

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of Southwestern)
Bell Telephone Company d/b/a AT&T Missouri)
for Approval of an Interconnection Agreement)
Under the Telecommunications Act of 1996)

File No. IK-2024-0248

STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and submits its *Recommendation* as follows:

1. On March 13, 2024, Southwestern Bell Telephone Company d/b/a AT&T Missouri (“AT&T Missouri”) filed with the Missouri Public Service Commission *AT&T Missouri’s Application for Approval of an Interconnection Agreement* between itself and Wisper ISP, LLC.

2. 47 USC 252(e)(2) (1996) provides that a state commission may reject an interconnection agreement adopted by negotiation only if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

3. Rule 20 CSR 4240-4.017(1) provides that “(a)ny person that intends to file a case shall file a notice with the secretary of the commission a minimum of sixty (60) days prior to filing such case.” Rule 20 CSR 4240-4.017(1)(D) provides that a waiver may be granted for good cause including if the Company had no communication with the office of the Commission within the prior 150 days regarding any substantive issue likely to be in the case. In its Application the Company declares that it has had no communication with the office of the Commission within the prior 150 days regarding any substantive issue likely to be in the case, other than those pleadings filed of record.

4. In lieu of a Memorandum, Staff hereby states that the Interconnection Agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity. A copy of the Agreement was filed with the Application. AT&T Missouri is certified with the Commission as an incumbent local exchange carrier and a registered Interconnected Voice over Internet Protocol provider. Wisper ISP, LLC is an Interconnected Voice of Internet Protocol provider and a competitive local exchange carrier.

WHEREFORE, Staff recommends the Commission approve the Application and grant such other and further relief as the Commission finds appropriate under the circumstances.

Respectfully submitted,

/s/ Ron Irving
