EVERGY, SPIRE AND WATER SERVICES.

PLEASE COME FORTH AND SHOW PROOF OF CLAIM THAT I HAVE ANY OBLIGATIONS TO ANY DEBTS,
FEES, TAXES OR ANY OBLIGATIONS. I RESERVE MY RIGHTS.

EVERGY HAS DISCONNECTED SERVICE AGAIN AFTER THEY HAVE BEEN GIVEN NOTICE.

**PUBLIC: THIS IS A PUBLIC COMMUNICATION TO ALL: Notice to Agents is Notice to principles.
Notice to principles is Notice to Agents. Applications to all successors and assigns. All are without
excuse.**

An Affidavit is not a crime, it stands truth in commerce. Commercial Law is non-judicial. Commercial
Law is a "War of Truth" expressed in the form of an intellectual weapon called an Affidavit.

"The common law is the real law, the Supreme Law of the land, the code, rules, regulations, policy
and statutes are "not the law", [16] [Self v. Rhay, 61 Wn (2d) 261]. Furthermore, I, Sha'Mera E. Williams, is
Sovereign in the State of Missouri Republic.

I am sending this Agency with my Affidavit of Fact and Affidavit of Truth to show and prove that I am
inclined to statutes, rules and obligations. As a living soul; as a living woman, prove that I have to do these
said things that are crimes against humanity. Stealing, lying, and deceiving the American people for financial
gain and/or profit. Treating me and my property as Commodity for profit and/or corporate gain.

The Laws of Commerce, unchanged for at least six thousand years, form basis of western civilization,
if not in all nations of the world. Therefore, Commercial Law applies universally throughout the world.
Commercial Law is non-judicial. It is prior to, superior to, and the basis of (and cannot be set aside or
overruled by the statutes of any government, legislature, governmental, or quasi-governmental, agencies,
courts, judges, and law enforcement agencies, all of which are under an inherent obligation to uphold said
Commercial Law.

This Agency is in violation of not adhering to Sovereigns' rights and the use of the Bill of Rights,
Declaration of Independence and the U.S Constitution.

The human, individual, woman, or man, are bound by Common Law and not legal statutes, Common
Law does not require me to pay any form of tax or follow any rules designed to cause oppression and
hinderances. **USC 18 § 241- Conspiracy Against Rights-**

"An Unconstitutional Statute, through having the form of law, is in reality no law and imposes no
duties, confers no rights, creates no office, bestows no power on anyone and justifies no actions performed
under it". [Am. Jur. 2d Sec 256]. Missouri Court of Appeals and Legal Nexus: Missouri Courts for the Western
District duties are to serve the people and give Remedy, to cases brought to these Courts. All these said things
are to capitalize off of living souls residing in the State of Missouri. This was created under Missouri
Constitution in 1945, to deceive the constituents who reside in the State of Missouri. See ... [17] [Olmstead v.
U.S., 277 U.S. 438, 478 (1928)]. "... the right to be let alone id the most comprehensive of rights and the right

most valued by civilized men. To protect that right, every unjustifiable intrusion by the government upon the privacy of the individual, whatever the means employed, must be deemed a violation of the Fourth Amendment."

I pay debts with Federal Reserve Notes, which are worthless pieces of paper, which I acquired and paid with the notes given as currency. The real currency is gold and silver, which we do not use to pay debts, taxes, or obligations. There is no lawful money. All of Missouri Agents must CEASE and DESIST to the atrocities placed on the people. I do not accept the liability of any compelled benefit or unrevealed contract or commercial agreement. "The right of action created by statute relating to deprivation, under the color of law, of a right secured by the Constitution and the laws of the United States, and some claims which are based solely on statutory violations of Federal Law and applied to claim that claimants Williams had been deprived of her rights, in some capacity, to which Willams is entitled." See... [Owen v. Independence 100 Vol. Supreme Court Records 1398:(1982); Main v. Thiboutot 100 Vol. Supreme Court Records. 2502: (1982).

Done by the Light of the Day- two-five September two-zero-two-three.

MAXIMS:

Actus me invito factus, non est meus actus. An act done by me against my will, is not my act.

Augupia verforum sunt judice indigna. A twisting of language is unworthy of a judge. Hob. 343.

Bonum judex secundum aequum et bonum judicat, et aequitatem stricto juri praeferit. A good judge decides according to justice and right, and prefers equity to strict law. Co. Litt. 24.

Cessante causa, cessat effectus. The cause ceasing, the effect must cease.

Communis error facit jus. A common error makes law. What was at first illegal, being repeated many times, is presumed to have acquired the force of usage, and then it would be wrong to depart from it. The converse of this maxim is communis error no facit just. A common error does not make law.

Consensus facit legem. Consent makes the law. A contract is a law between the parties, which can acquire force only by consent.

Quae cohaerent personae estate separari nequeunt. Things which belong to the estate ought not to be separated from the estate. Jenk. Cent. 28

Whoever has eyes, let them see! Whoever has ears let them hear! Let all those present and future be witness to the following record.

Jurisdiction of all matters of the SHAMERA'ELISA, WILLIAMS estate is under the sole Jurisdiction of a Land Domain Constitutional Probate Court (as opposed to the corporate-fiction codified probate Court) whereas any other court jurisdiction, any attempt to be "executor de som tort" is hereby denied. Any and all consent taken by fraud, coercion, and by any other despicable means is hereby denied and/or rescinded.

The undersigned Live born Woman, shamera-elisa: williams and **Occupant of the Office of the Executor of the SHAMERA- ELISA, WILLIAMS estate;** as a live born woman, does solemnly swear, declare and state as follows:

1. This live born woman is competent to state the matters set forth herein.
2. This live born woman has knowledge of the facts stated herein.
3. All the facts herein are true, correct and complete, admissible as evidence and if called upon as a witness, this "live born woman" with standing upon the land will testify to their veracity. •
4. This live born woman is not and has not been lost at SEA/SEE, nor is she deceased.

Hear yea, Hear yea

Take Notice: To all fictions, conveyance entities, corporations, and non-living entities (of the SEA/SEE) and/or their representatives without standing upon the land. This is a declaration of a living Birth, of the Live Woman commonly known upon the land and among the living as shamera-elisa: williams, living born daughter of the "physical union" between the "physical corporeal father" and his "physical corporeal mother" of the house/clan/family of williams of which both have physical standing upon the land. Who is not lost at SEA/SEE, nor has abandoned/Vacated the office of the Executor for Affidavit of Truth, Notice of Current Living Status and Standing of the Live Born Woman, shamera-elisa: williams the SHAMERA ELISA WILLIAMS estate. As shamera-elisa: williams has returned from the dead, no office, fictional entity, corporation, person, or officers possess any lawful rights or consent to operate as administrators/occupying the office of the Executor for the SHAMERA ELISA WILLIAMS estate other than the rightful Occupant of the Executors Office.

This affidavit-declaration of life is given to all in order to establish, signify, proclaim, and verify the status of this live woman and to eliminate/deny all presumptions by any fiction, corporate or private and any alleged claimed jurisdiction without standing upon the land.

For as the Creator is the giver of spiritual life and the creator of man/woman in body and form, and whereas man is the creator and giver of life to the paper fiction known as the Person, Corporation, Citizen, and other non-living transmitting entities of fictional nature. Man cannot rule over the creator any more than a created fictional paper entity can rule over its creator the living born Woman... "shamera - elisa: williams" is a living, corporeal, breathing, live born woman with footprints in the sand and therefore is not/cannot be under the jurisdiction of a man created fiction...

Lawyers, Judges, Court Clerks, and all fictional corporate/non-corporeal entities--- When you address birthright Citizens of the Continental United States in the foreign jurisdiction of the Federal United States or that of a Federal State, and deliberately confuse living corporeal people with corporate franchises merely named after them, you commit peonage. This results in press-ganging land assets into the international jurisdiction of the sea, a crime outlawed worldwide for 200 years. Mischaracterizing the identity or citizenship status of a birthright Citizen of the Continental United States is also a crime under the Geneva Protocols of 1949, Volume II, and is in violation of the Universal Declaration of Human Rights (UDHR) a treaty signed in Paris on 10 December 1948 General Assembly resolution 217 A ... Anyone claiming to be a Live born member of the Continental United States having a valid proof of birth within the Continental United States must be treated/recognized as such (A Live Born Man/Woman and not a fiction entity.).

This is to testify and notify all persons, corporations, fictions that the Live born Woman shamera-elisa: williams is not and has never freely consented to be the surety of the created fiction or the trustee of the SHAMERA ELISA WILLIAMS estate created by and through the Cestui Que Vie Trust Act of 1666 as verified by the fiction entity document known as the "Certificate of Birth" issued by the Federal fiction "State of Missouri" and Registered by the fiction agency created by and subordinate to the fiction State of Missouri. The Live Born Woman, rightful Executor of the SHAMERA ELISA WILLIAMS estate does not, has never, and would never knowingly or by conscious design, give consent to be the surety of the state created fiction in any variation or form.

Affidavit of Truth, Notice of Current Living Status and Standing of the Live Born Woman: shamera-elisa: williams

This is to notify all persons, Judges, Lawyers, corporations, fictions and/or their representatives: that any and all contracts made without the live woman's knowing and active consent, whereas consent was obtained through subterfuge, coercion, deceit, manipulation, falsifying of the facts, non-disclosure, adhesion, hypothecation, et. cetra; whereas the live woman would have normally rejected any unconscionable contract and would not have consented to any such contracts: whereas any and all contracts are hereby declared to be null and void ad infinitum.

This physical body that I (the spirit of shamera:elisa:williams) reside within, given to this one by the great creator of all, is a reflection of the spirit whereas the spirit does not belong to or stand under any earthly corporation, religion, or fictional organization.

Further, this body being of the species currently known as human being or Homo Sapien; however originally created or obtained to house my spirit, does not belong to, or is the property of any earthly corporation, religion, organization, or other species, or any fiction.

This body is the vehicle for the living spirit to operate, interact and interface within this domain and physical dimension and cannot be and is denied to be claimed by any fiction, government, religion, corporation, species, et cetra.

The combination and temporary unification of my free-living spirit and the free-living body given to me by the creator, constitutes the domain of a free-living corporeal entity upon this created earth.

I shamera:elisa:williams am a living being with an incorruptible body which is my possession by natural birth and my vehicle during this lifetime upon this earth.

As one spirit can touch another spirit; one body can also touch another corporeal body and all material substances within this created domain. This live spirit and live body unified as one, has standing upon the land as such; when it walks upon the land, physical footprints are left behind proving physical standing against any fiction that has no footprints of standing and can never have footprints of standing upon the land, nor can a fiction without spirit (corporation or court) physically touch or stand in judgment of a Live Born Woman intentionally and specifically without his full knowledge and consent.

Know all by these facts:

- A fiction created by a fiction or by other living women does not have a spirit,
- A fiction created by a fiction or by other living women does not have standing upon the land,
- A fiction created by a fiction or by other living woman cannot speak,
- A fiction created by a fiction or by other living women does not have claim to the living,
- A fiction created by a fiction or by other living women does not have jurisdiction over the living,
- A fiction created by a fiction or by other living women cannot have jurisdiction or authority over a creator of fiction,
- A fiction by itself is not animated and has no actual life-force of its own as it is a creation of the dead.
- A fiction by itself cannot place an autograph, it cannot reproduce, it cannot breathe, it cannot speak on its own.

Affidavit of Truth, Notice of Current Living Status and Standing of the Live Born Woman: shamera:elisa:williams

- A dead fiction entity can only be created without life therefore it cannot ever be equal or greater than the live born woman; in the same way that the spirit of woman was created by the one beyond her or her creator, man does not and cannot have control, authority or jurisdiction over her spirit creator. Therefore, a man created fiction cannot have jurisdiction over the live born woman.
- No living man can claim or presume superiority, authority, or dominion over another living woman as they are equals in standing upon this created earth.
- No other living entity, not created or born of this earth, can presume superiority, authority or dominion over this living woman as all living entities are created by the creator and are of equal standing in the eyes of the creator (regardless of their level of technology or biological determination within this plane of existence).
- In like fashion, a fiction therefore cannot presume or assume authority or control over its creator or the living woman.
- All presumptions of fictions, statute tribunals, and any other claims are hereby denied, challenged, demurer, embargoed, excluded at this and all times in the present and future.

And ...

Let it be announced and acknowledged to the world and all corners of the earth and all jurisdictions of the world, inclusive corporeal and non-corporeal, to take notice: that I, ~~shamera-elisa~~ williams; is a living natural born woman with footprints in and upon the soil/sand of this and one of the land of this created planet known as the Earth. That I am not a creature, animal, surety, fiction, chattel, slave, 14th amendment person/federal citizen, or is subject to, or is of the SEE (SEA). **I do not live in Washington DC.**

This living woman has not been lost at SEA/SEE, and is not dead/deceased, or a decedent: this fact is for all to take notice from the greatest to the lessor of all living men. Having been brought forth into this domain by living natural birth and whose physical body entered this world through my mother, whereas her body came from her mother Ad infinitum; "A die confection is" to the first birth manifested by our creator. That I am the live born daughter of my live born father who also had standing having been received into and bestowed with the pedigree of the family/clan "~~williams~~" upon this earth. The house/pedigree of ~~williams~~ is a testament of live born women with standing dating back to the first live born man traditionally known as Adàm bestowed with standing and a corporeal body as a gift from our creator.

It is of no consequence that the body may have been created by or through genetic manipulation or manufactured by others in its original form, whereas the spirit that inhabits the body which is what gives the body actual animation and life is that of the creators and cannot be manipulated, subjected, or destroyed by any other than that creator. Whereas a fiction created by man or fiction cannot have or hold a spirit and is indeed a dead thing without any life-force or standing against alive born woman.

Let no man or fiction attempt by force, by fraud, by ill-conceived contract, by adhesion, or hypothecation, or by any other despicable means attempt to mask, control, destroy, or subvert this live born spirit/woman into unwilling or unknowing consent to give up her spirit-creator given natural freedoms, natural rights, and liberties. This live born woman's spirit-creator given rights, natural rights, liberties and standing cannot be controlled, taken, or stolen by subversion, subterfuge, bad faith, novation, subrogation, deceit, pretense, superseded, abolished, or though, non-consent, fraud or any other means, and placed under the authority and jurisdiction of any dead man, non-spirit filled or non-animated fiction known as a transmitting entity, person, citizen, corporation, Ad infinitum.
