**RE: The Empire District Electric Company d/b/a Liberty
Case No. ER-2021-0312 / Renewable Energy Purchase Program (“Schedule REP”)**

Dear Judge Dippell:

On April 30, 2024, and in accordance with Liberty’s Renewable Energy Purchase Program, Liberty submitted PSC MO No. 6, Section 4, 2nd Revised Sheet No. 7a, with a requested effective date of June 1, 2024.

Staff noted a calculation error (duplicate lines in the workpaper spreadsheet). At this time, Liberty is submitting a substitute tariff sheet to correct this error. As a substitute, the tariff sheet continues to bear an issue date of April 30, 2024, and a requested effective date of June 1, 2024. A redlined tariff sheet and updated workpaper are being provided to the parties.

Please bring this REP tariff filing to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns.

Sincerely,

Diana C. Carter
