ORDER DISMISSING COMPLAINT

Issue Date: April 26, 2024

Effective Date: May 28, 2024

On March 14, 2024,¹ Marcia Eason filed a complaint against Spire Missouri, Inc. d/b/a Spire (Spire). That same day, the Commission issued an order giving notice of the complaint, and directing an answer or notice of satisfaction by April 15. Spire timely filed *Notice of Satisfaction* on April 15. The notice states that the parties reached an agreement which resolves their dispute. The Commission then issued an order directing Ms. Eason to file a response if she wished within ten days, or by April 25. No response was received.

Commission Rule 20 CSR 4240-2.070(15)(A) states that a corporation against whom a complaint has been filed may file a notice of satisfaction within thirty days after the date of notice. The Commission, therefore, will acknowledge the notice of satisfaction and dismiss the complaint.

Under Commission Rule 20 CSR 4240-2.070(14), the regulatory law judge shall cause the parties to be notified that the dismissal will be final unless an application

for rehearing is filed. The application for rehearing must be filed with the Commission within 30 days, which is May 28, 2024.²

If the Commission denies the application for rehearing, the parties then have 30 days after the denial is issued to file an appeal with the court of appeals.³ If the Commission grants the application for rehearing, then the Commission will order appropriate actions at that time.

THE COMMISSION ORDERS THAT:

1. The Complaint is dismissed without prejudice.
2. If a party wishes to request a rehearing by the Commission, such request must be filed before May 28, 2024.
3. This order shall be effective on May 28, 2024.
