On May 19, 2023, Spire Missouri Inc. d/b/a Spire filed an application requesting a variance from the Resale Provision of its Tariff Rules and Regulations. The Staff of the Commission (Staff) was directed to file a recommendation. Staff requested authority to seek a formal interpretation of the federal rule from the Pipeline and Hazardous Materials Safety Administration (PHMSA), and, upon the granting of prior extensions, was directed to file its recommendation or a status report no later than April 30, 2024.
