NOTICE OF CORRECTION TO STAFF REPORT

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), by and through counsel, and for its *Notice of Correction to Staff Report*, respectfully states:

1. On April 1, 2024, Staff filed its *Staff Report* (“Report”) in this matter.
2. Prior to filing its report, Staff spoke with personnel from Empire District Electric Company d/b/a Liberty (“Liberty”) on March 28, 2024 regarding the throughput disincentive (“TD”).
3. Table 1 on page 3 of Staff’s Report incorrectly included TD values from before the March 28, 2024 conversations. These changes are incorporated into the attached Appendix A, the *Corrected Staff Report*.
4. In addition to the changes regarding the TD values, the Total Programs Cost Variance at the top of Table 1 is an over collection, not under collection as labeled in the original Report.
5. These corrections do not affect Staff’s ultimate conclusion that no incidence or evidence of imprudence have been identified at this time for the Review Period.¹

¹ January 1, 2022 through September 30, 2023.

WHEREFORE, Staff respectfully requests the Commission accept this *Notice of Correction to Staff Report* regarding the prudence of Liberty's MEEIA Cycle 1 Energy Efficiency Programs, and issue such further orders as the Commission deems proper.

Respectfully submitted,

/s/ Travis J. Pringle
