Question:How did Ameren Missouri derive its Rush Island decommissioning costs? Are they based on the schedule JW-D2 Black and Veatch Rush Island decommissioning study attached to Jim Williams' prefiled direct testimony?

Response:

**Prepared By: Jim Williams**  
**Title: Sr Director Operations Excellence Support**  
**Date: 2/26/2024**

**Ameren Missouri retained Black & Veatch to develop the Rush Island Plant demolition cost estimate to support budgetary and planning activities.**

**Yes, they are based on the Black & Veatch study**
