Utility Regulatory Commission,

I, Sha'Mera E. Williams, sui juris am submitting and have submitted a complaint and Notice to Public Service Commission, Evergy and Spire for using my name and property as commodity and/or for financial gain or profit against I, Sha'Mera E. Williams; sui juris, who has reserved all her inalienable Natural rights, Sovereign Authority. See ... Affidavit of Reservations. This is a Notice to be no longer compelled to be obligated to these crimes of rules and regulations. [Hertado v. California, 110 U.S. 516]. Therefore, government was created by an act of the people therefore the created cannot trump the creator. [Marbury v. Madison: 5 US 137 (1803)]. See Affidavit of Fact and answer number 12... That using names and addresses are fictitious. See... TITLE 18>PART 1>CHAPTER 63>§ 1342. This, depriving my rights under the color of law. TITLE 18> PART 1> CHAPTER 13>§242 DEPRIVATION of rights under color law. This is the naming of all the violations that has occurred from all corporations. "The People" do not include you and me since our names are all Capital Letter Fictional legal names. – [Barron v. Mayor of City Council of Baltimore, 32 U.S. 243].

These Agency's has used my name or my property stating that I have to abide to. The courts belongs to the sovereign plaintiff (people). Black's Law Dictionary, 5th Ed., page 318 defines the court as "The individual and suit of the sovereign; the place where the sovereign sojourns with his regal retinue, wherever that may be." Any violations of Common Law is a CRIMINAL ACT that is punishable. Thus, these corporations are in violation by charging me penalties, late fees, bills and or obligations. USC § 242 DEPRIVATION OF RIGHTS UNDER THE COLOR OF LAW. I do not no longer consent to the crimes placed upon a living soul. See ... Petition/Decree Also See ... Affidavit of Reservations and Affidavit of Fact. Common Law (Natural Law) is based on our Creator's Laws as originally presented by Moses. Natural Rights are those inalienable rights not contingent upon the laws, customs, or beliefs of any particular culture or government, and therefore universal, unalienable (i.e. rights that cannot be repealed or restrained by human laws).

This Agency has given me alternatives. As stands, I have submitted Notice: Affidavit of Reservations, Notice of Affidavit of Truth and last Affidavit of Fact; Notice to Public Service Commission, Evergy and Spire. Under these section(s) RSMo cited of Missouri law, that a false affidavit is a crime. This is under the state's law. Furthermore, the provisions of the sections and statute's that are intended to construed liberally to accomplish the states policy. See ... [Frankenhauser v. Rizzo, 59 F.R.D. (1973) Title 42 1983]. Statute: the definition of this word is to designate written law into contradistinction to the unwritten law. [Foster v. Brown, 199 Ga. 444, 34 S.E. 2d, 530 535 See Common Law].

Commercial Maxims: Affidavits stand true in commerce. Truth is expressed in the form of an affidavit. Numbers 30:2 KJV. In commerce, truth is sovereign. Psalms 117:2. KJV. An un rebutted affidavit stands truth in commerce. 1 Peter 1:25 KJV. An un rebutted affidavit becomes judgement in commerce. He. 6:16. All are equal under the law. Luke 10-17. KJV "No one is above the law", commerce, by the law of nations, ought to be common, and not converted into a monopoly for the private gain of a few". See... Affidavit of Truth for Maxims regarding the law. An un rebutted affidavit stands triumphant as the truth. Commercial Law is non-judicial. It is prior to, superior to, and the basis of [and cannot be set aside or overruled by] the statutes of any government, legislature, governmental, or quasi-government, agencies, courts, judges, and law enforcement agencies, all of which are under an inherent obligation to uphold said Commercial Law.

**PUBLIC: THIS IS A PUBLIC COMMUNICATION TO ALL:**

**Notice to Agents is Notice to principles. Notice to principles is Notice to Agents. Applications to all successors and assigns. All are without excuse.**

An Affidavit is not a crime, it stands truth in commerce. Commercial Law is non-judicial. Commercial Law is a "War of Truth" expressed in the form of an intellectual weapon called an Affidavit. "The common law is the real law, the Supreme Law of the land, the code, rules, regulations, policy and statues are "not the law", [*Self v. Rhay*, 61 Wn (2d) 261].

"It is the manner of enforcement which gives Title 42 1983 its unique importance, for enforcement is placed in the hands of the people. Each citizen acts as a private attorney general who 'takes on the mantel of the sovereign' guarding for all of us the individual liberties enunciated in the Constitution." (*Frankenhauser v. The Laws of Commerce, unchanged for at least six thousand years, form basis of western civilization, if not in all nations of the world. Therefore, Commercial Law applies universally throughout the world. Commercial Law is non-judicial. It is prior to, superior to, and the basis of (and cannot be set aside or overruled by the statutes of any government, legislature, governmental, or quasi-governmental, agencies, courts, judges, and law enforcement agencies, all of which are under an inherent obligation to uphold said Commercial Law.

Evergy and Spires method is to get everybody exercising a benefit, and you Agents don't even have to tell people what the benefit is. See ... See... **14<sup>th</sup> Amendment Article I, Section 1.**- "All persons born or naturalized in the United States and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of the law; nor deny any person within its jurisdiction the equal protection of the laws." I am a natural born national citizen in the State of Missouri. See... **INTERPRETATION IN FAVOR OF THE PEOPLE:** ANY constitutional provision intended to confer a benefit should be liberally construed in favor in the clearly intended and expressly designated beneficiary. [16 Am Jur 2d: 16 Am Jur. 2d., Sec. 97; *Bary v. United States* -273 US 128].

Furthermore, I do not consent to all these said things placed upon me to live and thrive in this world. By using I or my property operating illegally in my name against my unalienable natural rights of freewill consent, as a woman is created equal in the image of her Universal God. Give back all the years that has been stolen, including 2024, where I have been taxed and or imposed a bill in my said properties, stolen all for financial gain to those corporations. I have reserved all my rights and liberties per U.C.C. 1-308, ALL RIGHTS RESERVED WITHOUT PREJUDICE. See... Notice of Affidavit of Reservation and Affidavit of Truth.

Your alleged bill/tax/debt and obligations are null and void. I should not be billed, taxed, or have a debt or any obligations to Evergy and Spire or any legal Nexus: Missouri Public Utility Regulation Commission. The presentment is dishonored. Shamera sui juris, has reserved all of her rights under the Uniform Commercial Code at UCC 1-308. I am claiming the right not to be compelled to perform under any contract that I did not enter into knowingly, voluntarily and intentionally. I do not accept the liability associated with the compelled benefit any unrevealed contract or agreement. Paying these corporations is a compelled benefit because there is no silver or gold coins in circulation. This corporation will release any holds, debts, liens, on my said property to live freely in this Gods given land/world, whom protects and shields me in all my comings and goings. This Agencies are in violation of not adhering to Sovereigns' rights and the use of the Bill of Rights, Declaration of Independence and the U.S Constitution. See... #### Statue/Statute -

See... [*Foster v. Brown, 199 Ga. 444, 34 S.E. 2d, 530 535 See Common Law*]. Statue: the written law in contradistinctions to the unwritten law. [Unwritten law is common law; "contradistinction" means "as opposed to" "opposite to." ] Also see... Petition/Decree. A Statute should construe in harmony with Common Law, U.C.C. 1-103.6. See ... [*Cruden v. Neale, 2 N.C. 338 (1796) 2 S.E.*] ALL MEN DECIDE FOR THEMSELVES whether they to participate in the institutions of men or not. "... every man is independent of all laws, except those prescribed by nature. He/ She is not bound by any institution formed by his/her fellowman without his or her consent." I do not consent /no contract. See ... [*Hoke v. Henderson, 15 25 a.m. dec. 677*] ... "... that statutes which would deprive a citizen of the rights of a person or property without a regular trial, according to the course of common law, would not be the law of the land."

A legal maxim- every right when withheld must have a remedy, and every injury it's proper redress. -- William Blackstone. There is a common Law principle which states that for there to be a crime, there must first be a victim, *corpus delicti*. In the absence of a victim there can be no crime. The State cannot be the victim. Statues are not law; servant legislators cannot write statues to control the behavior of their masters.

**SHALL NOT INFRINGE See... [16Am Jur 2d., Sec.117]**

**IRRECONCILABLE CONFLICT BETWEEN STATUTE AND CONSTITUTION IS TO BE RESOLVED IN FAVOR OF THE CONSTITUTIONALITY AND THE BENEFICIARY [16Am Jur 2d., Sec 255].**

**CONSTITUTIONS MUST BE CONSTRUED TO REFERENCE THE COMMON LAW- SUMMARY PROCEEDINGS ARE NULL & VOID [16Am Jur 2d., Sec. 114].**

The human, individual, woman, or man, are bound by Common Law and not legal statutes, Common Law does not require me to pay any form of tax.

**Registrations -**

I am not inclined to pay a tax, debt, bill or have any obligation to commercial entities known as the "Evergy and Spire". Commission, first there is actually nothing owed at all. Secondly, there is no money. Thirdly, the Country does not owe anything. And in an unlikely event that there was a genuine debt, then it has nothing to do with me or ordinary people as it is just a national debt incurred by the commercial company to another commercial company (owned by the same people). I am being charged and continue to be charged to live and operate my said property(s). See ... [Downes v. Bidell 182, U.S. 244 1901].

I hold these company's in CONTEMPT to continue to have me to pay lots of ridiculous taxes, bills, fees and charges. None of which I need to pay at all. They all have fell into dishonor. The Commission used terms and change meanings in order to abuse and rob members of the public. Statutes are purely optional and no person is actually bound by them. There has never been any law which demands that I pay any form of bill, tax, fees, obligations and or any/all charges brought against me. [3 Bl. Comm. 24; 3 Steph. Comm. 383; The Thomas Fletcher, C.C. Ga., 24 F. 481; Ex parte Thistleton, 52 Cal 225; Erwin v. U.S. D.C.Ga., 37 F. 488, 2 L.R.A. 229; Heiniger v. Davis, 96 Ohio st. 205, 117 N.E. 229, 231] Black's Law Dictionary, 4th Ed., 425, 426].

**USC 42 § 1983 – CIVIL ACTION FOR DEPRIVATION OF RIGHTS:** Every person who, under the color of any statute, ordinance, regulation, custom, or usage of any state subjects, or cause any person within the jurisdiction thereof the deprivation of any rights, privileges or immunities secured by the Constitution and laws shall be liable to the party injured in an action at law, in this case, I Sha'Mera E. Williams is the injured party. See... [Meyer v. Nebraska, 262 U.S. 390, 400].

**USC 18 §242- DEPRIVATION OF RIGHTS UNDER COLOR OF LAW:** Whoever under the Color of any law, statute, ordinance, regulation, or custom, willfully subjects any person in any State the deprivation of any rights shall be fined under this title or imprisoned not more than one year or both. "Colorable. That which is the appearance only, and not what it purports to be, hence counterfeit, feigned, having the appearance of the truth." [Black's Law Dictionary, 5<sup>th</sup> Edition]. A matter must be expressed to be resolved.

**USC 18 § 241- Conspiracy Against Rights:** My Creator is not false. The corporations and agencies are false. See ... Hoke v. Henderson, 15 25 a.m. dec. 677] ... "... that statutes which would deprive a citizen of the rights of a person or property without a regular trial, according to the course of common law, would not be the law of the land." "The State cannot diminish the rights of the people." See... [Hertudo v. People of the State of California, 110 U.S. 516]. See ... [Sherar v. Cullen 481 F. 945], [Mugler v. Kansas 123 U.S. 623, 659-60].

**USC 42 § 1983- CIVIL ACTION FOR DEPRIVATION OF RIGHTS:** Every person who, under color of any statute, ordinance, regulation, custom, or usage, of any State subjects, or causes to be subjected, any person within the jurisdiction thereof to the deprivation of any rights, privileges, or immunities secured by the Constitution and laws, shall be liable to the party injured in an action at law. A common law civil suit will be filed for negligence and not coming forth to show proof of claim to a bill, tax, debt or obligation(s).

**USC 42 1985- CONSPIRACY TO INTERFERE WITH CIVIL RIGHTS:** If two or more persons in any State or Territory conspire for the purpose of depriving, either directly or indirectly, any person's rights the party so injured or deprived may have an action of damages against anyone or more of the conspirators, in this case it's Every and Spire.

**USC 42 § 1986- ACTION FOR NEGLIGENCE TO PREVENT:**

Every person who, having knowledge that any of the wrongs conspired to be done or about to be done or about to be committed, and having power to prevent or aid in preventing the commission of the same, neglects or refuses so to do, if such wrongful act be committed, shall be liable to the party injured.

Also see ... [Yick Wo. Hopkins, 118 US 356, 370 (Undersigned is Sovereign and no court has challenged that status/standing)].

This Agency have created this entity and then charged me and deprived me of my Sovereignty. Therefore, you Every, Spire and Commission /Agents/ are a debt collection agency for the State, remove my name from your Data Bases to profit off of I, Sha'Mera E. Williams, sui juris. See ... [Downes v. Bidell 182, U.S. 244 1901] "Two national governments exist; one to be maintained under the Constitution with all its restrictions; the other to be maintained by Congress outside and independently of that Instrument."

**State Cannot License Rights -**

A matter must be expressed to be resolved. No State may convert any secured liberty into a privilege and issue a license and a fee for it. See ... [Murdock v. Pennsylvania, 319 U.S. 105: (1943)] [Murdock v. Penn., 319 U.S. 105, at 113].

Thus, telling me that I have to have an attorney to represent I, depriving me of representation of self as stated in my Notice Affidavit of Fact and Notice of Affidavit of Truth. "Where rights secured by the Constitution are involved, there can be no rule making. [Miranda v. Arizona, 384 U.S. 436, 491]. "Sovereignty itself is, of course not subject to law, for it is the author and source of law," [Yick Wo v. Hopkins, 118 US 356, 370]. To deprive the People of their Sovereignty it is first necessary to get the People to agree to submit to the authority of the entity they have created. That is done by getting them to claim they are citizens of that entity. See... Const. For the U.S.A. XIV Amendment, for the definition of a "citizen of the United States ". I am not a 14th Amendment citizen/slave per my Affidavit of Reservations. "Although it is manifested that an unconstitutional provision in the statute is not cured because included in the same act with valid provisions and that there are no degrees of constitutionality." [16 Am Jur 2d., Sec. 260].

Natural Rights are those inalienable rights not contingent upon the laws, customs, or beliefs of any particular culture or government, and therefore universal, unalienable (i.e. rights that cannot be repealed or restrained by human laws).

Corporate public commercial law is not sovereign (private), for it is a public agreement between two or more parties under public contract. Common Law (under which sovereigns operate) is not commercial law; common law is personal and private. Black's Law Dictionary, 6th Ed. See Amendment IV... The right to be secure in my living self, houses, papers and effects... Amendment V... Not to be deprived of life, liberty or property without due process of common law, nor shall private property be taken for public use, without just compensation. Amendment IX and X.

"If the State does convert your rights into a privilege and issues a license for it, I can ignore the license and fee and engage the right with impunity." [Shuttlesworth v. Birmingham AL. 373 U.S. 262: (1962)]. I am a living woman in this Land, not a corporation as the Notice of Deficiency stated, my rights and liberties have been deprived by disconnecting utilities when these corporations never came forth within 15 days to show proof of claims to a debt, tax, bill or obligation. [Caha v. United States, 152 U.S. 211, 215, 14 S. Ct. 513 (1894)].

"An Unconstitutional Statute, through having the form of law, is in reality no law and imposes no duties, confers no rights, creates no office, bestows no power on anyone and justifies no actions performed under it". [Am. Jur. 2d Sec 256]. Missouri Public Service Commission duties are to collect taxes, represent these utility companies and receive complaints. All these said things are to capitalize off of living souls residing in the State of Missouri. This was created under Missouri Constitution in 1945, to deceive the constituents who reside in the State of Missouri. See ... [Olmstead v. U.S., 277 U.S. 438, 478 (1928)]. "... the right to be let alone is the most

comprehensive of rights and the right most valued by civilized men. To protect that right, every unjustifiable intrusion by the government upon the privacy of the individual, whatever the means employed, must be deemed a violation of the Fourth Amendment."

Furthermore, my State I.D. now has U.C.C. 1-308 **ALL RIGHTS RESERVED WITHOUT PREJUDICE NON-ASSUMPSIT** on the back. [Yakus v. U.S. 321 U.S. 414 pg. 468 (1944)]. I own myself, not the State or their entities that places rules and regulations upon the people to comply. I was charged and still being charged to live in my said property. The use of my personal property is unlawful for these corporations to use my property and make profit/gain. I take back my freedom. My rights and liberties have been violated, I have personam Rights, which do not mingle with statute procedure. I do not understand the commission decision and without prejudice under Uniform Commercial Code 1-308, due to mistakes in fact and Law, I wish to remain silent. See... Article, I. To give remedy.

#### Utility Companies -

Utility companies are fraud and are only used for capital gain to use me and my property as commodity for profit and gain for their said companies. I pay debts with Federal Reserve Notes, which are worthless pieces of paper, which I acquired and paid with the notes given as currency. The real currency is gold and silver, which we do not use to pay debts, taxes, or obligations. See... 31 USC 3124 and 18 USC 8. [State treasurer v. Wright, 28 I 11 5091]; [Whitaker v. Haley, 2 Ore. 128]. There is no lawful money. All of Missouri Agents must CEASE and DESIST to the atrocities placed on the people. I do not accept the liability of any compelled benefit or unrevealed contract or commercial agreement. "The right of action created by statute relating to deprivation, under the color of law, of a right secured by the Constitution and the laws of the United States, and some claims which are based solely on statutory violations of State/Federal Law and applied to claim that claimants/complaint Williams had been deprived of her rights, in some capacity, to which Williams is entitled." See... [Owen v. Independence 100 Vol. Supreme Court Records 1398:(1982); Main v. Thiboutot 100 Vol. Supreme Court Records. 2502: (1982).

The laws of Congress in respect to those matters [Federal Income Taxation] do not extend into the territorial limits of the states, but have force only in the District of Columbia, and other places that are within the exclusive jurisdiction of the national government." [Caha v. United States, 152 U.S. 211, 215, 14 S. Ct. 513 (1894)]. I do not live in Washington. See... Notice of Affidavit of Truth. Affidavits stand truth in commerce.

**WE THE PEOPLE** of the United States, in order to form a more perfect union, establish justice, ensure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America. The Declaration of Independence says: "We hold these truths to self-evident, that **ALL MEN ARE CREATED EQUAL**, they are endowed by their Creator with unalienable rights, that among these are Life, Liberty, and Pursuit of Happiness. That to secure these rights, governments are instituted among men, depriving their just powers from the consent of the governed- that whatever any form of government becomes destructive of these ends, it is the Right of the People to alter or abolish it, and to institute new governments, laying its foundation on such principles and organize its powers in such form, as to them shall seem most likely to affect their Safety and Happiness."

**PEOPLE**- are supreme, not the state. [Waring vs. the Mayor of Savannah]; The state cannot diminish rights of the people. [Hertado v. California]; ... at the Revolution, the sovereignty devolved on the people; and they are truly sovereigns of the country, sovereigns without subject...with none to govern but themselves. [CHISHOLM v. GEORGIA]: are entitled to all the rights which formerly belonged to the King by his prerogative. [Lansing v. Smith];

[Yick Wo v. Hopkins, 118 US 356, 370 (Undersigned is Sovereign and no court has challenged that status/standing)].

"The common law is the real law, the Supreme Law of the land, the code, rules, regulations, policy and statutes are "not the law," [Self v. Rhay, 61 Wn (2d) 261].

#### Remedy -

I have given a Notice to all to no longer be compelled or obligated to these rules and regulations under UCC 1-308. See ... [Marbury v. Madison, 5 U.S. 137 (1803)]. I ask that the Missouri Utility Companies stop capitalizing off of I, children, i.e., property of myself. Restore what has been taken from I, in the past and present from me as a living soul. I have signed a sworn affidavit and have been injured by Evergy and Spire by disconnecting or billing myself with fees and taxes and not coming forth to show proof of claims. See... [Town of Frankfort v. Waldo, 128 ME. 1]. Remedy is to not disconnect or bill I, for the basic necessities that my family needs to live and thrive. My properties are under the Protection of God and His Son, Holy Spirit's Blood is all over my property and possessions. Corporations may not disconnect, send a bill or obligation, for my Sovereignty and violation fee is at hand. It will certainly cease to deserve this high appellation if the laws furnish no remedy for the

violation of a vested legal right. See.... [Marbury v. Madison, 5 U.S. 137 (1803)]; [Sherar v. Cullen, 481 F. 945]. "For a crime to exist, there must be an injured party. There can be no sanction or penalty imposed upon one because of his exercise of Constitutional right." Title 42 US Code Sec. 1983, Sec. 1985, & Sec. 1986: Clearly established the right to sue anyone who violates my constitutional rights. [Black's Law Dictionary, 5th Ed. pg. 388; Bond v. U.S. SCOTUS] recognizes personal sovereignty, June 16, 2011]. See... Ballentines Law Dictionary, 3rd Ed. (36 AM J 1st Money § 8).

**Conclusion -**

The Sufficiency of Reservation of Rights- I have expressed my intentions to reserve my natural inalienable rights and they are sufficient. Proceeding according to the course of common law." See... [Jones v. Jones, 188 Mo App. 220, 175 S.W. 227, 229; Ex parte Gladhill, 8 Metc. Mass., 171, per Shaw, C.J] See also... Ledwith v. Rosalsky, 244 N.Y. 406, 155 N.E. 688, 689] [Black's Law Dictionary, 4th Ed., 425, 426]. "The practice of law is an occupation of Common Right." See ... [Sims v. Aherns, 271 SW 720 (1925)]. Dishonor has been brought forth by these corporations.

Any expression indicating an intention to reserve rights, is sufficient, such as "Without Prejudice," U.C.C. 1-308.4, under any signature that I sign. I reserve my right not to be compelled to perform under any commercial agreement that I did not enter **KNOWINGLY, INTENTIONALLY OR VOLUNTARILY**- I do not accept the liability of any compelled benefit or any unrevealed contract or commercial agreement. \* I have included my Affidavit of Reservation of Rights and Affidavit of Fact to show that I have reserved all my rights. See... [Mugler v. Kansas, 123 U.S. 623, 659-60]. See... attachment Decree/Petition. See... Affidavit of Truth

The Justice the administrator and reflects the wish of the sovereign, or jury, because the people rule, not government servants. The following "Law of the Land" proves this point. [US Constitution, Art. 6 clause 2]. "THERE IS NO FEDERAL COMMON LAW, AND CONGRESS HAS NO POWER TO DECLARE SUBSTANTIVE RULES OF COMMON LAW applicable IN A STATE, WHETHER they be LOCAL or GENERAL in their nature, be they COMMERCIAL LAW or part of LAW OF TORTS." (Erie Railroad Co. V. Thompkins, 304 U.S. 64, 82 L. Ed. 1188).

Sincerely,

A living woman,

i.e. all-Natural Inalienable Rights Reserved

**Whoever has eyes, let them see! Whoever has ears let them hear! Let all those present and future be witness to the following record.**

Jurisdiction of all matters of the SHAMERA ELISA WILLIAMS estate is under the sole Jurisdiction of a Land Domain Constitutional Probate Court (as opposed to the corporate-fiction codified probate Court) whereas any other court jurisdiction, any attempt to be "executor de som tort" is hereby denied. Any and all consent taken by fraud, coercion, and by any other despicable means is hereby denied and/or rescinded.

The undersigned Live born Woman, shamera-elisa: williams and Occupant of the Office of the Executor of the SHAMERA- ELISA WILLIAMS estate; as a live born woman, does solemnly swear, declare and state as follows:

1. This live born woman is competent to state the matters set forth herein.
2. This live born woman has knowledge of the facts stated herein.
3. All the facts herein are true, correct and complete, admissible as evidence and if called upon as a witness, this "live born woman" with standing upon the land will testify to their veracity.
4. This live born woman is not and has not been lost at SEA/SEE, nor is she deceased.

Affidavit of Truth, Notice of Current Living Status and Standing of the Live Born Woman: shamera-elisa: Williams

## Hear yea, Hear yea

**Take Notice:** To all fictions, conveyance entities, corporations, and non-living entities (of the SEA/SEE) and/or their representatives without standing upon the land. This is a declaration of a living Birth, of the Live Woman commonly known upon the land and among the living as ~~shamera-elisa williams~~, living born daughter of the "physical union" between the "physical corporeal father" and his "physical corporeal mother" of the house/clan/family of ~~williams~~ of which both have physical standing upon the land. Who is not lost at SEA/SEE, nor has abandoned/Vacated the office of the Executor for Affidavit of Truth, Notice of Current Living Status and Standing of the Live Born Woman: ~~shamera-elisa williams~~ the SHAMERA ELISA WILLIAMS, estate. As ~~shamera-elisa williams~~ has returned from the dead, no office, fictional entity, corporation, person, or officers possess any lawful rights or consent to operate as administrators/occupying the office of the Executor for the SHAMERA ELISA WILLIAMS estate other than the rightful Occupant of the Executors Office.

**This affidavit-declaration of life is given to all in order to establish, signify, proclaim, and verify the status of this live woman and to eliminate/deny all presumptions by any fiction, corporate or private and any alleged claimed jurisdiction without standing upon the land.**

**For as the Creator is the giver of spiritual life and the creator of man/woman in body and form, and whereas man is the creator and giver of life to the paper fiction known as the Person, Corporation, Citizen, and other non-living transmitting entities of fictional nature. Man cannot rule over the creator any more than a created fictional paper entity can rule over its creator the living born Woman... "shamera - elisa williams" is a living, corporeal, breathing, live born woman with footprints in the sand and therefore is not/cannot be under the jurisdiction of a man created fiction...**

**Lawyers, Judges, Court Clerks, and all fictional corporate/non-corporeal entities---** When you address birthright Citizens of the Continental United States in the foreign jurisdiction of the Federal United States or that of a Federal State, and deliberately confuse living corporeal people with corporate franchises merely named after them, you commit peonage. This results in press-ganging land assets into the international jurisdiction of the sea, a crime outlawed worldwide for 200 years. Mischaracterizing the identity or citizenship status of a birthright Citizen of the Continental United States is also a crime under the Geneva Protocols of 1949, Volume II, and is in violation of the Universal Declaration of Human Rights (UDHR) a treaty signed in Paris on 10 December 1948 General Assembly resolution 217 A ... Anyone claiming to be a Live born member of the Continental United States having a valid proof of birth within the Continental United States must be treated/recognized as such (A Live Born Man/Woman and not a fiction entity.).

This is to testify and notify all persons, corporations, fictions that the Live born Woman shamera-elisa williams is not and has never freely consented to be the surety of the created fiction or the trustee of the SHAMERA ELISA WILLIAMS estate created by and through the Cestui Que Vie Trust Act of 1666 as verified by the fiction entity document known as the "Certificate of Birth" issued by the Federal fiction "State of Missouri" and Registered by the fiction agency created by and subordinate to the fiction State of Missouri. The Live Born Woman, rightful Executor of the SHAMERA ELISA WILLIAMS, estate does not, has never, and would never knowingly or by conscious design, give consent to be the surety of the state created fiction in any variation or form.

**This is to notify all persons, Judges, Lawyers, corporations, fictions and/or their representatives:** that any and all contracts made without the live woman's knowing and active consent, whereas consent was obtained through subterfuge, coercion, deceit, manipulation, falsifying of the facts, non-disclosure, adhesion, hypothecation, et. cetra; whereas the live woman would have normally rejected any unconscionable contract and would not have consented to any such contracts: whereas any and all contracts are hereby declared to be null and void ad infinitum.

This physical body that I (the spirit of shamera-elisa: williams) reside within, given to this one by the great creator of all, is a reflection of the spirit whereas the spirit does not belong to or stand under any earthly corporation, religion, or fictional organization.

Further, this body being of the species currently known as human being or Homo Sapien; however originally created or obtained to house my spirit, does not belong to, or is the property of any earthly corporation, religion, organization, or other species, or any fiction.

This body is the vehicle for the living spirit to operate, interact and interface within this domain and physical dimension and cannot be and is denied to be claimed by any fiction, government, religion, corporation, species, et cetra.

The combination and temporary unification of my free-living spirit and the free-living body given to me by the creator, constitutes the domain of a free-living corporeal entity upon this created earth.

I shamera-elisa: williams am a living being with an incorruptible body which is my possession by natural birth and my vehicle during this lifetime upon this earth.

As one spirit can touch another spirit; one body can also touch another corporeal body and all material substances within this created domain. This live spirit and live body unified as one, has standing upon the land as such; when it walks upon the land, physical footprints are left behind proving physical standing against any fiction that has no footprints of standing and can never have footprints of standing upon the land, nor can a fiction without spirit (corporation or court) physically touch or stand in judgment of a Live Born Woman intentionally and specifically without his full knowledge and consent.

**Know all by these facts:**

- A fiction created by a fiction or by other living woman does not have a spirit,
- A fiction created by a fiction or by other living woman does not have standing upon the land,
- A fiction created by a fiction or by other living woman cannot speak,
- A fiction created by a fiction or by other living woman does not have claim to the living,
- A fiction created by a fiction or by other living woman does not have jurisdiction over the living,
- A fiction created by a fiction or by other living woman cannot have jurisdiction or authority over a creator of fiction,
- A fiction by itself is not animated and has no actual life-force of its own as it is a creation of the dead.
- A fiction by itself cannot place an autograph, it cannot reproduce, it cannot breathe, it cannot speak on its own.

- A dead fiction entity can only be created without life therefore it cannot ever be equal or greater than the live born woman; in the same way that the spirit of woman was created by the one beyond her or her creator, man does not and cannot have control, authority or jurisdiction over her spirit creator. Therefore, a man created fiction cannot have jurisdiction over the live born woman.
- No living man can claim or presume superiority, authority, or dominion over another living woman as they are equals in standing upon this created earth.
- No other living entity, not created or born of this earth, can presume superiority, authority or dominion over this living woman as all living entities are created by the creator and are of equal standing in the eyes of the creator (regardless of their level of technology or biological determination within this plane of existence).
- In like fashion, a fiction therefore cannot presume or assume authority or control over its creator or the living woman.
- All presumptions of fictions, statute tribunals, and any other claims are hereby denied, challenged, demurer, embargoed, excluded at this and all times in the present and future.

And ...

Let it be announced and acknowledged to the world and all corners of the earth and all jurisdictions of the world, inclusive corporeal and non-corporeal, to take notice: that I, shamera-elisa williams; is a living natural born woman with footprints in and upon the soil/sand of this and one of the land of this created planet known as the Earth. That I am not a creature, animal, surety, fiction, chattel, slave, 14<sup>th</sup> amendment person/federal citizen, or is subject to, or is of the SEE (SEA). **I do not live in Washington DC.**

**This living woman has not been lost at SEA/SEE, and is not dead/deceased, or a decedent: this fact is for all to take notice from the greatest to the lessor of all living men.** Having been brought forth into this domain by living natural birth and whose physical body entered this world through my mother, whereas her body came from her mother Ad infinitum; "A die confection is" to the first birth manifested by our creator. That I am the live born daughter of my live born father who also had standing having been received into and bestowed with the pedigree of the family/clan "williams" upon this earth. The house/pedigree of williams is a testament of live born women with standing dating back to the first live born man traditionally known as Adam bestowed with standing and a corporeal body as a gift from our creator.

It is of no consequence that the body may have been created by or through genetic manipulation or manufactured by others in its original form, whereas the spirit that inhabits the body which is what gives the body actual animation and life is that of the creators and cannot be manipulated, subjected, or destroyed by any other than that creator. Whereas a fiction created by man or fiction cannot have or hold a spirit and is indeed a dead thing without any life-force or standing against alive born woman.

Let no man or fiction attempt by force, by fraud, by ill-conceived contract, by adhesion, or hypothecation, or by any other despicable means attempt to mask, control, destroy, or subvert this live born spirit/woman into unwilling or unknowing consent to give up her spirit-creator given natural freedoms, natural rights, and liberties. This live born woman's spirit-creator given rights, natural rights, liberties and standing cannot be controlled, taken, or stolen by subversion, subterfuge, bad faith, novation, subrogation, deceit, pretense, superseded, abolished, or though, non-consent, fraud or any other means, and placed under the authority and jurisdiction of any dead man, non-spirit filled or non-animated fiction known as a transmitting entity, person, citizen, corporation, Ad infinitum.

Affidavit of Truth, Notice of Current Living Status and Standing of the Live Born Woman: shamera-elisa williams

Let all men know from this point forward to know and acknowledge that ~~shamera-elisa: williams~~ is indeed a live born spirit-woman, currently not deceased or lost at SEA/SEE, who has proven standing upon the land.

**Note:** The name of the live born woman as given is based upon the name given to the live born child by the live parent into the name of the family or the clan known in this case as the Family of Williams. This is not associated in any way with the statutory created fiction or estate with the same name.

**Natural rights** are those Inalienable rights not contingent upon the laws, customs, or beliefs of any particular culture or government, and therefore universal, unalienable, and inalienable (i.e., rights that cannot be repealed or restrained by human laws).

## Notice of People's Assembly and Notice of Corrective Wisdom From The Supreme Court

### Notice to Agent is Notice to Principal and Notice to Principal is Notice to Agent

I, shamera-elisa: williams, one of the People (as seen in the 50 state constitutions), Sui Juris, do present you with this notice that you may provide immediate due care;

Please take notice that the people have assembled and realized that agencies were being given faux authority to take liberty, property, and rights from the People, without the constitutionally required due process with courts of record and trials by jury. The People have come together to put the Supreme Court and Federal Legislature on notice, who in return have openly spoken about the violation of rights, liberties and problems with the unlawful practices that have been run by attorneys who have not understood the law (please see evidence from Justice Gorsuch communication in a recent court case below):

Discussion in Case: Please see case and transcript...

SEC v. Jarkesy Docket Number: 22-859 Date Argued: 11/29/2023

Maxim: Maxim of Law 4b. He who does a thing by another is considered as doing it himself [i.e., the acts of an agent are the acts of the principal.] Broom, Max. 817, 818, et seq.; A Collection Maxims of Law by Charles A. Weisman

Please take notice that as agency workers, state judges, presiding judges, state legislators, etc... that you are bound by the Constitutions that you have all sworn to uphold, and from this time forward please be advised that taking children, cars, houses, weapons, rights, property, etc.. without a trial by jury in a court of record following the course of the common law, is unlawful.

Please also take further notice that attorneys, who don't have their name on the line, as they are not in positions of service and contract with the people, presenting you with the idea that it's acceptable to trample the people's rights by device or artifice does not in any way remove your responsibility for your wrongdoings. Furthermore, there is another element of wrong being committed when you are working in a federal program and make money outside of your normal salary for carrying out the functions of that program, leaving one with unclean hands on top of taking property or rights from the people without right!

All past cases that bypassed the common law are unlawful. Therefore, it is my immediate demand, wish, and order that you restore all that has been unlawfully taken without constitutionally mandated due process, and notify all those who were harmed, or you agree that any wrong that is done in this regard in the future, or that has not been corrected from past trespasses, is done purposely, with full knowledge, intent and malice, and will be recognized as such by the People, whom you swore to serve and protect. This notice is sent to you in the peace and love of Jesus Christ, that you may repent and do works worthy of the same.

Maxim: "Judicial notice is a form of evidence."
