Brett Felber  
VS  
Ameren Missouri

To be clear, me dismissing this matter doesn't close Ameren Missouri's despicable, deceiving and fraudulent actions. The only reason I dismissed it is because the Commission has allowed Ameren Missouri to lie about the counterfeit document at question.

Ameren Missouri needs to reach out to me to resolve all outstanding issues that they are aware of. I do not agree with the deposit, I don't agree with the extra taxes that are being imposed on being billed double on the last day and begin date of the billing cycle, etc and any other bogus fee's.

This doesn't exclude them from any of the disputed information.

I'm tired of the Commissions lies that they've further allowed Ameren Missouri to cycle through a pattern of deceptive behavior.

Ameren has 30 days from the date of this letter to reach out to me or I will use all legal remedies and strategies in maintaining my best interest under applicable State and Federal Statutes in any further recourse.

This copy will serve as Ameren's final legal copy.
