's registered agent within the next few weeks.

Please note Authorized Farm Corporations and Family Farm Corporations, as defined by RSMo Section 350.010, are not required to file a Corporate Registration Report if no changes have been made since the corporation's Articles of Incorporation or most recently filed corporate registration report. See sos.mo.gov/business/corporations/familyfarms to find out if your corporation is exempt from filing.

You may file your registration report online 24 hours a day on our website at <https://bsd.sos.mo.gov/> for a fee of \$20 for an annual report or \$40 for a biennial report; you may also file the report in person or by mail for a fee of \$45 for an annual report or \$90 for a biennial report. This registration report must be filed within three months after your incorporation/qualification date to avoid late fees. **Failure to file this report will result in administrative dissolution of your corporation, and the inability to legally conduct business in Missouri. This corporation's first report is due by 3/31/2024.**

You may find our Outreach web page useful, as it lists and links to many agencies and organizations with which you may interact as a new business. Find it at www.sos.mo.gov/business/outreach/links.

Sincerely,

Secretary of State
