

EC-2024-0217

Brett Felber
VS
Ameren Missouri

To whom this may concern. Just because I have dismissed my matter with the Missouri Public Service Commission doesn't mean that Ameren has a free pass to harass me via by sending harassing letters to my mailbox.

Since dismissing this matter, I have received two harassing letters from Ameren Missouri.

In addition, it doesn't give Ameren Missouri a free pass over the issues over the double billing, deposit and inaccurate taxes on my account. If they read my dismissal, I gave Ameren Missouri 30 days to rectify that with me, not continue or force me to pay something I don't owe.

Attached is what I have sent Ameren Missouri via certified. They have until May 27, 2024, to rectify the matter with me before I submit a complaint to the prosecuting attorney's office regarding the counterfeit document.

Attached is a copy of the certified mail receipt and all letters addressed to their legal counsel and Martin Lyons.

I am asking the Commission to reach out to Ameren since they ignore me and tell them to immediately cease and desist of any further harassing letters.
