ORDER OPENING A CASE AND DIRECTING FILINGS

Issue Date: August 28, 2018

Effective Date: August 28, 2018

On August 16, 2018, the Commission's Staff filed a motion asking the Commission to open this case to address the compliance of Kansas City Power & Light Company (KCP&L) with certain requirements of Senate Bill 564, which was passed during the last legislative session, and which has been codified at section 393.1400, RSMo. Subsection 393.1400.5, RSMo, allows KCP&L to file notice of its election to defer certain depreciation expenses and return associated with certain plant-in-service to a regulatory asset for future recovery. Staff's motion asks that if KCP&L chooses to file such notice, it be directed to do so in this case. Further, if KCP&L chooses to make that election, it must file a five-year capital investment plan as required by subsection 393.1400.4. Staff asks that KCP&L be directed to file such plans and associated reports in this case. The Commission will order KCP&L to comply with Staff's requests.

THE COMMISSION ORDERS THAT:

1. Kansas City Power & Light Company is made a party to this case.

2. If Kansas City Power & Light Company chooses to file notice of its election to defer certain depreciation expenses and return associated with certain plant-in-service to a regulatory asset for future recovery as permitted by subsection 393.1400.5, RSMo, it shall file that notice in this case.

3. If Kansas City Power & Light Company chooses to make that election and consequently must file a five-year capital investment plan as required by subsection 393.1400.4, RSMo, it shall file such plans and associated reports in this case.

4. This order shall be effective when issued.
