VS  
Ameren Missouri

April 22, 2024 is almost here. I hope Ameren Missouri's esteemed counsel is prepared to give a well respondend answer in regards to the counterfeit document they submitted to me.

Hopefully they finally admit that www2.ameren.com is NOT an email address.

One last thing, I believe Ameren Missouri's Con Artist ways are catching up to them in District Courts. I'm not the only one that believes that Ameren Missouri is a bunch of Con Artists and their legal counsel is a bunch of Con Artists.

In a hearing on March 28, 2024, the Honorable Judge Rodney Sippel said it best. I will attach a copy of part of the transcript . Which shows, Ameren Missouri does exactly what I continue to say. They ignore actual court findings and actual court orders issued by Federal and State Courts.

Oh and can't forget the part where the Honorable Judge Sippel also stated "stop violating the law is not a solution to the harm done."

I think we need more Judges like the Honorable Judge Sippel. He stated it best.

So see, know I have physical proof from not only consumers, but also Federal Judges that agree, Ameren Missouri is nothing more than a Con Artist.

Maybe I'll file a Complaint about the counterfeit document with the District Court and request the Honorable Judge Sippel be the Judge to overhear the document. I'm sure he would love to see the counterfeit document.

Welp. Hopefully Ameren Missouri found a way to send that counterfeit document from www2.ameren.com. Because I'm still waiting for it to be sent to me.
